The Honorable Carolyn McGinn, Chairperson
Senate Committee on Ways and Means
Statehouse, Room 545-S
Topeka, Kansas 66612

Dear Senator McGinn:

SUBJECT: Fiscal Note for SB 479 by Senate Committee on Ways and Means

In accordance with KSA 75-3715a, the following fiscal note concerning SB 479 is respectfully submitted to your committee.

SB 479 would require the Kansas Commission on Veterans Affairs Office (KCVAO) to submit an application to the U.S. Department of Veteran Affairs for construction of a new state veterans home facility located in Leavenworth or Wyandotte county. The application would need to be submitted on or before April 15, 2021.

The KCVAO indicates the application would require documentation that there is a reasonable basis to conclude that the facility will be fully occupied, state authorization for the project, a certificate of matching funds, a five-year capital plan for the state's veteran's home program, and a financial plan for the new facility's first three years of operations. Obtaining the information for the application would require staff time and possibly the use of outside contractors, but the KCVAO estimates it could be accomplished within existing resources. Any fiscal effect associated with SB 479 is not reflected in *The FY 2021 Governor's Budget Report*.

Sincerely,

Larry L. Campbell
Director of the Budget
