**§ 7.** This section was eliminated by the 1974 revision of this article.

**§ 8. Organization and sessions.**—The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. JOINT RULES OF THE  
SENATE AND HOUSE OF REPRESENTATIVES  
2019-2020

**Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation.** (a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) *Amendment, suspension or revocation of joint rules; previous notice; vote required.* After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of  $\frac{2}{3}$  of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) *Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions.* Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president; and (2) either: (a) A copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence; or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

**Joint rule 2. Joint sessions.** (a) *Joint session called by concurrent resolution; vote required; time, place and subject matter.* A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the

affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) *Presiding officer at joint sessions; record of joint session; rules applicable.* The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) *Votes in joint session; taking; requirements.* All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

**Joint rule 3. Conference committee procedure.** (a) *Action by house of origin of bill or concurrent resolution amended by other house.* When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) *Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.* The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of

any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) *Motion to nonconcur; when considered final action; effect of adoption of motion.* A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) *House of origin refusal to concur or nonconcur; request for conference; procedure.* When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) *Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee.* Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by

the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not fewer than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) *Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business.* Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a

recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of  $\frac{2}{3}$  of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) *Signatures required on conference committee reports.* All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) *Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.* The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall

be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) *Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.* If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) *Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year.* Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

**Joint rule 4. Deadlines for introduction and consideration of bills.** The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) *Bill request deadline for individual members.* Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on February 4, 2019, during the 2019 regular session and on February 3, 2020, during the 2020 regular session.

(b) *Bill introduction deadline for individual members.* Except as provided in (i) of this rule, no bill sponsored by a member or members shall be introduced in either house of the legislature after the hour of

adjournment on February 13, 2019, during the 2019 regular session and on February 12, 2020, during the 2020 regular session. Such deadline for the introduction of bills by individual members may be changed to an earlier date in either house at any time by resolution duly adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in such house.

(c) *Bill request deadline for certain committees.* Except for bills to be introduced pursuant to (i) of this rule, no committee except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall make a request to the office of the revisor of statutes for any bill to be drafted for sponsorship by such committee after the hour of 5:00 p.m. on February 11, 2019, during the 2019 regular session and on February 10, 2020, during the 2020 regular session.

(d) *Bill introduction deadline for certain committees.* Except as provided in (i) of this rule, no bill sponsored by any committee of either house of the legislature, except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be introduced in either house after the hour of adjournment on February 15, 2019, during the 2019 regular session and on February 14, 2020, during the 2020 regular session.

(e) *House of origin bill consideration deadline.* No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered in the house in which such bill originated after the hour of adjournment on February 28, 2019, during the 2019 regular session and on February 27, 2020, during the 2020 regular session.

(f) *Second house bill consideration deadline.* No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the

committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by either house, not the house of origin of such bill, after the hour of adjournment on March 27, 2019, during the 2019 regular session and March 25, 2020, during the 2020 regular session.

(g) *Exceptions to limitation of (d), (e) and (f); procedure.* Specific exceptions to the limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) *Deadline which falls on day neither house in session; effect.* In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) *Bills introduced in odd-numbered years after deadlines; effect.* Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) *Modification of schedule of deadlines for introduction and consideration of bills; procedure.* In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) *Bill consideration deadline; exceptions.* No bills shall be considered by the Legislature after April 5, 2019, during the 2019 regular session and after April 3, 2020, during the 2020 regular session except bills vetoed by the governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702, and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

**Joint rule 5. Closure of meetings to consider matters relating to security.** Any standing committee of the house of representatives, any standing committee of the senate, the legislative coordinating council, any joint committee of both houses of the legislature, any special or select committee of the house of representatives or the senate, the house of representatives in session, the senate in session or a joint session of the house of representatives and the senate may meet in closed, executive session for the purpose of receiving information and considering matters relating to the security of state officers or employees, or both, or the security of buildings and property under the ownership or control of the state of Kansas.

**Joint rule 6. Floor amendments to bills making appropriations.** (a) Unless by majority consent to correct an error in drafting, no amendment from the floor in either house of the legislature to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill. Notwithstanding any rule in either house of the legislature, those portions of a motion to amend a bill as described in this rule shall be indivisible.

(b) The provisions of subsection (a) shall not apply if the ending balance in the state general fund for the ensuing fiscal year is equal to 7.5% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year based on the most recent budget profile of the Kansas legislative research department.

**Rule 1907. Rules Applicable.**

The same rules, except Rule 2508, shall be observed in the Committee of the Whole as in the House, so far as the same are applicable, except that the previous question and the motion to lay on the table shall not apply.

**Rule 1908. Rise and Report.**

A motion for the Committee of the Whole to rise and report shall be in order at any stage, and shall be decided without debate. When the Committee of the Whole has a bill under consideration and rises without final action thereon, the bill shall retain a place on General Orders.

**Rule 1909. Effect of Recommendation of Committee of the Whole.**

Bills recommended for passage and resolutions recommended for adoption by the Committee of the Whole shall not be subject to amendment or debate after the adoption by the House of the Committee of the Whole report. When a bill or resolution is reported with the recommendation that the enacting or resolving clause be stricken, and the Committee of the Whole report is adopted by the House, the bill or resolution shall be considered as killed and shall be stricken from the calendar.

**Rule 1910. Report of Committee of the Whole.**

When the report of the Committee of the Whole recommends the passage of a bill or adoption of a resolution, and the report is adopted by the House, such bills and resolutions shall be considered as ordered to the order of business Final Action. ***ARTICLE 21. AMENDMENT OF BILLS AND RESOLUTIONS***

**Rule 2101. Germaneness.**

Amendments to bills and resolutions shall be germane to the subject of the bill or resolution. The principal test of whether an amendment is germane shall be its relationship to the subject of the bill or resolution, rather than to wording of the title thereof. The amendment, including any amendment from the floor to strike all of the substantive provisions of a bill or resolution and insert other provisions, must be relevant, appropriate, and have some relation to or involve the same subject as the bill or resolution to be amended. For the purposes of this rule the subject matter of any appropriation bill is the spending and appropriating of money and any amendment which changes the amount of money spent in any state agency or program is germane to any appropriation bill.

**Rule 2102. Form of Amendment Motions.**

Motions to amend bills and resolutions shall specify the page and line number, as shown on the printed bill or resolution, and shall be in writing on a form provided by the House or a form substantially similar. A motion shall be out of order unless the written motion is first delivered to the chief clerk. In the case of amendment by substitute bill, motion shall be made to substitute a written bill for the bill under consideration.

**Rule 2103. Reading Amendments; General Rule.**

Motions to amend bills and resolutions shall not require readings as for bills introduced, except as otherwise provided in Rule 2107, but shall be subject to Rule 2306.

**Rule 2104. Motions to Amend Motions.**

A motion to amend a motion to amend a bill or resolution shall not be in order.

**Rule 2105. Dividing Amendments.**

(a) When any motion to amend a bill or resolution contains distinct propositions, it shall be divided by the presiding officer at the request of any member. The division by the presiding officer shall be made in accordance with the following:

(1) A motion to strike out and insert words of less than a sentence shall be indivisible;

(2) the distinct propositions shall be only in the form submitted in the motion to amend;

(3) each proposition must be so distinct that, one being removed, the remainder may stand entirely on their own; and

(4) those portions of a motion to amend a bill as described in Rule 2110 shall be indivisible.

(b) Upon a request to divide a motion to amend a bill or resolution, the presiding officer shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion.

If no request for a ruling on germaneness of the motion to amend is made, the presiding officer shall proceed to divide the motion to amend in accordance with this rule, and no subsequent request for a ruling on germaneness of any distinct proposition of the motion so divided shall be in order.

(c) The presiding officer, or any member, may request that the member requesting the division make the request in writing specifying the manner in which the motion to amend should be divided.

(d) The division of the motion to amend shall be in accordance with the rules of the House and with items (1) to (4), inclusive, of subsection (a). The ruling of the chairperson of the Committee on Rules and Journal, or in the chairperson's absence the vice chairperson of the Committee, on how to divide the motion to amend shall not be subject to appeal except that any member may appeal the ruling of the chairperson, or vice chairperson, on the grounds that the division is not in accordance with a rule of the House including the provisions of items (1), (2), (3) or (4) of subsection (a), or any combination thereof.

**Rule 2106. Substitute Motions.**

No substitute motion to amend a bill or resolution shall be in order.

**Rule 2107. Subject Change by Senate.**

(a) When the Senate adopts amendments to a House bill which materially changes its subject, upon return of such bill to the House, it shall be read as provided for the introduction of bills and be referred as provided in Rule 901.

(b) The Speaker may determine when a bill is subject to subsection (a). An affirmative vote of 70 members shall be required to sustain a challenge to the Speaker's determination hereunder.

**Rule 2108. Motions to Strike Out and Insert.**

The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

**Rule 2109. Identical Motions.**

Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

**Rule 2110. Floor Amendments to Bills Making Appropriations.**

(a) Unless by majority consent to correct an error in drafting, no floor amendment to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill.

(b) *The provisions of subsection (a) shall not apply if the ending balance in the state general fund for the ensuing fiscal year is equal to 7.5% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year based on the most recent budget profile of the Kansas legislative research department.*

**ARTICLE 23. PROCEDURAL MOTIONS****Rule 2301. Order of Motions.**

**Rule 2302. Motion to Adjourn.**

The motion to adjourn shall always be in order, except while a vote is being taken and until announced, or when a member has the floor, or when the previous question is pending; but a motion to recess is not equivalent to a motion to adjourn.

**Rule 2303. Motion to Reconsider.**

A motion to reconsider shall take precedence of all other questions except the motion to adjourn. No motion for reconsideration of any vote shall be in order, unless made on the same day or the legislative day following that on which the decision

to be reconsidered took place, nor unless a member voting with the prevailing side shall move such reconsideration. A motion for reconsideration, being put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent, but this provision shall not be construed as preventing the introduction of a bill on the same subject. The member moving for reconsideration shall be allowed not more than two minutes for stating the reasons in support of the motion. Such motion shall be subject to debate by any member, stating reasons in support or opposition to the motion. Each of such members shall be allowed not more than one minute for the purpose of such debate. Such motion shall require the affirmative vote of members equal in number to that required to take the action proposed to be reconsidered. A motion to reconsider any final action of the House shall be in order at any time prior to the time at which the message of the House thereon is read into the record of the Senate. A motion to reconsider any final action of the House may be made after the time at which the message of the House thereon is read into the report of the Senate but any action taken pursuant thereto will be contingent upon the return of the measure to the House by the Senate.

**Rule 2304. Previous Question.**

The “previous question” shall be: “Shall the main question be now put?” and until it is decided shall preclude all amendments or debate. When voting on the previous question, the House decides that the main question shall not now be put, the main question shall be considered as still remaining under debate. The main question shall be on the passage of the bill, resolution or other matter under consideration. When amendments are pending, a vote shall first be taken upon such amendments in their order without further debate or amendment. A majority vote of the members present shall order the previous question.

**Rule 2305. Motions Not Subject to Debate.**

All questions relating to priority of business shall be decided without debate. The motion to adjourn, to change the order of consideration of a bill, for a call of the House, and to lay on the table shall be decided without amendment or debate. The several motions to postpone or commit shall preclude all debate on the main question.

**Rule 2306. Motion to Refer Bills or Resolutions to Committee When Not in Committee of the Whole.**

When not in the Committee of the Whole, a motion to refer a bill or resolution from the Calendar to a standing committee shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2307. Motion to Strike Bills and Resolutions from Calendar When Not in Committee of the Whole.**

When not in the Committee of the Whole, a motion to strike a bill or resolution from the Calendar shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2308. Stating Question.**

Every motion shall be first stated by the presiding officer or read by the chief clerk, before debate, and again immediately before putting the question.

**Rule 2309. Dividing Motion.**

If any motion, other than a motion under Rule 2105, contains distinct propositions, it shall be divided by the chairperson at the request of any member. Motions under Rule 2105 shall be divided in accordance with that rule.

**Rule 2310. When Motions to be in Writing.**

Every motion, except those specified in Rules 2301 and 2303, shall be in writing if the Speaker or any member desires it. All motions to amend a bill or resolution and all resolutions shall be in writing.

**Rule 2311. Suspension of Rules of the House.**

(a) No rule of the House shall be suspended except by unanimous consent or by an affirmative vote of a majority of the members then elected (or appointed) and qualified to the House, subject to the following exceptions:

(1) A motion to suspend the rules, and to declare an emergency and to advance a bill to the order of business Final Action, as contemplated in article 2, section 15 of the Constitution shall require an affirmative vote of 2/3 of the members present in the House.

(2) A motion to suspend the rules and to permit amendment and debate of a bill under the order of business Final Action shall require an affirmative vote of 2/3 of the members present in the House.

(b) When under the rules of the House a motion, question or action requires a vote of a majority greater than a majority of the members present, the majority specified for such motion, question or action shall be required to suspend the rules for the purpose of such motion, question or action. When under the rules of the House notice of a motion reduces the required majority for adoption of the motion, the required majority shall not be reduced if the notice is disposed of by suspension of the rules.

(c) Suspension of the rules or unanimous consent shall not reduce the majority required under subpart (1) of subsection (a) of this rule.

**Rule 2312. Mason's Manual; When Applicable.**

(a) In any case where rules of the House or the joint rules of the Senate and House do not apply, Mason's Manual of Legislative Procedure (2010 edition), with the exception of section 4, paragraph 2, shall govern.

(b) Rules of legislative procedure are derived from several sources and take precedence in the order listed below. For the Kansas House of Representatives, the principal sources are as follows: (a) Constitutional provisions; (b) statutory provisions; (c) adopted rules; (d) adopted parliamentary authority; (e) custom, usage and precedents.

**ARTICLE 25. VOTING****Rule 2501. Control and Use of Voting System.**

The electronic voting system shall be under the control of the Speaker or other presiding officer and shall be operated by the chief clerk. The electronic voting system shall be used to record the vote whenever a roll call vote is taken on any

question and may be used for ascertaining the vote upon any measure upon which a division of the assembly has been called. In the event that the system is not operating properly, roll call votes may be taken by calling the roll.

**Rule 2502. Procedure for Taking a Roll Call Vote.**

When a roll call vote is taken, the presiding officer shall state the question and instruct the members to proceed to vote. When sufficient time has been allowed the members to vote, the presiding officer shall inquire: "Has every member had an opportunity to vote?" After a short pause the presiding officer shall direct the chief clerk to close the roll. After the roll has been closed, when Rule 2505 applies, the presiding officer shall inquire: "Does any member desire to explain his or her vote?" and any member so desiring may give such explanation when recognized by the presiding officer. The presiding officer shall inquire: "Does any member desire to change his or her vote?" If any member does desire to change his or her vote, such member when recognized by the presiding officer, shall advise how they desire to change such vote and the presiding officer shall then instruct the chief clerk to make the appropriate change. A member who has not previously voted may vote at this time when permitted by the presiding officer. Such member shall advise how they wish to vote and the presiding officer shall then instruct the chief clerk to record such vote. After all members who desire to vote or to change their votes have had reasonable opportunity to do so, the presiding officer shall announce the vote and, when the vote has been announced, shall direct the chief clerk to record the vote.

Under Rule 2502, recurring totals shall be displayed only after the roll is closed. No recurring totals shall be displayed for a determination of the vote upon a division of the assembly.

**Rule 2504. Voting by Members.**

(a) A member may vote only when at their desk or at any place within the chamber of the House when authorized by the presiding officer, who shall direct the chief clerk to so vote for such member.

(b) No member shall vote for another member. No person not a member shall cast a vote for a member, except as otherwise provided in the rules. In addition to such penalties as may be prescribed by law, any member who votes or attempts to vote for another member shall be subject to Article 49 of these rules. If a person not a member votes or attempts to vote for any member, such person shall be barred from the floor of the House for the remainder of the session, and, in addition to penalties prescribed by law, may be punished further as the House determines.

(c) The Speaker shall not be compelled to vote except in case of a tie.

**Rule 2505. Explaining Vote.**

Any member may, when a roll call vote is being taken on the passage or adoption of any bill or resolution, explain their vote. Such member shall be allowed not more than one minute for such explanation. Such explanation, if furnished in writing and signed, with printed name and district number, by such member by 4:00 p.m. upon the day the vote is taken or if the vote is taken subsequent to 3:30 p.m., within one-half hour after the adjournment of the House on that day, shall be entered in the Journal, provided it does not contain more than 100 words.

**Rule 2506. Copies of Voting Records.**

(a) Unless otherwise ordered, the chief clerk shall record each roll call vote and make copies available for the use of the news media. No record shall be made of the vote of any member voting upon any measure upon which a division of the assembly has been called.

(b) When a roll call vote is taken, it shall be recorded in the Journal by a statement of the names and total number voting in the affirmative, the names and total number voting in the negative, names and total number indicating presence but not voting and the names and total number absent or not voting, except that the provisions of this section shall not permit a member to fail to vote in violation of Rule 2508.

**Rule 2507. When Roll Call Vote to be Taken.**

(a) A roll call vote shall be taken for the passage of any bill.

(b) A roll call vote shall be taken for the adoption of any concurrent resolution to amend the Constitution of the state of Kansas, to call a Kansas constitutional convention, to extend a session of the Legislature in even-numbered years, to ratify any amendment of the Constitution of the United States, to make any application for Congress to call a convention for proposing amendments to the Constitution of the United States and when required by the joint rules of the House and Senate. A roll call vote is not required for adoption of concurrent resolutions pertaining to commendations or acknowledgments, unless required under subsection (c) of Rule 2507.

(c) A roll call vote shall be taken for the adoption of any House resolution to adopt, amend or revoke any rule of the House or to reject any executive reorganization order.

(d) A roll call vote shall be taken to concur in Senate amendments to any bill or concurrent resolution or to adopt any conference committee report other than a report agreeing to disagree.

**Rule 2508. Call of the House.**

(a) A call of the House shall be ordered on the demand of any 10 members at any stage of the voting previous to the announcing of the vote or, if the voting system is used, prior to recording the vote. This Rule 2508 shall apply to the taking of a vote upon the final passage of any bill or final adoption of any resolution whether under the order of business Final Action or under any order of business. Also, this Rule 2508 shall apply to the taking of a vote on a motion to strike the enacting clause of a bill and the resolving clause of a resolution and on a motion to strike all after the enacting clause or resolving clause, except when the House is in the Committee of the Whole. When the call of the House is invoked, the doors to the House chamber shall be secured and all members shall be required to be in their seats unless excused by the Speaker. All members present during the call shall be required to vote before the call is raised. The call of the House shall not be raised (so long as 10 members continue the demand) until a reasonable effort, as determined by the Speaker, has been exerted to secure absentees.

(b) Any member, who is directly interested in a question, may be excused from voting, when there is a call of the House. The member, who is requesting to be excused from voting, shall state the reasons therefor, occupying not more than five minutes. The question on excusing such member from voting shall be taken without debate and a 2/3 majority of members present shall be necessary to ex-

cuse such member. If a member refuses to vote, when not excused, such refusal shall constitute grounds for reprimand, censure or expulsion under Article 49 of the Rules of the House.

**Rule 2509. Voice Vote; Division of the Assembly.**

Except when a roll call vote is required, a voice vote shall be taken on all questions. Any member may call for a division of the assembly to determine the vote by the voting system.

## COMMUNICATION FROM STATE OFFICER

I, SCOTT SCHWAB, Secretary of State of the State of Kansas, do hereby certify that Joe Newland was appointed by the Governor effective August 12, 2019, for the unexpired term of State Representative for the 13<sup>th</sup> Legislative District, to fill the vacancy created by the resignation of Larry Hibbard, and was administered the following oath of office on August 12, 2019.

State of Kansas  
County of Shawnee} SS.

I do solemnly swear, or affirm, that I will support the Constitution of the United States and the Constitution of the State of Kansas, and will faithfully discharge the duties of the office of

Kansas State Representative  
So help me God.  
JOE NEWLAND

Subscribed and Sworn to, or Affirmed, before me this 12<sup>th</sup> day of August 2019.

SCOTT SCHWAB  
*Secretary of State*

---

This being the day fixed by the constitution of the State of Kansas for the assembling of the 2020 session of the legislature, the House was called to order at 2:00 p.m. by Speaker Ron Ryckman.

Speaker Ryckman announced the appointment of Susan Kannarr as Chief Clerk, Foster Chisholm as Sgt. At Arms and The Rev. Eunice Brubaker as the House Chaplain for 2020.

The roll was called with 120 members present.

Reps. Hodge and Victors were excused on verified illness.

Reps. Eplee, Landwehr and Pannbacker were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker,

Almighty God,  
 here we are again for another session.  
 Although this is the official first day of session,  
 we understand that many of our representatives  
 have already been working extensively on the matters  
 that are to be tackled over the next few months.  
 We start off today knowing all that needs to be addressed,  
 but You alone, know what and how things will happen.  
 You alone know what the results of our business will be  
 ninety days from now.  
 So, it would stand to reason  
 that since You are the only one who knows the outcome,  
 we would be wise to  
 “Trust God from the bottom of *our* hearts;  
 and *not* try to figure out everything on *our* own;  
 listen for God’s voice in everything *we* do, everywhere *we* go;  
 For *You God* are the one who will keep *us* on track.  
 May *we not* assume that *we* know it all.”  
 (Proverbs 3:5-6, The Message)  
 In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Proehl.

### PERSONAL PRIVILEGE

Rep. Whipple announced his resignation, effective today. He was joined by his wife, parents, and grandfather and thanked the body for their friendship and support. Rep. Whipple will now serve as Mayor of Wichita.

WHEREAS, More than 300 immigrant veterans of the United States armed forces have been deported since 2013; and

WHEREAS, The U.S. Congress has incentivized non-citizen servicemembers to enlist in the armed forces by enacting legislation that extends eligibility for naturalization, promises a pathway to citizenship and provides healthcare benefits; and

WHEREAS, Around 5,000 legal permanent residents enlist to serve in the U.S. armed forces each year; and

WHEREAS, Immigrant servicemembers have been a vital part of the U.S. armed forces serving honorably since the American Revolution; and

WHEREAS, Deported veterans do not have access to programs and services provided by the Veterans Affairs system, denying them medical care, resources to claim disability compensation and other benefits they have earned through their service; and

WHEREAS, Deported veterans would seek treatment for post-traumatic stress disorder or other service-connected injuries, but because they are denied, their lives are at risk; and

WHEREAS, The U.S. Government Accountability Office found that the U.S. Immigration and Customs Enforcement has not consistently followed policies that would help ensure veterans receive the proper review before any removal proceedings; and

WHEREAS, The U.S. Department of Veterans Affairs' stated vision is to "provide veterans the world-class benefits and services they have earned"; and

#### **Governor Laura Kelly's Complete Text of the State of the State**

Mr. Speaker, Madam President, Madam Chief Justice, Lt. Governor Rogers, members of the Legislature, Cabinet officers, leaders of the Kansas tribes, honored guests, and fellow Kansans.

It is my high honor to stand before you this evening to report on the progress of my administration, and to share my plans for the year ahead.

We have much to discuss tonight. But before I begin, please welcome back the third

“First Gentleman” in Kansas history, my husband, Dr. Ted Daughety.

Ted still misses his garden and his darkroom, but he’s adjusting to our new home by adding some personal touches. He has taken an interest in putting the “Cedar” back in Cedar Crest with the planting of new trees. He also started a vegetable garden. He even has his own compost pile...

In addition to all of that, he continues to practice medicine full time.

So, Ted and I have settled into life at the Governor’s Residence...

In fact, it was the backdrop for our family’s biggest news of 2019! It was a joy to watch our daughter Kathleen wed our new son-in-law, Mathias, at Cedar Crest earlier this year, with our younger daughter, Molly, standing by her sister’s side.

Speaking of siblings - my sister, Kay and my brother Paul are also here tonight from Colorado.

And listening in online from Richmond, Virginia, is my brother, Father Fred.

As everyone here knows, it is not easy to be related to someone who serves in public office. I am grateful to my family for the support they have provided from the very first day of this journey.

Since we’re talking about family members, I dare not exclude the four-legged variety. Frances, the First Cat of Kansas, sends her regards...

If there is one thing I didn’t expect this past year, it was the widespread interest in my cat. She’s made lots of new friends on social media. She gets more news coverage than I do.

Frances asked me to relay a special message to Lt. Governor Lynn Rogers, who is here with his wife, Kris.

Lynn -- Frances said to tell you she’s very close to exceeding your following on Twitter.

And that you need to step up your game.

As everyone here has no doubt come to know, Lynn Rogers is an exceptional lieutenant governor. In case you couldn’t tell, he’s also unfailingly good-natured.

Lynn hit the road almost as soon as we took our oaths of office last year, logging more than 17,000 miles on a statewide listening tour, engaging Kansans in our efforts to establish the Office of Rural Prosperity.

Housing shortages, affordable childcare, revitalizing Main Street corridors, protecting rural hospitals, expanding rural broadband -- these are all concerns that weigh heavily on the minds of Kansans. With the right mix of state support and local ingenuity, I am confident that the Office of Rural Prosperity will serve as an invaluable partner for Kansas communities to sustain and enhance our state’s rural heritage.

Thank you, Lynn, for your work on this very important issue.

In fact, thank you to my entire Cabinet - seated in the west gallery, behind me.

No governor can succeed without a strong and supportive team, and I could not have asked for a more qualified group of leaders to help rebuild our state.

I realize, for those who have been around the Kansas Capitol a session or two, these annual messages might sometimes seem a bit...routine. But tonight carries a special distinction.

For the first time in Kansas history, women sit at the helm of all three branches of Kansas government.

It is my privilege to serve as our state's third female governor, alongside the first female Senate President, Susan Wagle. And the second female Chief Justice of the Supreme Court, Marla Luckert.

Kansas reached this milestone at a fitting moment, as 2020 also marks the 100th anniversary of the passage of the 19th Amendment, which granted women the right to vote.

Anniversaries and new years are always important opportunities to reflect on time gone by, and on progress made. We have another such opportunity this evening, as we usher in not just a new legislative session, but a new decade.

So let us go back for just a moment and remember where we've been.

Almost ten years ago -- to the day -- we gathered in this chamber for the 2010 state of the state address. Kansas found itself in the throes of the worst economic downturn in 80 years. The Great Recession had necessitated \$1 billion dollars in spending cuts. Another \$400 million dollar budget gap still loomed before us. It was brutal.

It's probably for the best that we did not realize, in that moment, that this would be the brightest fiscal outlook Kansas would have for another seven years...

Of course, you know what happened next. A new administration was in place one year later, and the saga of the failed tax experiment began soon thereafter. Instead of recovering from the Great Recession alongside every other state in the nation, Kansas settled in for six more years of financial chaos. This time, it was self-inflicted.

By the time I stood before you as governor in 2019, Kansas was on life support. The state had racked up record amounts of debt, schools had been cut to the bone, taxes on groceries had been increased until they were the highest in the nation, agencies had been decimated, and Kansas had generally become a national model for what not to do.

After devastating cuts and relentless crises - a bipartisan coalition of lawmakers demonstrated courage and conviction when they joined forces in the face of adversity to stop the bleeding in 2017.

That bipartisan effort -- one that so many of you helped bring to fruition -- changed everything.

So, although it was a decade in which much went wrong, we rebounded in a way that only Kansas can.

Over the last 12 months, Kansas added 12,400 private sector jobs.

The state not only reached a new employment record, our unemployment rate fell to its lowest point in 40 years.

Since I became governor, we fulfilled our promise to properly fund Kansas schools.

We reinvested in public safety, and worked tirelessly to stabilize our foster care system.

We increased pay and lowered health insurance premiums for thousands of public employees and their families.

We're paying off debt so we can eventually establish a state rainy day fund and better prepare for financial emergencies.

In US News and World Report's "Best States" rankings, Kansas jumped seven spots in 2019. We now rank 15th highest in education. We scored 7th best in infrastructure.

In fact, I'm proud to report that we improved in almost every category, including the economy and fiscal stability.

I'm also proud to report that in CNBC's annual "Top States for Business," Kansas was declared the "comeback state of 2019."

Above all, I am proud to report that Kansas has ended a turbulent decade on a high note. As we look to the future, the state of our state grows stronger every day.

We have so many reasons to be hopeful tonight. But make no mistake: one year of progress cannot erase a decade of damage. Two of the most important sectors of the Kansas economy remain incredibly fragile.

As a major Boeing supplier, Spirit AeroSystems was hit hard by the recent suspension of the 737 Max production. Even as we speak, thousands of Wichita families are suddenly fearful that soon they may be unable to provide for their families.

I've been in constant communication with local, state and federal officials since temporary layoffs were announced late last week. I instructed my Labor Secretary, Delia Garcia, to take an all-hands-on-deck approach to help workers, Spirit and other Kansas businesses that will be negatively impacted.

Unfortunately, Kansas agriculture also finds itself at a precarious moment.

Between historic flooding last spring and escalating trade tensions over the last two years, net farm incomes have dropped 50 percent from their peak in 2013.

Congress could certainly help, and they could start by ratifying the pending USMCA trade agreement.

I have been a vocal proponent of the USMCA agreement from the beginning. I commend the U.S. House of Representatives for passing this agreement, and urge the U.S. Senate to do the same.

It's critical for Kansas. We are indeed an export state. And with us tonight, from our second largest customer, Canada, is Consul General Stephane Lessard.

Thank you for being here, Consul General.

When it comes to the livelihoods of Kansas families and businesses, we won't wait on Washington and the USMCA agreement however. We must take matters into our own hands.

The International Trade Division at the Department of Commerce was dismantled in recent years. I've instructed my Commerce Secretary, David Toland, to focus on rebuilding this division.

As I said before, Kansas is an export state, and we cannot compete in a global economy without strong international trading partners. We must breathe new life into our efforts to increase exports and compel international companies to choose Kansas.

I'm not just focused on convincing companies to choose Kansas. I'm also focused on the people who choose Kansas.

The effort to reconnect people with their state government and to rebuild public trust -- starts at the top.

From day one, I've wanted Kansans to hear from me about what we're doing, and why we're doing it. Kansans deserve to engage directly with their Governor.

That's why I've hosted "Kansan to Kansan" townhall meetings regularly since I took office. This fall, when I was building the state budget, I went on a listening tour to hear directly from the people about their priorities.

I've talked extensively -- and candidly -- with Kansans about what we've accomplished, and where we'd like to go in the year ahead. In turn, they've spoken candidly with me about their concerns, and how state government can better serve them.

I'd like to share their thoughts and concerns with you, and what I think we can do about them, together, in 2020.

I promised Kansans that I would be "the education governor." I consider the progress we've made on public education to be our most important accomplishment to date -- but we have more to do.

Last year I stood here and asked you to put aside partisanship and work with me to finally provide schools with the resources they need to be successful. You did it, and I applaud you.

I was proud to stand with many of you that Saturday morning last April, as hundreds of public school teachers packed into the ceremonial office to witness the signing of legislation that would end a decades-long legal battle over school finance.

It was truly a remarkable moment. Not just because of what we accomplished, but how we accomplished it.

None of the teachers who attended the bill signing cared if it was a "Democrat" plan or a "Republican" plan. They cared only that their schools would be funded. That it might help improve Kansas teacher salaries, which rank 41st in the nation. They cared that it would ensure educators have what they need to serve Kansas children well.

Let's keep that in mind as we forge ahead.

Restoring school funding was a critical first step. But now I challenge us all to engage in a bigger and bolder conversation about “what’s next.”

Soon after taking office, I established the Council on Education. I asked the Council to re-evaluate every corner of our educational ecosystem -- early childhood, K-12, higher education and workforce development -- and to bring those players to the same table. I also engaged business and industry, labor, and other stakeholders so we may cultivate the workforce that Kansas will need to compete in the years ahead.

It is time to align all of these moving parts so that we can put Kansas at the forefront of growth and innovation. The work of this Council will be essential in helping us shape the future of Kansas education, the Kansas workforce, and Kansas as a state.

I want to recognize the co-chairs of this council - Dr. Cindy Lane, the former KCK Public Schools Superintendent and Dr. Fred Dierksen, current Superintendent of Dodge City Public Schools, who are here tonight in the gallery. Thank you for all your hard work - and the hard work yet to come.

Our progress on education is a valuable reminder to all of us that Kansans do not keep partisan score — even when clever sports analogies are employed. Kansans care about results. That’s what we get when we work together.

We can deliver bipartisan results again in 2020.

And we can start with one of the most urgent issues we face.

This must be the year Kansas becomes the 37th state to expand Medicaid.

Apparently, you have heard that Kansas made a little bit of news on this front last week.

After weeks of tough negotiations and lots of give and take, we developed a proposal that will not only expand healthcare to 150,000 Kansans, but also has the potential to lower health insurance premiums in the marketplace.

It was an honor to stand with so many of you -- Republican and Democrat, Representatives and Senators -- who have been committed to getting this done for Kansas.

We have so many reasons to bring this across the finish line.

In July, a study of mortality rates in non-expansion states estimated that 288 Kansans have died prematurely every year from 2014 to 2017 specifically due to our failure to adopt expansion.

Another study, released in November, showed that expansion improves infant and maternal health.

Yet another found the rate of rural hospital closure increases significantly in non-expansion states like Kansas.

Just last week, a study was released that linked Medicaid Expansion to a decline in opioid abuse.

There is a stack of rigorous, nonpartisan evidence to illustrate how critical KanCare

expansion is to the health and welfare of our state. It grows by the day.

So does public support.

The number of expansion states continues to increase. NO state has reversed its decision to expand. And voters across the ideological spectrum continue to reaffirm their support for expansion in election after election.

I'm talking about in states like Kentucky. Louisiana. Virginia. States where access to affordable healthcare drove people to the polls.

I'm talking about Nebraska, where 54% of voters approved Medicaid Expansion by ballot initiative in 2018.

I'm talking about Oklahoma, where in October a record number of petitions were submitted to put Medicaid expansion on the 2020 ballot.

And, yes, I'm even talking about Missouri. Where expansion is well on its way to a statewide vote, with momentum growing by the day.

If nothing else, surely maintaining Kansas' 159-year tradition of beating Missouri is something we can all get behind...

In all seriousness:

As I said last week, compromise is hard. It is messy. It is slow. But it is so worth it.

Now it's up to all of you to finish the task.

When we do add this to our list of bipartisan accomplishments, it will not only save lives, it will close the book on a long, senseless, expensive political fight -- making room to improve access to health care and grow the Kansas economy.

We are so close. Let's get this done.

As we continue our work to rebuild Kansas, there's one area where we mean it... literally. It's time for us to develop a new, comprehensive transportation plan so that we can rebuild roads and bridges across our state.

My Secretary of Transportation, Julie Lorenz, and her team have spent months hosting community meetings to ensure that all Kansans - in communities large and small - have the opportunity to help shape the future of infrastructure in a way that meets local needs.

Infrastructure is about far more than just roads and bridges.

It's the means by which our school buses safely transport our most precious cargo. It's how we make Kansans' daily commutes faster and safer so they can spend more time with their families. It means jobs. Thousands of jobs. It's the gateway to rural broadband. And as an export state, it is how we get Kansas goods to market and keep our economy humming.

This will be the fourth time Kansas has pursued such an endeavor. Each plan has improved upon the plan before, adapting to changing needs throughout the state and

building on lessons learned. Each plan has propelled Kansas into the future, making our transportation system one of the best in the nation.

There's one lesson from the past, in particular, I hope you will keep in mind as we begin this process anew:

Even the best laid infrastructure plan will crumble if we do not maintain the resources we need as a state to see it through.

As promised, last year I officially began "closing down" the "Bank of KDOT." I am fully committed to continuing that phase out throughout my first term so that we can fulfill the promises of the previous transportation plan and invest in the future.

But I've always been clear that this pledge comes with one, critical caveat: stable state revenues.

Rebuilding fiscal stability in Kansas state government has been one of my top priorities as governor. Last January, I presented a balanced budget to the Legislature without raising taxes. A budget that paid down debt. Re-invested in core services like education and healthcare. All while leaving the largest ending balance in more than a decade.

The budget didn't quite return to me with all those features intact....

The budget that came back to my desk in May included \$182 million dollars more in spending than I had recommended. It did not maintain the statutorily-required ending balance we need to cushion state investments in case of an emergency. It also spent more than we were taking in.

The good news is that Kansas' economic outlook has stabilized, and even improved a bit. While the risk of a recession will always remain a possibility, the foreseeable future does not appear as ominous as it did last January.

That is why tomorrow, for the second year in a row, I will submit to you a balanced budget that continues our rebuilding efforts, that continues to pay down debt, and that honors my promise to cut taxes.

Kansas families are taxed more for food than anywhere else in the United States. These families shouldn't have to pay more than their fair share, especially when it comes to the essentials. So my budget will take the first step in lowering taxes on groceries, starting with Kansans who need help the most.

I've always considered lowering the tax on groceries an urgent need. But ultimately we must work our way back to that longstanding notion of the "three-legged stool." We must rebalance all of our revenue streams — income, sales, and property tax.

The Kansas tax structure has become more than a little lopsided in recent years, which is why my budget will also include property tax relief.

As funding for schools, cities and counties was cut over the last decade, local units of government were left with few options to make ends meet. Increasing property taxes was one of them.

This left local communities frustrated, and put a desperate strain on working Kansans

and Kansans living on fixed incomes -- especially our seniors. They need relief, and we can give it to them in 2020.

Together, the food and property tax relief I will offer will take meaningful strides in re-building our overall tax structure so that it is more fair and more fiscally responsible.

But it is only the first step of what must be a multi-phased, multi-year process.

I understand that any discussion of taxes is politically charged. But if we ever truly want to move forward, we must confront the stark inequities, outdated inefficiencies, and expensive loopholes riddled throughout our tax code.

To this end, I established a Council on Tax Reform last summer to develop such comprehensive, commonsense reforms.

I'd like to recognize former Democratic Senator Janis Lee, who is here with us in the gallery, and former Republican Senate President Steve Morris, for spearheading this bipartisan effort.

The Tax Council's work will continue into 2020. In the meantime, the Council identified a targeted food sales tax cut through a refundable rebate and broad property tax relief as two initial steps we can and should take as a state to begin the long process of re-balancing our revenue streams.

Before I move on, I ask you to have a little faith.

As governor, I have worked diligently to honor every promise I've made to Kansans. I've also worked to include you as my partner in the governing process every step of the way. My commitment to working with you on tax reform is no different.

I began my remarks this evening with a quick stroll down memory lane — but not because the last 10 years were filled with such pleasant memories.

I started there because I don't want Kansas to finish there. We simply cannot go back.

So I want to be clear: to protect our recovery, and to ensure Kansas does not repeat the mistakes of the last decade, I will veto any tax bill that comes to my desk that throws our state back into fiscal crisis, or debt, or sends us back to court for underfunding our schools.

I hope you won't stand for it either.

This has been an eventful year.

One year ago, our social safety net was in shreds.

Together, we took action. We hired dozens of new social workers across the state to better support vulnerable families. We created special response teams and amplified collaboration with the KBI to more quickly recover missing foster care youth. We brought nursing homes back from the brink of fiscal ruin without closing a single facility. We bolstered funding for mental health in an effort to confront an alarming increase in suicide. And, as you will hear more about tomorrow... after five years, we have made preparations to lift the Moratorium at Osawatomie State Hospital.

One year ago, our corrections system was in crisis. Prisons were dangerously overcrowded and staff shortages fueled consistently volatile situations.

It led to violent inmate uprisings at multiple facilities. The situation was so dire at El Dorado that I was forced last February to declare a state of emergency.

Together, we acted, investing \$30 million dollars to reduce overcrowding, address staff shortages and enhance safety in our prisons.

Today, the situation has stabilized. The emergency declaration has been lifted.

The Corrections Department, under the leadership of Secretary Jeff Zmuda, is providing more programming to help reduce recidivism – and shift from an approach that’s purely punitive to one that emphasizes rehabilitation and workforce training.

By partnering with businesses to train these inmates in badly-needed job skills, we can both help the private sector fill their workforce shortage and set our incarcerated population on a path to success once they leave the corrections system. By expanding and innovating our capacity for substance abuse treatment and mental health treatment, we can bend the curve on our prison population long-term, improve public safety and strengthen Kansas communities.

We have now laid the groundwork for a serious discussion about comprehensive criminal justice reform.

These are the kinds of things we can accomplish when we act together.

The last decade was one of fits and starts, to be sure.

And, yes, there will be challenges in the decade ahead that we cannot foresee at this moment.

But last week, Kansas Republicans and Democrats stood together to announce a bipartisan compromise on an issue that had been mired in gridlock for years.

Kansas proved once more what’s “right” with our state. We stunned outsiders who had watched the disastrous policies of the previous decade unfold and had all but written us off.

And, if we’re being honest, we may have even stunned each other.

So, my hope is that 10 years from now, when this body convenes the first session of that new decade it will look back and remember this as the Soaring 20s, a decade when we lived up to our motto *Ad Astra Per Aspera*.

God bless our great and beloved state of Kansas. Thank you and good night.

On motion of Rep. Hawkins, the House adjourned until 11:00 a.m., Thursday, January 16, 2020.

## FOURTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Thursday, January 16, 2020, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 119 members present.

Reps. Lynn and Neighbor were excused on verified illness.

Reps. Barker, Helgerson, Ryckman and A. Smith were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker,

Loving and gracious God,  
As we come before You today,  
we are grateful for the privilege of serving others.  
Our leaders serve the people of this great state.  
They represent the desires of their constituents.  
The dilemma is that there are such a variety of opinions  
and thoughts on what is important and how things should be done.  
This is what makes serving difficult.  
So, I ask that You help these leaders keep open communication,  
mutual respect for one another, a willingness to listen to each other,  
and open minds to all possibilities.  
If their decisions reflect the heart and wisdom of You,  
then the solutions will be a benefit to all.  
In Your Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Baker.

### INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Cox are spread upon the Journal:

Today I want to honor Shawnee Mission Northwest Senior Reis Miller. Joining us are his mother Linda Miller and his father Matt Miller, Matt Ziegenhorn, Entrepreneurial Leadership Instructor, and Justin Hoffman, Culinary Director. Reis won the SkillsUSA Culinary National Championship in 2019. That is after having taken 2<sup>nd</sup> place nationally in 2018. He is also our Kansas SkillsUSA State Culinary Champion in both 2018 and 2019. Now, I know lunch is near and everyone is hungry so I will spare the body by not listing the amazing culinary works of art Reis prepared to win these awards.

On top of these honors, Reis has received more than \$500,000 in scholarship offers from the top culinary schools in the country. He has yet to decide where to attend, but I have volunteered to be a test subject for any meals he wants to experiment with before heading off to college.

Reis is a perfect example of the amazing opportunities non-traditional education experiences can provide. Shawnee Mission School District's dedication to building a culinary program has given thousands of students a chance to experience what working in this field would be like. It has helped Reis find this passion and hone his skills to the point where he is the literal best of the best. The program is so successful that the 2019 USA Skills College Champion is a SM East and SMSD culinary school Alumni.

So body please join me in congratulating our State and National Culinary Champion Reis Miller.

Rep. Cox presented Reis Miller with a framed House certificate.

HOUSE CONCURRENT RESOLUTION No. **HCR 5019**—

By Committee on Federal and State Affairs

**HCR 5019**—A PROPOSITION to amend the bill of rights of the constitution of the state of Kansas by adding a new section thereto stating that there is no constitutional right to abortion, and reserving to the people the ability to regulate abortion through the elected members of the legislature of the state of Kansas.

WHEREAS, This proposition to amend the bill of rights of the constitution of the state of Kansas shall be known and may be cited as the Value Them Both Amendment.

Now, therefore:

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: The bill of rights of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

**"§ 22. Regulation of abortion.** Because Kansans value both women and children, the constitution of the state of Kansas does not require government funding of abortion and does not create or secure a right to abortion. To the extent permitted by the constitution of the United States, the people, through their elected state representatives and state senators, may pass laws regarding

abortion, including, but not limited to, in circumstances of pregnancy resulting from rape or incest, or when necessary to save the life of the mother."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

*"Explanatory statement.* The Value Them Both Amendment would reserve to the people of Kansas, through their elected state legislators, the right to pass laws to regulate abortion because there is no Kansas constitutional right to abortion or to require the government funding of abortion.

"A vote for the Value Them Both Amendment would reserve to the people of Kansas, through their elected state legislators, the right to pass laws to regulate abortion because there is no Kansas constitutional right to abortion or to require the government funding of abortion.

"A vote against the Value Them Both Amendment would make no changes to the constitution of the state of Kansas and could prevent the people, through their elected state legislators, from regulating abortion in many circumstances. It would leave in place the newly discovered right to abortion first recognized in 2019."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the primary election in August in the year 2020, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

thank You for life anew each and every day.  
Today I ask that you lead our members,  
renew them and equip them for the work You have called them to do.  
May they find new courage to do that which brings help  
to the citizens of this great state.  
May each one strive to be of open mind,  
with listening ears and a willing heart.  
The days are filled with anxiety, misunderstanding  
and mixed communication.  
Help all to seek Your presence, peace and understanding.  
May all that is accomplished be done  
for Your honor and glory.  
This I pray, Amen.

The Pledge of Allegiance was led by Rep. Carlin.

## **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Reps. Bishop and Hoheisel are spread upon the Journal:

We have the distinct pleasure of introducing to you the Mayor and Council Members of the Wichita City Council.

We have invited them here this morning—on Local Government Day—to mark a singular accomplishment: Wichita was named an All-America City by the National Civic League.

The theme of the 2019 All-America City Award was: “Creating Healthy Communities Through Inclusive Civic Engagement.” The All-America City Award recognized cities that leverage civic engagement, collaboration, inclusiveness and innovation to successfully address local issues.

To illustrate this, the City noted several initiatives.

- The police chief met with community members to create dialogue and relationships and achieve some mutual agreement on police reforms.
- A school-based breakfast program reduced barriers to good nutrition for children.
- The Park Department supported League 42, a baseball league named for the jersey number of Jackie Robinson. League 42 introduces inner-city youth to baseball and mentorship.
- The Park Department started “Open Streets ICT,” the total closure of Douglas Street, a main thoroughfare, for an entire day, granting a unique opportunity to walk, run and bicycle in the heart of the city.

- A decision-making process bringing 100 organizations and 14,000 community members together to establish Project Wichita, a 10-year action plan for the city.

As stated in the August/September Kansas Government Journal this city council does not intend to rest on its laurels. While it is nice to win the award and revel in the accomplishment for a short time, they are all ready to keep forging ahead to make even more progress in our community.

Upon unanimous consent, the House referred back to the regular business, Introduction of Bills and Concurrent Resolutions.

Their Head Coach said these boys' commitment to not only become the best individual runners they could be, but to become the best TEAM they could be was unwavering. Every runner gave their absolute best effort for themselves, their team and their school every time they competed and from that dedication and hard work they earned every bit of their success as 6A State Champs.

### **PERSONAL PRIVILEGE**

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

Those participating with me today are: Rep. Blaine Finch; Rep. Brenda Landwehr; Rep. K.C. Ohaebosim; Rep. Jene Vickrey; Rep. Ponka-We Victors; and Rep. Brandon Woodard. I would also like to thank Bonnie Coverdale, my office assistant for discovering this speech.

Good morning. I am happy to present my annual Dr. Martin Luther King, Jr. Tribute to the House of Representatives.

I am proud to have my colleague, Rep. Jene Vickrey, stand with me this morning. We came into the House together in 1993, and have remained good friends all these years. He will open our tribute with quotes from Dr. King.

Martin Luther King, Jr., had immense wisdom in his advocacy of nonviolent change. He knew that the most important thing for living a just, peaceful and fulfilled life is love.

“Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.”

“We must develop and maintain the capacity to forgive. He who is devoid of the

power to forgive is devoid of the power to love. There is some good in the worst of us and some evil in the best of us. When we discover this, we are less prone to hate our enemies.”

“Love is the only force capable of transforming an enemy into a friend.”

### HOW LONG, NOT LONG

“How Long, Not Long” is the popular name given to the public speech delivered by Martin Luther King, Jr., on the steps of the State Capitol in Montgomery, Alabama, after the successful completion of the Selma to Montgomery March on March 25, 1965. The speech is also sometimes referred to as “Our God Is Marching On!”

P.S. -- I participated in this March starting at the outskirts of Montgomery to the Capitol. It was my sophomore year at Webster College in St. Louis, Missouri, a Catholic women’s college at the time.

Key excerpts:

- “Last Sunday, more than eight thousand of us started on a mighty walk from Selma, Alabama. We have walked through desolate valleys and across the trying hills. We have walked on meandering highways and rested our bodies on rocky byways. Some of our faces are burned from the outpourings of the sweltering sun. Some have literally slept in the mud. We have been drenched by the rains. Our bodies are tired and our feet are somewhat sore.”
- “Now it is not an accident that one of the great marches of American history should terminate in Montgomery, Alabama. Just ten years ago, in this very city, a new philosophy was born of the Negro struggle. Montgomery was the first city in the South in which the entire Negro community united and squarely faced its age-old oppressors.”
- “They told us we wouldn’t get here. And there were those who said that we would get here only over their dead bodies, but all the world today knows that we are here and we are standing before the forces of power in the state of Alabama saying, “We ain’t goin’ let nobody turn us around.”
- “The battle is in our hands. And we can answer with creative nonviolence the call to higher ground to which the new directions of our struggle summons us. The road ahead is not altogether a smooth one. There are no broad highways that lead us easily and inevitably to quick solutions. But we must keep going.”
- “Our aim must never be to defeat or humiliate the white man, but to win his friendship and understanding. We must come to see that the end we seek is a society at peace with itself, a society that can live with its conscience. And that will be a day not of the white man, not of the black man. That will be the day of man as man.”
- “I know you are asking today, “How long will it take?” Somebody’s asking “When will the radiant star of hope be plunged against the nocturnal bosom of this lonely night, plucked from weary souls with chains of fear and the

manacles of death? How long will justice be crucified and truth bear it? I come to say to you this afternoon, however difficult the moment, however frustrating the hour, it will not be long because “truth crushed to earth will rise again.” How long? Not long? Because “you shall reap what you sow.”

- How Long? Not long, because the arc of the moral universe is long, but it bends toward justice.”
- “How long? Not long, because:

Mine eyes have seen the glory of the coming of the Lord;  
He is trampling out the vintage where the grapes of wrath are stored;  
He has loosed the fateful lightning of his terrible swift sword;  
His truth is marching on.  
He has sounded forth the trumpet that shall never call retreat;  
He is sifting out the hearts of men before His judgment seat.  
O, be swift, my soul, to answer Him! Be jubilant my feet!  
Our God is marching on.  
Glory, hallelujah! Glory, Hallelujah!  
Glory, hallelujah! Glory, Hallelujah!  
His truth is marching on.

Thank you very much for participating in this special tribute.

Prayer by Chaplain Brubaker,

Loving God,  
thank You for Your faithfulness throughout this week.  
For all that has been accomplished, we are grateful.  
The days have gone by quickly  
which reminds us that we need to be sure  
we redeem our time wisely and make the best use of it.  
Time is a gift given to us and to waste it  
shows a lack of discipline and sensible counsel.  
Help each one in the hours ahead to know  
when to speak and when to be silent;  
when to tear down and when to build up;  
when to seek and search and when to make a decision.  
In Christ's Name I pray, Amen.

## THIRTEENTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 123 members present.

Rep. Winn was excused on legislative business.

Rep. Long was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker,

Faithful and loving God,  
thank You for another day to live and enjoy.  
As our leaders work together,  
help them to work hard and to work together  
like in football.  
They need to believe – in themselves and in others.  
There must be total commitment, hard work,  
dedication and self-sacrifice on each part.  
It requires a team that beats with one heart,  
finding a way to accomplish the one goal—  
winning for the home crowd.  
May it happen in this chamber...  
and may it happen in Miami this weekend.  
This I pray, Amen.

### PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Waymaster are spread upon the Journal:

I want to take the time to tell you about a famous Russellite that many may not know about. She is a distant cousin to my maternal grandmother. Her name is Marj Dusay. Marj Dusay was born in Russell, Kansas February 20, 1936 and she is well known as being an American actress for her roles on daytime soap operas. She was especially known for her role as Alexandra Spaulding on *Guiding Light*, a role she played on and off, from 1993 through the show's 2009 cancellation, as well as playing the wife of Douglas MacArthur in the 1977 movie *MacArthur*.

Marjorie began her career as a member of the Session, an improvisational comedy group in Los Angeles. Her dramatic debut occurred December 21, 1967, in an episode of television's *Cimarron Strip*. She also appeared in the film *Sweet November*.

Dusay started her career with a small role as a waitress alongside Elvis Presley in the film *Clambake* in 1967. In 1968, Marj played a special agent in the TV series *Hawaii Five-O* in an episode titled "Twenty-Four Karat Kill," as well as appearing three times as a seductive temptress on *Hogan's Heroes*. Also in 1968-1969 she played Gloria in the CBS comedy *Blondie*.

She had numerous guest appearances on popular television shows in the late 1960s and 1970s, and she played Kara, an alien that took Spock's brain, in the first episode of season three of *Star Trek*. In it, Dusay delivered arguably one of the most memorable lines of the original *Star Trek*: "Brain and brain—what is brain?!"

As I mentioned before she starred as Jean MacArthur in the 1977 film *MacArthur* and guest starred as Blair Warner's mother, Monica Warner, on *The Facts of Life*. In 1982 she appeared as Kate Hanrahan, a madam/con artist, in several episodes of *Bret Maverick*.

Already an established actress, she began her long career on daytime TV, she made her soap debut in April 1983, as the powerful Washington, D.C. matriarch Myrna Clegg on *Capitol*, which she played through the final episode in March 1987. As the rival of the kindly Clarissa McCandless, she had a part in practically every storyline. Marj received two Supporting Actress Soap Opera Digest nominations for this role.

She then took over for Shirley Ann Field as the troubled Pamela Pepperidge Capwell Conrad on Santa Barbara in 1987, 1988 and 1991. In 1993, she filled in for Louise Sorel as "Vivian Alamain" on *Days of our Lives* while Sorel was on medical leave working with future Guiding Light co-star Crystal Chappell. After a nationwide search for an actress to take over for the enormously popular Beverlee McKinsey, Marj began as Alexandra Spaulding on *Guiding Light* in August 1993, remaining on the show until March 1997. She returned for a brief stint from November 1998 to February 1999 but could not resist the chance to create her own part.

Marj also played the role of the evil Vanessa Bennett on *All My Children*, from 1999-2002. She came back to *Guiding Light* on its final episode, which aired on September 18, 2009. Shows and films Marj was in were *Guiding Light*, *All My Children*, *Days of Our Lives*, *Murder She Wrote*, *Dallas*, *Capitol*, *Facts of Life* and as I mentioned she starred in the film *MacArthur*.

On a personal note there are two stories I can tell about Marj. First was when I was seven years old. My parents flew to LA and visited Marj. One of the highlights was that *Capitol* was filmed at CBS studios and my parents were able to go backstage and my mom got to see the filming studios of the *Young and the Restless*, *Capitol* and *The Price is Right*. The second was in 2000. I went to New York and got together with Marj and went to Madame Tussaud's wax museum, which was kind of interesting because Marj would criticize all the wax models and their likeness to the actors and actresses she knew.

I just found out last night that on Tuesday, January 28, Marj Dusay passed away at the age of 83. So I just wanted to mention the life of Marj Dusay. Marj was also the chairwoman of the Kansas Film Commission for 4 years in the 1980s. She was a Russellite, a Kansan and a prolific actress and I just wanted to honor her life.

### **MESSAGE FROM THE GOVERNOR**

**Executive Reorganization Order No. 44**  
**By Governor Laura Kelly**  
**January 30, 2020**

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 44 to the Kansas Legislature along with this message to the House of Representatives.

Effective July 1, 2020, this reorganization creates the Kansas Department of Human Services (“KDHS”), which will be responsible for all current programs, responsibilities, functions, and duties of the Department for Children and Families (“DCF”), the Department for Aging and Disability Services (“KDADS”), and the juvenile services division of the Department of Corrections. DCF and KDADS will be dissolved, but no current responsibilities, duties, or functions will be abolished.

The creation of this new, combined agency reinforces our commitment to our children, families, and seniors in need and improves their access to critical services. The new KDHS will allow us to focus on prevention, so that we can identify and serve Kansans in need before their situation becomes a crisis that is more costly to both themselves and our communities. Through partnering with communities across the state, KDHS will establish a one-stop-shop for Kansans in need of such services and will ensure that our government delivers those services in the most efficient and effective manner.

I look forward to working with the House of Representatives to improve our ability to serve Kansans in need and to build healthy communities across our State.

## MESSAGE FROM THE GOVERNOR

### **Executive Reorganization Order No. 45 By Governor Laura Kelly January 30, 2020**

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 45 to the Kansas Legislature along with this message to the House of Representatives.

Effective July 1, 2020, this reorganization moves the State Employee Health Plan ("SEHP") and the State Self Insurance Fund ("SSIF") from the Department of Health and Environment to the Department of Administration. Current management at the SEHP and SSIF will continue to

manage those programs under the leadership of the Secretary of Administration. None of the responsibilities, duties, or functions of the SEHP or SSIF will be abolished.

Through this reorganization we can better coordinate and support the missions of SEHP and SSIF, which will allow us to focus on delivering more affordable, higher quality health care for employees across the state and will also increase our ability to effectively manage and deliver workers compensation benefits for state employees.

## MESSAGE FROM THE GOVERNOR

### **Executive Reorganization Order No. 46 By Governor Laura Kelly January 30, 2020**

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 46 to the Kansas Legislature along with this message to the House of Representatives.

Effective July 1, 2020, this reorganization moves the Energy Office out of the Kansas Corporation Commission and establishes it as a separate, independent entity. This reorganization will preserve the Energy Office's existing programs while expanding its scope to include energy planning, policy development, and stakeholder outreach. None of the Energy Office's current responsibilities, duties, or functions will be abolished.

I am committed to unlocking the potential of Kansas' diverse energy landscape. The first step toward a comprehensive energy plan is building an infrastructure for energy policy discussions. An independent Energy Office will provide that infrastructure and facilitate an inclusive, data-driven vision for the energy future of our state.

I look forward to working with the House of Representatives to build on Kansas' nation-leading successes in renewable energy and energy efficiency, and together we can chart a path to a sustainable and balanced energy future.

## FIFTEENTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Monday, February 3, 2020, 11:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 114 members present.

Reps. Barker, Donohoe, Highland and Huebert were excused on verified illness.

Reps. Burris, Carmichael, Claeys, Delperdang, Finney, Sutton and Ward were excused on excused absence by the Speaker.

Present later: Rep. Sutton.

Prayer by guest chaplain, Rev. Richard Sundermeyer, Pastor, Family Life Church of The Nazarene, Topeka:

Let us pray.

Father, it is with joyful hearts that we gather together to do the vital work of the State of Kansas. Our hearts still glean with celebration in witnessing the Kansas City Chiefs winning the Super Bowl last night.

We mention it in our prayer because the team...from the owners...to the coaches...to the players...to the staff...all showed us what real commitment, stamina, and passion can accomplish.

So, we ask that this great body of legislators and staff will seek to incorporate each of these traits in everything they consider today.

May there be an overriding commitment to seek truth, justice and righteousness at all times.

May there be a stamina that equips us with the ability to stand strong and steady no matter the issue being considered.

And may love, acceptance and understanding flow out of the passions You've given to us.

You said in Your Word that if we lack wisdom to ask You for it:

“If you are in need of wisdom, ask our generous God, and he will give it to you. He will not rebuke you for asking.” James 1:5 (NLT)

We therefore ask you, God...

- To bring agreement when great opposition confronts us
- To inform us of the most crucial concerns in each issue
- To cause us to act so that righteousness undergirds all we say and do
- To insure justice always prevails
- To protect the innocent, vulnerable, and outcast
- To value all human life as made in Your divine image

We also pray for our esteemed chaplain, Rev. Eunice Brubaker, that the healing blood of Jesus would renew and heal her physical body.

It is in the name of Jesus the Christ that I pray these things...AMEN.

The Pledge of Allegiance was led by Rep. Warfield.

## SIXTEENTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Tuesday, February 4, 2020, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 119 members present.

Reps. Donohoe and L. Ruiz were excused on verified illness.

Rep. Croft was excused on legislative business.

Reps. Burris, Highland and Straub were excused on excused absence by the Speaker.

Prayer by guest chaplain, Rev. Doyle Pryor, Pastor, First Southern Baptist Church, Topeka:

Our Father,

We thank you for creating us and giving us a beautiful world to live in. You are the one who legislates the universe, yet has personally overseen the creation to the most minute detail, fearfully and wonderfully weaving each individual together in their mother's womb.

We thank you for the incredible resources you have entrusted to us as individuals and as a government to improve the lives of those who live in this great state. Father, we cry out to you today because we need you. You invited us in your word that, "if any of you lacks wisdom, he should ask of God, who gives to all generously and without criticizing, and it will be given to him."(James 1:5, HCSB).

The decisions that are placed before this body today require the wisdom beyond our own wiles, not from our halls of higher learning, but from the wisdom that is generously shared from your throne. Give us the wisdom to ask before anything else, "what do You, our Father, want." Knowing that you know the plans you have for us, "plans for our welfare, not for disaster, to give us a future and a hope," (Jeremiah 29:11, HCSB). And our Father we learn in your Holy Scriptures that you are eternal. Without beginning and without end. That you see tomorrow as if it were yesterday and you see yesterday as if it were now. So give us your wisdom, because we are convinced that if we were to know what you know, we would want what you want.

Please remove anything in our lives that prohibit us from hearing your wisdom today. Your holy scripture says that failing to regard you and love you is sin and that sin plugs our spiritual ears so we are deaf to your wisdom.

Please bring a prayer of confession to our lips quickly, and a surrender of our lives to King Jesus to live in and through us, so that your wisdom and

desire for the people of Kansas may come to fruition through the governing of this body. That we would desire the prayer of Jesus, "Your will be done, on earth as it is in Heaven." Our Father, the stakes are too high, our children too precious, our future too bright and the needs too many for this body to listen to anyone but you during this time.

And Father, I pray that we who live under such governing would rejoice, realizing that we have been placed under this authority by you. That we would live peacefully, honorably, and justly. Desiring to serve King Jesus first, and live peaceably with everyone.

In name of Jesus we bring these requests before you, Amen

The Pledge of Allegiance was led by Rep. Alcala.

## SEVENTEENTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Thursday, February 6, 2020, 9:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 122 members present.

Reps. Alcalá and Victors were excused on legislative business.

Rep. Neighbor was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker,

Almighty God,  
thank You for this day and the pleasure  
of being back here with our leaders.  
Thank you for handling well the pressure the Body put on You and me  
to represent them at the Super Bowl  
and to bring a victory back home!  
There were a few lessons I was reminded of  
at the game that can be applied here  
as our leaders work together.  
Never give up and quit.  
When things are not going well, it is essential to  
assess, adapt and overcome.  
Perseverance always pays off.  
So, it is imperative to get up whenever knocked down  
and try again.  
To reach the end goal,  
one must keep focused on that goal.  
Two people can be on opposite sides  
and understand they will never change.  
Yet, when all is said and done,  
they can shake hands and have  
mutual respect for each other.  
Teach us these lessons, O Lord, I pray,  
Amen.

The Pledge of Allegiance was led by Rep. Kuether.

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on **SCR 1613**. Today's vote was about saving 15 Kansas lives a day by giving Kansas voters a chance to keep the regulations currently in place. The fate of the pro-life movement in Kansas has never rested on a single vote, and I am confident the battle for the sanctity of life will continue far into the future. Today is not the end. As an unapologetically pro-life legislator, I am dedicated to ensuring that we do not return to a time when "self-policing" abortion clinics did everything in their power to avoid complying with the most reasonable restrictions and medical standards. – DAN HAWKINS, RON HIGHLAND, JOHN E. BARKER, STEPHEN OWENS, BLAKE CARPENTER, SUSAN HUMPHRIES

MR. SPEAKER: I vote no on **SCR 1613** because of my opposition to placing the constitutional amendment on the primary ballot. When the legislature decides to place a change to our state constitution before the electorate, I believe we must ensure an electoral process that guarantees the largest voter turnout. – TOM PHILLIPS

MR. SPEAKER: We live in divided times and no topic is more divisive than abortion. This amendment, especially with its August primary date serves to solidify the divide among Kansas citizens. The number of abortions in Kansas is too high. Even if this resolution leads to a complete ban on abortion, it will not stop abortion. There is a better way to reduce the number of abortions.

The better solution is to provide low cost/no cost birth control in order to reduce the large number of abortions used to end unplanned pregnancy. I respect the rights of women and I vote no on **SCR 1613**. – JAN KESSINGER

MR. SPEAKER: I am voting "Yes" on **SCR 1613** because I believe the Kansas Supreme Court failed to identify a right to an abortion in our Kansas Constitution last April. The primary right of all Kansans is Life and all life must be protected by our ultimate efforts.

Some say abortion is a fundamental right in our country. How can the murder of 62 million innocent babies in this country be a fundamental right? How can the murder of 15 babies today, and who knows how many a day after this court decision is put into action. How can that be justified? I vote YES on **SCR 1613**. – DAVID FRENCH

MR. SPEAKER: I am voting No on this proposed Constitutional Amendment, **SCR 1613**. When modifying the constitution, it should be absolutely clear. I find it unfair to women to alter our bedrock constitutional laws on abortion without protecting, at a minimum, the life of an endangered mother, and victims of rape or incest in any future abortion regulations. – JEFF PITTMAN

MR. SPEAKER: I vote in favor of **SCR 1613**. A poll of Kansans in 2017 was reported in the Wichita Eagle stating that 81% of Kansans favor some level of regulation on abortion, including only 16% who favor a ban on abortion. Conversely, 19% favor no regulation on abortion. Saying this could result in a total ban is fear-mongering when faced with this poll.

When the people of Kansas are divided on an issue of values, they should be allowed to decide how their state constitution reflects those values. 81% say this amendment is necessary so that their elected representatives can represent their values. God is in control. – ERIC L. SMITH

MR. SPEAKER: The representative from the 57<sup>th</sup> district could not be here today. He's attending a NCSL conference on prison reform that was scheduled back in January. By not being present today, he will become a NO vote on **SCR 1613** and he stated that's the vote he would've cast. – TIM HODGE

MR. SPEAKER: This amendment creates a double standard. We value the right to self-defense in the U.S. in regard to firearms and protect it with the Second Amendment.

But this amendment makes no exception for the life of a woman who has a life-threatening pregnancy complication. This amendment will permanently strip away a Kansas pregnant woman's right to choose to save her own life, if need be. Once Roe v. Wade is reversed, it will be the will of government that will dominate, and not the will of the individual. I cannot in good conscience support **SCR 1613**. – NANCY LUSK

MR. SPEAKER: I vote yes on **SCR 1613**. There have been times throughout the history of this nation where people have not been bestowed their basic human rights. Slaves were considered property with no more rights than common livestock, and native Americans were slaughtered with savage intentions of eradication. Thankfully, we have progressed beyond these barbaric and unconscionable ways...almost. I believe that every person has authority over their own medical choices, however, once a pregnancy begins, there is another body and life to consider. One that has no voice. I long for the day we view abortion with the same vilification as other societal abominations. – ADAM SMITH

MR. SPEAKER: For my wife, Teresa, and our family, I vote yes on **SCR 1613**. We are forever thankful that because of the selfless love and courage of 3 birth mothers we have 4 children, 5 granddaughters. It is right to give Kansans the opportunity to vote and decide if current laws protecting life should be kept or made void. Lawmakers must have that same courage and give young women like our three birth mothers the ability to know their options. They deserve the benefit of debated, carefully constructed Kansas laws when they are facing extremely difficult life decisions. – JENE VICKREY

MR. SPEAKER: I have had the privilege of witnessing the incredible beauty and intricacies of fetal development as a former developmental biologist. I stand in constant awe at how our bodies are created, and how much value there is in life from its early beginnings. I recognize there is concern and fear on both sides - this is an emotional and personal issue. But having borne witness to the forming vasculature, the blood cells pumping throughout an embryo, the development of the head, organs, and limbs, I have greater respect for the beauty and wonder of all life. Therefore, Mr. Speaker, I vote yes on **SCR 1613**. – MEGAN LYNN

MR. SPEAKER: I stand in support of **SCR 1613** because life is a gift from our creator and is protected by the oath I took to uphold the Constitution of the State of Kansas and the United States. I represent those who are not yet born, and all Kansans. – EMIL BERGQUIST

MR. SPEAKER: If there is a question of right or wrong, life or death, I choose the pathway which offers the greatest opportunity for life and transparency to women. If there's a question of whether or not our Legislature maintains the ability to reasonably regulate abortions, I choose allowing Kansans the opportunity to vote on maintaining this regulatory authority by elected officials. If over 6,000 babies lose their lives in Kansas every year, in some cases out of fear or inconvenience – I choose providing mothers with valuable protections such as informed consent, clean health clinics, and a waiting period. I choose life, Mr. Speaker, I vote yes on **SCR 1613**. – KRISTEY WILLIAMS

MR. SPEAKER: Our support for **SCR 1613** sits entirely in our trust for the legislative process. This language will allow our previous laws to remain relevant. It allows the legislature to pass laws, regulate and exercise oversight of abortion. A constitutional right to an abortion, will compel us to spend Medicaid dollars on the procedure – something we have clearly stated would never happen. This amendment does not ban abortion. It allows this new language to be on the ballot for the people of Kansas to have a voice. I trust the people of our state to make the decision on what is right for Kansas. – SUSAN CONCANNON, TROY L. WAYMASTER, SUZI CARLSON

MR. SPEAKER: I voted yes in support of **SCR 1613**. My yes is to protect the women of our state from unregulated clinics and our unborn children from being dismembered. This amendment gives women autonomy and the respect due to them to make their choice with safeguards in place for their health. The voters deserve to be heard and I believe that Kansans have asked each of us to trust us with that right. – BARB WASINGER

MR. SPEAKER: I voted YES on **SCR 1613**. The solemn duty of each of us is to be representative of the people we are elected to serve. If you're like me, you have heard from voters on both sides of the question now before us. The message is: everyone wants to be heard. And they're right. Our State Constitution wisely allows the people to be the final arbiter in deciding changes to it. Regardless of my personal position on this question, I am faithful to the spirit of our framers by sending this choice to the people of Kansas. – KELLIE WARREN, BILL SUTTON

MR. SPEAKER: I vote yes on **SCR 1613**. Some 53 years ago a young 14 year old carried a little boy to birth. I thank my biological mother for that. I thank my adoptive parents who gave me a family and loved me as one of their own since day 1. I vote yes for my wife and our children. I vote yes to give the citizens a voice on Life in Kansas. I would do it again given the opportunity. – KEN RAHJES

MR. SPEAKER: I vote no on **SCR 1613**. Throughout my legislative career I have maintained a staunch pro-life record. My no vote today doesn't contradict that. It is a recognition that amending the constitution is a matter of utmost importance. Maximum citizen input must be achieved and is best attained in the November general election. To do otherwise raises questions about the sincerity of the call to let people decide. This shouldn't and cannot be the end of discussion. Options remain. We can regroup and place the measure on the November ballot. I will trust the good citizens of this great state to pass the measure at that time. – DON HINEMAN

MR. SPEAKER: I vote yes on **SCR 1613**. I believe we are called to protect the lives of innocent babies in their mother's womb from being murdered. I stand with Kansans for the Kansas Bill of Rights, and its original intent of "Life, Liberty and the Pursuit of Happiness." There is not a right given by the God of the Bible for an abortion, but there is healing and forgiveness in the Name of Jesus for one. "A government that cannot or does not protect the humblest citizen in his right to Life, Liberty and the pursuit of happiness, should be reformed or overthrown without delay." Fredrick Douglass. – TREVOR JACOBS

MR. SPEAKER: The people of Kansas lost today. They lost their right to vote on the direction of our state's future. They lost their ability to exercise the state's system of judicial checks and balances. Today's vote sets our state down a disappointing path – one where the people have no say in whether Kansans will be a pro-life or pro-choice state; and one where the state may no longer have the authority to implement common-sense regulations, such as parental notification for minors, limitations on late-term/partial birth abortions, or health & safety precautions for clinics. I stand with Kansans. I stand for life. I vote Yes on **SCR 1613**. – RON RYCKMAN, BRENDA LANDWEHR, SEAN TARWATER, KYLE D. HOFFMAN, BLAINE FINCH, ADAM THOMAS

MR. SPEAKER: I vote NO on **SCR 1613**. Our job as legislators is to protect and preserve the constitutional rights of the citizens that we represent. **SCR 1613** strips Kansans who can get pregnant of their constitutional rights and puts their rights in the hands of legislators. Big government intrusion into the private lives of Kansans is wrong. I vote NO. – STEPHANIE CLAYTON

MR. SPEAKER: As written, **SCR 1613** opens the door to a future outright ban on abortion, even "in circumstances of pregnancy resulting from rape or incest, or when necessary to save the life of the mother." Otherwise put, we are amending the Bill of Rights to allow a future revocation of the rights of people who can become pregnant. I swore an oath to support the constitution of the State of Kansas, not to rewrite it when I disagree with a co-equal branch of government. I vote no on **SCR 1613**. – BRANDON WOODARD

MR. SPEAKER: In addition to the reasons stated by my colleagues, I vote NO on **SCR 1613** because the explanation of the amendment includes what I think is clearly an incorrect statement of law and therefore I do not believe I could vote to place this statement on an election ballot without violating the rules of professional ethics for Kansas attorneys. – DENNIS "BOOG" HIGHBERGER

MR. SPEAKER: I vote “YES” on **SCR 1613**. The right to life is the preeminent of all rights. Without life, no other right can be exercised or enjoyed. Section 1 of the Bill of Rights of the Kansas Constitution, in which “life” is the first of the expressly enumerated “equal and inalienable natural rights,” arguably recognizes this. Unlike Kansas courts, I will support the “natural right” to “life” which Section 1 of our Bill of Rights broadly protects. – JESSE BURRIS

MR. SPEAKER: I proudly vote “Yes” for **SCR 1613**. The Kansas Supreme Court does not have the final say on any issue. The legislature and the people ultimately define the reality of the Kansas Constitution. That reality includes the “right to life” and the duty to protect the unborn and defenseless. Crisis pregnancy centers flourish across this state because Kansans care about women and they care about the unborn. The real tragedy today is not allowing those Kansans a voice in this matter. – PAUL WAGGONER

MR. SPEAKER: The vote today was to correct an error made by 6 of 7 judges on our Supreme Court. Those judges destroyed the meaning of the Right to Life guaranteed by our Constitution. They replaced it with an absolute right to destroy life through abortion, all the way up to the baby's birth. The vote today was to allow the people to override the Court by voting in an election. I voted Yes on **SCR 1613** to allow Kansans to overturn the Court's terrible decision. – JOHN TOPLIKAR

**SB 155**, AN ACT concerning certain cemetery districts and the deannexation of territory located within a city, was considered on final action.

This was a great achievement and we look forward to many more for the Lady Chargers.

## INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Humphries and Rep. Ballard are spread upon the Journal:

I am pleased to co-sponsor this recognition today, February 11, 2020, as JAG-K Day at the Capitol with Representative Barbara Ballard, who is a member of the JAG-K Board of Directors along with Senator Bud Estes.

Most of the members of this body are familiar with Jobs for America's Graduates-Kansas and their remarkable outcomes.

- JAG-K focuses on student success. Following graduation, 90% of our JAG-K students are in post-secondary education, training, military service, in the workforce with marketable skills or a combination of all of those. They are 230% more likely to have a full-time job compared to other graduates. JAG-K graduation rate is 97% in Kansas.
- JAG-K teaches students skills they need to be successful regardless of their chosen career path. They gain confidence by learning leadership and career development skills through the required JAG competencies.
- JAG-K provides accountability. They report their performance measures quarterly and their expenses monthly.

JAG-K is an outstanding program, and it is an honor to recognize Chuck Knapp, President and CEO of JAG-K, and students from across the state. Students on the floor include: Ken Smith, Marshall Perryman, Kenny Sanders, Eduardo Picaso, Grant Cornell, Armando Felipe, Melanie Sotelo, Aalana Samuels and Alejandra Quinones. Other students to be recognized are in the East Gallery. Also joining us on the Floor this morning is JAG-K Senior Vice President Bev Mortimer.

This year marks the 40th Anniversary of JAG nationally, so we are also pleased to recognize JAG National President and co-founder Ken Smith.

Thank you for joining us in recognizing JAG-K Day at the Capitol.

TWENTY-FIRST DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Wednesday, February 12, 2020, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 123 members present.

Rep. Wasinger was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker,

Almighty God in heaven,  
please look down upon us today with favor.  
There are many paradoxes in Your Word  
that can give insight for our leaders.  
When they are weak, they gain strength.  
When they are foolish for Your sake,  
they become wise.  
To be victorious, they must first surrender.  
To become leaders, they must be followers.  
To become the greatest, they must first become the least.  
They can find rest being under Your yoke.  
And help them to understand that by giving, they will receive.  
I pray that we all may learn these truths.  
Amen.

The Pledge of Allegiance was led by Rep. Highland.

WHEREAS, Reversing the impacts of the climate crisis requires a collaborative response among federal, state and local governments; and

WHEREAS, As a driver of accelerated climate change, Kansas has an obligation to mobilize at crisis speed its government and citizenry to restore a safe climate and environment not just for our state but for communities across the United States and the globe, particularly for the young who have contributed the least to the crisis: Now, therefore,

*Be it further resolved:* That the Secretary of the State of Kansas shall send an enrolled copy of this resolution to Representative Xu.

### INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Highberger, **HR 6033**, by Reps. Highberger and Horn, as follows, was introduced and adopted:

HOUSE RESOLUTION No. **HR 6033**—

by Representatives Highberger and Horn

**HR 6033**—A RESOLUTION recognizing the 100<sup>th</sup> Anniversary of the League of Women Voters of the United States.

WHEREAS, On February 14, 1920, the League of Women Voters was founded as a forward-thinking experiment by the foremothers of the suffragist movement at the National American Women Suffrage Association; and

WHEREAS, The League's goal was to help the 20 million women who were granted the right to vote by the 19<sup>th</sup> Amendment understand and carry out their new responsibility as voters; and

WHEREAS, The success of its mission to empower voters and defend democracy, sustained by its tireless work over the last 100 years to uphold and further strengthen the mission, has made the League a trusted nonpartisan, grassroots organization; and

WHEREAS, The League has promoted legislation and fought in court to protect and strengthen voting rights for all Americans. Throughout its 100-year history, it has supported free and fair elections, civil rights, community health, and education; and

WHEREAS, The League has been recognized for providing nonpartisan election information, including sponsorship of candidate forums, for providing information on state and local ballot issues, and for continually reaffirming its commitment to register, educate, and mobilize voters; and

WHEREAS, The League continues to champion government systems that are open, transparent, inclusive, and equitable; and

WHEREAS, The League believes that active and engaged citizens, irrespective of gender, ethnicity, or political affiliation, are the hallmark of democracy: Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas:* That we recognize February 14, 2020, as League of Women Voters Day in honor of its 100<sup>th</sup> Anniversary and in recognition of its significant contributions to empowering voters and making democracy work; and

*Be it further resolved:* That the Chief Clerk of the House of Representatives shall send two enrolled copies of this resolution to Representative Highberger.

### INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Highberger are spread upon the Journal:

Thank you for the opportunity to speak to House Resolution 6033 and to help commemorate the 100th anniversary of the founding of the League of Women Voters. I think it is appropriate that we celebrate the 100th Anniversary of the League as we also celebrate the 100th anniversary of the adoption of the 19th Amendment to the United

States Constitution, which granted women the right to vote, because the founders of the League were women who worked hard to achieve the right for women to vote, and then banded together to make sure that women's votes served to make our democracy work better.

I am joined here today by the co-presidents of the League of Women Voters Kansas, Teresa Briggs and Cille King. I would also like to recognize all of the League members in the gallery.

Today the League is having a Day of Action at the statehouse, so when you see league members from your district, please thank them for all that they do to promote democracy, educate voters, and protect the right to vote.

As you can see, you don't have to be a woman to be a member of the League of Women Voters - you just have to be interested in fostering a well-informed electorate and a transparent and responsible government.

In my community, the League is probably the most visible and active organization working towards government transparency and encouraging civic engagement. Our local chapter is so dedicated to registering citizens to vote that I am almost surprised to go to a public event where the League volunteers AREN'T registering to people to vote, and they are certainly present at every naturalization ceremony held in my community, to register new citizens on the day that they become eligible to vote. The League hosts regular legislative forums that are well-attended by people who ask lots of tough questions. The League has been a lead partner in the local Voter Education Coalition, which sponsors candidate forums at election times, and the League actively works to make information about candidates available to voters. League members are engaged at every level of government, from the local zoning board to the US Congress. They work to ensure that open records and meeting acts are followed, that voting is encouraged, not discouraged, and that elected officials are accountable to their constituents.

To all the League members who are here today, I would like to thank you for all your efforts to promote and improve our democratic institutions, and I look forward to continue to work with you towards those goals.

And so, in honor of the 100th anniversary of the League of Women Voters, I would like to present you with this certificate on behalf of the Kansas House of Representatives.

## TWENTY-THIRD DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 104 members present.

Prayer by Chaplain Brubaker,

All merciful and loving God,  
thank You for this new day.  
Today is Valentine's Day and it behooves us to remember  
that You are the very definition of love.  
You give Your love to each and every one of us  
even when we are not deserving nor worthy of it.  
May we have the power to understand,  
as all God's people should,  
how wide, how long, how high,  
and how deep Your love is.  
May we be filled with that kind of love  
that we may share it with others—  
even to those we may not "like" at times.  
So much more could be accomplished  
if we would only show that love, kindness and grace  
to one another in every aspect of our lives.  
Your love endures forever, and for that we are grateful!  
This I pray in Your loving Name,  
Amen.

The Pledge of Allegiance was led by Rep. Lynn.

Prayer by Chaplain Brubaker,

Dear God,  
at the start of this week,  
help us to recognize You above all else.  
Direct the actions of our leaders and keep them holy.  
Guide and govern their hearts to make the best decisions  
and carry out their work with Your grace and favor.  
Keep their minds clear and focused on  
all they need to achieve  
and give them the wisdom to  
overcome difficulties and find solutions.  
May everything they do begin with Your inspiration  
and continue with Your saving help.  
May their work always find its origin  
and completion in and through You.  
Lord, please be with Susan and the Lewis family  
in the passing of our dear friend and colleague, Greg Lewis.  
What a great witness and example of a true man  
full of Your grace, compassion, mercy and salvation.  
He is now totally healed and has heard the words,  
“well done, good and faithful servant,  
welcome home.”  
In Your Son’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Benson.

Speaker Ryckman addressed the House:

Today we pause for a moment of silence to honor our friend and colleague Greg Lewis who passed away earlier this morning after a courageous battle with cancer. We offer our condolences to his wife Susan and the entire family.

Let us pause now and remember him and his parting advice to us last February, “Enjoy each day, enjoy your family, your friends, your fellow legislators, but do not take yourself too seriously. Serve your District with a servant’s heart.

- This is the House of Representatives.
- This is not. . . this is not the house of self interest.
- This is not the house of special interest.
- This is the People’s House; long may it serve the People and this Great State of Kansas”

Please join in a moment of silence.

### **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Carlson are spread upon the Journal:

Recognized by the NAAE for his efforts as an outstanding agricultural educator, Anthony Meals, agriculture teacher at USD 384 – Blue Valley in Randolph, Kansas, is one of only six individuals nationwide to receive the National Association of Agricultural Educators Outstanding Early Career Teacher Award, presented at the 2019 NAAE annual convention in Anaheim, California.

In his five years at Blue Valley, Anthony has increased his program participation from 27% of the student body to 96%. Blue Valley, a rural, remote school district of 59 students boasts an FFA chapter ranked as the 20th largest in a state of over 200 chapters. Anthony incorporates the three circle model into his classroom, but he presents it to his students in a single package with various layers to personalize and deepen their agricultural experience.

There are four principles that guide Anthony's teaching philosophy: he is not the teacher, he wants to continue learning, he sees greatness and he builds community. “If I don’t help students begin the process of relying on themselves to learn and self-teach then I am not setting them up for future success,” Meals said. “By engaging students in experiences that force reflection and deeper-level thinking, my hope is that students will create lasting connections between their heart, mind and hands.”

Students enrolled in Anthony's classes are able to choose a career pathway to follow, including Power, Structural and Technical Systems, Plant Systems, Animal Systems and Natural Resources. Experiential learning is involved both in and outside of the classroom through supervised agricultural experiences, service-learning projects and school-based enterprises. One school-based enterprise is the greenhouse, with three plant sales annually.

“Our recent partnership with the Blue Valley Art Club was to sell succulents in student made pottery,” Meals said. “It was a huge success and has opened the door to future innovative selling partnerships.”

Blue Valley produces excellent leaders and professionals. As is often the case, the success of this program would not be possible without community partnerships. Recently, a new \$1.8 million agricultural education center was built thanks to a community supported bond.

## INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Pittman are spread upon the Journal:

Leavenworth High School's Jr. ROTC program founded by Captain Huston in 1897, was one of the first in the nation. At that time, students were trained using broomsticks for guns, and drills were conducted in an old courthouse. Times have certainly changed.

Today the program is approaching 400 active cadets in a school of about 1200 students and regularly sends 2-3 and often more students to our esteemed military academies.

In 1961, Leavenworth High School established the first Ranger unit in the nation. Modeled after the elite Ranger units, this platoon performs missions with tactical objectives and seeks to train the most dedicated and elite cadets to do their best. The unit still exists today, called the Raiders, participating in many challenging activities.

Every year, Raider teams compete regionally and then come together at the National level in Molena, Georgia to determine the best of the best. In a field of 92 teams in the national competition, today I am honored to have with me the number one Raider team in the nation from Leavenworth High School.

It is unusual to have a public school like LHS which only has 1200 kids win this national championship. Part of the secret was having two of the individual winners. Cadet Captain Kanya Halle has won back-to-back top Female Raider nationally and Cadet Joseph Pervis won the top Male. I have certificates for them both.

I would be remiss if I didn't also introduce one of the big reasons that the Leavenworth High Raider team went from national champion runners-up for two years in a row to the number one team nationally: First Sergeant Codgil and female coach Ms. Mary Schwarz.

The Ranger Creed contains the statement "I accept the fact that as a Ranger my country expects me to move further, faster and fight harder than any other Soldier," and these young cadets have proven that they can indeed go faster, farther and harder than all other teams in the United States.

Please join me in congratulating them on this massive accomplishment.

Rep. Pittman presented framed House certificates to his guests.

## INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Helmer are spread upon the Journal:

I am proud to introduce the Winfield High School 2019 National Champions for Skills USA in Engineering, Technology & Design. The same team competed with their design in Entrepreneurship and took 2nd place in the nation. The students competed at Nationals in Urban Search and Rescue, placing 7th in the nation and are competing again this year.

At the Skills USA State Level they have placed 10 times which includes 3 first place finishes in Engineering projects.

They compete at the KU Engineering Design Challenge and last year won the Biomedical Engineering competition and received a \$3000 scholarship to the KU Engineering school.

The students also get the opportunity to work with business and industry through a \$600,000 Winfield Economic Development Grant received 5 years ago which enabled placement of a 5D printer for the classroom. A retired Aerospace Engineer works with the students 20 hours per week.

Congratulations to Allie BroadBeck, Lexi Wilson, Ashley Jarvis, Ciara Adams, Peter Stout, Nathan Seidel, Chris Norton, Barryck Heisler, Garrett James, Cameron Ferraro, Danny Ball and instructor Carey Keller.

Rep. Helmer presented her guests with a framed House certificate in honor of their accomplishments.

## TWENTY-FIFTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Tuesday, February 18, 2020, 11:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 124 members present.

Rep. Corbet was excused on verified illness.

Excused later: Rep. Landwehr.

Prayer by Chaplain Brubaker,

Heavenly Father,  
We read in Your Word that,  
“where there is no vision the people perish –  
but blessed is the one that heeds instruction.”  
Forgive us when we seek after our own limited human vision,  
rather than seeking after Yours.  
Only when we come to an understanding  
of Your purposes and vision for our state,  
can we in honesty and humility seek  
Godly wisdom and vision.  
Give each one a new vision  
for what You want to see in this legislative body  
and for the people of this great state of Kansas.  
Give each one a vision of the person You want them to be  
and guide them in working as a body of one.  
This I pray in Your Son’s Name,  
Amen.

The Pledge of Allegiance was led by Rep. Clayton.

## **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Schreiber are spread upon the Journal:

Colleagues, today I want to introduce you to members of the 8th grade class in Americus, USD 251 North Lyon County, their teacher J.D. Chanley, Sadie Bathurst, Bethany DeDonder, Lilly Parks, Preston Patton and Austin Woodrow...and two people who initiated a charitable fund called the Never Let Go Fund, Sandy Knight and Krystee Pearson.

These students and their classmates demonstrated a real community spirit when it decided to raise funds for children with cancer in the Lyon County area. As seventh graders they raised about \$900 and now as 8th graders they raised more than \$2000 which they give to the Never Let Go fund.

This fund was started by Sandy Knight after her son, Adrian, passed away from childhood cancer...9 years ago today. The fund has grown tremendously over those years and now supports many families who must travel with their sick children to distant medical centers for treatment.

One quick story about the class's efforts in raising money. They held penny wars in their school whereby students would place pennies in a jar at the school for whichever class they wanted to win the contest for raising the most money. The local bank in Americus soon called the school to politely ask the students to start using nickels, dimes or quarters as they were running out of pennies!

So please help me recognize this 8th grade class and Sandy Knight and her sister Krystee Pearson for their vision and commitment to raising awareness and support for those with childhood cancer.

On motion of Rep. Ryckman, the House resolved into the Committee of the Whole, with Rep. Kelly in the chair.

## INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Collins are spread upon the Journal:

Today, I am pleased to host the Lady Raiders of the 2019 KSHSAA Class 3A Champion Frontenac High School Softball Team. This team, under the leadership of Head Coach Cassie Rhuems and Assistant Coaches Francis Buche and Scott Fields, defeated Silver Lake by the score of 7 to 5 in Emporia last year on May 27th to claim the title. Standing on the floor with me today are Head Coach Rhuems along with Assistant Coaches Buche and Fields and players - Madison Davis, Karma Fields, Bailey Rhuems, Jayden Wilderman, Raven Warren, Heather Arnett and Bria Ginavan. The rest of the team is seated in the gallery so please join me in congratulating the 2019 KSHSAA Class 3A Softball Champion Frontenac Raiders.

I also find it worth noting that this team is a father/daughter operation, not only is player Karma Fields the daughter of Assistant Coach Fields but Coach Rhuems is the daughter of Assistant Coach Buche. I wonder if that leads to some awkward moments having your daughter as a boss.

Rep. Collins presented the team with a framed House certificate in honor of their championship.

# Journal of the House

TWENTY-SEVENTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Thursday, February 20, 2020, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 122 members present.

Rep. Corbet was excused on verified illness.

Reps. Clayton and E. Smith were excused on excused absence by the Speaker.

Prayer by guest chaplain, Rev. Zane Brooks, Pastor, Free Will Baptist Church, Wellington, and guest of Rep. Rhiley:

Oh gracious and Heavenly Father.

In the book of James, Chapter 1 Verse 22 it says "Be ye doers of the Word, as well as hearers of the Word." I once heard of your mercy, I accepted your mercy and now I extend your mercy.

God grant this great State of Kansas the divine intervention it needs. Please give these men and women truth as they endeavor to lead the wonderful, but judgement bound people of Kansas in a righteous approach to Christ. For what we do in moderation our children will do in excess. Let us do well for future generations.

Oh God, help us in our deliberations that we will hold the standard of "A Heaven to Gain and a Hell to Shun." This will aid all here today in governing in a way which would not only please our constituents back home, but first and foremost, please the King of Kings and Lord of Lords.

Noah Webster once said "Education is useless without the Bible." So, Lord with no excuse of inadequate examples, inadequate education, or inadequate support can we complain. For with the Holy Bible in our hand and in our hearts, we have no exemption. The Bible is enough to lead us safely through.

In addition, God we beg of you to teach us these biblical values that we may apply them in each vote we cast. We know our Nation is only as strong as our states. I seek your forgiveness on behalf of our State for the sins we have committed. I know you are a loving and gracious God, those who repent will find salvation. Please Lord, allow the great State of Kansas to lead - lead in repentance, lead in forgiveness, and lead in mercy.

Yes Lord, your Word tells us: "Where there is no vision the people perish." God Bless these visionaries with the gift of virtue and humility, so that Kansas may be a state that leads a Nation because it follows God the Father, God the Son, and God the Holy Spirit.

In Jesus' Holy Name. Amen

The Pledge of Allegiance was led by Rep. Highberger.

## EXPLANATIONS OF VOTE

MR. SPEAKER: This bill as written allows a person standing trial for sexual harassment to appear by video conference. It allows a drunk driver accused of wrongful death of a child to appear by video conference. It allows an adult falsely accusing a teacher of civil misconduct to appear by video conference. The witnesses in these examples could be coached from off camera. Is that what we want for our civil justice system in Kansas? This is not a trivial matter. We need due process, not a cheap process. I vote No on **HB 2447**. – KELLIE WARREN, RON ELLIS, LONNIE CLARK, BILL SUTTON, TREVOR JACOBS, CHARLOTTE J. ESAU, WILLIE DOVE, RANDY GARBER

MR. SPEAKER: I vote No on **HB 2447**. Verbal communication makes up a mere 10% of how we communicate. While video does increase this factor, it does not and cannot replace an in-person testimony. When this comes to court proceedings, it is no trivial matter. Civil proceedings impact all Kansans. This bill removes important, statutory safeguards that were put in place for a reason. Evidence should be presented in an open court. Not a court where testimony can be coached or altered without the knowledge of those whom it can have long-term effects. This bill, as written, does not get it right, and stands to degrade due process. – LEO DELPERDANG, RON HOWARD

MR. SPEAKER: I vote “no” on **HB 2447**. A witness’s credibility can be significantly impacted by his eye contact with the jury. A witness who never or rarely looks at the jury may be lying. As written, Section 13 of this bill would alter K.S.A. 60-243 to allow unscrupulous lawyers or litigants to shield untruthful witnesses from the crucible of trial, over the objection of a party and without good cause. A jury’s ability to fully assess non-verbal conduct should not be taken away lightly. While some trial judges would mitigate against these concerns, an amendment is needed to statutorily provide such safeguards and guidance for the court. – MARK SAMSEL

MR. SPEAKER: I vote No on **HB 2447**. How Kansas conducts its court proceedings is no trivial matter. Civil proceedings impact all Kansans, regardless of where one sits on the political spectrum. This bill removes important, fundamental statutory safeguards. It eviscerates the constitutional principle that evidence should be presented in open court. It’s unwise for this body to set up a two-tiered system of justice, when prudence dictates that constitutional ideals should remain consistent across both criminal and civil matters. This bill, as written, does not get it right and will usher in a cheapened process, rather than due process. – BARB WASINGER, RENEE ERICKSON, ALICIA STRAUB, PAUL WAGGONER

MR. SPEAKER: This bill, from the Kansas Supreme Courts’ Blue Ribbon Commission, was broadly supported in testimony before the Committee, without any opposition. In conjunction with Court rules and judicial discretion, **HB 2447** allows videoconferencing in select court proceedings when there is a recognizable benefit and when safeguards and technology exist for its effective use. **HB 2447** creates efficiencies, saving time and money, while also increasing access to justice. The bill is good for our state, for business, and, most importantly, for justice. Justice is best served by permitting Kansans to use secure technology to allow full and fair consideration of all admissible evidence. I vote AYE on **HB 2447**. – FRED C. PATTON, RUSSELL JENNINGS

MR. SPEAKER: I fully support and endorse Representative Patton’s explanation comments. Further, I must point out that this legislation does not provide any litigants

the opportunity to avoid their presence in a courtroom. Every citizen of this State remains subject to the subpoena power of the Courts of this State. We have always allowed witnesses to appear in Court by use of written transcripts or videotaped testimony when they are not subject to subpoena. We have now simply provided juries additional opportunities to actually view witnesses while they testify. I vote "AYE" on **HB 2447**. – BRADLEY C. RALPH, JOHN CARMICHAEL

## EXPLANATION OF VOTE

MR. SPEAKER: It is not the state's responsibility to force taxpayers to pay even more taxes for "free scholarships" for college education. I also believe that it is irresponsible to only expect a student to work 15 hours a week or 100 hours of community service annually and maintain only a 2.0 grade average. This has a potential cost to the taxpayers of over 50 million plus in the next 5 years. If the state continues giving "free money" away the taxpayers will have no more money for the state to confiscate. I vote "No" on **HB 2515**. – TREVOR JACOBS

**HB 2500**, AN ACT concerning the Kansas power of attorney act; relating to effectiveness of power of attorney; exemption of third persons from liability in certain circumstances; amending K.S.A. 58-658 and K.S.A. 2019 Supp. 58-652 and repealing the existing sections, was considered on final action.

# Journal of the House

THIRTIETH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Tuesday, February 25, 2020, 9:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 122 members present.

Reps. B. Carpenter and Kuether were excused on verified illness.

Rep. S. Ruiz was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker,

Patient and Merciful God, we stand before You today  
so grateful for Your patience and mercy.

The word for our legislators this week is "trust."

No doubt minds immediately went to all the sarcastic and humorous  
jokes about trusting politicians. I know mine did.

However, we are reminded just how serious this word is.

There was a time when a person's word was all one needed  
to have trust. Over the years as belief that there are no absolute truths  
has grown, it would appear that trust has diminished.

Learning to trust others starts with being trustworthy ourselves which  
involves honesty, integrity, keeping our word, not belittling others,  
admitting when we are wrong,  
seeking forgiveness and giving forgiveness.

In order for us to trust one another and present an element of  
trustworthiness to the people of this great state,  
we desperately need Your help in sharpening these traits in each of us.  
May it be so in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Weigel.

WHEREAS, Our nation was built by individuals who were willing to sacrifice their personal safety and concerns to ensure our individual and collective freedom; and

WHEREAS, Kansas is proud to be the home of many men and women who have performed above and beyond the call of duty; and

WHEREAS, Throughout the years, citizens of the United States have been called to take up arms against the enemies of our great nation, risking their lives and leaving their loved ones behind, to honorably safeguard the freedoms and liberties guaranteed to all Americans; and

WHEREAS, When an estimated 20 million gallons of Agent Orange were sprayed across Vietnam from U.S. aircrafts, destroying vegetation and crops that provided the enemy's food supply and cover that concealed enemy forces, millions of American soldiers were exposed to the chemical; and

## INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Seiwert are spread upon the Journal:

I have with me today Mrs. Barbara Osborn and her granddaughter, Amber Kerschen from Wichita, Kansas. Mrs. Osborn's husband, Edwin, fell victim to the effects of Agent Orange as a result of his service during the Vietnam War.

I also have with me Mr. Dale Anderson, my college roommate and high school best friend, and a survivor of the devastation of Agent Orange. He has undergone numerous treatments for agent orange-related illnesses and is writing a book on his experience.

Many of the victims who died overseas during the Vietnam War are memorialized on the Vietnam Veterans Memorial in Washington D.C.. Agent Orange continues to affect American heroes who served on the ground, in the air, and on the waterways in Vietnam. Many have developed serious illnesses or passed away years after leaving battle.

Please stand and give recognition to all the brave men and women who have suffered from this weapon of war.

Rep. Seiwert presented his guests with a framed House certificate in recognition of their sacrifices.

# Journal of the House

THIRTY-FIRST DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Wednesday, February 26, 2020, 9:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 125 members present.

Prayer by Chaplain Brubaker,

Almighty God  
thank You for this day –  
Ash Wednesday and the beginning of  
a period of repentance, fasting,  
reflection and ultimately celebration.  
Be with our leaders today as they continue to discuss  
and decide on several different resolutions or bills.  
As they work together in a spirit of bipartisanship,  
enable each one to differentiate  
strength from power;  
growth from greed;  
leadership from dominance;  
and real greatness from the trappings of grandeur.  
Continue to give them wisdom and clarity.  
In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Ballard.

## INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Concannon are spread upon the Journal:

Today I want to introduce you to a medical miracle. This is Chad Lorenz, along with his wife Laura and daughter, Autumn. Chad was born with a congenital heart defect, bicuspid aortic stenosis, which was diagnosed when he was in junior high. He was cleared to participate in cross country in high school at which time he fell in love with running. After high school, college, getting married, a baby, and several moves, he started competitive running, biking, and adventure races. His heart checked out regularly in Dept. of Transportation physicals required for his job. That all changed in the summer of 2015 when his heart valve declined. He was referred to a cardiologist who was astonished to learn the speed and distance Chad was running. After evaluation

at KU Hospital, at the age of 33, he underwent open heart surgery to replace his aortic valve with a mechanical valve, along with correcting an aortic aneurysm.

Chad recovered from surgery and started running again. He was monitored closely by his local physician and his cardiologist, and he was doing phenomenally. That all changed on March 5, 2017, as he was out for his normal morning long run, he suddenly collapsed into the ditch. A passing car, witnessing the collapse, stopped to find him unresponsive – without a heartbeat and he wasn't breathing. They started CPR and when the ambulance arrived it took 3 shocks to restart his heart. He was taken to the local hospital and then a life-flight to KU Hospital. He had suffered a widow-maker heart attack and full on cardiac arrest. Following a stent procedure he began the tough work of recovery. Six days later, Chad and his family were on the way back home.

A few weeks later, Chad and his family got to meet the complete strangers who happened to be driving by and became a major part of Chad's story. They are like family today.

To everyone's amazement, Chad started running again during his cardiac rehab. A little over a year later he competed in the 2018 Sunflower State Games where he competed in the 800m and 1500m, winning 1st in both for his age group. A short time later he was named the Sunflower State Games Athlete of the Year. He was later honored by the national organization as the National Congress of State Games Adult Male Athlete of the Year. Chad continues to run today, competing in various events throughout the state, along with coaching his daughter and other youth in track and field.

This shortened version of Chad's life story is an inspiration to us all. Please join me in congratulating Chad, Laura and Autumn for winning at life. We wish you much happiness with your beautiful beating heart.

Rep. Concannon presented her guests with a framed House certificate in recognition of their accomplishments.

#### **POINT OF PERSONAL PRIVILEGE**

There being no objection, the following remarks of Rep. Williams are spread upon the Journal:

I will begin by inviting any of our members who have served in public schools as teachers, counselors, administrators, or other support services, to join me at the well.

In honor of National Public Schools Week, we are happy to recognize our public schools and their teachers and staff that make a positive impact on so many of our student's lives.

In Kansas, we have 286 school districts, 1300 schools or attendance centers, 475,000 students, over 26,000 teachers, and approximately 43,000 employees. For each life that is represented – from the teacher that stays late creating inspiring lesson plans to support staff providing much-needed hugs, high-fives, and kind words – we thank you. Your passion for kids and your profession is to be commended and honored today and every day.

### EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on **HB 2487**. I do not agree with changing Emotional Disturbance to Emotional Disability. Both of these words imply a permanent disability. I know this is not true. These students can improve through therapy, behavior modification and maturity. I think this should be changed to Emotional Challenged which implies a future for the student. In addition, this will have a financial impact with every paper form and software program in Kansas Special Education and Mental Health having to be changed. — BILL RHILEY

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I vote No on **Sub HB 2506**. I appreciate all the hard work that went into this bill. I could support this bill if it just improved procedures and made the current law more effective for military service members and their spouses. However, it also implements the agenda of a group that is ideologically opposed to occupational licensure and was voted out by a packed committee, so I cannot. – “BOOG” HIGHBERGER

MR. SPEAKER: I vote “No” on **Sub HB 2506**. We all agree family members of our armed forces should be permitted to practice their professions in Kansas without delay. To that end, we passed legislation providing for expedited licensing of military dependents. Proponents of this bill believe the law is not being followed. If so, the answer is not another law, but enforcement of the existing law. Waving careful investigation of the qualifications of other professionals claiming an intention to move to Kansas endangers the public health and welfare. I therefore vote no on **Sub HB 2506**

renewed and rejuvenated.

As they continue their work,  
help them to seek understanding and  
good in one another.

Grant each one the empathy to

### INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Dietrich are spread upon the Journal:

March 4th is Parents as Teachers Day at the Capitol! The concept for Parents as Teachers was developed in the 1970's when educators noted that children were coming to kindergarten with varying levels of school readiness. They knew that greater parent involvement is a critical link in a child's development of learning skills, including reading and writing...and they also knew that kids do not come with an Instruction Manual! Those facts were the foundation of the Parents as Teachers Program as we know it today.

Early childhood professionals suggested that parent education was key to helping parents understand their role in their child's development from the very beginning (like birth!) .....and that a program to provide early detection of developmental delays and health issues could also help improve school readiness.

That is just what the Parents as Teacher program does.....it includes personal home visits, group connections, parenting classes, health, vision, hearing and developmental screenings, and supports family connections with other community services. What a blessing for our young families.

This is a voluntary program in our state offered by 165 school districts working with children from birth to 5 years old. These educators are awesome and they make a positive difference every single day.

The Parents as Teachers program has been in Kansas for 30 years and that's what we are celebrating today!

I would like to introduce you to the Parents As Teachers Educators and family members who are here with me today and to say "Thank you" for doing such good work for the youngest children in Kansas.

- Callie Peace, KPATA Executive Director
- Jacki Himpel, KPATA President

Prayer by guest chaplain, Dr. Kent Duncan, Pastor, Jefferson Assembly of God, Meriden, and guest of Rep. Ellis:

Heavenly Father...

We begin this day with thanksgiving. We agree with your word – “This is the day the Lord has made. We will rejoice and be glad in it.” And so...

We declare our gratitude – for the breath of life that fills our lungs... the strength you give these sometimes frail bodies ... the purposeful calling that marks our days. Thank you for filling our days with purpose ... and for graciously granting us the capacity to do those things you've called us to do.

We are aware of the responsibilities our callings bring. So, today, we humbly ask for wisdom. We acknowledge that, in ourselves, we are not enough to accomplish the tasks at hand. The challenges are too complex ... the differences between us too great.

But we are aware, as well, that you have promised – your word will be “a lamp unto our feet, a light unto our path” ... and we are reminded that you have shown us what is required of us – to “do justly, and to love mercy, and to walk humbly before our God.”

So we submit ourselves to you ... and to the tasks you've given us ... asking that by your power – on us, in us, and through us – your compassionate and purposeful plan would be accomplished – that your kingdom would come, your will would be done – on earth as it is in heaven.

And as your purpose is accomplished in us today, may you receive the praise ... for yours is the Kingdom, and the power, and the glory forever, Amen.

The Pledge of Allegiance was led by Rep. Karleskint.

Except as provided by K.S.A. 72-5463, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. (3) For general obligation bonds approved for issuance at an election held on or before June 30, 2016, the sum of the amount determined under subsection (b)(1)(F) and the amount determined under subsection (b)(2)(E) is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.

(4)(A) For general obligation bonds approved for issuance at an election held on or after July 1, 2016, the amount determined under subsection (b)(2)(E) is the amount of payment the school district shall receive from the school district capital improvements fund in the school year, except the total amount of payments school districts receive from the school district capital improvements fund in the school year for such bonds shall not exceed the six-year average amount of capital improvement state aid as determined by the state board of education.

~~(A)(B)~~ The state board of education shall determine the six-year average amount of capital improvement state aid by calculating the average of the total amount of moneys expended per year from the school district capital improvements fund in the immediately preceding six fiscal years, not to include the current fiscal year.

~~(B)(C)~~ (i) Subject to clause (ii), the state board of education shall prioritize the allocations to school districts from the school district capital improvements fund in accordance with the priorities set forth as follows in order of highest priority to lowest priority:

(6) A school district that had an enrollment of less than 260 students in the school year immediately preceding the school year in which an election is held to approve the issuance of general obligation bonds shall not be entitled to receive payments from the school district capital improvements fund unless such school district applied for and received approval from the state board of education to issue such bonds prior to holding an election to approve such bond issuance. The provisions of this paragraph shall apply to general obligation bonds approved for issuance at an election held on or after July 1, 2017, that are issued for the purpose of financing the construction of new school facilities.

(7) For general obligation bonds approved for issuance at an election held on or after July 1, 2017, in determining the amount under subsection (b)(2)(D), the state board shall exclude payments for any capital improvement project, or portion thereof, that proposes to construct, reconstruct or remodel a facility that would be used primarily for extracurricular activities, unless the construction, reconstruction or remodeling of such facility is necessary due to concerns relating to the safety of the current facility or disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation.

(c) The state board of education shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital improvements fund for distribution to school districts. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund, except that all such transfers during the fiscal years ending June 30, 2020, June 30, 2021, and June 30, 2022, shall be considered to be revenue transfers from the state general fund.

(d) Payments from the school district capital improvements fund shall be distributed to school districts at times determined by the state board of education to be necessary to assist school districts in making scheduled payments pursuant to contractual bond obligations. The state board of education shall certify to the director of

accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the bond and interest fund of the school district to be used for the purposes of such fund.

(e) The provisions of this section apply only to contractual obligations incurred by school districts pursuant to general obligation bonds issued upon approval of a majority of the qualified electors of the school district voting at an election upon the question of the issuance of such bonds.

(f) On or before the first day of the legislative session in 2017, and each year thereafter, the state board of education shall prepare and submit a report to the legislature that includes information on school district elections held on or after July 1, 2016, to approve the issuance of general obligation bonds and the amount of payments school districts were approved to receive from the school district capital improvements fund pursuant to subsection ~~(b)(4)(C)~~ ~~(b)(4)(D)~~.";

## INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Pittman are spread upon the Journal:

The Governor has declared today as Theater in our Schools Advocacy Day. We have gathered among us students from schools across our state who have come together to advocate for the many benefits theater programs provide for our students. As our School Board Association moves forward with priorities to increase the social, emotional and other non-traditional academic aspects of our students, theater stands as an excellent medium in alignment with our Kansas schools' 21st century goals.

I'm here today to recognize the great things our Kansas theater programs have achieved. With 105 active thespian chapters and over 15,000 students involved in theater each year, our students have gone on to national and international levels.

Two of the six student officers of the International Thespians are Kansas students. Spencer Angell of Olathe and Anna Hastings of Olathe South, are here with me today. I also have with me: Sara Holscher, Addison Landes, Emma Noonoo, Ann Stegman,

Thomas Yambo Rios, Haley Bell, Haly Mathis and Faith Lopez who are all officers on the State Steering Committee.

We also have two Kansas Theater Directors who have been elected to the National Education Theater Association. David Tate Hastings serves on the National Board and Jennifer Morgan-Beuchat serves on the National Advocacy Board.

And finally, I want to recognize my own district's theater program which was selected as one of the top National programs garnering the Outstanding School Award nationally as well as the National Theater Impact Award of 2019.

These students, as well as the students from districts including Wichita, Olathe, Topeka and more, are here to talk with their representatives and are set up on the first floor. Please help me congratulate all of our top tier theater program students in Kansas that are here with me and in the gallery.

### **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Newland are spread upon the Journal:

Today it is my pleasure to recognize a gentleman for his outstanding gift to my hometown, the small, rural community of Neodesha, Kansas.

Effective this May, and for the next 25 years that follow, graduating Seniors from Neodesha High School that are in good standing and who meet the necessary requirements will be able to attend any post graduate institution of their choice, thanks to the Marilyn Cram Cutler Foundation. The scholarship award will cover tuition and mandatory fees for up to 120 credit hours of study for a bachelor's degree and up to 60 credit hours of study for an associate's degree or technical certification. Awards will be capped at the highest tuition at a Kansas public college for in-state students, which is currently the University of Kansas. Students will have 6 years to access the Neodesha Promise for a Bachelor program and 4 years for an Associate degree or Technical certification.

There is an expectation for many additional benefits to impact our community as a result of this very positive gift. From small business start-ups, renewed housing development, and an increase in jobs to a revitalized Main Street – just to name a few of these impactful possibilities. The excitement and enthusiasm from the community is incredible and it's all because of one man and his dream to give back to the place where he grew up and to the school from which he graduated.

I would like to introduce the team responsible for putting the program into place:

#### EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **HB 2689**. Our nation and state are facing economic uncertainty because of the developing public health challenge. Both short and long term implications are unknown. I believe we should exercise discipline and resist the temptation to increase tax credits today to lesson the challenges we will certainly face in the future. I believe a conservative, disciplined and measured approach is prudent at this point. A week ago, this would have been an easy yes vote. Today, not so much. – J. RUSSELL JENNINGS, JOHN CARMICHAEL.

(b) If the driver's license of any person expires while such person is outside of the

state of Kansas and such person is on active duty in the armed forces of the United States, or is the spouse or a person who is residing with and is a dependent of such person on active duty, the license of such person shall be renewable, without examination, at any time prior to the end of the sixth month following the discharge of such person from the armed forces, or within 90 days after residence within the state is reestablished, whichever time is sooner. If the driver's license of any person under this subsection expires while such person is outside the United States, the division shall provide for renewal by mail, as long as the division has a photograph or digital image of such person maintained in the division's records. A driver's license renewed under the provisions of this subsection shall be renewed by mail only once.

(c) At least 30 days prior to the expiration of a person's license, the division shall mail, or send electronically if authorized by the person, a notice of expiration or renewal application to such person at the address shown on the license or the electronic mail address provided to the division. A person may at any time revoke the authorization to receive the notice electronically provided by this subsection, and any notice sent by the division after the date of the revocation shall be mailed to such person. The division shall include with such notice a written explanation of substantial changes to traffic regulations enacted by the legislature.

(d) (1) Except as provided in paragraph (2), every driver's license shall be renewable on or before its expiration upon application and payment of the required fee and successful completion of the examinations required by subsection (e). Upon satisfying the foregoing requirements of this subsection, and if the division makes the findings required by K.S.A. 8-235b, and amendments thereto, for the issuance of an original license, the license shall be renewed without examination of the applicant's driving ability. If the division finds that any of the statements relating to revocation, suspension or refusal of licenses required under K.S.A. 8-240(b), and amendments thereto, are in the affirmative, or if it finds that the license held by the applicant is not a valid one, or if the applicant has failed to make application for renewal of such person's license on or before the expiration date thereof, the division may require the applicant to take an examination of ability to exercise ordinary and reasonable control in the operation of a motor vehicle as provided in K.S.A. 8-235d, and amendments thereto.

(2) Any licensee, whose driver's license expires on the licensee's 21<sup>st</sup> birthday, shall have 45 days from the date of expiration of such license to make application to renew such licensee's license. Such license shall continue to be valid for such 45 days or until such license is renewed, whichever occurs sooner. A licensee who renews under the provisions of this paragraph shall not be required by the division to take an examination of ability to exercise ordinary and reasonable control in the operation of a motor vehicle as provided in K.S.A. 8-235d, and amendments thereto.

(e) (1) Prior to renewal of a driver's license, the applicant shall pass an examination of eyesight. Such examination shall be equivalent to the test required for an original

driver's license under K.S.A. 8-235d, and amendments thereto. A driver's license examiner shall administer the examination without charge and shall report the results of the examination on a form provided by the division.

(2) In lieu of the examination of the applicant's eyesight by the examiner, the applicant may submit a report on the examination of eyesight by a physician licensed to practice medicine and surgery or by a licensed optometrist. (3) The division shall determine whether the results of the eyesight examination or report is sufficient for renewal of the license and, if the results of the eyesight examination or report is insufficient, the division shall notify the applicant of such fact and return the license fee. In determining the sufficiency of an applicant's eyesight, the division may request an advisory opinion of the medical advisory board, ~~which and the~~ board is hereby authorized to render such opinions.

(4) An applicant who is denied a license under this subsection ~~(e)~~ may reapply for renewal of such person's driver's license, except that if such application is not made within 90 days of the date the division sent notice to the applicant that the license would not be renewed, the applicant shall proceed as if applying for an original driver's license.

Subject to paragraph (6), in so evaluating such qualifications, the division may request an advisory opinion of the medical advisory board ~~which, and the board~~ is hereby authorized to render such opinions in addition to its duties prescribed by K.S.A. 8-255b(b), and amendments thereto. (6) Seizure disorders ~~which that~~ are controlled shall not be considered a disability. In cases where such seizure disorders are not controlled, the director or the medical advisory board may recommend that such person be issued a driver's license to drive class C or M vehicles and restricted to operating such vehicles as the division determines to be appropriate to assure the safe operation of a motor vehicle by the licensee. Restricted licenses issued pursuant to this paragraph shall be subject to suspension or revocation. For the purpose of this paragraph, seizure disorders ~~which that~~ that are controlled means that the licensee has not sustained a seizure involving a loss of consciousness in the waking state within six months preceding the application or renewal of a driver's license and whenever a person licensed to practice medicine and surgery makes a written report to the division stating that the licensee's seizures are controlled. The report shall be based on an examination of the applicant's medical condition not more than three months prior to the date the report is submitted. Such report shall be made on a form furnished to the applicant by the division. Any physician who makes such report shall not be liable for any damages ~~which that~~ may be attributable to the issuance or renewal of a driver's license and subsequent operation of

a motor vehicle by the licensee.

(f) If the driver's license of any person expires while such person is outside the state of Kansas, the license of such person shall be extended for a period not to exceed six months and shall be renewable, without a driving examination, at any time prior to the end of the sixth month following the original expiration date of such license or within 10 days after such person returns to the state, whichever time is sooner. This subsection shall not apply to temporary drivers' licenses issued pursuant to K.S.A. 8-240(b)(3), and amendments thereto.

(h) Notwithstanding any other provisions of law, any offender under subsection (a) (1)(D) who held a valid driver's license on the effective date of this act may continue to

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Monday, March 16, 2020, 11:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 118 members present.

Reps. Carlin, Probst and Yeager were excused on verified illness.

Reps. Bishop, Carmichael, Kuether and Ousley were excused on excused absence by the Speaker.

Present later: Reps. Carmichael and Probst.

Prayer by guest chaplain, Rev. Juliet Kent-Hemphill, Pastor, St. John A.M.E. Church, Topeka:

Father God,

I pray for these who serve this nation, for they serve you.

There is no authority except from God, and these gathered here, whether they realize it or not, are your servant for the good of the people of the United States of America.

I pray for the men and women in this room and those who are yet to come. Help them to recognize you, come to trust in you, look to you and live in the fear of you and not of men.

Father, help them to make good and godly decisions that are right, based on the authority of Your Holy Spirit and motivated by your Word.

I pray for the many representatives who are your children by faith in Jesus Christ. Grant them your favor and blessing, raise them up to do your will and help them to stand on the reality that no matter what the challenge your truth will prevail.

Father, I pray you give them godly strength for the work that they do. Give them great wisdom for the decisions they make and lead them by the Holy Spirit for direction in which they lead this nation.

God, cleanse their motives, and protect them from pride, help them to bow to your will and not break under the weight of adversity, and may they never forget your promise "He who honors me I will honor, and I will despise those who think lightly of me." We thank you for all you will do through them, in them, and with them.

In Jesus' name, the one and only name by which we have a way into heaven, I pray. Amen

The Pledge of Allegiance was led by Rep. Wolfe Moore.

### INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Humphries are spread upon the Journal:

It is my great privilege to introduce you today to Carly Bowden, a recipient of the prestigious 2019-2020 Milken Educator Award. I'll tell you more about the award in a minute, but first I want to tell you about Carly.

First, she is BRAVE...Brave to come to the capitol today and meet in this large group And brave because she teaches math to middle schoolers!

Carly grew up in Topeka, and graduated from Emporia State in 2015. She teaches 7th grade math at Andover Central middle school. Her philosophy of teaching is all about relationships! She teaches her students through being interested in their activities, and creating learning experiences for them - when they don't even know they are learning! Some recent examples ... instead of a paper math test, she took her class to Dillons with real dollars and learned math. She has also transformed her room into an escape room...landing a spaceship.

And about the award . . . only 40 educators nationwide receive the Milken Educator Award. Get this . . . there are over 3.2 million public school teachers in the U.S. WOW... such an honor for Carly...and also for us to recognize her here today. Please join me in celebrating Carly Bowden!

Rep. Humphries presented Ms. Bowden with a framed House certificate in recognition of her accomplishment.

On motion of Rep. Hawkins, the House recessed until 11:35 a.m.

LEGEND
Presumptive Probation
Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;

(B) maximum potential reduction to such sentence as a result of good time; and

(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and

(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of K.S.A. 2019 Supp. 21-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of K.S.A. 8-2,144 and 8-1567 and K.S.A. 2019 Supp. 21-5414(b)(3), 21-5823(b)(3) and (b)(4), 21-6412 and 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2019 Supp. 21-6807, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject

to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2019 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2019 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-2,144, and 8-1567 and K.S.A. 2019 Supp. 21-5414(b)(3), 21-5823(b)(3) and (b)(4), 21-6412 and 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-2,144 or 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2019 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2019 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

- (3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of K.S.A. 2019 Supp. 21-6824(f)(1), and amendments thereto, shall apply to a defendant sentenced under this subsection. - (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. (2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

Such sentence shall not be considered a departure and shall not be subject to appeal.

(w) The sentence for aggravated criminal damage to property as defined in K.S.A. 2019 Supp. 21-5813(b), and amendments thereto, when such person being sentenced has a prior conviction for any nonperson felony shall be presumptive imprisonment. paragraph is classified in grid blocks 7-C, 7-D or 7-E. Such sentence shall not be considered a departure and shall not be subject to appeal.

(y) (1) Except as provided in subsection (y)(3), if the trier of fact makes a finding beyond a reasonable doubt that an offender committed a nondrug felony offense, or any attempt or conspiracy, as defined in K.S.A. 2019 Supp. 21-5301 and 21-5302, and amendments thereto, to commit a nondrug felony offense, against a law enforcement officer, as defined in K.S.A. 2019 Supp. 21-5111(p)(1) and (3), and amendments thereto, while such officer was engaged in the performance of such officer's duty, or in whole or in any part because of such officer's status as a law enforcement officer, the sentence for such offense shall be:

In addition, such offender shall not be eligible for parole prior to serving 25 years' imprisonment, and such 25 years' imprisonment shall not be reduced by the application of good time credits. No other sentence shall be permitted.

(ii) The provisions of subsection (y)(1)(B)(i) requiring the court to impose a mandatory minimum term of imprisonment of 25 years shall not apply if the court finds the offender, because of the offender's criminal history classification, is subject to presumptive imprisonment and the sentencing range exceeds 300 months. In such case, the offender is required to serve a mandatory minimum term equal to the sentence established pursuant to the sentencing range.

(2) The sentence imposed pursuant to subsection (y)(1) shall not be considered a departure and shall not be subject to appeal.

(3) The provisions of this subsection shall not apply to an offense described in subsection (y)(1) if the factual aspect concerning a law enforcement officer is a statutory element of such offense.

**EXPLANATIONS OF VOTE**

MR. SPEAKER: I vote "No" on **House Sub. For SB 173**. All of us realize the vital importance of properly funding construction and maintenance of our highways which were treated as a piggy bank for the failed tax experiment of our prior governors; but voting for a highway plan which favors rural over urban highways, is not good for anyone. There is a better way to do this. This is not the last train out of the station. I therefore vote "No" on **House Sub for SB 173**. – JOHN CARMICHAEL

MR. SPEAKER: While I am in support of a robust transportation plan, the language within this bill will reduce the flexibility to meet transportation need in communities. SB 375 is a more comprehensive and fiscally responsible plan. I hope to see a more favorable bill from the conference committee. Therefore, I vote no on **H Sub for SB 173**. Thank you, Mr. Speaker. – VALDENIA WINN, BRETT PARKER, NANCY LUSK, CINDY NEIGHBOR, SUSAN RUIZ, RUI XU, STEPHANIE CLAYTON, JERRY STOGSDILL, BRODERICK HENDERSON, KC OHAEBOSIM, DENNIS “BOOG” HIGHBERGER

MR. SPEAKER: I vote yes on **H Sub for SB 173**, with the hope that it is made better in conference committee. There is language within this bill that I do not like, but I realize the need for a solid transportation plan, and I believe this is a first step towards that. Thank you Mr. Speaker – EILEEN HORN, CINDY HOLSCHER, MIKE AMYX, FRED A WARFIELD, VIRGIL WEIGEL, MONICA MURNAN, BARBARA BALLARD, GAIL FINNEY, JOHN ALCALA, PAM CURTIS, TOM SAWYER

MR. SPEAKER: The 30th District is home to the Johnson County Gateway Project, the convergence of Interstate 35, Interstate-435, and Kansas Highway 10. This Kansas Department of Transportation realignment and construction project was transformative for the people of my district, and projects like this are an example of why a statewide comprehensive transportation plan is incredibly important for the future of our state. This plan, as written, is not perfect, but it enables us to move toward ironing out its differences with our colleagues in the Senate. I vote YES on **House Substitute for Senate Bill 173**. – BRANDON WOODARD

MR. SPEAKER: While I support the expansion and repair of our highways this bill is financially flawed. It guarantees the reopening of the Bank of KDOT or a tax increase. – HENRY HELGERSON

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I voted “No” on **SB 66** because I believe the additional spending in this budget far exceeds the State's capability to fund it without new taxes. With the foreseeable downturn in the economy, now is not the time to be spending more money but cutting down to the priorities we must fund.

This budget was put together under crisis and without the proper vetting required to ensure the budget can be paid for. I would have rather come back and do it right and not under pressure. Knowing that is not going to happen, I change my vote to “Yes” – DAVID FRENCH

MR. SPEAKER: The world has changed since we arrived in Topeka on January 12<sup>th</sup>. The coronavirus and resulting economic disruptions will be far reaching. It will effect FY 2021 Kansas tax revenue. We will easily see a 5% drop in revenue. This involves hundreds of millions of dollars.

To raise the state budget to over \$8.0 billion is neither wise nor sustainable. Tax

revenue will be \$500 million to \$1.0 billion less than that. Let's start closing that gap now. We respect the taxpayers hard-earned dollars. They will be tightening their belts going forward. The state of Kansas needs to do so as well. I vote No on **SB 66**. – PAUL WAGGONER, ALICIA STRAUB, TREVOR JACOBS, BILL RHILEY

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I reluctantly vote Yes on **HCR 5025**. It is an extreme situation we find ourselves in due to the Coronavirus pandemic. The possibility of governmental overreach is always great in times of emergency. But this bill keeps the executive branch on a short enough leash with legislative accountability, that I find it acceptable and in the public interest. In other states, during this crisis, we have seen shocking examples of executive power being used. I would never want that for Kansas and I think **HCR 5025** helps keep that from happening in the end. — PAUL WAGGONER

MR. SPEAKER: I vote Yes on **HCR 5025**, I do believe Kansans in this time will need some extra governmental resources and services to be made available to them as we face uncertain times. I am also thankful for the wisdom of our Founding Fathers giving us a government of checks and balances for the process of limited government and limited powers. We as legislators must always be vigilant to protect the people's liberties above

all causes. Remember, "They who can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety." Benjamin Franklin – TREVOR JACOBS, RANDY GARBER, ALCIA STRAUB, DAVID W. FRENCH

~~(3) not more than 17% of health maintenance organization assessment revenues shall be disbursed to pharmacy providers through increased medicaid rates.~~

(2) On July 1 of each year, the department of health and environment, with approval of the healthcare access improvement panel, shall make adjustments to the disbursement of moneys in accordance with this subsection to cause such disbursements to be paid solely from moneys appropriated from the healthcare access improvement fund. The healthcare access improvement fund shall not be supplemented by appropriations from the state general fund for the purpose of making disbursements under this subsection.

~~(e)(b)~~ For the purposes of administering and selecting the disbursements described in subsections (a) and (b) ~~of this section~~, the healthcare access improvement panel is hereby established. The panel shall consist of the following: Three members appointed by the Kansas hospital association, two members ~~who are persons licensed to practice medicine and surgery~~ appointed by the Kansas medical society, one member appointed by each health maintenance organization that has a medicaid managed care contract with the ~~Kansas department for aging and disability services of health and environment~~, one member appointed by the community care network of Kansas association for the medically underserved, one member appointed by the president of the senate, one member appointed by the speaker of the house of representatives, one member from the office of the medicaid inspector general appointed by the attorney general and one representative of the department of health and environment appointed by the governor. The panel ~~shall meet as soon as possible subsequent to the effective date of this act and shall elect a chairperson from among the members appointed by the Kansas hospital association. A representative of the panel shall be required to make an annual report to the legislature regarding the collection and distribution of all funds received and distributed under this act, and such report shall include analysis demonstrating that disbursements made in accordance with subsection (a) are budget neutral to the state general fund.~~

(c) (1) The department of health and environment shall submit to the United States centers for medicare and medicaid services any approval request necessary to implement the amendments made to this section by this act. If the department has

submitted such a request pursuant to section 80(1) of chapter 68 of the 2019 Session Laws of Kansas, then the department may continue such request, or modify such request to conform to the amendments made to subsections (a) and (b) by this act, to fulfill the requirements of this paragraph.

(2) The secretary of health and environment shall certify to the secretary of state the receipt of such approval and cause notice of such approval to be published in the Kansas register.

(3) The amendments made to subsections (a) and (b) by this act shall take effect on and after January 1 or July 1 immediately following such publication of such approval.

Sec. 3. K.S.A. 75-7435 is hereby amended to read as follows: 75-7435. (a) As used in this section unless the context requires otherwise:

(1) ~~Words and phrases have the meanings respectively ascribed thereto~~ mean the same as defined by K.S.A. 39-923, and amendments thereto.

(2) "Skilled nursing care facility" means a licensed nursing facility, nursing facility for mental health as defined in K.S.A. 39-923, and amendments thereto, or a hospital long-term care unit licensed by the department of health and environment, providing skilled nursing care, but shall not include the Kansas soldiers' home or the Kansas veterans' home.

(3) "Licensed bed" means those beds within a skilled nursing care facility ~~which~~ that the facility is licensed to operate.

(4) "Agent" means the Kansas department for aging and disability services.

(5) "Continuing care retirement facility" means a facility holding a certificate of registration issued by the commissioner of insurance pursuant to K.S.A. 40-2235, and amendments thereto.

(b) (1) ~~Except as otherwise provided in this section and in subsection (f), there is hereby imposed and the secretary of health and environment shall assess an annual assessment per licensed bed, hereinafter called a quality care assessment, on each skilled nursing care facility. The assessment on all facilities in the aggregate shall be an amount fixed by rules and regulations of the secretary of health and environment, shall not exceed \$4,908 annually per licensed bed, shall be imposed as an amount per licensed bed and shall be imposed uniformly on all skilled nursing care facilities except that the assessment rate for skilled nursing care facilities that are part of a continuing care retirement facility, small skilled nursing care facilities and high medicaid volume skilled nursing care facilities shall not exceed 1/6 of the actual amount assessed all other skilled nursing care facilities. No rules and regulations of the secretary of health and environment shall grant any exception to or exemption from the quality care assessment. The assessment shall be paid quarterly, with one fourth of the annual amount due by the 30<sup>th</sup> day after the end of the month of each calendar quarter. The secretary of health and environment is authorized to establish delayed payment schedules for skilled nursing care facilities which that are unable to make quarterly payments when due under this section due to financial difficulties, as determined by the secretary of health and environment. As used in this paragraph, the terms "small skilled nursing care facilities" and "high medicaid volume skilled nursing care facilities" shall have the meanings ascribed thereto~~ be defined by the secretary of health and environment by rules and regulations, except that the definition of "small skilled nursing care facility" shall not be ~~lower~~ fewer than 40 beds.

(2) Beds licensed after July 1 each year shall pay a prorated amount of the

applicable annual assessment so that the assessment applies only for the days such new beds are licensed. The proration shall be calculated by multiplying the applicable assessment by the percentage of days the beds are licensed during the year. Any change ~~which that~~ reduces the number of licensed beds in a facility shall not result in a refund being issued to the skilled nursing care facility.

(3) If an entity conducts, operates or maintains more than one licensed skilled nursing care facility, the entity shall pay the nursing facility assessment for each facility separately. No skilled nursing care facility shall create a separate line-item charge for the purpose of passing through the quality care assessment to residents. No skilled nursing care facility shall be guaranteed, expressly or otherwise, that any additional moneys paid to the facility under this section will equal or exceed the amount of its quality care assessment.

(4) The payment of the quality care assessment to the secretary of health and environment shall be an allowable cost for medicaid reimbursement purposes. A rate adjustment pursuant to subsection (d)(5) shall be made effective on the date of imposition of the assessment, to reimburse the portion of this cost imposed on medicaid days.

(5) The secretary of health and environment shall seek a waiver from the United States department of health and human services to allow the state to impose varying levels of assessments on skilled nursing care facilities based on specified criteria. It is the intent of the legislature that the waiver sought by the secretary of health and environment be structured to minimize the negative fiscal impact on certain classes of skilled nursing care facilities.

(c) Each skilled nursing care facility shall prepare and submit to the secretary of health and environment any additional information required and requested by the secretary of health and environment to implement or administer the provisions of this section. Each skilled nursing care facility shall prepare and submit quarterly to the secretary for aging and disability services the rate the facility charges to private pay residents, and the secretary shall cause this information to be posted on the web site of the department for aging and disability services.

(d) (1) There is hereby created in the state treasury the quality care fund, ~~which shall to~~ be administered by the secretary of health and environment. All moneys received for the assessments imposed pursuant to subsection (b), including any penalty assessments imposed thereon pursuant to subsection (e), shall be remitted to the state treasurer in accordance with K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the quality care fund. All expenditures from the quality care fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of health and environment or the secretary's agent.

(2) All moneys in the quality care fund shall be used to finance initiatives to maintain or improve the quantity and quality of skilled nursing care in skilled nursing care facilities in Kansas. No moneys credited to the quality care fund shall be transferred to or otherwise revert to the state general fund at any time. Notwithstanding the provisions of any other law to the contrary, if any moneys credited to the quality care fund are transferred or otherwise revert to the state general fund, 30 days following the transfer or reversion the quality care assessment shall terminate and the secretary of

health and environment shall discontinue the imposition, assessment and collection of the assessment. Upon termination of the assessment, all collected assessment revenues, including the moneys inappropriately transferred or reverting to the state general fund, less any amounts expended by the secretary of health and environment, shall be returned on a pro rata basis to skilled nursing care facilities that paid the assessment.

(3) Any moneys received by the state of Kansas from the federal government as a result of federal financial participation in the state medicaid program that are derived from the quality care assessment shall be deposited in the quality care fund and used to finance actions to maintain or increase healthcare in skilled nursing care facilities.

(4) Moneys in the fund shall be used exclusively for the following purposes:

(A) To pay administrative expenses incurred by the secretary of health and environment or the agent in performing the activities authorized by this section, except that such expenses shall not exceed a total of 1% of the aggregate assessment funds collected pursuant to subsection (b) for the prior fiscal year;

(B) to increase nursing facility payments to fund covered services to medicaid beneficiaries within medicare upper payment limits, as may be negotiated;

(C) to reimburse the medicaid share of the quality care assessment as a pass-through medicaid allowable cost;

(D) to restore the medicaid rate reductions implemented January 1, 2010;

(E) to restore funding for fiscal year 2010, including rebasing and inflation to be applied to rates in fiscal year 2011; and

(F) the remaining amount, if any, shall be expended first to increase the direct health care costs center limitation up to 150% of the case mix adjusted median, and then, if there are remaining amounts, for other quality care enhancement of skilled nursing care facilities as approved by the quality care improvement panel but shall not be used directly or indirectly to replace existing state expenditures for payments to skilled nursing care facilities for providing services pursuant to the state medicaid program.

(5) Any moneys received by a skilled nursing care facility from the quality care fund shall not be expended by any skilled nursing care facility to provide for bonuses or profit-sharing for any officer, employee or parent corporation but may be used to pay to employees who are providing direct care to a resident of such facility.

(6) Adjustment payments may be paid quarterly or within the daily medicaid rate to reimburse covered medicaid expenditures in the aggregate within the upper payment limits.

(7) On or before the 10<sup>th</sup> day of each month, the director of accounts and reports shall transfer from the state general fund to the quality care fund interest earnings based on:

(A) The average daily balance of moneys in the quality care fund for the preceding month; and

(B) the net earnings rate of the pooled money investment portfolio for the preceding month.

(e) If a skilled nursing care facility fails to pay the full amount of the quality care assessment imposed pursuant to subsection (b), when due and payable, including any extensions of time granted under that subsection, the secretary of health and environment shall assess a penalty in the amount of the lesser of \$500 per day or 2% of the quality care assessment owed for each day the assessment is delinquent. The

secretary of health and environment is authorized to establish delayed payment schedules for skilled nursing care facilities that are unable to make installment payments when due under this section because of financial difficulties, as determined by the secretary of health and environment.

(f) (1) The secretary of health and environment shall assess and collect quality care assessments imposed pursuant to subsection (b), including any penalty assessments imposed thereon pursuant to subsection (e), from skilled nursing care facilities on and after July 1, 2010, except that no assessments or penalties shall be assessed under subsections (a) through (h) until:

(A) An amendment to the state plan for medicaid, ~~which that~~ increases the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program and ~~which that~~ is proposed for approval for purposes of subsections (a) through (h) is approved by the federal government, in which case the initial assessment is due ~~no not~~ earlier than 60 days after state plan approval; and

(B) the skilled nursing care facilities have been compensated retroactively within 60 days after state plan approval at the increased rate for services provided pursuant to the federal medicaid program for the period commencing on and after July 1, 2010.

(2) The secretary of health and environment shall implement and administer the provisions of subsections (a) through (h) in a manner consistent with applicable federal medicaid laws and regulations. The secretary of health and environment shall seek any necessary approvals by the federal government that are required for the implementation of subsections (a) through (h).

(3) The provisions of subsections (a) through (h) shall be null and void and shall have no force and effect if one of the following occur:

(A) The medicaid plan amendment, ~~which that~~ increases the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program and ~~which that~~ is proposed for approval for purposes of subsections (a) through (h) is not approved by the ~~federal~~ United States centers for medicare and medicaid services;

(B) the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program are reduced below the rates calculated on December 31, 2009, increased by revenues in the quality care fund and matched by federal financial participation and rebasing as provided for in K.S.A. 75-5958, and amendments thereto;

(C) any funds are utilized to supplant funding for skilled nursing care facilities as required by subsection (g);

(D) any funds are diverted from those purposes set forth in subsection (d)(4); or

(E) upon the governor signing, or allowing to become law without signature, legislation ~~which that~~, by proviso or otherwise, directs any funds from those purposes set forth in subsection (d)(4) or ~~which that~~ would propose to suspend the operation of this section.

(g) On and after July 1, 2010, reimbursement rates for skilled nursing care facilities shall be restored to those in effect during December 2009. No funds generated by the assessments or federal funds generated therefrom shall be utilized for such restoration, but such funds may be used to restore the rate reduction in effect from January 1, 2010, to June 30, 2010.

(h) Rates of reimbursement shall not be limited by private pay charges.

(i) If the provisions of subsections (a) through (h) are repealed, expire or become null and void and have no further force and effect, all moneys in the quality care fund ~~which that~~ were paid under the provisions of subsections (a) through (h) shall be returned to the skilled nursing care facilities ~~which that~~ paid such moneys on the basis on which such payments were assessed and paid pursuant to subsections (a) through (h).

(j) The department of health and environment may adopt rules and regulations necessary to implement the provisions of this section.

(k) For purposes of administering and selecting the reimbursements of moneys in the quality care assessment fund, the quality care improvement panel is hereby established. The panel shall consist of the following members: Two persons appointed by leadingage Kansas; two persons appointed by the Kansas health care association; one person appointed by Kansas advocates for better care; one person appointed by the Kansas hospital association; one person appointed by the governor who is a member of the Kansas adult care executives association; one person appointed by the governor who is a skilled nursing care facility resident or the family member of such a resident; one person appointed by the Kansas foundation for medical care; one person appointed by the governor from the department for aging and disability services; one person appointed by the governor from the department of health and environment; one person appointed by the president of the senate who is affiliated with an organization representing and advocating the interests of retired persons in Kansas; and one person appointed by the speaker of the house of representatives who is a volunteer with the office of the state long-term care ombudsman established by the long-term care ombudsman act. ## LETTER OF RESIGNATION

To: The Honorable Scott Schwab, Secretary of State  
15 May, 2020

Effective May 15, 2020, I, David L. Benson, hereby resign my position as Representative of the 48<sup>th</sup> District of the Kansas House of Representatives.

David L. Benson

The House is temporarily organized with 124 members.

The roll was called with 121 members present.

Reps. Kuether, Mastroni and Moore were excused on excused absence by the Speaker.

Excused later: Reps. Bishop, Finney, Frownfelter, Horn, Murnan, Neighbor, Phillips, L. Ruiz.

Prayer by Chaplain Brubaker,

Almighty Loving & Creator God, thank you for this day and bringing us together, albeit a different type of togetherness.

Wowzers, Lord – how things have changed since we all met together as a whole. What unprecedented and uncharted waters our leaders – well, all of us – have been wading through. We are reminded of the finiteness of our wisdom and the all-surpassing omniscience of You in this whole situation.

As our leaders meet today for the last day of this session, at least that's what we plan, to address the social, economic and financial issues of this pandemic, I pray that their decisions will be not be based upon fear, but upon boldness; not with control and manipulation but with openness and willingness; not with deception but with integrity and transparency; not with selfish ambition, but by being selfless. Most of all, may their decisions be based upon Your wisdom, not upon theirs.

And may we all be encouraged by your promise in Joshua 1:9: "...Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go."

This I pray in Christ's Name, Amen.

The Pledge of Allegiance was led by Rep. Croft.

(c) The secretary of state shall not issue a certificate of good standing with respect to a limited liability company, or any series thereof, if its articles of organization are canceled.

Sec. 22. On and after July 1, 2022, K.S.A. 2019 Supp. 17-7679 is hereby amended to read as follows: 17-7679. The fact that articles of organization, or amendments thereto, are on file with the secretary of state is notice that the entity formed in connection with the filing of the articles of organization is a limited liability company formed under the laws of the state of Kansas and is notice of all other facts set forth therein which are required to be set forth in articles of organization by K.S.A. 17-7673(a)(1), (a)(2), (a)(4) and (a)(5), and amendments thereto, and K.S.A. 2019 Supp. 17-76,149, and amendments thereto. The fact that a certificate of designation is on file in the office of the secretary of state is notice that the series named in such certificate of designation has been formed pursuant to K.S.A. 2019 Supp. 17-76,143, and amendments thereto, and is notice of all other facts set forth therein that are required to be set forth in a certificate of designation by K.S.A. 2019 Supp. 17-76,143(d), and amendments thereto.

Sec. 23. On and after July 1, 2022, K.S.A. 2019 Supp. 17-7680 is hereby amended to read as follows: 17-7680. (a) Restated articles of organization.

(1) A limited liability company may, whenever desired, integrate into a single instrument all of the provisions of its articles of organization which are then in effect and operative as a result of there having previously been filed with the secretary of state one or more certificates or other instruments pursuant to K.S.A. 17-7673 through 17-7683, and amendments thereto, the business entity standard treatment act, K.S.A. 2019 Supp. 17-7901 et seq., and amendments thereto, and K.S.A. 2019 Supp. 17-7685a and 17-76,143a, and amendments thereto, and it may at the same time also further amend its articles of organization by adopting restated articles of organization.

~~(b)~~(2) If restated articles of organization merely restate and integrate but do not further amend the initial articles of organization, as previously amended or supplemented by any certificate or instrument that was executed and filed pursuant to K.S.A. 17-7673 through 17-7683, and amendments thereto, and the business entity standard treatment act, K.S.A. 2019 Supp. 17-7901 et seq., and amendments thereto, they shall be specifically designated in their heading as "restated articles of organization" together with such other words as the limited liability company may deem appropriate and shall be executed by an authorized person and filed with the secretary of state as provided in K.S.A. 2019 Supp. 17-7910, and amendments thereto. If restated articles of organization restate and integrate and also further amend in any respect the

articles of organization, as previously amended or supplemented, they shall be specifically designated in their heading as "amended and restated articles of organization" together with such other words as the limited liability company may deem appropriate and shall be executed by at least one authorized person and filed as provided in K.S.A. 2019 Supp. 17-7910, and amendments thereto.

~~(e)~~(3) Restated articles of organization shall state, either in their heading or in an introductory paragraph, the limited liability company's present name; if it has been changed, the name under which it was originally filed; the date of filing of its original articles of organization with the secretary of state; and the future effective date, which shall be a date certain, of the restated articles of organization if they are not to be effective upon the filing of the restated articles of organization with the secretary of state. Restated articles of organization shall also state that they were duly executed and are being filed in accordance with this section. If restated articles of organization only restate and integrate and do not further amend a limited liability company's articles of organization as previously amended or supplemented and there is no discrepancy between those provisions and the restated articles of organization, they shall state that fact as well.

~~(4)~~(4) Upon the filing of restated articles of organization with the secretary of state, or upon the future effective date of restated articles of organization as provided for therein, the initial articles of organization, as previously amended or supplemented, shall be superseded. Thereafter the restated articles of organization, including any further amendment or changes made thereby, shall be the articles of organization of the limited liability company, but the original effective date of formation shall remain unchanged.

~~(e)~~(5) Any amendment or change effected in connection with the restatement and integration of the articles of organization shall be subject to any other provision of the Kansas revised limited liability company act, not inconsistent with this section, which would apply if a separate certificate of amendment were filed to effect such amendment or change.

(b) Restated certificate of designation.

(1) A series of a limited liability company may, whenever desired, integrate into a single instrument all of the provisions of its certificate of designation that are then in effect and operative as a result of there having previously been filed with the secretary of state one or more certificates or other instruments pursuant to K.S.A. 17-7673 through 17-7681, and amendments thereto, K.S.A. 2019 Supp. 17-7685a, 17-76.143a and the business entity standard treatment act, K.S.A. 2019 Supp. 17-7901 et seq., and amendments thereto, and it may at the same time further amend its certificate of designation by adopting a restated certificate of designation.

(2) If a restated certificate of designation merely restates and integrates but does not further amend the initial certificate of designation, as previously amended or supplemented by any instrument that was executed and filed pursuant to K.S.A. 17-7673 through 17-7681, and amendments thereto, K.S.A. 2019 Supp. 17-7685a, 17-76.143a and the business entity standard treatment act, K.S.A. 2019 Supp. 17-7901 et seq., and amendments thereto, it shall be specifically designated in its heading as a "restated certificate of designation" together with such other words as the series may deem appropriate and shall be executed by an authorized person and filed as provided in K.S.A. 2019 Supp. 17-7910, and amendments thereto. If a restated certificate restates

and integrates and also further amends in any respect the certificate of designation as previously amended or supplemented, it shall be specifically designated in its heading as an "amended and restated certificate of designation" together with such other words as the series may deem appropriate and shall be executed by at least one authorized person and filed as provided in K.S.A. 2019 Supp. 17-7910, and amendments thereto.

(3) A restated certificate of designation shall state, either in its heading or in an introductory paragraph, the name of the limited liability company, the present name of the series, and, if the name of the series has been changed, the name under which it was originally filed, and the future effective date or time, which shall be a date or time certain, of the restated certificate of designation if it is not to be effective upon the filing of the restated certificate of designation. A restated certificate shall also state that it was duly executed and is being filed in accordance with this section. If a restated certificate only restates and integrates and does not further amend a certificate of designation, as previously amended or supplemented and there is no discrepancy between those provisions and the restated certificate, it shall state that fact as well.

(4) Upon the filing of a restated certificate of designation with the secretary of state, or upon the future effective date or time of a restated certificate of designation as provided for therein, the initial certificate of designation, as theretofore amended or supplemented, shall be superseded. Thereafter, the restated certificate of designation, including any further amendment or changes made thereby, shall be the certificate of designation of such series, but the original effective date of formation of the series, as applicable, shall remain unchanged.

(5) Any amendment or change effected in connection with the restatement and integration of a certificate of designation shall be subject to any other provision of the Kansas revised limited liability company act, not inconsistent with this section, that would apply if a separate certificate of amendment were filed to effect such amendment or change."

At the time of filing the report, the limited liability company shall pay to the secretary of state an annual report fee in an amount equal to \$40.

Sec. 27. On and after July 1, 2022, K.S.A. 2019 Supp. 17-76,143 is hereby amended to read as follows: 17-76,143. (a) An operating agreement may establish or provide for the establishment of one or more designated series of members, managers ~~or~~ limited liability company interests ~~having~~ or assets. ~~If an operating agreement so provides for the establishment or formation of one or more series, then a series may be formed by complying with this section. Any such series may have separate rights, powers or duties with respect to specified property or obligations of the limited liability company or profits and losses associated with specified property or obligations, and to the extent provided in the operating agreement, any such series may have a separate business purpose or investment objective. A series is formed by the filing of a certificate of designation in the office of the secretary of state. Other than pursuant to K.S.A. 2019 Supp. 17-76,143a, and amendments thereto, a series may not merge, convert, or consolidate pursuant to any section of the Kansas revised limited liability company act,~~

the business entity transactions act, K.S.A. 2019 Supp. 17-78-101 et seq., and amendments thereto, or any other statute of this state.

(b) Notice of the limitation on liabilities of a series as referenced in subsection (c) shall be set forth in the articles of organization of the limited liability company. Notice in articles of organization of the limitation on liabilities of a series as referenced in subsection (c) shall be sufficient for all purposes of this subsection whether or not the limited liability company has formed any series when such notice is included in the articles of organization, and there shall be no requirement that any specific series of the limited liability company be referenced in such notice. The fact that articles of organization that contain the foregoing notice of the limitation on liabilities of a series is on file in the office of the secretary of state shall constitute notice of such limitation on liabilities of a series.

~~(b)(c)~~ Notwithstanding anything to the contrary set forth in ~~this section~~ the Kansas revised limited liability act or under other applicable law, in the event that an operating agreement establishes or provides for the establishment of one or more series, and if to the extent the records maintained for any ~~such~~ series account for the assets associated with such series separately from the other assets of the limited liability company, or any other series thereof, and if the operating agreement so provides, and if notice of the limitation on liabilities of a series as referenced in this subsection is set forth in the articles of organization of the limited liability company and if the limited liability company has filed a certificate of designation for each series which is to have limited liability under this section, then the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to ~~a particular such~~ series shall be enforceable against the assets of such series only, and not against the assets of the limited liability company generally or any other series thereof, and, unless otherwise provided in the operating agreement, none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the limited liability company generally or any other series thereof shall be enforceable against the assets of such series. ~~The fact that the articles of organization contain the foregoing notice of the limitation on liabilities of a series and a certificate of designation for a series is on file in the office of the secretary of state shall constitute notice of such limitation on liabilities of a series. A series with limited liability shall be treated as a separate entity to the extent set forth in the articles of organization. Each series with limited liability may, in its own name, contract, hold title to assets, grant security interests, sue and be sued and otherwise conduct business and exercise the powers of a limited liability company under this act. The limited liability company and any of its series may elect to consolidate their operations as a single taxpayer to the extent permitted under applicable law, elect to work cooperatively, elect to contract jointly or elect to be treated as a single business for purposes of qualification to do business in this or any other state. Such elections shall not affect the limitation of liability set forth in this section except to the extent that the series have specifically accepted joint liability by contract.~~

~~(c)~~ Except in the case of a foreign limited liability company that has adopted an assumed name pursuant to K.S.A. 2019 Supp. 17-7933, and amendments thereto, the name of the series with limited liability must contain the entire name of the limited liability company and be distinguishable from the names of the other series set forth in the articles of organization. ~~In the case of a foreign limited liability company that has~~

~~adopted an assumed name pursuant to K.S.A. 2019 Supp. 17-7933, and amendments thereto, the name of the series with limited liability must contain the entire name under which the foreign limited liability company has been admitted to transact business in this state.~~

~~(d) Upon the filing of the certificate of designation with the secretary of state setting forth the name of each series with limited liability, the series' existence shall begin, and copies of the filed certificate of designation marked with the filing date shall be conclusive evidence, except as against the state, that all conditions precedent required to be performed have been complied with and that the series has been or shall be legally organized and formed under this act. If different from the limited liability company, the certificate of designation for each series shall list the names of the members if the series is member managed or the names of the managers if the series is manager managed. The name of a series with limited liability under subsection (b) may be changed by filing with the secretary of state a certificate of designation identifying the series whose name is being changed and the new name of such series. If not the same as the limited liability company, the names of the members of a member managed series or of the managers of a manager managed series may be changed by filing a new certificate of designation with the secretary of state. A series with limited liability under subsection (b) may be dissolved by filing with the secretary of state a certificate of designation identifying the series being dissolved or by the dissolution of the limited liability company as provided in subsection (m). Certificates of designation may be executed by the limited liability company or any manager, person or entity designated in the operating agreement for the limited liability company.~~

~~(e) A series of a limited liability company will be deemed to be in good standing as long as the limited liability company is in good standing.~~

~~(f) The resident agent and registered office for the limited liability company in Kansas shall serve as the agent and office for service of process in Kansas for each series.~~

~~(g) An operating agreement may provide for classes or groups of members or managers associated with a series having such relative rights, powers and duties as the operating agreement may provide, and may make provision for the future creation of additional classes or groups of members or managers associated with the series having such relative rights, powers and duties as may from time to time be established, including rights, powers and duties senior to existing classes and groups of members or managers associated with the series.~~

~~(h) A series may be managed by either the member or members associated with the series or by a manager or managers chosen by the members of such series, as provided in the operating agreement. Unless otherwise provided in an operating agreement, the management of a series shall be vested in the members associated with such series.~~

~~(i) An operating agreement may grant to all or certain identified members or managers or a specified class or group of the members or managers associated with a series the right to vote separately or with all or any class or group of the members or managers associated with the series, on any matter. An operating agreement may provide that any member or class or group of members associated with a series shall have no voting rights.~~

~~(j) Except to the extent modified in this section, the provisions of this act which are generally applicable to limited liability companies, their managers, members and~~

transferees shall be applicable to each particular series with respect to the operation of such series.

(k) Except as otherwise provided in an operating agreement, any event under this act or in an operating agreement that causes a manager to cease to be a manager with respect to a series shall not, in itself, cause such manager to cease to be a manager of the limited liability company or with respect to any other series thereof.

(l) Except as otherwise provided in an operating agreement, any event under this act or an operating agreement that causes a member to cease to be associated with a series shall not, in itself, cause such member to cease to be associated with any other series or terminate the continued membership of a member in the limited liability company or cause the termination of the series, regardless of whether such member was the last remaining member associated with such series.

(m) Except to the extent otherwise provided in the operating agreement, a series may be dissolved and its affairs wound up without causing the dissolution of the limited liability company. The dissolution of a series established in accordance with subsection (b) shall not affect the limitation on liabilities of such series provided by subsection (b). A series is terminated and its affairs shall be wound up upon the dissolution of the limited liability company under article 76 of chapter 17 of the Kansas Statutes Annotated, and amendments thereto.

(n) If a limited liability company with the ability to establish a series does not register to do business in a foreign jurisdiction for itself and certain of its series, a series of a limited liability company may itself register to do business as a limited liability company in the foreign jurisdiction in accordance with the laws of the foreign jurisdiction. Neither the preceding sentences nor any provision pursuant thereto in an operating agreement, articles of organization or certificate of designation shall: Restrict a series or limited liability company on behalf of a series from agreeing in the operating agreement or otherwise that any or all of the debts, liabilities, obligations, and expenses incurred, contracted for, or otherwise existing with respect to the limited liability company generally or any other series thereof shall be enforceable against the assets of such series; or restrict a limited liability company from agreeing in the operating agreement or otherwise that any or all of the debts, liabilities, obligations, and expenses incurred, contracted for, or otherwise existing with respect to a series shall be enforceable against the assets of the limited liability company generally. Assets associated with a series may be held directly or indirectly, including in the name of such series, in the name of the limited liability company, through a nominee or otherwise. Records maintained for a series that reasonably identify its assets, including by specific listing, category, type, quantity, computational, or allocational formula or procedure, including a percentage or share of any asset or assets, or by any other method where the identity of such assets is objectively determinable, will be deemed to account for the assets associated with such series separately from the other assets of the limited liability company, or any other series thereof. As used in the Kansas revised limited liability company act, a reference to assets of a series includes assets associated with such series, a reference to assets associated with a series includes assets of such series, a reference to members or managers of a series includes members or managers associated with such series, and a reference to members or managers associated with a series includes members or managers of such series. The following shall apply to a series:

(1) A series may carry on any lawful business, purpose or activity, whether or not

for profit, with the exception of the business of granting policies of insurance, assuming insurance risks, or banking as defined in K.S.A. 2019 Supp. 9-701, and amendments thereto. Unless otherwise provided in an operating agreement, a series shall have the power and capacity to, in its own name, contract, hold title to assets, including real, personal, and intangible property, grant liens and security interests, and sue and be sued.

(2) Except as otherwise provided by the Kansas revised limited liability company act, no member or manager of a series shall be obligated personally for any debt, obligation or liability of such series, whether arising in contract, tort or otherwise, solely by reason of being a member or acting as manager of such series. Notwithstanding the preceding sentence, under an operating agreement or under another agreement, a member or manager may agree to be obligated personally for any or all of the debts, obligations and liabilities of one or more series.

(3) An operating agreement may provide for classes or groups of members or managers associated with a series having such relative rights, powers and duties as the operating agreement may provide, and may make provision for the future creation in the manner provided in the operating agreement of additional classes or groups of members or managers associated with such series having such relative rights, powers and duties as may from time to time be established, including rights, powers and duties senior to existing classes and groups of members or managers associated with such series. An operating agreement may provide for the taking of an action, including the amendment of the operating agreement, without the vote, consent or approval of any member or manager or class or group of members or managers, including an action to create under the provisions of the operating agreement a class or group of a series of limited liability company interests that was not previously outstanding. An operating agreement may provide that any member or class or group of members associated with a series shall have no voting rights.

(4) An operating agreement may grant to all or certain identified members or managers or a specified class or group of the members or managers associated with a series the right to vote separately or with all or any class or group of the members or managers associated with such series, on any matter. Voting by members or managers associated with a series may be on a per capita, number, financial interest, class, group or any other basis.

(5) Unless otherwise provided in an operating agreement, the management of a series shall be vested in the members associated with such series in proportion to the then-current percentage or other interest of members in the profits of such series owned by all of the members associated with such series, the decision of members owning more than 50% of such percentage or other interest in the profits controlling, except that if an operating agreement provides for the management of a series, in whole or in part, by a manager, the management of such series, to the extent so provided, shall be vested in the manager who shall be chosen in the manner provided in the operating agreement. The manager of a series shall also hold the offices and have the responsibilities accorded to the manager as set forth in an operating agreement. A series may have more than one manager. Subject to K.S.A. 17-76,105, and amendments thereto, a manager shall cease to be a manager with respect to a series as provided in an operating agreement. Except as otherwise provided in an operating agreement, any event under the Kansas revised limited liability company act or in an operating agreement that causes a manager to cease to be a manager with respect to a series shall not, in itself,

cause such manager to cease to be a manager of the limited liability company or with respect to any other series thereof.

(6) Notwithstanding K.S.A. 17-76,109, and amendments thereto, but subject to subsections (c)(7) and (c)(10), and unless otherwise provided in an operating agreement, at the time a member of a series becomes entitled to receive a distribution with respect to such series, the member has the status of, and is entitled to all remedies available to, a creditor of such series, with respect to the distribution. An operating agreement may provide for the establishment of a record date with respect to allocations and distributions with respect to a series.

(7) Notwithstanding K.S.A. 17-76,110(a), and amendments thereto, a limited liability company may make a distribution with respect to a series. A limited liability company shall not make a distribution with respect to a series to a member to the extent that at the time of the distribution, after giving effect to the distribution, all liabilities of such series, other than liabilities to members on account of their limited liability company interests with respect to such series and liabilities for which the recourse of creditors is limited to specified property of such series, exceed the fair value of the assets associated with such series, except that the fair value of property of such series that is subject to a liability for which the recourse of creditors is limited shall be included in the assets associated with such series only to the extent that the fair value of that property exceeds that liability. For purposes of the immediately preceding sentence, the term "distribution" shall not include amounts constituting reasonable compensation for present or past services or reasonable payments made in the ordinary course of business pursuant to a bona fide retirement plan or other benefits program. A member who receives a distribution in violation of this subsection, and who knew at the time of the distribution that the distribution violated this subsection, shall be liable to the series for the amount of the distribution. A member who receives a distribution in violation of this subsection, and who did not know at the time of the distribution that the distribution violated this subsection, shall not be liable for the amount of the distribution. Subject to K.S.A. 17-76,110(c), and amendments thereto, which shall apply to any distribution made with respect to a series under this subsection, this subsection shall not affect any obligation or liability of a member under an agreement or other applicable law for the amount of a distribution.

(8) Unless otherwise provided in the operating agreement, a member shall cease to be associated with a series and to have the power to exercise any rights or powers of a member with respect to such series upon the assignment of all of the member's limited liability company interest with respect to such series. Except as otherwise provided in an operating agreement, any event under the Kansas revised limited liability company act or an operating agreement that causes a member to cease to be associated with a series shall not, in itself, cause such member to cease to be associated with any other series or terminate the continued membership of a member in the limited liability company or cause the dissolution of the series, regardless of whether such member was the last remaining member associated with such series.

(9) Subject to K.S.A. 17-76,116, and amendments thereto, except to the extent otherwise provided in the operating agreement, a series may be dissolved and its affairs wound up without causing the dissolution of the limited liability company. The dissolution of a series shall not affect the limitation on liabilities of such series provided by this subsection (c). A series is dissolved and its affairs shall be wound up upon the

dissolution of the limited liability company under K.S.A. 17-76,116, and amendments thereto, or otherwise upon the first to occur of the following:

- (A) At the time specified in the operating agreement;
- (B) upon the happening of events specified in the operating agreement;
- (C) unless otherwise provided in the operating agreement, upon the vote, consent or approval of members associated with such series who own  $\frac{2}{3}$  or more of the then-current percentage or other interest in the profits of such series of the limited liability company owned by all of the members associated with such series; or
- (D) the dissolution of such series under subsection (c)(11).

(10) Notwithstanding K.S.A. 17-76,118(a), and amendments thereto, unless otherwise provided in the operating agreement, a manager associated with a series who has not wrongfully dissolved such series or, if none, the members associated with such series or a person consented to or approved by the members associated with such series, in either case, by members who own more than 50% of the then-current percentage or other interest in the profits of such series owned by all of the members associated with such series, may wind up the affairs of such series, but the district court, upon cause shown, may wind up the affairs of a series upon application of any member or manager associated with such series, or the member's personal representative or assignee, and in connection therewith, may appoint a liquidating trustee. The persons winding up the affairs of a series may, in the name of the limited liability company and for and on behalf of the limited liability company and such series, take all actions with respect to such series as are permitted under K.S.A. 17-76,118(b), and amendments thereto. The persons winding up the affairs of a series shall provide for the claims and obligations of such series and distribute the assets of such series as provided in K.S.A. 17-76,119, and amendments thereto, which section shall apply to the winding up and distribution of assets of a series. Actions taken in accordance with this subsection shall not affect the liability of members and shall not impose liability on a liquidating trustee.

(11) On application by or for a member or manager associated with a series, the district court may decree dissolution of such series whenever it is not reasonably practicable to carry on the business of such series in conformity with an operating agreement.

(12) For all purposes of the laws of the state of Kansas, a series is an association, regardless of the number of members or managers, if any, of such series.

(d) In order to form a series of a limited liability company, a certificate of designation must be filed in accordance with this subsection.

- (1) (A) A certificate of designation shall set forth:
  - (i) The name of the limited liability company; and
  - (ii) the name of the series.
- (B) A certificate of designation may include any other matter that the members of such series determine to include therein.
- (C) A certificate of designation properly filed with the secretary of state prior to July 1, 2022, shall be deemed to comply with the requirements of this paragraph.
- (2) A certificate of designation shall be executed in accordance with K.S.A. 2019 Supp. 17-7908(b), and amendments thereto, and shall be filed in the office of the secretary of state in accordance with K.S.A. 2019 Supp. 17-7910, and amendments thereto. A certificate of designation is not an amendment to the articles of organization of the limited liability company.

(3) A certificate of designation may be amended by filing a certificate of amendment thereto in the office of the secretary of state.

(A) The certificate of amendment shall set forth:

(i) The name of the limited liability company;

(ii) the name of the series; and

(iii) the amendment to the certificate of designation.

(B) A certificate of designation properly filed with the secretary of state prior to July 1, 2022, that changed a previously filed certificate of designation shall be deemed to be a certificate of amendment thereto for purposes of this paragraph.

(4) A manager of a series or, if there is no manager, then any member of a series who becomes aware that any statement in a certificate of designation filed with respect to such series was false when made, or that any matter described therein has changed making the certificate of designation false in any material respect, shall promptly amend the certificate of designation.

(5) A certificate of designation may be amended at any time for any other proper purpose.

(6) Unless otherwise provided in the Kansas revised limited liability company act or unless a later effective date or time, which shall be a date or time certain, is provided for in the certificate of amendment, a certificate of amendment shall be effective at the time of its filing with the secretary of state.

(7) A certificate of designation shall be canceled upon the cancellation of the articles of organization of the limited liability company named in the certificate of designation, or upon the filing of a certificate of cancellation of the certificate of designation, or upon the future effective date or time of a certificate of cancellation of the certificate of designation, or as provided in K.S.A. 17-76,139(d), and amendments thereto, or upon the filing of a certificate of merger or consolidation if the series is not the surviving or resulting series in a merger or consolidation or upon the future effective date or time of a certificate of merger or consolidation if the series is not the surviving or resulting series in a merger or consolidation. A certificate of cancellation of the certificate of designation may be filed at any time, and shall be filed, in the office of the secretary of state to accomplish the cancellation of a certificate of designation upon the dissolution of a series for which a certificate of designation was filed and completion of the winding up of such series.

(A) A certificate of cancellation of the certificate of designation shall set forth:

(i) The name of the limited liability company;

(ii) the name of the series;

(iii) the future effective date or time, which shall be a date or time certain, of cancellation if it is not to be effective upon the filing of the certificate of cancellation; and

(iv) any other information the person filing the certificate of cancellation of the certificate of designation determines.

(B) A certificate of designation properly filed with the secretary of state prior to July 1, 2022, that dissolved a series shall be deemed to be a certificate of cancellation thereto for purposes of this paragraph.

(8) A certificate of cancellation of the certificate of designation that is filed in the office of the secretary of state prior to the dissolution or the completion of winding up of a series may be corrected as an erroneously executed certificate of cancellation of the

certificate of designation by filing with the office of the secretary of state a certificate of correction of such certificate of cancellation of the certificate of designation in accordance with K.S.A. 2019 Supp. 17-7912, and amendments thereto.

(9) The secretary of state shall not issue a certificate of good standing with respect to a series if the certificate of designation is canceled or the limited liability company has ceased to be in good standing.

(e) The name of each series as set forth in its certificate of designation:

(1) Shall include the name of the limited liability company, including any word, abbreviation or designation required by K.S.A. 2019 Supp. 17-7920, and amendments thereto;

(2) may contain the name of a member or manager;

"Sec. 44. K.S.A. 2019 Supp. 45-229 is hereby amended to read as follows: 45-229.

(a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

- (1) The public record is of a sensitive or personal nature concerning individuals;
- (2) the public record is necessary for the effective and efficient administration of a governmental program; or
- (3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such

access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year that meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
- (2) applies solely to the legislature or to the state court system;
- (3) has been reviewed and continued in existence twice by the legislature; or
- (4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

- (A) What specific records are affected by the exception;
  - (B) whom does the exception uniquely affect, as opposed to the general public;
  - (C) what is the identifiable public purpose or goal of the exception;
  - (D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;
- (2) an exception may be created or maintained only if it serves an identifiable

public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program that would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of such information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information that is used to protect or further a business advantage over those who do not know or use it, if the disclosure of such information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) would occur if the records were made public.

(i) (1) Exceptions contained in the following statutes as continued in existence in section 2 of chapter 126 of the 2005 Session Laws of Kansas and that have been reviewed and continued in existence twice by the legislature as provided in subsection (g) are hereby continued in existence: 1-401, 2-1202, 5-512, 9-1137, 9-1712, 9-2217, 10-630, 11-306, 12-189, 12-1,108, 12-1694, 12-1698, 12-2819, 12-4516, 16-715, 16a-2-304, 17-1312e, 17-2227, 17-5832, 17-7511, ~~17-7514~~, 17-76,139, 19-4321, 21-2511, 22-3711, 22-4707, 22-4909, 22a-243, 22a-244, 23-605, 23-9,312, 25-4161, 25-4165, 31-405, 34-251, 38-2212, 39-709b, 39-719e, 39-934, 39-1434, 39-1704, 40-222, 40-2,156, 40-2c20, 40-2c21, 40-2d20, 40-2d21, 40-409, 40-956, 40-1128, 40-2807, 40-3012, 40-3304, 40-3308, 40-3403b, 40-3421, 40-3613, 40-3805, 40-4205, 44-510j, 44-550b, 44-594, 44-635, 44-714, 44-817, 44-1005, 44-1019, 45-221(a)(1) through (43), 46-256, 46-259, 46-2201, 47-839, 47-844, 47-849, 47-1709, 48-1614, 49-406, 49-427, 55-1,102, 58-4114, 59-2135, 59-2802, 59-2979, 59-29b79, 60-3333, 60-3336, 65-102b, 65-118, 65-119, 65-153f, 65-170g, 65-177, 65-1,106, 65-1,113, 65-1,116, 65-1,157a, 65-1,163, 65-1,165, 65-1,168, 65-1,169, 65-1,171, 65-1,172, 65-436, 65-445, 65-507, 65-525, 65-531, 65-657, 65-1135, 65-1467, 65-1627, 65-1831, 65-2422d, 65-2438, 65-2836, 65-2839a, 65-2898a, 65-3015, 65-3447, 65-34,108, 65-34,126, 65-4019, 65-4922, 65-4925, 65-5602, 65-5603, 65-6002, 65-6003, 65-6004, 65-6010, 65-67a05, 65-6803, 65-6804, 66-101c, 66-117, 66-151, 66-1,190, 66-1,203, 66-1220a, 66-2010, 72-996, 72-4311, 72-4452, 72-5214, 72-53,106, 72-5427, 72-8903, 73-1228, 74-2424, 74-2433f, 74-4905, 74-4909, 74-50,131, 74-5515, 74-7308, 74-7338, 74-8104, 74-8307, 74-8705, 74-8804, 74-9805, 75-104, 75-712, 75-7b15, 75-1267, 75-2943, 75-4332, 75-4362, 75-5133, 75-5266, 75-5665, 75-5666, 75-7310, 76-355, 76-359, 76-493, 76-12b11, 76-3305, 79-1119, 79-1437f, 79-3234, 79-3395, 79-3420, 79-3499, 79-34,113, 79-3614, 79-3657, 79-4301 and 79-5206.

#### EXPLANATION OF VOTE

MR. SPEAKER: I vote “no” on **HB 2034**. By delaying legislative business, we imperiled the constitutionality of today’s bills. I have sworn to uphold the Kansas Constitution.

Article 2, Section 8 states that this “regular session” “shall not exceed ninety calendar days.” Now past 12:00 A.M. on May 22, 2020, we’re beyond that.

That time frame can be extended only “by an affirmative vote of two-thirds of the members elected to each house.” Art. 2, Sec. 8.

That never occurred. Perhaps **SCR 1615** attempted it. But it lacks an *affirmative* two-thirds vote by the Senate. *See* Bill History.

Today’s bills subject Kansans to expensive lawsuits. I vote NO. – MARK SAMSEL

On motion of Rep. Kelly, the House concurred in Senate amendments to **S Sub for HB 2619**, AN ACT concerning financial institutions; enacting the Kansas economic recovery loan deposit program; relating to credit unions, field of membership; banks, trust companies and savings and loan institutions, privilege tax, deduction of net interest received from certain agricultural real estate loans and single family residence loans; amending K.S.A. 75-4237 and 79-1109 and K.S.A. 2019 Supp. 17-2205 and repealing the existing sections.

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 7 through 36;

By striking all on pages 2 through 4;

On page 5, by striking all in lines 1 through 28; following line 28, by inserting:

"New Section 1. The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the Kansas taxpayer protection act.

New Sec. 2. As used in this act:

(a) (1) "Paid tax return preparer" means any person who prepares or substantially prepares for compensation, or who employs one or more persons who prepare or substantially prepare for compensation, any income tax return or claim for refund, required to be filed pursuant to K.S.A. 79-3201 et seq., and amendments thereto.

(2) "Paid tax return preparer" does not include the following:

(A) An individual licensed as a certified public accountant in this state under K.S.A. 1-302b or 1-322, and amendments thereto;

(B) an individual licensed as a certified public accountant in another licensing jurisdiction and practicing in this state under K.S.A. 1-302b or 1-322, and amendments thereto; or

(C) an individual employed by a firm licensed in this state under K.S.A. 1-308, and amendments thereto, and preparing a return under the supervision of an individual described in subparagraph (A) or (B).

(b) "Secretary" means secretary of the Kansas department of revenue.

New Sec. 3. (a) On and after January 1, 2021, any income tax return or claim for refund prepared or substantially prepared by a paid tax return preparer shall be signed by the paid tax return preparer and shall bear the paid tax return preparer's federal internal revenue service preparer tax identification number. Any paid tax return preparer who fails to sign the income tax return or claim for refund or who fails to provide the preparer's federal internal revenue service preparer tax identification number shall pay a civil penalty of \$50 for each such failure to the Kansas department of revenue, unless it can be shown that the failure was due to reasonable cause and not willful or reckless conduct. The penalty imposed on any paid tax return preparer with respect to returns or claims for refund filed during any calendar year shall not exceed \$25,000 per paid tax return preparer.

(b) The penalty shall be imposed pursuant to this section upon the written order of the secretary or the secretary's designee to the paid tax return preparer who committed the violation. Such order shall state the violation, the penalty to be imposed and the right of the paid tax return preparer to appeal the order. Such order shall be subject to appeal and review in the manner provided by the Kansas administrative procedure act.

(c) Any penalty collected pursuant to this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund.

New Sec. 4. (a) The secretary or the secretary's designee is hereby authorized to enjoin any person from engaging in conduct described in subsection (b) or from further action as a paid tax return preparer under the provisions of the Kansas taxpayer protection act who is found to be in violation of this act. The secretary or the secretary's designee shall be entitled in any proceeding brought for such purpose to have an order restraining such person from engaging in conduct in violation of the provisions of this act. No bond shall be required for any such restraining order or for any temporary or permanent injunction issued in such proceedings. The secretary may commence suit in a court of competent jurisdiction to enjoin any paid tax return preparer from further engaging in any conduct described in subsection (b) or from further action as a paid tax return preparer in this state. The secretary may request the assistance of the attorney general or the attorney general's duly authorized designee to enforce provisions of this section.

(b) In an action pursuant to subsection (a), the court may enjoin the paid tax return preparer from further engaging in any conduct described in this subsection, if the court finds that injunctive relief is appropriate to prevent the occurrence of such conduct. The court may issue an injunction when the paid tax return preparer has engaged in any of the following conduct:

(1) Prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to an unreasonable position. As used in this subsection, "unreasonable position" means the same as defined by section 6694(a)(2) of the federal internal revenue code;

(2) prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to the paid tax return preparer's willful or reckless conduct. As used in this subsection, "willful or reckless conduct" means the same as defined by section 6694(b)(2) of the federal internal revenue code;

(3) where required, failed to do any of the following:

(A) Furnish a copy of the income tax return or claim for refund;

(B) sign the income tax return or claim for refund;

(C) furnish an identifying number;

(D) retain a copy of the income tax return or claim for refund; or

(E) be diligent in determining eligibility for tax benefits;

(4) negotiated a check issued to the taxpayer by the department of revenue without the permission of the taxpayer;

(5) engaged in any conduct subject to any criminal penalty provided for in chapter 79 of the Kansas Statutes Annotated, and amendments thereto;

(6) misrepresented the paid tax return preparer's eligibility to practice before the department of revenue or otherwise misrepresented the paid tax return preparer's experience or education;

(7) guaranteed the payment of any income tax refund or the allowance of any income tax credit; or

(8) engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of the tax laws of the state of Kansas.

(c) If the court finds that a paid tax return preparer has continually or repeatedly engaged in any conduct described in subsection (b) and that an injunction prohibiting the conduct would not be sufficient to prevent the person's interference with the proper administration of the tax laws of the state of Kansas, the court may enjoin the person

from acting as a paid tax return preparer in the state of Kansas. The fact that the person has been enjoined from preparing tax returns or claims for refund for the United States or any other state in the five years preceding the petition for an injunction shall establish a prima facie case for an injunction to be issued pursuant to this section. For purposes of this subsection, "state" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands or any territory or insular possession subject to the jurisdiction of the United States.

(d) The secretary or the secretary's designee shall annually report a summary of the secretary's enjoinder actions on the department of revenue's website.

New Sec. 5. (a) Preparation or substantial preparation of any income tax return or claim for refund filed pursuant to K.S.A. 79-3201 et seq., and amendments thereto, by a paid tax return preparer, whether or not a resident or citizen of this state, thereby submits the preparer to the jurisdiction of the courts of this state as to any cause of action arising from the provisions of this act.

(b) Every action pursuant to this act shall be brought in the district court of Shawnee county.

(c) In lieu of initiating or continuing an action or proceeding, the secretary or the secretary's designee may accept a consent judgment with respect to any act or practice declared to be a violation of this act. A consent judgment shall provide for the discontinuance by the paid tax return preparer entering the same of any act or practice declared to be a violation of this act. Any consent judgment entered into pursuant to this section shall not be deemed to admit the violation, unless it does so by its terms. Before any consent judgment entered into pursuant to this section shall be effective, it shall be approved by the district court and an entry made in the manner required for making an entry of judgment. Once such approval is received, any breach of the conditions of such consent judgment shall be treated as a violation of a court order and shall be subject to all the penalties provided by law.

New Sec. 6. The secretary may adopt rules and regulations necessary to carry out the provisions of the Kansas taxpayer protection act.

Sec. 7. K.S.A. 79-1110 is hereby amended to read as follows: 79-1110. (a) Every national banking association, bank, trust company, and savings and loan association subject to taxation under this act shall make its return and pay the tax imposed to the director of taxation on or before the 15th day of the fourth month following the close of its federal taxable year, in the same manner, except for computing the net income subject to tax, as corporations are required to make their returns and pay their taxes under the Kansas income tax act. Every such national banking association, bank, trust company and savings and loan association shall be subject to other provisions of the Kansas income tax act applicable to other corporations and shall be subject to the penalties imposed on corporations by K.S.A. 79-3222, 79-3228 and 79-3234 insofar as the same can be made applicable.

(b) With respect to tax year 2019, the deadline for filing returns shall be extended to July 15, 2020, for returns with original due dates of April 15, 2020, through July 15, 2020. Sec. 8. K.S.A. 79-3221 is hereby amended to read as follows: 79-3221. (a) All returns required by this act shall be made as nearly as practical in the same form as the

corresponding form of income tax return by the United States. Unless another identifying number has been assigned to an individual by the internal revenue service for purposes of filing such individual's federal income tax return, the social security number issued to an individual, the individual's spouse, and all dependents of such individual for purposes of section 205 (c)(2)(A) of the social security act shall be used as the identifying number and included on the return when filing such return.

(b) All returns shall be filed in the office of the director of taxation on or before the 15<sup>th</sup> day of the fourth month following the close of the taxable year, except as provided in subsection (c) hereof. Tentative returns may be filed before the close of the taxable year and the estimated tax computed on such return, paid, but no interest will be paid on any overpayment of tax liability, computed on such tentative return.

(c) (1) The director of taxation may grant a reasonable extension of time for filing returns in accordance with rules and regulations of the secretary of revenue. Whenever any such extension of time to file is requested by a taxpayer and granted by the director with respect to any tax year commencing after December 31, 1992, no penalty authorized by K.S.A. 79-3228, and amendments thereto, shall be imposed if 90% of the liability is paid on or before the original due date.

(2) With respect to tax year 2019, the deadline for filing returns shall be extended to July 15, 2020, for returns with original due dates of April 15, 2020, through July 15, 2020. With respect to tax year 2019, no penalty or interest authorized pursuant to K.S.A. 79-3228, and amendments thereto, shall be imposed if such tax liability is paid on or before July 15, 2020.

(d) In the case of an individual serving in the armed forces of the United States, or serving in support of such armed forces, in an area designated by the president of the United States by executive order as a "combat zone" as defined under 26 U.S.C. § 112 at any time during the period designated by the president by executive order as the period of combatant activities in such zone for the purposes of such section, or hospitalized as a result of injury received or sickness incurred while serving in such an area during such time, the period of service in such area, plus the period of continuous qualified hospitalization attributable to such injury or sickness, and the next 180 days thereafter, shall be disregarded in determining, under article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, in respect to any tax liability, including any interest, penalty, additional amount, or addition to the tax, of such individual:

(1) Whether any of the following acts was performed within the time prescribed therefor: (A) Filing any return of income tax; (B) payment of any income tax or installment thereof; (C) filing a notice of appeal with the director of taxation or the state board of tax appeals for redetermination of a deficiency or for a review of a decision rendered by either the director or the state board of tax appeals; (D) allowance of a credit or refund of any income tax; (E) filing a claim for credit or refund of any income tax; (F) bringing suit upon any such claim for credit or refund; (G) assessment of any income tax; (H) giving or making any notice or demand for the payment of any income tax, or with respect to any liability to the state of Kansas in respect of any income tax; (I) collection, by the director of taxation or the director's agent, by warrant, levy or otherwise, of the amount of any liability in respect to any income tax; (J) bringing suit by the state of Kansas, or any officer on its behalf, in respect to any liability in respect of any income tax; and (K) any other act required or permitted under the Kansas income

tax act specified in rules and regulations adopted by the secretary of revenue under this section;

(2) the amount of any credit or refund.

(e) (1) Subsection (d) shall not apply for purposes of determining the amount of interest on any overpayment of tax.

(2) If an individual is entitled to the benefits of subsection (d) with respect to any return and such return is timely filed, determined after the application of ~~subsection (d), subsections (e)(5) and (e)(7) of K.S.A. 79-32,105~~ (d), (e)(5) and (e)(7), and amendments thereto, shall not apply.

(f) The provisions of subsections (d) through (j) shall apply to the spouse of any individual entitled to the benefits of subsection (d). Except in the case of the combat zone designated for purposes of the Vietnam conflict, this subsection shall not cause subsections (d) through (j) to apply for any spouse for any taxable year beginning more than two years after the date designated under 26 U.S.C. § 112, and amendments thereto, as the date of termination of combatant activities in a combat zone.

(g) The period of service in the area referred to in subsection (d) shall include the period during which an individual entitled to benefits under subsection (d) is in a missing status, within the meaning of 26 U.S.C. § 6013(f)(3).

(h) (1) Notwithstanding the provisions of subsection (d), any action or proceeding authorized by K.S.A. 79-3229, and amendments thereto, as well as any other action or proceeding authorized by law in connection therewith, may be taken, begun or prosecuted. In any other case in which the secretary determines that collection of the amount of any assessment would be jeopardized by delay, the provisions of subsection (d) shall not operate to stay collection of such amount by levy or otherwise as authorized by law. There shall be excluded from any amount assessed or collected pursuant to this subsection the amount of interest, penalty, additional amount, and addition to the tax, if any, in respect of the period disregarded under subsection (d). In any case to which this ~~subsections~~ subsection relates, if the secretary is required to give any notice to or make any demand upon any person, such requirement shall be deemed to be satisfied if the notice or demand is prepared and signed, in any case in which the address of such person last known to the secretary is in an area for which United States post offices under instructions of the postmaster general are not, by reason of the combatant activities, accepting mail for delivery at the time the notice or demand is signed. In such case the notice or demand shall be deemed to have been given or made upon the date it is signed.

(2) The assessment or collection of any tax under the provisions of article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or any action or proceeding by or on behalf of the state in connection therewith, may be made, taken, begun or prosecuted in accordance with law, without regard to the provisions of subsection (d), unless prior to such assessment, collection, action or proceeding it is ascertained that the person concerned is entitled to the benefits of subsection (d).

(i) (1) Any individual who performed Desert Shield services, and the spouse of such individual, shall be entitled to the benefits of subsections (d) through (j) in the same manner as if such services were services referred to in subsection (d).

(2) For purposes of this subsection, the term "Desert Shield services" means any services in the armed forces of the United States or in support of such armed forces if:

(A) Such services are performed in the area designated by the president as the

"Persian Gulf Desert Shield area"; and

(B) such services are performed during the period beginning on August 2, 1990, and ending on the date on which any portion of the area referred to in subsection (i)(2) (A) is designated by the president as a combat zone pursuant to 26 U.S.C. § 112.

(j) For purposes of subsection (d), the term "qualified hospitalization" means:

- (1) Any hospitalization outside the United States; and
- (2) any hospitalization inside the United States, except that not more than five years of hospitalization may be taken into account under this subsection. This subsection shall not apply for purposes of applying subsections (d) through (j) with respect to the spouse of an individual entitled to the benefits of subsection (d).

Sec. 9. K.S.A. 79-3225 is hereby amended to read as follows: 79-3225. (a) All taxes imposed under the provisions of the "Kansas income tax act" shall be paid on the 15<sup>th</sup> day of the fourth month following the close of the taxable year, except with respect to tax year 2019, such taxes shall be paid on or before July 15, 2020, if the return was due on or before July 15, 2020. When the tax as shown to be due on a return is less than \$5, such tax shall be canceled and no payment need be remitted by the taxpayer.

(b) The director of taxation may extend the time for payment of the tax, or any installment thereof, for a reasonable period of time not to exceed six months from the date fixed for payment thereof. Such extension may exceed six months in the case of a taxpayer who is abroad. Interest shall be charged at the rate prescribed by K.S.A. 79-2968(a) and amendments thereto for the period of such extension.

New Sec. 10. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) The governing body shall publish notice of its proposed intent to exceed the revenue neutral rate on the website of the governing body, if the governing body maintains a website, at least 10 days in advance of the public hearing. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 15, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. The county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. Costs associated with the notice shall be borne by the taxing subdivision with payment due to the county clerk by December 31. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall include, but not be limited to:

(A) The revenue neutral rate;

- (B) the proposed property tax revenue needed to fund the proposed budget;
  - (C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation;
  - (D) the tax rate and property tax of the taxing subdivision on the taxpayer's property from the previous year's tax statement;
  - (E) the proposed percent change in the tax rate between the previous year's tax rate and the proposed tax rate for the current year;
  - (F) the appraised value and assessed value of the taxpayer's property for the current year;
  - (G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate and the proposed tax rate; and
  - (H) the date, time and location of the public hearing.
- (3) The public hearing to consider exceeding the revenue neutral rate shall be held on or before September 10. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section.
- (4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers.
- (c) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate. The provisions of this subsection shall not be construed as prohibiting any other remedies available under the law.
- (d) The provisions of this section shall not apply to school districts organized and operating under the laws of this state.
- (e) If the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before September 20, to the proper county clerk the amount of ad valorem tax to be levied.
- (f) As used in this section:
- (1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.
- (2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.
- (g) The provisions of this section shall take effect and be in force from and after January 1, 2021.

New Sec. 11. (a) Notwithstanding any provision of law to the contrary, no interest shall accrue on any unpaid property tax for tax year 2019 pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, from May 10, 2020, through August 10, 2020, nor shall the unpaid tax for tax year 2019 be considered delinquent during this period.

(b) With respect to any unpaid property tax for tax year 2019 due pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, the county shall waive any fees, expenses and costs relating to delinquent property tax collection procedures that the county charged to the taxpayer prior to August 11, 2020.

(c) The county may refund, credit or retain any interest, fees, expenses or costs collected prior to the effective date of this act if the total amount collected is equal to or less than \$25 for each delinquent property.

Sec. 12. K.S.A. 79-1460 is hereby amended to read as follows: 79-1460. (a) The county appraiser shall notify each taxpayer in the county annually on or before March 1 for real property and May 1 for personal property, by mail directed to the taxpayer's last known address, of the classification and appraised valuation of the taxpayer's property, except that, the valuation for all real property shall not be increased unless the record of the latest physical inspection was reviewed by the county or district appraiser, and documentation exists to support such increase in valuation in compliance with the directives and specifications of the director of property valuation, and such record and documentation is available to the affected taxpayer. The valuation for all real property also shall not be increased solely as the result of normal repair, replacement or maintenance of existing structures, equipment or improvements on the property. For purposes of this section, "normal repair, replacement or maintenance" does not include new construction as defined in this section. For the next two taxable years following the taxable year that the valuation for commercial real property has been reduced due to a final determination made pursuant to the valuation appeals process, the county appraiser shall review the computer-assisted mass-appraisal of the property and if the valuation in either of those two years exceeds the value of the previous year by more than 5%, excluding new construction, change in use or change in classification, the county appraiser shall either: (1) Adjust the valuation of the property based on the information provided in the previous appeal; or (2) order an independent fee simple appraisal of the property to be performed by a Kansas certified real property appraiser. As used in this section, "new construction" means the construction of any new structure or improvements or the remodeling or renovation of any existing structures or improvements on real property. When the valuation for real property has been reduced due to a final determination made pursuant to the valuation appeals process for the prior year, and the county appraiser has already certified the appraisal rolls for the current year to the county clerk pursuant to K.S.A. 79-1466, and amendments thereto, the county appraiser may amend the appraisal rolls and certify the changes to the county clerk to implement the provisions of this subsection and reduce the valuation of the real property to the prior year's final determination, except that such changes shall not be made after October 31 of the current year. For the purposes of this section and in the case of real property, the term "taxpayer" shall be deemed to be the person in ownership of the property as indicated on the records of the office of register of deeds or county clerk and, in the case where the real property or improvement thereon is the subject of a lease agreement, such term shall also be deemed to include the lessee of such property if the lease agreement has been recorded or filed in the office of the register of deeds.

Such notice shall specify separately both the previous and current appraised and assessed values for each property class identified on the parcel. Such notice shall also contain the uniform parcel identification number prescribed by the director of property valuation. Such notice shall also contain a statement of the taxpayer's right to appeal, the procedure to be followed in making such appeal and the availability without charge of the guide devised pursuant to subsection (b). Such notice may, and if the board of county commissioners so require, shall provide the parcel identification number, address and the sale date and amount of any or all sales utilized in the determination of appraised value of residential real property. In any year in which no change in appraised valuation of any real property from its appraised valuation in the next preceding year is determined, an alternative form of notification which has been approved by the director of property valuation may be utilized by a county. Failure to timely mail or receive such notice shall in no way invalidate the classification or appraised valuation as changed. The secretary of revenue shall adopt rules and regulations necessary to implement the provisions of this section.

(b) For all taxable years commencing after December 31, 1999, there shall be provided to each taxpayer, upon request, a guide to the property tax appeals process. The director of the division of property valuation shall devise and publish such guide, and shall provide sufficient copies thereof to all county appraisers. Such guide shall include but not be limited to: (1) A restatement of the law which pertains to the process and practice of property appraisal methodology, including the contents of K.S.A. 79-503a and 79-1460, and amendments thereto; (2) the procedures of the appeals process, including the order and burden of proof of each party and time frames required by law; and (3) such other information deemed necessary to educate and enable a taxpayer to properly and competently pursue an appraisal appeal.

Sec. 13. K.S.A. 79-1801 is hereby amended to read as follows: 79-1801. (a) Except as provided by subsection (b), each year the governing body of any city, the trustees of any township, the board of education of any school district and the governing bodies of all other taxing subdivisions shall certify, on or before August 25, to the proper county clerk the amount of ad valorem tax to be levied. Thereupon, the county clerk shall place the tax upon the tax roll of the county, in the manner prescribed by law, and the tax shall be collected by the county treasurer. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.

(b) Prior to January 1, 2021, if the governing body of a city or county must conduct an election for an increase in property tax to fund any appropriation or budget under K.S.A. 2019 Supp. 25-433a, and amendments thereto, the governing body of the city or county shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied. On and after January 1, 2021, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under section 10, and amendments thereto, the governing body of the taxing subdivision shall certify, on or before September 20, to the proper county clerk the amount of ad valorem tax to be levied.

Sec. 14. K.S.A. 79-2302 is hereby amended to read as follows: 79-2302. (a) Except as provided in subsection (b), between July 1 and July 10 of each year, the county treasurer shall prepare a list of all real estate subject to sale, describing the real estate in the same manner as described of record in the office of the county clerk or the register

of deeds of the county in which the real estate is located. The county treasurer also shall prepare an accompanying notice stating that the county treasurer will sell the real estate described in the list to the county for the amount of the delinquent taxes and legal charges due on the real estate and that the sale will be on or after the first Tuesday of September following publication of the notice under K.S.A. 79-2303, and amendments thereto. The list shall show the names of the owners of the real estate, as shown of record in the office of the county clerk or the register of deeds of the county in which the real estate is located, the description and address, if available, of each tract or parcel of land and the total of the amount of unpaid taxes upon each tract or parcel. If any county treasurer at any time discovers that any tract or lot of real estate has not been put on the list of delinquent taxes and not sold for any preceding year, the treasurer shall be required to place the omitted tract or lot on the list of delinquent taxes for the current year, and sell the tract or lot as directed by this act in other cases.

(b) For tax year 2019, between August 11, 2020, and August 21, 2020, the county treasurer shall prepare such list of all real estate subject to sale that lists all real estate for which the 2019 taxes have not been paid in full on or before August 10, 2020.

Sec. 15. K.S.A. 79-2303 is hereby amended to read as follows: 79-2303. (a) The county treasurer shall cause the notice and list prepared under K.S.A. 79-2302, and amendments thereto, to be published in the official county newspaper or in a newspaper of general circulation in the county in accordance with the provisions of K.S.A. 64-101, and amendments thereto. Except as provided in subsection (b), the notice and list shall be submitted to the newspaper on or before August 1 of each year and shall be published once each week for three consecutive weeks immediately prior to the week when the day of sale will occur. The county treasurer also shall cause a copy of the list and notice to be posted in some conspicuous place in the county treasurer's office. The cost of publication of the notice and list shall be paid from the general fund of the county, and a \$15 fee for each tract or lot shall be added to the tax due for the tract or lot as part of the costs of collection. The fee shall be collected in the manner provided for the collection of the unpaid taxes.

(b) With respect to tax year 2019, the notice and list shall be submitted to the newspaper on or before September 1, 2020, and shall be published once each week for three consecutive weeks immediately prior to the week when the day of sale will occur. The county treasurer shall advertise and sell such real estate on or before the fourth Monday of October 2020, and such advertisement and sale shall conform in all respects to the provisions of this act and shall be as binding and valid as if such sale had been made on the first Tuesday of September.

Sec. 24. K.S.A. 2019 Supp. 44-702 is hereby amended to read as follows: 44-702. As a guide to the interpretation and application of this act, the public policy of this state is declared to be as follows: Economic insecurity, due to unemployment, is a serious menace to health, morals, and welfare of the people of this state. Involuntary unemployment is therefore a subject of general interest and concern ~~which that~~ requires appropriate action by the legislature to prevent its spread and to lighten its burden ~~which that~~ now so often falls with crushing force upon the unemployed worker and such worker's family. The achievement of social security requires protection against this greatest hazard of our economic life. This can be provided by encouraging employers to provide more stable employment and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing power and limiting the serious social consequences of poor-relief assistance. The legislature, therefore, declares that in its considered judgment the public good and the general welfare of the citizens of this state require the enactment of this measure, under the police powers of the state, for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed. The state of Kansas is committed to maintaining and strengthening access to the unemployment compensation system, including through initial and continuing claims. All persons and employers are entitled to a neutral interpretation of the employment security law.

Sec. 25. K.S.A. 2019 Supp. 44-705, as amended by section 2 of 2020 Senate Bill No. 27, is hereby amended to read as follows: 44-705. Except as provided by K.S.A. 44-757, and amendments thereto, an unemployed individual shall be eligible to receive benefits with respect to any week only if the secretary, or a person or persons designated by the secretary, finds that:

(a) The claimant has registered for work at and thereafter continued to report at an employment office in accordance with rules and regulations adopted by the secretary, except that, subject to the provisions of K.S.A. 44-704(a), and amendments thereto, the secretary may adopt rules and regulations that waive or alter either or both of the requirements of this subsection.

(b) The claimant has made a claim for benefits with respect to such week in accordance with rules and regulations adopted by the secretary.

(c) The claimant is able to perform the duties of such claimant's customary occupation or the duties of other occupations that the claimant is reasonably fitted by training or experience, and is available for work, as demonstrated by the claimant's pursuit of the full course of action most reasonably calculated to result in the claimant's reemployment except that, notwithstanding any other provisions of this section, an unemployed claimant otherwise eligible for benefits shall not become ineligible for benefits: (1) Because of the claimant's enrollment in and satisfactory pursuit of approved training, including training approved under section 236(a)(1) of the trade act of 1974; ~~or~~ (2) solely because such individual is seeking only part-time employment if

the individual is available for a number of hours per week that are comparable to the individual's part-time work experience in the base period; or (3) because a claimant is not actively seeking work: (i) During a state of disaster emergency proclaimed by the governor pursuant to K.S.A. 48-924 and 48-925, and amendments thereto; (ii) in response to the spread of the public health emergency of COVID-19; and (iii) the state's temporary waiver of the work search requirement under the employment security law for such claimant is in compliance with the families first coronavirus response act, public law 116-127.

For the purposes of this subsection, an inmate of a custodial or correctional institution shall be deemed to be unavailable for work and not eligible to receive unemployment compensation while incarcerated.

(d) (1) Except as provided further, the claimant has been unemployed for a waiting period of one week or the claimant is unemployed and has satisfied the requirement for a waiting period of one week under the shared work unemployment compensation program as provided in K.S.A. 44-757(k)(4), and amendments thereto, and that period of one week, in either case, occurs within the benefit year that includes the week for which the claimant is claiming benefits. No week shall be counted as a week of unemployment for the purposes of this subsection:

(A) If benefits have been paid for such week;

(B) if the individual fails to meet with the other eligibility requirements of this section; or

(C) if an individual is seeking unemployment benefits under the unemployment compensation law of any other state or of the United States, except that if the appropriate agency of such state or of the United States finally determines that the claimant is not entitled to unemployment benefits under such other law, this subparagraph shall not apply.

(2)(A) The waiting week requirement of paragraph (1) shall not apply to:

(i) New claims by claimants who become unemployed as a result of an employer terminating business operations within this state, declaring bankruptcy or initiating a work force reduction pursuant to public law 100-379, the federal worker adjustment and retraining notification act, 29 U.S.C. §§ 2101 through 2109, as amended; or

(ii) new claims filed on or after April 5, 2020, through December 26, 2020, in accordance with the families first coronavirus response act, public law 116-127 and the federal CARES act, public law 116-136.

(B) The secretary shall adopt rules and regulations to administer the provisions of this paragraph.

This paragraph shall not apply to initial claims effective on and after April 1, 2021.

(e) For benefit years established on and after the effective date of this act, the claimant has been paid total wages for insured work in the claimant's base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's base period, except that the wage credits of an individual earned during the period commencing with the end of a prior base period and ending on the date that such individual filed a valid initial claim shall not be available

for benefit purposes in a subsequent benefit year unless, in addition thereto, such individual has returned to work and subsequently earned wages for insured work in an amount equal to at least eight times the claimant's current weekly benefit amount.

(f) The claimant participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and needs reemployment services pursuant to a profiling system established by the secretary, unless the secretary determines that: (1) The individual has completed such services; or (2) there is justifiable cause for the claimant's failure to participate in such services.

(g) The claimant is returning to work after a qualifying injury and has been paid total wages for insured work in the claimant's alternative base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's alternative base period if:

(1) The claimant has filed for benefits within four weeks of being released to return to work by a licensed and practicing health care provider;

(2) the claimant files for benefits within 24 months of the date the qualifying injury occurred; and

(3) the claimant attempted to return to work with the employer where the qualifying injury occurred, but the individual's regular work or comparable and suitable work was not available.

(b) *Determination.* (1) Except as otherwise provided in this paragraph, a representative designated by the secretary, and hereinafter referred to as an examiner, shall promptly examine the claim and, on the basis of the facts found by the examiner, shall determine whether or not the claim is valid. If the examiner determines that the claim is valid, the examiner shall determine the first day of the benefit year, the weekly benefit amount and the total amount of benefits payable with respect to the benefit year. If the claim is determined to be valid, the examiner shall send a notice to the last employing unit who shall respond within 10 days by providing the examiner all requested information including all information required for a decision under K.S.A. 44-706, and amendments thereto. The information may be submitted by the employing unit in person at an employment office of the secretary or by mail, by telefacsimile machine or by electronic mail. If the required information is not submitted or postmarked within a response time limit of 10 days after the examiner's notice was sent, the employing unit shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the employment security board of review or any court, except that the employing unit's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. In any case in which the payment or denial of benefits will be

determined by the provisions of K.S.A. 44-706(d), and amendments thereto, the examiner shall promptly transmit the claim to a special examiner designated by the secretary to make a determination on the claim after the investigation as the special examiner deems necessary. The parties shall be promptly notified of the special examiner's decision and any party aggrieved by the decision may appeal to the referee as provided in subsection (c). The claimant and the claimant's most recent employing unit shall be promptly notified of the examiner's or special examiner's decision.

(2) The examiner may for good cause reconsider the examiner's decision and shall promptly notify the claimant and the most recent employing unit of the claimant, that the decision of the examiner is to be reconsidered, except that no reconsideration shall be made after the termination of the benefit year.

(3) Notwithstanding the provisions of any other statute, a decision of an examiner or special examiner shall be final unless the claimant or the most recent employing unit of the claimant files an appeal from the decision as provided in subsection (c), except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect. The appeal must be filed within 16 calendar days after the mailing of notice to the last known addresses of the claimant and employing unit or, if notice is not by mail, within 16 calendar days after the delivery of the notice to the parties.

(c) *Appeals.* Unless the appeal is withdrawn, a referee, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and decision of the examiner or special examiner. The parties shall be duly notified of the referee's decision, together with the reasons for the decision. The decision shall be final, notwithstanding the provisions of any other statute, unless a further appeal to the employment security board of review is filed within 16 calendar days after the mailing of the decision to the parties' last known addresses or, if notice is not by mail, within 16 calendar days after the delivery of the decision, except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect.

(d) *Referees.* The secretary shall appoint, in accordance with K.S.A. 44-714(c), and amendments thereto, one or more referees to hear and decide disputed claims.

(e) *Time, computation and extension.* In computing the period of time for an employing unit response or for appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day ~~which~~ that is not a Saturday, Sunday or legal holiday.

(f) *Board of review.* (1) There is hereby created an employment security board of review, hereinafter referred to as the board, consisting of three members. Each member of the board shall be appointed for a term of four years as provided in this subsection. Not more than two members of the board shall belong to the same political party.

(2) When a vacancy on the employment security board of review occurs, the workers compensation and employment security boards nominating committee established under K.S.A. 44-551, and amendments thereto, shall convene and submit a nominee to the governor for appointment to each vacancy on the employment security board of review, subject to confirmation by the senate as provided by K.S.A. 75-4315b,

and amendments thereto. The governor shall either: (A) Accept and submit to the senate for confirmation the person nominated by the nominating committee; or (B) reject the nomination and request the nominating committee to nominate another person for that position. Except as provided by K.S.A. 46-2601, and amendments thereto, no person appointed to the employment security board of review, whose appointment is subject to confirmation by the senate, shall exercise any power, duty or function as a member until confirmed by the senate.

The secretary of labor shall appoint an executive secretary of the board and the executive secretary shall attend the meetings of the board.

(7) The employment security board of review, on its own motion, may affirm, modify or set aside any decision of a referee on the basis of the evidence previously submitted in the case; may direct the taking of additional evidence; or may permit any of the parties to initiate further appeal before it. The board shall permit such further appeal by any of the parties interested in a decision of a referee ~~which that~~ overrules or modifies the decision of an examiner. The board may remove to itself the proceedings on any claim pending before a referee. Any proceedings so removed to the board shall be heard in accordance with the requirements of subsection (c). The board shall promptly notify the interested parties of its findings and decision.

(8) Two members of the employment security board of review shall constitute a quorum and no action of the board shall be valid unless it has the concurrence of at least two members. A vacancy on the board shall not impair the right of a quorum to exercise all the rights and perform all the duties of the board.

(g) *Procedure.* The manner ~~in which that~~ disputed claims are presented, the reports on claims required from the claimant and from employers and the conduct of hearings and appeals shall be in accordance with rules of procedure prescribed by the employment security board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. (i) *Review of board action.* Any action of the employment security board of review may not be reconsidered after the mailing of the decision. An action of the board shall become final unless a petition for review in accordance with the Kansas judicial review act is filed within 16 calendar days after the date of the mailing of the decision. If an appeal has not been filed within 16 calendar days of the date of the mailing of the decision, the decision becomes final. No bond shall be required for commencing an action for such review. In addition to those persons having standing pursuant to K.S.A. 77-611, and amendments thereto, the examiner shall have standing to obtain judicial review of an action of such board. The review proceeding, and the questions of law certified, shall be heard in a summary manner and shall be given precedence over all other civil cases except cases arising under the workers compensation act.

(j) Any finding of fact or law, judgment, determination, conclusion or final order made by the employment security board of review or any examiner, special examiner, referee or other person with authority to make findings of fact or law pursuant to the employment security law is not admissible or binding in any separate or subsequent action or proceeding, between a person and a present or previous employer brought before an arbitrator, court or judge of the state or the United States, regardless of whether the prior action was between the same or related parties or involved the same facts.

(k) In any proceeding or hearing conducted under this section, a party to the proceeding or hearing may appear before a referee or the employment security board of review either personally or by means of a designated representative to present evidence and to state the position of the party. The notice of hearing shall include notice to the parties of their right to request an in-person hearing and instructions on how to make the request.

Sec. 27. K.S.A. 2019 Supp. 44-710 is hereby amended to read as follows: 44-710.

(a) *Payment.* Contributions shall accrue and become payable by each contributing employer for each calendar year ~~in which that~~ that the contributing employer is subject to the employment security law with respect to wages paid for employment. Such contributions shall become due and be paid by each contributing employer to the secretary for the employment security fund in accordance with such rules and regulations as the secretary may adopt and shall not be deducted, in whole or in part, from the wages of individuals in such employer's employ. In the payment of any contributions, a fractional part of \$.01 shall be disregarded unless it amounts to \$.005 or more, in which case it shall be increased to \$.01. Should contributions for any calendar quarter be less than \$5, no payment shall be required.

(b) *Rates and base of contributions.* (1) Except as provided in paragraph (2) of this

subsection, each contributing employer shall pay contributions on wages paid by the contributing employer during each calendar year with respect to employment as provided in K.S.A. 44-710a, and amendments thereto. Except that, notwithstanding the federal law requiring the secretary of labor to annually recalculate the contribution rate, for calendar years 2010, 2011, 2012, 2013 and 2014, the secretary shall charge each contributing employer in rate groups 1 through 32 the contribution rate in the 2010 original tax rate computation table, with contributing employers in rate groups 33 through 51 being capped at a 5.4% contribution rate. For calendar year 2021, unemployment tax rates for eligible employers shall be limited to the standard rate schedule in K.S.A. 44-710a, and amendments thereto. Therefore, no additional solvency adjustment shall be applied.

(2) (A) If the congress of the United States either amends or repeals the Wagner-Peyser act, the federal unemployment tax act, the federal social security act, or subtitle C of chapter 23 of the federal internal revenue code of 1986, or any act or acts supplemental to or in lieu thereof, or any part or parts of any such law, or if any such law, or any part or parts thereof, are held invalid with the effect that appropriations of funds by congress and grants thereof to the state of Kansas for the payment of costs of administration of the employment security law are no longer available for such purposes; or (B) if employers in Kansas subject to the payment of tax under the federal unemployment tax act are granted full credit against such tax for contributions or taxes paid to the secretary of labor, then, and in either such case, beginning with the year ~~in which that~~ the unavailability of federal appropriations and grants for such purpose occurs or ~~in which that~~ such change in liability for payment of such federal tax occurs and for each year thereafter, the rate of contributions of each contributing employer shall be equal to the total of 0.5% and the rate of contributions as determined for such contributing employer under K.S.A. 44-710a, and amendments thereto. The amount of contributions ~~which that~~ each contributing employer becomes liable to pay under this paragraph (2) over the amount of contributions ~~which that~~ such contributing employer would be otherwise liable to pay shall be credited to the employment security administration fund to be disbursed and paid out under the same conditions and for the same purposes as other moneys are authorized to be paid from the employment security administration fund, except that, if the secretary determines that as of the first day of January of any year there is an excess in the employment security administration fund over the amount required to be disbursed during such year, an amount equal to such excess as determined by the secretary shall be transferred to the employment security fund.

(c) *Charging of benefit payments.* (1) The secretary shall maintain a separate account for each contributing employer, and shall credit the contributing employer's account with all the contributions paid on the contributing employer's own behalf. Nothing in the employment security law shall be construed to grant any employer or individuals in such employer's service prior claims or rights to the amounts paid by such employer into the employment security fund either on such employer's own behalf or on behalf of such individuals. Benefits paid shall be charged against the accounts of each base period employer in the proportion that the base period wages paid to an eligible individual by each such employer bears to the total wages in the base period. Benefits shall be charged to contributing employers' accounts and rated governmental employers' accounts upon the basis of benefits paid during each twelve-month period ending on the

computation date.

(2) (A) Benefits paid in benefit years established by valid new claims shall not be charged to the account of a contributing employer or rated governmental employer who is a base period employer if the examiner finds that claimant was separated from the claimant's most recent employment with such employer under any of the following conditions: (i) Discharged for misconduct or gross misconduct connected with the individual's work; ~~or~~ (ii) leaving work voluntarily without good cause attributable to the claimant's work or the employer; or (iii) discharged from an employer directly impacted by COVID-19 in accordance with the families first coronavirus response act, public law 116-127.

(B) Where base period wage credits of a contributing employer or rated governmental employer represent part-time employment and the claimant continues in that part-time employment with that employer during the period for which benefits are paid, then that employer's account shall not be charged with any part of the benefits paid if the employer provides the secretary with information as required by rules and regulations. For the purposes of this subsection (c)(2)(B), "part-time employment" means any employment when an individual works less than full-time because the individual's services are not required for the customary, scheduled full-time hours prevailing at the work place or the individual does not customarily work the regularly scheduled full-time hours due to personal choice or circumstances.

(C) No contributing employer or rated governmental employer's account shall be charged with any extended benefits paid in accordance with the employment security law, except for weeks of unemployment beginning after December 31, 1978, all contributing governmental employers and governmental rated employers shall be charged an amount equal to all extended benefits paid.

(D) No contributing employer, rated governmental employer or reimbursing employer's account shall be charged for any additional benefits paid during the period July 1, 2003 through June 30, 2004.

(E) No contributing employer or rated governmental employer's account will be charged for benefits paid a claimant while pursuing an approved training course as defined in ~~subsection (s) of K.S.A. 44-703(s)~~, and amendments thereto.

(F) No contributing employer or rated governmental employer's account shall be charged with respect to the benefits paid to any individual whose base period wages include wages for services not covered by the employment security law prior to January 1, 1978, to the extent that the employment security fund is reimbursed for such benefits pursuant to section 121 of public law 94-566 (90 Stat. 2673).

(G) With respect to weeks of unemployment beginning after December 31, 1977, wages for insured work shall include wages paid for previously uncovered services. For the purposes of this subsection (c)(2)(G), the term "previously uncovered services" means services ~~which that~~ were not covered employment, at any time during the one-year period ending December 31, 1975, except to the extent that assistance under title II of the federal emergency jobs and unemployment assistance act of 1974 was paid on the basis of such services, and ~~which that~~:

(i) Are agricultural labor as defined in ~~subsection (w) of K.S.A. 44-703(w)~~, and amendments thereto, or domestic service as defined in ~~subsection (aa) of K.S.A. 44-703(aa)~~, and amendments thereto;

(ii) are services performed by an employee of this state or a political subdivision

thereof, as provided in ~~subsection (i)(3)(E)~~ of K.S.A. 44-703(i)(3)(E), and amendments thereto; or

(iii) are services performed by an employee of a nonprofit educational institution ~~which that~~ is not an institution of higher education.

(H) No contributing employer or rated governmental employer's account shall be charged with respect to their pro rata share of benefit charges if such charges are of \$100 or less.

(3) An employer's account shall not be relieved of charges relating to a payment that was made erroneously if the secretary determines that:

(A) The erroneous payment was made because the employer, or the agent of the employer, was at fault for failing to respond timely or adequately to a written request from the secretary for information relating to the claim for unemployment compensation; and

(B) the employer or agent has established a pattern of failing to respond timely or adequately to requests for information.

(C) For purposes of this paragraph:

(i) "Erroneous payment" means a payment that but for the failure by the employer or the employer's agent with respect to the claim for unemployment compensation, would not have been made; and

(ii) "pattern of failure" means repeated documented failure on the part of the employer or the agent of the employer to respond, taking into consideration the number of instances of failure in relation to the total volume of requests. An employer or employer's agent failing to respond as described in (c)(3)(A) shall not be determined to have engaged in a "pattern of failure" if the number of such failures during the year prior to such request is fewer than two, or less than 2%, of such requests, whichever is greater.

(D) Determinations of the secretary prohibiting the relief of charges pursuant to this section shall be subject to appeal or protest as other determinations of the agency with respect to the charging of employer accounts.

(E) This paragraph shall apply to erroneous payments established on and after the effective date of this act.

(4) The examiner shall notify any base period employer whose account will be charged with benefits paid following the filing of a valid new claim and a determination by the examiner based on all information relating to the claim contained in the records of the division of employment security. Such notice shall become final and benefits charged to the base period employer's account in accordance with the claim unless within 10 calendar days from the date the notice was sent, the base period employer requests in writing that the examiner reconsider the determination and furnishes any required information in accordance with the secretary's rules and regulations. In a similar manner, a notice of an additional claim followed by the first payment of benefits with respect to the benefit year, filed by an individual during a benefit year after a period in such year during which such individual was employed, shall be given to any base period employer of the individual who has requested such a notice within 10 calendar days from the date the notice of the valid new claim was sent to such base period employer. For purposes of this subsection (c)(3), if the required information is not submitted or postmarked within a response time limit of 10 days after the base period employer notice was sent, the base period employer shall be deemed to have

waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the board of review or any court, except that the base period employer's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. The examiner shall notify the employer of the reconsidered determination, which shall be subject to appeal, or further reconsideration, in accordance with the provisions of K.S.A. 44-709, and amendments thereto.

(5) *Time, computation and extension.* In computing the period of time for a base period employer response or appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day ~~which that~~ is not a Saturday, Sunday or legal holiday.

(d) *Pooled fund.* All contributions and payments in lieu of contributions and benefit cost payments to the employment security fund shall be pooled and available to pay benefits to any individual entitled thereto under the employment security law, regardless of the source of such contributions or payments in lieu of contributions or benefit cost payments.

(e) *Election to become reimbursing employer; payment in lieu of contributions.* (1) Any governmental entity, Indian tribes or tribal units, (subdivisions, subsidiaries or business enterprises wholly owned by such Indian tribes), for which services are performed as described in ~~subsection (i)(3)(E) of K.S.A. 44-703(i)(3)(E), and amendments thereto, or any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986~~ ~~which that~~ is exempt from income tax under section 501(a) of such code, that becomes subject to the employment security law may elect to become a reimbursing employer under this subsection (e)(1) and agree to pay the secretary for the employment security fund an amount equal to the amount of regular benefits and ½ of the extended benefits paid that are attributable to service in the employ of such reimbursing employer, except that each reimbursing governmental employer, Indian tribes or tribal units shall pay an amount equal to the amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, for governmental employers and December 21, 2000, for Indian tribes or tribal units to individuals for weeks of unemployment ~~which that~~ begin during the effective period of such election.

(A) Any employer identified in this subsection (e)(1) may elect to become a reimbursing employer for a period encompassing not less than four complete calendar years if such employer files with the secretary a written notice of such election within the 30-day period immediately following January 1 of any calendar year or within the 30-day period immediately following the date ~~on which when~~ a determination of subjectivity to the employment security law is issued, whichever occurs later.

(B) Any employer ~~which that~~ makes an election to become a reimbursing employer in accordance with subparagraph (A) ~~of this subsection (e)(1)~~ will continue to be liable for payments in lieu of contributions until such employer files with the secretary a written notice terminating its election not later than 30 days prior to the beginning of the calendar year for which such termination shall first be effective.

(C) Any employer identified in this subsection (e)(1) ~~which that~~ has remained a contributing employer and has been paying contributions under the employment security law for a period subsequent to January 1, 1972, may change to a reimbursing employer by filing with the secretary not later than 30 days prior to the beginning of any calendar year a written notice of election to become a reimbursing employer. Such election shall not be terminable by the employer for four complete calendar years.

(D) The secretary may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after January 1 of the year such election is received.

(E) The secretary, in accordance with such rules and regulations as the secretary may adopt, shall notify each employer identified in subsection (e)(1) of any determination ~~which that~~ the secretary may make of its status as an employer and of the effective date of any election ~~which that~~ it makes to become a reimbursing employer and of any termination of such election. Such determinations shall be subject to reconsideration, appeal and review in accordance with the provisions of K.S.A. 44-710b, and amendments thereto.

(2) *Reimbursement reports and payments.* Payments in lieu of contributions shall be made in accordance with the provisions of ~~paragraph subparagraph (A) of this subsection (e)(2)~~ by all reimbursing employers except the state of Kansas. Each reimbursing employer shall report total wages paid during each calendar quarter by filing quarterly wage reports with the secretary ~~which that~~ shall be filed by the last day of the month following the close of each calendar quarter. Wage reports are deemed filed as of the date they are placed in the United States mail.

(A) At the end of each calendar quarter, or at the end of any other period as determined by the secretary, the secretary shall bill each reimbursing employer, except the state of Kansas: (i) An amount to be paid ~~which that~~ is equal to the full amount of regular benefits plus  $\frac{1}{2}$  of the amount of extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing employer; and (ii) for weeks of unemployment beginning after December 31, 1978, each reimbursing governmental employer and December 21, 2000, for Indian tribes or tribal units shall be certified an amount to be paid ~~which that~~ is equal to the full amount of regular benefits and extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing governmental employer.

(B) Payment of any bill rendered under ~~paragraph subparagraph (A) of this subsection (e)(2)~~ shall be made not later than 30 days after such bill was mailed to the last known address of the reimbursing employer, or otherwise was delivered to such reimbursing employer, unless there has been an application for review and redetermination in accordance with ~~paragraph subparagraph (D) of this subsection (e)(2)~~.

(C) Payments made by any reimbursing employer under the provisions of this subsection (e)(2) shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of such employer.

(D) The amount due specified in any bill from the secretary shall be conclusive on the reimbursing employer, unless, not later than 15 days after the bill was mailed to the last known address of such employer, or was otherwise delivered to such employer, the

reimbursing employer files an application for redetermination in accordance with K.S.A. 44-710b, and amendments thereto.

(E) Past due payments of amounts certified by the secretary under this section shall be subject to the same interest, penalties and actions required by K.S.A. 44-717, and amendments thereto. (1) If any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer is delinquent in making payments of amounts certified by the secretary under this section, the secretary may terminate such employer's election to make payments in lieu of contributions as of the beginning of the next calendar year and such termination shall be effective for such next calendar year and the calendar year thereafter so that the termination is effective for two complete calendar years. (2) Failure of the Indian tribe or tribal unit to make required payments, including assessment of interest and penalty within 90 days of receipt of the bill will cause the Indian tribe to lose the option to make payments in lieu of contributions as described pursuant to paragraph (e)(1) for the following tax year unless payment in full is received before contribution rates for the next tax year are calculated. (3) Any Indian tribe that loses the option to make payments in lieu of contributions due to late payment or nonpayment, as described in paragraph (2), shall have such option reinstated, if after a period of one year, all contributions have been made on time and no contributions, payments in lieu of contributions for benefits paid, penalties or interest remain outstanding.

(F) Failure of the Indian tribe or any tribal unit thereof to make required payments, including assessments of interest and penalties, after all collection activities deemed necessary by the secretary have been exhausted, will cause services performed by such tribe to not be treated as employment for purposes of ~~subsection (i)(3)(E)~~ of K.S.A. 44-703(i)(3)(E), and amendments thereto. If an Indian tribe fails to make payments required under this section, including assessments of interest and penalties, within 90 days of a final notice of delinquency, the secretary shall immediately notify the United States internal revenue service and the United States department of labor. The secretary may determine that any Indian tribe that loses coverage pursuant to this paragraph may have services performed on behalf of such tribe again deemed "employment" if all contributions, payments in lieu of contributions, penalties and interest have been paid.

(G) In the discretion of the secretary, any employer who elects to become liable for payments in lieu of contributions and any nonprofit organization or group of nonprofit organizations described in section 501 (c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer or Indian tribe or tribal unit who is delinquent in filing reports or in making payments of amounts certified by the secretary under this section shall be required within 60 days after the effective date of such election, in the case of an eligible employer so electing, or after the date of notification to the delinquent employer under this subsection (e)(2)(G), in the case of a delinquent employer, to execute and file with the secretary a surety bond, except that the employer may elect, in lieu of a surety bond, to deposit with the secretary money or securities as approved by the secretary or to purchase and deliver to an escrow agent a certificate of deposit to guarantee payment. The amount of the bond, deposit or escrow agreement required by this subsection (e)(2)(G) shall not exceed 5.4% of the organization's taxable wages paid for employment by the eligible employer during the four calendar quarters immediately preceding the effective date of the election or the date of notification, in

the case of a delinquent employer. If the employer did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the secretary. Upon the failure of an employer to comply with this subsection (e)(2)(G) within the time limits imposed or to maintain the required bond or deposit, the secretary may terminate the election of such eligible employer or delinquent employer, as the case may be, to make payments in lieu of contributions, and such termination shall be effective for the current and next calendar year.

(H) The state of Kansas shall make reimbursement payments quarterly at a fiscal year rate ~~which that~~ shall be based upon: (i) The available balance in the state's reimbursing account as of December 31 of each calendar year; (ii) the historical unemployment experience of all covered state agencies during prior years; (iii) the estimate of total covered wages to be paid during the ensuing calendar year; (iv) the applicable fiscal year rate of the claims processing and auditing fee under K.S.A. 75-3798, and amendments thereto; and (v) actuarial and other information furnished to the secretary by the secretary of administration. In accordance with K.S.A. 75-3798, and amendments thereto, the claims processing and auditing fees charged to state agencies shall be deducted from the amounts collected for the reimbursement payments under this paragraph (H) prior to making the quarterly reimbursement payments for the state of Kansas. The fiscal year rate shall be expressed as a percentage of covered total wages and shall be the same for all covered state agencies. The fiscal year rate for each fiscal year will be certified in writing by the secretary to the secretary of administration on July 15 of each year and such certified rate shall become effective on the July 1 immediately following the date of certification. A detailed listing of benefit charges applicable to the state's reimbursing account shall be furnished quarterly by the secretary to the secretary of administration and the total amount of charges deducted from previous reimbursing payments made by the state. On January 1 of each year, if it is determined that benefit charges exceed the amount of prior reimbursing payments, an upward adjustment shall be made therefor in the fiscal year rate ~~which will to~~ be certified on the ensuing July 15. If total payments exceed benefit charges, all or part of the excess may be refunded, at the discretion of the secretary, from the fund or retained in the fund as part of the payments ~~which that~~ may be required for the next fiscal year.

(3) *Allocation of benefit costs.* The reimbursing account of each reimbursing employer shall be charged the full amount of regular benefits and ½ of the amount of extended benefits paid except that each reimbursing governmental employer's account shall be charged the full amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, to individuals whose entire base period wage credits are from such employer. When benefits received by an individual are based upon base period wage credits from more than one employer then the reimbursing employer's or reimbursing governmental employer's account shall be charged in the same ratio as base period wage credits from such employer bear to the individual's total base period wage credits. Notwithstanding any other provision of the employment security law, no reimbursing employer's or reimbursing governmental employer's account shall be charged for payments of extended benefits ~~which that~~ are wholly reimbursed to the state by the federal government. Payments of unemployment compensation that are wholly reimbursed to the reimbursing employer by the federal government shall be charged for the purpose of such reimbursement under the federal CARES act, public law 116-136.

(A) *Proportionate allocation (when fewer than all reimbursing base period employers are liable)*. If benefits paid to an individual are based on wages paid by one or more reimbursing employers and on wages paid by one or more contributing employers or rated governmental employers, the amount of benefits payable by each reimbursing employer shall be an amount ~~which~~ that bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bears to the total base period wages paid to the individual by all of such individual's base period employers.

(B) *Proportionate allocation (when all base period employers are reimbursing employers)*. If benefits paid to an individual are based on wages paid by two or more reimbursing employers, the amount of benefits payable by each such employer shall be an amount ~~which~~ that bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of such individual's base period employers.

(4) *Group accounts*. Two or more reimbursing employers may file a joint application to the secretary for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employment of such reimbursing employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subsection (e)(4). Upon approval of the application, the secretary shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the secretary receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than four years and thereafter such account shall remain in effect until terminated at the discretion of the secretary or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bear to the total wages paid during such quarter for service performed in the employ of all members of the group. The secretary shall adopt such rules and regulations as the secretary deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subsection (e)(4), for addition of new members to, and withdrawal of active members from such accounts, and for the determination of the amounts that are payable under this subsection (e)(4) by members of the group and the time and manner of such payments.

Sec. 28. K.S.A. 2019 Supp. 44-757 is hereby amended to read as follows: 44-757. *Shared work unemployment compensation program*. (a) As used in this section:

(8) "Shared work benefit" means an unemployment compensation benefit that is payable to an individual in an affected unit because the individual works reduced hours under an approved shared work plan.

(9) "Shared work plan" means a program for reducing unemployment under which employees who are members of an affected unit share the work remaining after a reduction in their normal weekly hours of work.

(10) "Shared work unemployment compensation program" means a program designed to reduce unemployment and stabilize the work force by allowing certain employees to collect unemployment compensation benefits if the employees share the work remaining after a reduction in the total number of hours of work and a corresponding reduction in wages.

(b) The secretary shall establish a voluntary shared work unemployment compensation program as provided by this section. The secretary may adopt rules and regulations and establish procedures necessary to administer the shared work unemployment compensation program.

(c) An employer who wishes to participate in the shared work unemployment compensation program must submit a written shared work plan to the secretary for the secretary's approval. As a condition for approval, a participating employer must agree to furnish the secretary with reports relating to the operation of the shared work plan as requested by the secretary. The employer shall monitor and evaluate the operation of the established shared work plan as requested by the secretary and shall report the findings to the secretary.

(d) The secretary may approve a shared work plan if:

(1) The shared work plan applies to and identifies a specific affected unit;

(2) the employees in the affected unit are identified by name and social security number;

(3) the shared work plan reduces the normal weekly hours of work for an employee, including regular part-time employees, in the affected unit by not less than 20% and not more than 40%;

(4) the shared work plan applies to at least 10% of the employees in the affected unit;

(5) the shared work plan describes the manner ~~in which~~ that the participating employer treats the fringe benefits of each employee in the affected unit and the employer certifies that if the employer provides health benefits and retirement benefits under a defined benefit plan, as defined in 26 U.S.C. § 414(j), or contributions under a defined contribution plan, as defined in 26 U.S.C. § 414(i), to any employee whose workweek is reduced under the program that such benefits will continue to be provided to employees participating in the shared work compensation program under the same terms and conditions as though the workweek of such employee had not been reduced

or to the same extent as other employees not participating in the shared work program;

(6) the employer certifies that the implementation of a shared work plan and the resulting reduction in work hours is in lieu of layoffs that would affect at least 10% of the employees in the affected unit and that would result in an equivalent reduction in work hours;

(7) the employer has filed all reports required to be filed under the employment security law for all past and current periods and has paid all contributions, benefit cost payments, or if a reimbursing employer has made all payments in lieu of contributions due for all past and current periods;

(8) (A) a contributing employer must be eligible for a rate computation under K.S.A. 44-710a(a)(2), and amendments thereto, ~~and is not a negative account employer as defined by K.S.A. 44-710a(d), and amendments thereto~~ and the contributing employer, as determined by the secretary, does not adversely impact the state's eligibility under section 2108 of the federal CARES act, public law 116-136; (B) a rated governmental employer must be eligible for a rate computation under K.S.A. 44-710d(g), and amendments thereto;

(9) eligible employees may participate, as appropriate, in training, including without limitation, employer-sponsored training or worker training funded under the workforce investment act of 1998, to enhance job skills if such program has been approved by the state of Kansas;

(10) the employer includes a plan for giving advance notice, where feasible, to an employee whose workweek is to be reduced together with an estimate of the number of layoffs that would have occurred absent the ability to participate in shared work compensation and such other information as the secretary of labor determines is appropriate; and

(11) the terms of the employer's written plan and implementation are consistent with employer obligations under applicable federal and Kansas laws.

(e) If any of the employees who participate in a shared work plan under this section are covered by a collective bargaining agreement, the shared work plan must be approved in writing by the collective bargaining agent.

(f) A shared work plan may not be implemented to subsidize seasonal employers during the off-season.

(g) The secretary shall approve or deny a shared work plan no later than the 30<sup>th</sup> day after the day the shared work plan is received by the secretary. The secretary shall approve or deny a shared work plan in writing. If the secretary denies a shared work plan, the secretary shall notify the employer of the reasons for the denial.

(h) A shared work plan is effective on the date it is approved by the secretary, except for good cause a shared work plan may be effective at any time within a period of 14 days prior to the date such plan is approved by the secretary. The shared work plan expires on the last day of the 12<sup>th</sup> full calendar month after the effective date of the shared work plan.

(i) An employer may modify a shared work plan created under this section to meet changed conditions if the modification conforms to the basic provisions of the shared work plan as approved by the secretary. The employer must report the changes made to the shared work plan in writing to the secretary before implementing the changes. If the original shared work plan is substantially modified, the secretary shall reevaluate the shared work plan and may approve the modified shared work plan if it meets the

requirements for approval under subsection (d). The approval of a modified shared work plan does not affect the expiration date originally set for that shared work plan. If substantial modifications cause the shared work plan to fail to meet the requirements for approval, the secretary shall deny approval to the modifications as provided by subsection (g).

(j) Notwithstanding any other provisions of the employment security law, an individual is unemployed and is eligible for shared work benefits in any week in which the individual, as an employee in an affected unit, works for less than the individual's normal weekly hours of work in accordance with an approved shared work plan in effect for that week. The secretary may not deny shared work benefits for any week to an otherwise eligible individual by reason of the application of any provision of the employment security law that relates to availability for work, active search for work or refusal to apply for or accept work with an employer other than the participating employer.

(k) An individual is eligible to receive shared work benefits with respect to any week in which the secretary finds that:

(1) The individual is employed as a member of an affected unit subject to a shared work plan that was approved before the week in question and is in effect for that week;

(2) the individual is able to work and is available for additional hours of work or full-time work with the participating employer;

(3) the individual's normal weekly hours of work have been reduced by at least 20% but not more than 40%, with a corresponding reduction in wages; and

(4) the individual's normal weekly hours of work and wages have been reduced as described in subsection (k)(3) for a waiting period of one week ~~which that~~ occurs within the period the shared work plan is in effect, which period includes the week for which the individual is claiming shared work benefits.

(l) The secretary shall pay an individual who is eligible for shared work benefits under this section a weekly shared work benefit amount equal to the individual's regular weekly benefit amount for a period of total unemployment multiplied by the nearest full percentage of reduction of the individual's hours as set forth in the employer's shared work plan. If the shared benefit amount is not a multiple of \$1, the secretary shall reduce the amount to the next lowest multiple of \$1. All shared work benefits under this section shall be payable from the fund.

(m) An individual may not receive shared work benefits and regular unemployment compensation benefits in an amount that exceeds the maximum total amount of benefits payable to that individual in a benefit year as provided by K.S.A. 44-704(g), and amendments thereto.

(n) An individual who has received all of the shared work benefits and regular unemployment compensation benefits available in a benefit year is an exhaustee under K.S.A. 44-704a and 44-704b, and amendments thereto, and is entitled to receive extended benefits under such statutes if the individual is otherwise eligible under such statutes.

(o) The secretary may terminate a shared work plan for good cause if the secretary determines that the shared work plan is not being executed according to the terms and intent of the shared work unemployment compensation program.

(p) Notwithstanding any other provisions of this section, an individual shall not be eligible to receive shared work benefits for more than 26 calendar weeks during the 12-

month period of the shared work plan, except that two weeks of additional benefits shall be payable to claimants who exhaust regular benefits and any benefits under any other federal or state extended benefits program during the period July 1, 2003 through June 30, 2004. No week shall be counted as a week for which an individual is eligible for shared work benefits for the purposes of this section unless the week occurs within the 12-month period of the shared work plan.

(q) No shared work benefit payment shall be made under any shared work plan or this section for any week ~~which~~ that commences before April 1, 1989.

(r) This section shall be construed as part of the employment security law.

Sec. 29. K.S.A. 48-924 is hereby amended to read as follows: 48-924. (a) The governor shall be responsible for meeting the dangers to the state and people presented by disasters.

(b) (1) Subject to the provisions of section 5, and amendments thereto, the governor, upon finding that a disaster has occurred or that occurrence or the threat thereof is imminent, shall issue a proclamation declaring a state of disaster emergency.

(2) In addition to or instead of the proclamation authorized by K.S.A. 47-611, and amendments thereto, the governor, upon a finding or when notified pursuant to K.S.A. 47-611, and amendments thereto, that a quarantine or other regulations are necessary to prevent the spread among domestic animals of any contagious or infectious disease, may issue a proclamation declaring a state of disaster emergency. In addition to or instead of any actions pursuant to the provisions of K.S.A. 2-2114, and amendments thereto, the governor, upon a finding or when notified pursuant to K.S.A. 2-2112 et seq., and amendments thereto, that a quarantine or other regulations are necessary to prevent the spread among plants, raw agricultural commodities, animal feed or processed food of any contagious or infectious disease, may issue a proclamation declaring a state of disaster emergency.

(3) The state of disaster emergency so declared shall continue until the governor finds that the threat or danger of disaster has passed, or the disaster has been dealt with to the extent that emergency conditions no longer exist. Upon making such findings the governor shall terminate the state of disaster emergency by proclamation, but except as provided in paragraph (4), no state of disaster emergency may continue for longer than 15 days unless ratified by concurrent resolution of the legislature, with the single exception that upon specific application by the governor to the state finance council and an affirmative vote of a majority of the legislative members thereof, a state of disaster emergency may be extended once for a specified period not to exceed 30 days beyond such 15-day period.

(4) If the state of disaster emergency is proclaimed pursuant to paragraph (2), the governor shall terminate the state of disaster emergency by proclamation within 15 days, unless ratified by concurrent resolution of the legislature, except that when the legislature is not in session and upon specific application by the governor to the state finance council and an affirmative vote of a majority of the legislative members thereof, a state of disaster emergency may be extended for a specified period not to exceed 30 days. The state finance council may authorize additional extensions of the state of disaster emergency by a unanimous vote of the legislative members thereof for specified periods not to exceed 30 days each. Such state of disaster emergency shall be terminated on the 15<sup>th</sup> day of the next regular legislative session following the initial date of the state of disaster emergency unless ratified by concurrent resolution of the

legislature.

(5) The state of disaster emergency described in section 5, and amendments thereto, shall terminate on May 31, 2020, as provided in section 5, and amendments thereto, except that when the legislature is not in session and upon specific application by the governor to the state finance council and an affirmative vote of at least six of the legislative members of the council, this state of disaster emergency may be extended for specified periods not to exceed 30 days each. No such extension granted by the state finance council shall continue past January 26, 2021.

(6) At any time, the legislature by concurrent resolution may require the governor to terminate a state of disaster emergency. Upon such action by the legislature, the governor shall issue a proclamation terminating the state of disaster emergency.

~~(6)~~(7) Any proclamation declaring or terminating a state of disaster emergency which is issued under this subsection shall indicate the nature of the disaster, the area or areas threatened or affected by the disaster and the conditions which have brought about, or which make possible the termination of, the state of disaster emergency. Each such proclamation shall be disseminated promptly by means calculated to bring its contents to the attention of the general public and, unless the circumstances attendant upon the disaster prevent the same, each such proclamation shall be filed promptly with the division of emergency management, the office of the secretary of state and each city clerk or county clerk, as the case may be, in the area to which such proclamation applies.

(c) In the event of the absence of the governor from the state or the existence of any constitutional disability of the governor, an officer specified in K.S.A. 48-1204, and amendments thereto, in the order of succession provided by that section, may issue a proclamation declaring a state of disaster emergency in the manner provided in and subject to the provisions of subsection (a). During a state of disaster emergency declared pursuant to this subsection, such officer may exercise the powers conferred upon the governor by K.S.A. 48-925, and amendments thereto. If a preceding officer in the order of succession becomes able and available, the authority of the officer exercising such powers shall terminate and such powers shall be conferred upon the preceding officer. Upon the return of the governor to the state or the removal of any constitutional disability of the governor, the authority of an officer to exercise the powers conferred by this section shall terminate immediately and the governor shall resume the full powers of the office. Any state of disaster emergency and any actions taken by an officer under this subsection shall continue and shall have full force and effect as authorized by law unless modified or terminated by the governor in the manner prescribed by law.

(d) A proclamation declaring a state of disaster emergency shall activate the disaster response and recovery aspects of the state disaster emergency plan and of any local and interjurisdictional disaster plans applicable to the political subdivisions or areas affected by the proclamation. Such proclamation shall be authority for the deployment and use of any forces to which the plan or plans apply and for use or distribution of any supplies, equipment, materials or facilities assembled, stockpiled or arranged to be made available pursuant to this act during a disaster.

#### EXPLANATIONS OF VOTE

MR. SPEAKER: When you give power away, you rarely get it back. The Kansas Emergency Management Act gave power to the Governor. The COVID-19 pandemic teaches that it is too much power for one person without adequate legislative oversight.

It further teaches that such legislative oversight in the hands of just seven or eight members of the Legislative Coordinating Council or State Finance Council, respectively, is too much power in too few hands.

As a result, our government became dysfunctional during a time of emergency. We must do better for Kansas.

The *entire* Legislature must retain such oversight. I vote NO on **S Sub for HB 2054**.  
— MARK SAMSEL

MR. SPEAKER: I vote Yes today on the Conference Committee Report on **S Sub for HB 2054**. Since we left the Capitol in March the people of Kansas have suffered greatly. Not only those who were afflicted by the Coronavirus, but by those afflicted by the Incompetent policies of the Kelly Administration. We have learned that “power corrupts and Absolute power corrupts absolutely.” The assault on small business, the first amendment, And common sense these last eight weeks is unprecedented in Kansas history. The bill restores Some balance in governmental powers and I predict, will restore the faith of the people of Kansas that their government listens to their voice. —

**MESSAGE FROM THE GOVERNOR  
REGARDING VETO OF HOUSE BILL 2054**

House Bill 2054 is a sweeping piece of legislation that would have long-lasting consequences for the people of Kansas as we continue to mitigate the impact of COVID-19 in our state.

I support provisions of House Bill 2054 that extend a crucial emergency declaration upon which Kansas' entire COVID-19 response effort is based. With no emergency declaration in place, critical federal support through FEMA, in addition to all Executive Orders issued under the previous act, will expire. Months of sacrifice and work on the part of Kansas families, local officials, public health leaders, and emergency response teams to limit the harm inflicted by this global public health pandemic will be lost.

Unfortunately, this legislation comes attached to policy provisions I cannot support.

**1. House Bill 2054 politicizes and hampers the ability of the Executive Branch to act swiftly on behalf of Kansans in the face of an emergency.** I am willing to accept changes to Kansas Emergency Management Act (KEMA) that extend additional legislative oversight during times of emergency, within reason. Unfortunately, House Bill 2054 goes beyond reasonable legislative oversight and fails to make appropriate amendments to the law. First, the legislation demands that a supermajority of legislative leaders on the State Finance Council approve emergency actions. The bill also needlessly and dangerously hamstring the government's ability to respond to future threats from COVID-19. Finally, House Bill 2054 fails to provide a reasonable mechanism for the extension of emergency declarations during the many months each year that the Legislature is not in session.

**2. House Bill 2054 creates unnecessary, unprecedented bureaucracy that will impede on the timely distribution of federal coronavirus relief.** I am willing to engage the Kansas Legislature in the proper, efficient distribution of federal Coronavirus Relief Funds. This is why I included both Republican legislative leaders and Republican budget committee chairs on the Strengthening People and Revitalizing Kansas (SPARK) Taskforce for the newly established Recovery Office. However, House Bill 2054 goes beyond collaboration to add unwarranted, unprecedented bureaucracy to the process. It will inevitably delay and confuse efforts for providing relief to Kansas communities and businesses. Kansas accepts billions of dollars in aid each year from the federal government. Kansas law provides the Executive Branch authority to not only accept federal funds, but to expend such funds. This legislative overreach is not only unprecedented, it will delay the process to an extent that will endanger our ability to disperse funds by December 31, 2020, as required by federal law.

**3. House Bill 2054 undermines a thoughtful compromise originally reached on liability protections to protect both individuals and responsible business owners.** My administration engaged key stakeholders in a thorough discussion to amend COVID-19-related civil liability protections in a responsible manner. After weeks of negotiation, a compromise was reached. House Bill 2054 fails to honor this compromise and discards all of the progress made in prior negotiations.

House Bill 2054 was debated, voted on, and written while most Kansans were asleep and was never intended to address reasonable concerns and bring KEMA in line

with our present circumstances. Rather, it was designed to trigger a high-stakes game of political chicken, combining provisions that are essential to COVID-19 response with a wide ranging, special interest “wish-list” of unrelated and unnecessary provisions. I call on the Kansas Legislature to send a clean proposal to my desk that will provide clarity and legal certainty for all elements of our emergency response moving forward.

Therefore, under Article 2, Section 14(a) of the Kansas Constitution, I hereby veto House Bill 2054.

Dated: May 26, 2020

LAURA KELLY  
*Governor of Kansas*

The Legislature having adjourned Sine Die on May 21, 2020, there was no opportunity for reconsideration of **Senate Substitute for HB 2054**.

The following message with the Governor's objection to **HB 2510**, AN ACT concerning education; creating the Kansas promise scholarship act; requiring a Kansas foster care children annual academic report card; authorizing the state board of regents on behalf of Kansas state university to sell certain real property in Saline county; authorizing school districts to pay tuition and fees for concurrent and dual enrollment of students; requiring tuition waiver for dual or concurrently enrolled foster students; authorizing the practice of the healing arts by healing arts school clinics; providing ACT college entrance exams and workkeys assessments to nonpublic school students; amending K.S.A. 65-2877a, as amended by section 5 of chapter 52 of the 2019 Session Laws of Kansas, 72-3220, 72-3221, 72-3222, 72-3223, 72-3224 and 75-53,112 and K.S.A. 2019 Supp. 17-2707, 17-7668 and 72-5179 and repealing the existing sections, was received on June 1, 2020.

**MESSAGE FROM THE GOVERNOR  
REGARDING VETO OF HOUSE BILL 2510**

House Bill 2510 includes valuable provisions—such as free ACT exams for high school students and a foster care report card—that I would sign into law if they were presented in a standalone bill. The Kansas Promise Scholarship is also a laudable effort to make higher education more accessible to vulnerable Kansans who come of age in the foster care system, and to incentivize Kansas graduates to establish their careers here.

Although well-intentioned, House Bill 2510 as a whole would annually deplete millions from state funds at a time when Kansas faces a \$1.3 billion budget shortfall. I cannot in good conscience sign a bill establishing a new discretionary spending program that is unrelated to Kansas COVID-19 response efforts when such severe financial strain looms in the months ahead. I have made Kansas children in foster care one of the top priorities of my administration. At this time of fiscal crisis we must focus on preserving the foster care programs and services already in place.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2510.

The Legislature having adjourned Sine Die on May 21, 2020, there was no opportunity for reconsideration of **HB 2510**.

The following message with the Governor's objection to **HB 2619**, AN ACT concerning financial institutions; enacting the Kansas economic recovery loan deposit program; relating to credit unions, field of membership; banks, trust companies and savings and loan institutions, privilege tax, deduction of net interest received from certain agricultural real estate loans and single family residence loans; amending K.S.A. 75-4237 and 79-1109 and K.S.A. 2019 Supp. 17-2205 and repealing the existing sections, was received on June 1, 2020.

**MESSAGE FROM THE GOVERNOR  
REGARDING VETO OF HOUSE BILL 2619**

House Bill 2619 establishes a new Economic Recovery Linked Deposit Loan Program for businesses in response to the economic downturn caused by the COVID-19 pandemic. This 10-year program would make up to \$60 million available for low-interest loans to businesses and agricultural producers through the Pooled Money Investment Board.

I support efforts to provide economic relief to Kansas small businesses and agricultural producers who have been hard hit by the COVID-19 pandemic. However, federal funding made available to Kansas through the CARES Act is a more appropriate funding source for this effort. With a \$1.3 billion budget shortfall looming, we must protect every state resource at our disposal to make ends meet in the months ahead, including earnings from the state's investment portfolio.

House Bill 2619 also grants authority to the Kansas State Treasurer to administer the loan program. These programs have historically been administered by the Kansas Department of Commerce, and that should continue in our COVID-19 response effort.

Finally, this bill includes a problematic income tax exemption for for-profit banks. While the efforts of Kansas banks and credit unions to reach a compromise on this legislation are laudable, I cannot in good conscience agree to providing tax breaks for banks in light of the looming budget shortfall. Additionally, the CARES Act already provides relief for banks that will far exceed the benefits of this legislation.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2619.

LAURA KELLY  
*Governor of Kansas*

The Legislature having adjourned Sine Die on May 21, 2020, there was no opportunity for reconsideration of **HB 2619**.

The following message with the Governor's objection to **HB 2702**, AN ACT concerning taxation; relating to income tax, enacting the Kansas taxpayer protection act regulating paid tax return preparers, extending certain return filing and tax payment deadlines; property taxation, rates, truth in taxation and establishing notice and public hearing requirements prior to approval to exceed revenue neutral rate, discontinuing the city and county tax lid, time for payment of real property and personal property taxes, providing for waiver of interest and fees for late property tax payments for a certain period of time, extending the time for listing and publication of delinquent real estate subject to sale, prohibiting valuation increase of real property solely as the result of normal repair, replacement or maintenance, establishment of a payment plan for the payment of delinquent or nondelinquent taxes; amending K.S.A. 79-1110, 79-1460, 79-1801, 79-2024, 79-2302, 79-2303, 79-2925c, 79-3221 and 79-3225 and repealing the existing sections, was received on June 1, 2020.

**MESSAGE FROM THE GOVERNOR  
REGARDING VETO OF HOUSE BILL 2702**

During the COVID-19 pandemic our local governments have risen to the challenge of providing services to citizens when COVID-19 threatens the normal operations of businesses and government agencies alike. I am keenly aware of the challenges facing Kansas taxpayers, especially those facing unemployment or decreased income as a result of the COVID-19 pandemic.

However, the COVID-19 pandemic has also required our local governments to do more with less. Local governments rely heavily on property taxes to fund essential programs and services, but by allowing property tax payments to be made as late as August 10, 2020, with no penalties or interest, House Bill 2702 would potentially deprive local governments of essential funding at a time it is needed the most. Local governments cannot meet increased demand for police, fire, emergency medical, and other services if a primary funding source for local governments is withdrawn. Additionally, HB 2702 places significant administrative burdens on local governments when local officials should be focused on addressing the threats and challenges of COVID-19 in their communities.

I have long supported responsible property tax relief, but the provisions of HB 2702 cause more problems than they solve. Now is not the time to create more problems and burdens for local governments.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2702.

### MESSAGE FROM THE GOVERNOR

Over the last few months Kansans have faced unprecedented challenges because of COVID-19. Through it all, Kansans have shown resiliency and compassion that has served as strong reminder that we are all in this together.

I have called this special session of the Legislature for a simple and clear purpose. During the COVID-19 pandemic our state must be able to respond to this emergency to protect the health and safety of Kansans, and keep our economy open. Our state is in a precarious position. Although we have made it through the initial peak of COVID-19 cases, and although the numbers have been trending steadily downward over the last several weeks, we must not be lulled into a sense of complacency.

We continue to learn more about this deadly virus every day, and the moment we let down our guard, we leave our state susceptible to a resurgence of the virus that could endanger the lives of Kansans and the working of our economy. As I have said before, the most important purpose of this special session is to ensure that our government can continue to respond as necessary to this evolving pandemic. That means extending the emergency declaration and making reasonable amendments to the Kansas Emergency Management Act. I believe we can accomplish these goals quickly and efficiently together.

I am heartened that in the days leading up to this special session legislators on both sides of the aisle have come together to work with my office to seek a bipartisan solution to the emergency management issues facing our state. Each side has given and taken in this process, and that is how government should work. The product will not be perfect in the eyes of either side, but it will work for Kansans – and that is our job.

Every state lawmaker should embrace the opportunity to work together in a bipartisan fashion to keep Kansans safe. Their efforts can be historic in not only helping today's Kansans, but also future generations who also will face the tragic toll of unexpected disasters.

We will continue to face these challenges together as we work towards our economic

recovery. I look forward to working with the Legislature to pass emergency legislation that is in the best interests of all Kansans. It is what Kansans expect of us as leaders -- and it's what Kansans deserve.

Respectfully,

LAURA KELLY  
*Governor*

### **OATH OF OFFICE**

Representative-elect Jennifer Day took and subscribed to the following oath of office, which was administered by Scott Schwab, Secretary of State.

STATE OF KANSAS, COUNTY OF SHAWNEE, SS:

I do solemnly swear, or affirm, that I will support the Constitution of the United States, and the Constitution of the State of Kansas, and will faithfully discharge the duties of the office of member of the House of Representatives, so help me God.

Subscribed and sworn to, or affirmed, before me this 3<sup>rd</sup> day of June, 2020.

Scott Schwab  
*Secretary of State*

Speaker Ryckman called the House to order.  
The roll was called with 118 members present.  
Reps. Barker, Donohoe, Frownfelter, Mastroni, Moore, Parker and Schreiber were excused on excused absence by the Speaker.  
Present later: Reps. Frownfelter and Parker.

Prayer by Chaplain Brubaker,

Our Gracious Heavenly Father,  
we come before You today,  
thankful for all You have done for us,  
but fully aware of how desperately we need Your help.  
We didn't know we would be here today  
but are reminded that although  
"we can make our plans,  
the Lord determines our steps." (Proverbs 16:9)  
As our leaders meet today,  
give them wisdom, grace and discernment.  
These are difficult days with difficult decisions that need to be made.  
Your Word also tells us  
"we can make our own plans,  
but the Lord gives the right answer." (Proverbs 16:1)  
May we seek Your answers to these difficulties today.  
And, please, Lord, be with our nation.

We need forgiveness – we need healing.  
 Now is the time we need to humble ourselves,  
 and to pray and seek Your face  
 and to turn from our wicked ways.  
 Then You will hear from heaven  
 and will forgive our sin and heal our land. (2 Chronicles 7:14)  
 May it be so, Lord.  
 This I pray in Christ’s Name, Amen.

The Pledge of Allegiance was led by Rep. Vickrey.

Also, on motion of Rep. Rhiley to amend **HB 2016**, the motion did not prevail.

Also, roll call was demanded on motion of Rep. Pittman to amend **HB 2016** on page 57, following line 11, by inserting:

"Sec. 41. K.S.A. 2019 Supp. 44-5a01 is hereby amended to read as follows: 44-5a01. (a) Where the employer and employee or ~~workman~~ worker are subject by law or election to the provisions of the ~~workmen's~~ workers compensation act, the disablement or death of an employee or ~~workman~~ worker resulting from an occupational disease as defined in this section shall be treated as the happening of an injury by accident, and the employee or ~~workman~~ worker or, in case of death, ~~his~~ the employee's or worker's dependents shall be entitled to compensation for such disablement or death resulting from an occupational disease, in accordance with the provisions of the ~~workmen's~~ workers compensation act as in cases of injuries by accident ~~which that~~ are compensable thereunder, except as specifically provided otherwise for occupational diseases, including as provided for the occupational disease of COVID-19 pursuant to subsection (g). In no circumstances shall an occupational disease be construed to include injuries caused by repetitive trauma as defined in K.S.A. 44-508, and amendments thereto.

(b) "Occupational disease" ~~shall mean means~~ only a disease arising out of and in the course of the employment resulting from the nature of the employment in which the employee was engaged under such employer, and ~~which that~~ was actually contracted while so engaged, except as provided by subsection (g). "Nature of the employment" ~~shall mean means~~, for purposes of this section, that to the occupation, trade or employment in which the employee was engaged, there is attached a particular and peculiar hazard of such disease ~~which that~~ distinguishes the employment from other occupations and employments; and ~~which that~~ creates a hazard of such disease ~~which that~~ is in excess of the hazard of such disease in general. Except as provided by subsection (g), the disease must appear to have had its origin in a special risk of such disease connected with the particular type of employment and to have resulted from that source as a reasonable consequence of the risk. Ordinary diseases of life and conditions ~~to which that~~ the general public is or may be exposed to outside of the particular employment, and hazards of diseases and conditions attending employment in general, shall not be compensable as occupational diseases, except that compensation shall not

be payable for pulmonary emphysema or other types of emphysema unless it is proved, by clear and convincing medical evidence to a reasonable probability, that such emphysema was caused, solely and independently of all other causes, by the employment with the employer against whom the claim is made, except that, if it is proved to a reasonable medical probability that an existing emphysema was aggravated and contributed to by the employment with the employer against whom the claim is made, compensation shall be payable for the resulting condition of the workman, but only to the extent such condition was so contributed to and aggravated by the employment.

(c) In no case shall an employer be liable for compensation under this section unless disablement results within one year or death results within three years in case of silicosis, or one year in case of any other occupational disease, after the last injurious exposure to the hazard of such disease in such employment, or, in case of death, unless death follows continuous disability from such disease, commencing within the period above limited, for which compensation has been paid or awarded or timely claim made as provided in the workmen's compensation act, and results within seven years after such last exposure. Where payments have been made on account of any disablement from which death shall thereafter result such payments shall be deducted from the amount of liability provided by law in case of death. The time limit prescribed by this section shall not apply in the case of an employee whose disablement or death is due to occupational exposure to ionizing radiation., the motion did not prevail.

(d) Except as provided by subsection (g), where an occupational disease is aggravated by any disease or infirmity, not itself compensable, or where disability or death from any other cause, not itself compensable, is aggravated, prolonged, accelerated or in any wise contributed to by an occupational disease, the compensation payable shall be reduced and limited to such proportion only of the compensation that would be payable if the occupational disease were the sole cause of the disability or death, as such occupational disease, as a causative factor, bears to all the causes of such disability or death, such reduction in compensation to be effected by reducing the number of weekly or monthly payments or the amounts of such payments, as under the circumstances of the particular case may be for the best interest of the claimant or claimants.

(e) No compensation for death from an occupational disease shall be payable to any person whose relationship to the deceased employee or workman arose subsequent to the beginning of the first compensable disability save only to afterborn children.

(f) The provisions of K.S.A. 44-570, and amendments thereto, shall apply in case of an occupational disease.

(g) (1) Notwithstanding any provisions of the workers compensation act to the contrary, the following provisions shall apply to a claim for compensation for death involving a diagnosis of the occupational disease of COVID-19 where the employer against whom the claim is made by the employee's or worker's dependents is the department of corrections and where the deceased employee or worker was engaged in work that involved contact with or work in proximity to or in the same space as a prisoner or inmate.

(A) There shall be a rebuttable presumption that the COVID-19 disease arose out of and in the course of the employment in which the employee was engaged and was contracted while the employee was so engaged, and that the employment was the

prevailing factor in causing the COVID-19. In any event in such a case, a requirement that the COVID-19 resulted from the nature of the employment, as defined in subsection (b), shall not apply. The claimant shall not be required to prove that the COVID-19 resulted from the nature of the employment, as defined in subsection (b), and had its origin in a special risk of such disease connected with the particular type of employment and resulted from that source.

(B) A claim shall not be denied on the basis that the disease of COVID-19 is considered an ordinary disease of life or a hazard of disease attending employment in general.

(C) There shall be a conclusive presumption that the COVID-19 was the sole cause of the death.

(2) The provisions of this subsection shall be effective retroactively to January 1, 2020.

(3) The provisions of this subsection shall expire on May 1, 2021, unless the legislature acts to reauthorize such provisions.

(4) The provisions of this subsection shall not be construed so as to limit or exclude any claim for compensation based on an occupational disease.

(5) If any provision of this subsection or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this subsection that can be given effect without the invalid provision or application, and to this end the provisions of this subsection are declared to be severable.";

(2) No bank or financial entity operating in Kansas shall evict a residential tenant when all defaults or violations of the rental agreement are substantially caused by a financial hardship resulting from the COVID-19 pandemic; and

(3) No landlord, whether an individual, company, bank, financial lending entity, nursing home, long-term care facility or other such entity shall evict a residential tenant when all defaults or violations of the rental agreement are substantially caused by a financial hardship resulting from the COVID-19 pandemic.

(4) The provisions of paragraphs (2) and (3) shall not apply to a foreclosure on any multi-family residential property in which residential tenants rent from a landlord, so long as the foreclosure will not result in the eviction of any tenants.

If an individual or family has been determined by the state treasurer or the state treasurer's designee as being ineligible to remain on the default payments list, the bank, financial entity or landlord, as such term is referenced in subsection (b)(3), operating in Kansas shall make a good faith effort to negotiate payment plans with such individual or family to address moneys owed before instituting judicial proceedings against such individual or family.

(3)(A) The state treasurer shall develop guidelines for determining eligibility to remain on an eligible lending institution's default payment list and for annually reviewing each eligible lending institution's default payment list.

(B)(i) The program described under this section shall cease 90 days following a determination by the governor of Kansas, in consultation with such experts as the governor deems necessary, that financial hardships resulting from the COVID-19 pandemic have abated to an acceptable level. The governor shall announce such determination on the date that such determination is made.

(ii) The state treasurer shall provide at least 90 days' prior notice before suspending any program initiated by any bank, financial entity or landlord, as such term is referenced in subsection (b)(3), operating in Kansas, with regard to this section.;"

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I vote “yes” on **HB 2016**. “People talk about the middle of the road as though it were unacceptable. Actually, all human problems, excepting morals, come into the gray areas. Things are not all black and white. There have to be compromises. The middle of the road is all of the usable surface. The extremes, right and left, are in the gutters.” – President Dwight D. Eisenhower. This bill is not perfect. But it is the result of a better process, and collaboration, and difficult compromise. It is the middle of the road. Which leads Kansas to 2021. To the stars, through difficulties. – MARK SAMSEL

MR. SPEAKER: I vote “NO” on **HB 2016**. I support parts of this bill. However, a COVID-19 emergency is not occurring and does not seem sufficiently likely to occur in Kansas. Also, through her prior exercise of emergency powers, the Governor seriously damaged our state's economy. I therefore find it inappropriate to even limitedly approve and extend any of the Governor's emergency proclamations. Further, the Governor's blatant disregard for our religious freedoms expressly protected by Section 7 of the Kansas Constitution's Bill of Rights through her mass gatherings prohibitions causes me to question whether she'll respect limitations imposed on her by statute. –

-JESSE BURRIS, RANDY GARBER, BILL RHILEY

MR. SPEAKER: I reluctantly vote Yes today on HB 2016. This bill should have had a committee hearing and vote before it came to the floor. The governmental reaction to the Covid-19 pandemic has been an epic public policy failure so far. The overreaction by public officials has helped kill the once thriving American economy and the livelihoods of millions. I believe this bill will help in areas of business liability, governmental accountability, and the elimination of one-person “emergency” rule by state governors and county health officials. On that basis I saw HB2016 as in the best interest of my constituents. – PAUL WAGGONER

Upon unanimous consent, the House referred back to the regular business, Introduction of Bills and Concurrent Resolutions.

### INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS
