The Honorable Dan Kerschen, Chairperson  
Senate Committee on Agriculture and Natural Resources  
Statehouse, Room 225-E  
Topeka, Kansas 66612

Dear Senator Kerschen:

**SUBJECT:** Fiscal Note for SB 308 by Senate Committee on Agriculture and Natural Resources

In accordance with KSA 75-3715a, the following fiscal note concerning SB 308 is respectfully submitted to your committee.

SB 308 would amend existing law concerning milk, cream, dairy products and on-farm retail sale of milk to make on-farm retail sale of milk and milk-products lawful if the label or advertisement for the products contains language specified in the bill. The bill would exempt milk or milk products produced for on-farm retail sale from the current statutory definition of milk. On-farm retail sales of milk or milk products would be defined as the sale of ungraded raw milk or ungraded raw milk products. The prohibition against the person making these sales promoting the sales in any manner other than a sign posted on the premises of the dairy farm would be removed.

According to the Kansas Department of Agriculture, enactment of SB 308 would not have a fiscal effect.

Sincerely,

A handwritten signature in black ink that reads "L. L. Campbell". The signature is fluid and cursive, with the first and last names clearly legible.
