

SESSION OF 2019

**CONFERENCE COMMITTEE REPORT BRIEF
HOUSE BILL NO. 2203**

As Agreed to May 2, 2019

Brief*

HB 2203 would reconcile amendments to statutes that were amended more than once during the current and prior legislative sessions. For such statutes, the bill would repeal one version and, if necessary, amend the continuing version with non-contradictory amendments, creating a single version of the statute containing all amendments.

Conference Committee Action

The Conference Committee agreed to remove the contents of HB 2203 and insert the contents of HB 2419 with a technical correction to a statutory reference.

Background

The Conference Committee removed the contents of HB 2203 and inserted the contents of HB 2419. [Note: HB 2203 previously addressed working-after-retirement provisions of the Kansas Public Employees Retirement System. A Conference Committee report for HB 2031, which includes modified working-after-retirement provisions, has been signed by the Governor.]

*Conference committee report briefs are prepared by the Legislative Research Department and do not express legislative intent. No summary is prepared when the report is an agreement to disagree. HB 2419 (Reconciliation Bill)

The bill was introduced by the House Committee on Appropriations and referred to the House Committee of the Whole. The Office of Revisor of Statutes submits a bill of this type annually to reconcile conflicting statutes.
