The Honorable Lonnie Clark, Chairperson  
House Committee on Veterans and Military  
Statehouse, Room 532-S  
Topeka, Kansas 66612

Dear Representative Clark:

**SUBJECT:** Fiscal Note for HB 2353 by House Committee on Veterans and Military

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2353 is respectfully submitted to your committee.

HB 2353 would allow recipients of the Purple Heart Medal to be issued one distinctive license plate to be displayed on any vehicle without payment of the regular license fee.

The Department of Revenue indicates HB 2353 would require \$7,200 from the State General Fund in FY 2020 to implement the bill and to modify the title and registration system. The required programming for this bill by itself would be performed by existing staff of the Department of Revenue and outside contract programmer services. In addition, if the combined effect of implementing this bill and other enacted legislation exceeds the Department's programming resources, or if the time for implementing the changes is too short, additional expenditures for outside contract programmer services beyond the Department's current budget may be required. Any fiscal effect associated with HB 2353 is not reflected in *The FY 2020 Governor's Budget Report*.

Sincerely,

Larry L. Campbell  
Division of the Budget
