**Support Testimony on HB 2095**

**February 12, 2019**

Chairman Richard Proehl and Members of the House Transportation Committee,

As a proud member of Alpha Kappa Alpha Sorority, I am grateful for the opportunity to introduce HB 2095, recognize a sisterhood committed to service and academic excellence and provide support testimony for this distinctive license plate bill.

Alpha Kappa Alpha Sorority, Incorporated (AKA) is an international service organization that was founded on the campus of Howard University in Washington, D.C. in 1908. It is the oldest Greek-letter organization established by African-American college-educated women. Alpha Kappa Alpha is comprised of nearly 300,000 members in approximately 1,018 graduate and undergraduate chapters in the United States, the U.S. Virgin Islands, Liberia, the Bahamas, Bermuda, Canada, Dubai, Germany, Japan, Liberia, and South Korea. Led by International President Dr. Glenda Baskin Glover, Alpha Kappa Alpha is often hailed as "America's premier Greek-letter organization for African American women."

The purpose of Alpha Kappa Alpha Sorority is to cultivate and encourage high scholastic and ethical standards, to promote unity and friendship among college women, to study and help alleviate problems concerning girls and women in order to improve their social stature, to maintain a progressive interest in college life, and to be of service to all mankind.

Nationwide there are at least twenty other states that have vanity Alpha Kappa Alpha Sorority distinctive license plates. They include Texas, Oklahoma, Illinois, Mississippi, Alabama, Virginia, New York, South Carolina, Tennessee, Georgia, New Jersey, Pennsylvania, Louisiana, Florida, North Carolina, Arkansas, Maryland, Ohio, Delaware, and the U.S. Virgin Islands.

Statewide the Alpha Kappa Alpha Sorority has nine membership chapters members with hundreds of active members whom are eager and willing to support and purchase the minimum quantity of 500 distinctive license plate annually. It is our hope that Kansas will join in with these other states and allow members of this well-established organization to purchase this plate and show their strong pride in their organization, support of its programs and their pride as citizens of the great state of Kansas.

Please vote to support and pass HB 2095 out of committee favorably.

Sincerely,

A handwritten signature in cursive script that reads "Gail Finney".
