

House Committee on Taxation

Testimony in Support of Senate Bill 265

Presented by Eric Stafford, Vice President of Government Affairs

Wednesday, March 11, 2020

Mister Chairman and members of the committee, my name is Eric Stafford, Vice President of Government Affairs for the Kansas Chamber. The Kansas Chamber represents small, medium and large businesses of all industry segments across the state. The Kansas Chamber appreciates the opportunity to testify in support of Senate Bill 265.

SB 265 offers the ability for the board of tax appeals, upon request and consent by the party and their attorney, if any, to serve an order or notice through electronic communications. In today's electronic world, this is a positive change that provides expedited, and more efficient communications between taxpayers and BOTAs.

We appreciate the opportunity to testify in support of Senate Bill 265, and I am happy to answer any questions at the appropriate time.
