15 amendments thereto.

16 Sec. 2. K.S.A. 65-6009 is hereby amended to read as follows: 65-
17 6009. (a) At the time of an appearance before a magistrate under K.S.A.
18 22-2901, and amendments thereto, the magistrate shall inform any person
19 arrested and charged with a crime in which it appears from the nature of
20 the charge that the transmission of body fluids from one person to another
21 may have been involved of the availability of infectious disease tests and
22 shall cause the alleged victim of such a crime, if any, to be notified that
23 infectious disease tests and counseling are available. If the victim of the
24 crime or the county or district attorney requests the court to order
25 infectious disease tests of the alleged offender or if the person arrested and
26 charged with a crime stated to the law enforcement officer making such
27 arrest that the person arrested and charged with the crime has an infectious
28 disease or is infected with an infectious disease, or used words of like
29 effect, the court shall order the arrested person to submit to infectious
30 disease tests. Testing for infectious disease shall occur not later than 48
31 hours after the alleged offender appears before a magistrate under K.S.A.
32 22-2901, and amendments thereto. The results of any test obtained under
33 this section shall be inadmissible in any criminal or civil proceeding. The
34 court shall also order the arrested person to submit to follow-up tests for
35 infectious diseases as may be medically appropriate.

36 (b) Upon conviction of a person for any crime which the court
37 determines from the facts of the case involved or was likely to have
38 involved the transmission of body fluids from one person to another, the
39 court: (1) May order the convicted person to submit to infectious disease
40 tests; or (2) shall order the convicted person to submit to infectious disease
41 tests if the victim of the crime or the parent or legal guardian of the victim,
42 if the victim is a minor, requests the court to issue such order. If infectious
43 disease tests are ordered under this subsection, the victim of the crime, if

1 any, who is not a minor, shall designate a health care provider or counselor
2 to receive such information on behalf of the victim. If the victim is a
3 minor, the parent or legal guardian of the victim shall designate the health
4 care provider or counselor to receive such information.

5 (c) The results of any infectious disease test ordered under subsection
6 (a) shall be disclosed to the law enforcement officer making such arrest,
7 the person arrested, the victim, the parent or legal guardian of the victim
8 and such other persons as the court determines have a legitimate need to
9 know the test result in order to provide for their protection. The results of
10 any infectious disease test ordered under subsection (b) shall be disclosed
11 to the court which ordered the test, the convicted person and to the person
12 designated under subsection (b) by the victim or victims of the crime or by
13 the parent or legal guardian of a victim if the victim is a minor. If an
14 infectious disease test ordered under this section results in a positive
15 reaction, the results shall be reported to the secretary of health and
16 environment and to the secretary of corrections.

17 ~~(d) As used in this section, infectious disease includes HIV and~~
18 ~~hepatitis B.~~

19 (e) The costs of any counseling and testing provided under this
20 section shall be paid from amounts appropriated to the department of
21 health and environment for that purpose. The court shall order the
22 adjudicated person to pay restitution to the department of health and
23 environment for the costs of any counseling provided under this section
24 and the costs of any test ordered or otherwise performed under this section.

25 Sec. 3. K.S.A. 65-6009 and K.S.A. 2019 Supp. 65-6001 are hereby
26 repealed.

27 Sec. 4. This act shall take effect and be in force from and after its
28 publication in the statute book.
