MEMORANDUM

To: Senate Committee on Judiciary

From: Office of Revisor of Statutes

Date: February 24, 2020

Subject: Bill Brief for SB 420

Senate Bill 420 would require registration as a sex offender for certain violations of the crime of breach of privacy.

Section 1 amends K.S.A. 22-4902, the statute that defines who is required to register under the Kansas offender registration act. The bill would amend the definition of “sex offender” in subsection (b) to include any person convicted of breach of privacy, as defined in K.S.A. 21-6101(a)(6) or (a)(7). A copy of that statute is attached for reference.

Section 2 amends K.S.A. 22-4906, the statute that sets the time period for which an offender is required to register under the Kansas offender registration act. The bill would add an offender convicted of breach of privacy, as defined in K.S.A. 21-6101(a)(6) or (a)(7), to subsection (a), which provides that such offender’s duration of registration shall be, if confined, 15 years after the date of parole, discharge or release, whichever date is most recent, or, if not confined, 15 years from the date of conviction.

(6) installing or using a concealed camcorder, motion picture camera or photographic camera of any type to secretly videotape, film, photograph or record, by electronic or other means, another identifiable person under or through the clothing being worn by that other person or another identifiable person who is nude or in a state of undress, for the purpose of viewing the body of, or the undergarments worn by, that other person, without the consent or knowledge of that other person, with the intent to invade the privacy of that other person, under circumstances in which that other person has a reasonable expectation of privacy;

(7) disseminating or permitting the dissemination of any videotape, photograph, film or image obtained in violation of subsection (a)(6); or

(8) disseminating any videotape, photograph, film or image of another identifiable person 18 years of age or older who is nude or engaged in sexual activity and under circumstances in which such identifiable person had a reasonable expectation of privacy, with the intent to harass, threaten or intimidate such identifiable person, and such identifiable person did not consent to such dissemination.
