

1-22-20 HB2431

To Whom It May Concern:

I would like to announce my support and request to name the Arkansas City Bridge in honor of Sgt. Tyler Juden of Arkansas City who was KIA. I graduated from high school with Tyler. In our first year of college at Cowley County Community College, we were in the fitness facility running when he told me he was interested in the Army. I was already scheduled to head to basic training and he was asking me my opinions. Tyler could have had a full-ride scholarship to any university on academics or with sports, but his passion was serving others; especially his country.

Tyler was a great man, person, friend and soldier. I stand in support and honor of Tyler and request you honor his memory, sacrifice, service and family in naming the "Sgt. Tyler Juden Memorial Bridge" in Arkansas City
