The Honorable Troy Waymaster, Chairperson
House Committee on Appropriations
Statehouse, Room 111-N
Topeka, Kansas 66612

Dear Representative Waymaster:

SUBJECT: Fiscal Note for HB 2393 by House Committee on Appropriations

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2393 is respectfully submitted to your committee.

HB 2393 would narrow the scope of what a lottery gaming facility manager, racetrack gaming facility manager or facility owner licensee would be required to check for on debt owed to the state for child support.

The Department for Children and Families indicates that HB 2393 would increase collections of child support that would then be passed on to the guardian of the child owed support. However, it is not possible to predict the number of additional cases that would arise. Therefore, a precise fiscal effect cannot be determined. Any fiscal effect associated with HB 2393 is not reflected in *The FY 2020 Governor's Budget Report*.

Sincerely,

Larry L. Campbell
Director of the Budget
