The Honorable John Barker, Chairperson
House Committee on Federal and State Affairs
Statehouse, Room 285-N
Topeka, Kansas 66612

Dear Representative Barker:

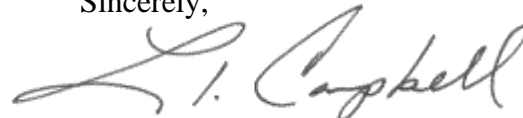

SUBJECT: Fiscal Note for HB 2596 by House Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2596 is respectfully submitted to your committee.

HB 2596 would amend the Club and Drinking Establishment Act to allow a licensed manufacturer to be issued up to one drinking establishment license that would be located within 1.2 miles of the licensed premises specified in the manufacturer's license. Under this situation, the drinking establishment license would be allowed to sell the alcoholic liquor manufactured by its manufacturer's licensee, but would also be required to acquire all other beer, cereal malt beverage, wine, and spirits from a distributor or retailer licensed under the Kansas Liquor Control Act.

The Department of Revenue indicates that HB 2596 would have no fiscal effect. The Department indicates the bill would require it to update the manufacturer and drinking establishment handbooks; however, those costs are estimated to be negligible.

Sincerely,

Larry L. Campbell
Division of the Budget
