The Honorable Russell Jennings, Chairperson
House Committee on Corrections and Juvenile Justice
Statehouse, Room 151-S
Topeka, Kansas 66612

Dear Representative Jennings:

SUBJECT: Fiscal Note for HB 2336 by House Committee on Corrections and Juvenile Justice

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2336 is respectfully submitted to your committee.

HB 2336 specifies that when a defendant is serving a previously imposed sentence or is on post incarceration supervision for a previously imposed sentence, and a sentence is imposed on the defendant to be served consecutively to the previously imposed sentence, the defendant would not be entitled to credit for time served in custody on such sentence.

The bill would allow the Secretary of Corrections to determine whether or not a defendant could be awarded credit towards post incarceration supervision for time spent incarcerated for such dates.

The Kansas Sentencing Commission and the Department of Corrections state enactment of HB 2336 could have an effect on prison bed space, based on the Secretary's determination; however, the Commission and the Department cannot estimate an effect. Any fiscal effect associated with HB 2336 is not reflected in *The FY 2020 Governor's Budget Report*.

Sincerely,

Larry L. Campbell
Director of the budget
