

## **Cost of Civil Imprisonment in County Jails; HB 2097**

**HB 2097** amends law related to the cost of keeping civil prisoners in county jail. The bill changes the amount taxed as costs in an action for keeping a civil defendant imprisoned in county jail from \$1.50 per day to an amount equal to that provided by the county for the maintenance of other prisoners. The bill also requires the same provision be made for civil prisoners as is made for other county prisoners.
