The Honorable Molly Baumgardner, Chairperson  
Senate Committee on Education  
Statehouse, Room 445B-S  
Topeka, Kansas 66612

Dear Senator Baumgardner:

**SUBJECT:** Fiscal Note for SB 284 by Senate Committee on Education

In accordance with KSA 75-3715a, the following fiscal note concerning SB 284 is respectfully submitted to your committee.

SB 284 would require the Director of Vehicles of the Department of Revenue to issue a permanent vehicle placard to any school district or interlocal cooperative, upon application, for transporting students who would qualify for a placard or license plate.

HB 284 would require modifications to the vehicle system. The required programming for this bill by itself (120 hours in in-house programming and 70 hours of testing and project management work) would be performed by existing staff of the Department of Revenue. However, if the combined effect of implementing this bill and other enacted legislation exceeds the Department's programming resources, or if the time for implementing the changes is too short, expenditures for outside contract programmer services beyond the Department's current budget may be required. Any fiscal effect associated with SB 284 is not reflected in *The FY 2021 Governor's Budget Report*.

Sincerely,

Larry L. Campbell  
Director of the Budget
