Dear Senator Wilborn:

Please accept this letter of support from the McPherson USD 418 Board of Education for efforts by the McPherson Museum and Arts Foundation to revise Kansas Statutes allowing for a mill levy supporting the Museum to be generated through the schools district's budgeting process. The change is in reference to the current Kansas Statute KSA 12-1681 to KS 12-1691.

The USD 418 Board of Education believes that this revision would be beneficial to both the school and our community. The McPherson Museum provides a significant contribution to the educational experiences of both our students and our community.

We would appreciate your support of and advocacy for this proposed revision. Thanks for the consideration.

Respectfully submitted,

Jeff Johnson
Board President
