Proponent Testimony for SB 279

I am a proponent for SB 279 that would allow charitable organizations to apply for property tax exemption. The affected statute was written in 1907, long before LLC's were in operation. This statute would allow all not-for-profits from this point forward to apply for the same status that not-for-profit corporations have enjoyed since the statute was written.

Thank you for the opportunity to appear before you today to testify on behalf of this important issue.

Sincerely,

Randall Hardy
