

Proponent Testimony – January 21, 2020

Dear Chairman Barker, Chairman Wilborn and Members of the Joint Committee,

Unlimited abortion hurts women and children. It is not a Kansas value. I urge you to support the Value Them Both Amendment to the Kansas Constitution. Kansans deserve a right to vote on this issue.

Abortion is seen as a quick solution to what seems to be a “problem” now, but days, months or years down the road this will have a negative effect on the mother and father. As citizens of Kansas, we do not want our tax dollars being spent on funding abortions. Have you ever thought about the possibility that the babies that have been aborted were the people who could have found the cure for cancer, aids, or Parkinson’s?

Our Kansas Constitution does not contain a right to unlimited abortions and we believe that putting a Constitutional Amendment on the ballot for the people of Kansas to vote on is what is needed.

Please approve the Value Them Both Constitutional Amendment. Give us and others in Kansas the right to make decisions on this contentious issue.

Thank you for this opportunity and for all your work for the people of Kansas.

Respectfully,

Julie Sipe
