RE: Senate Bill 356

Good morning Mr. Chairman and members of the Senate Transportation Committee:

The Division of Vehicles requested the introduction of this bill.

Currently the definition for vehicle class in KSA, 8-234b uses gross vehicle weight rating. We would like to keep gross vehicle weight rating with the addition of or gross vehicle weight to the definition. This will also align the definition with Federal Motor Carrier Safety Administration CFR 383.5. We thank you for the opportunity to make this technical correction to our statute.

I stand for questions.
