SB 221-Testimony in Support  
House Federal & State Affairs Committee

Chairman Barker and Members of the Committee,

I am Philip Bradley representing the KS Craft Brewers Assn., and the KS Viticulture and Farm Winery Assn. Thank you for the opportunity to speak today and I will be brief.

We are grateful for this measure and believe it will help make our products available in more markets in KS. Many of the KS Craft brewers have not yet invested in the extraordinary expense of canning/bottling lines. This would allow those smaller, starting brewers to bring their products to consumers to enjoy at home.

And the KS Viticulture & Farm Winery Assn. supports this so that strong ciders may also be available for consumers to take home.

**We support SB 221 - We ask you to advance the bill, favorably as amended.**

Our industries are working compliant contributors to the success of the state of Kansas, thank you for your attention and consideration.

I am available for your questions today and at your convenience.
