The Honorable Mike Petersen, Chairperson
Senate Committee on Transportation
Statehouse, Room 345-S
Topeka, Kansas 66612

Dear Senator Petersen:

SUBJECT: Fiscal Note for SB 326 by Senate Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning SB 326 is respectfully submitted to your committee.

Under current law, individuals that meet certain requirements are able to renew their driver's licenses online if the individual is at least 21 years of age, but less than 50 years of age. SB 326 would extend online renewal of driver's licenses to individuals that are less than 65 years of age.

Estimated State Fiscal Effect				
	FY 2020 SGF	FY 2020 All Funds	FY 2021 SGF	FY 2021 All Funds
Revenue	--	--	--	--
Expenditure	--	--	\$3,500	\$3,500
FTE Pos.	--	--	--	--

The Department of Revenue estimates that SB 326 would have no fiscal effect on state revenue. The Department indicates that the bill would require \$3,500 from the State General Fund in FY 2021 to implement the bill and to modify the driver's licensing system. The required programming for this bill by itself would be performed by existing staff of the Department of Revenue. In addition, if the combined effect of implementing this bill and other enacted legislation exceeds the Department's programming resources, or if the time for implementing the changes is too short, additional expenditures for outside contract programmer services beyond the

Department's current budget may be required. Any fiscal effect associated with SB 326 is not reflected in *The FY 2021 Governor's Budget Report*.

Sincerely,
