1.22.20 HB 2431 Juden

To whom it may concern,

On September 11th our generation was chosen to take on a coward form of evil in this world. In life you have many chances to choose between right and wrong. When our country needed Tyler he made the right choice. His actions were completely selfless and are part of what make him my hero. Great men like Tyler are what make this country and state the greatest place to live. When you think about Kansans you think of people like Tyler Juden. We are hard working, tough, selfless and loving. I had the pleasure to grow up with Tyler and call him a great friend.

What truly makes a man are not his possessions or wealth but the quality of his character. His character will never be matched. Tyler always did the right thing even if it wasn't easy or popular. He made me a better person and the world a better place. He was a real life super hero. It is our duty to never forget his courageous actions and a bridge would be a way to memorialize them.

John 15:13 says it best: "Greater love hath no man than this, that a man lay down his life for his friends."

Thank you for your time and consideration,

Kyle Krisik
