THIRTY-SIXTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, March 2, 2021, 10:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 124 members present.

Rep. Howard was excused on verified illness.

Prayer by Chaplain Brubaker:

Lord God,
Thank You for the blessing and opportunity
To enjoy another beautiful day that You have created.
As our leaders continue their work today,
help them to pursue righteousness and not rightness;
to exercise faith and not exploit others flaws;
to speak in love and not with license;
to find paths to peace rather than to give in to resentment.
May our efforts today bring a better tomorrow.
Remind each one that none are here by accident,
but by Your plan to fulfill Your purpose.
This I pray in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Samsel.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Blake Carpenter, **HR 6010**, A RESOLUTION supporting the United States Army Future Vertical Lift program, was adopted.

There being on objection, the following remarks of Rep. Blake Carpenter are spread upon the Journal:

Good morning Body. Bell Helicopter has recently started operations in the Air Capitol of the World. They currently have hired approximately 50 Kansas engineers, with plans to quickly grow the engineering center to 100 engineers. These are high paying jobs that grow our Kansas economy while also allowing more Kansans to contribute in the effort to protect the United States of America and defend democracy and American interests throughout the world.

The United States Army modernization plan involves six mutually supporting priorities, including future vertical lift or (FVL), to enable the joint force to counter evolving threats. The FVL program involves a next-generation family of aircraft, enabling the US Department of Defense to successfully meet these emerging and rapidly evolving threats. Bell is a leader in the development of FVL technology that will create this new aircraft for our American military.

Our troops require vertical lift aircraft with greater reach, speed, agility, lethality and survivability to compete in the anti-access, anti-denial threat environment. FVL is a national imperative as a key enabler of many facets of Multi-Domain Operations and serves as a blueprint for Army modernization. Bell Helicopter is a leader in this effort.

We welcome Bell to Wichita and thank them for the jobs they've brought to Kansas.

It is our hope that this is just the start and that we will someday soon see Bell manufacturing vertical lift aircraft right here in Kansas. Representatives of Bell Helicopter are here in the Kansas Capitol today. Due to COVID-19 we are unable to have them join us in the Chamber. However, they are right outside the Chamber and listening to our proceedings. Please join me in welcoming these Bell Helicopter Representatives to Kansas.

This will show that the state of Kansas supports the United States Army's Future Vertical Lift program, including the Future Long-Range Assault Aircraft program as part of the US Army modernization plan.

EXPLANATION OF VOTE

MR. SPEAKER: I voted NO today on **HB 2128**. A majority of our Sumner County offenders now are out of the area Wichita etc. if we transfer them all to Sedgwick County District we would be out of clients. I also think we want to prosecute the offenders that are committing crimes in Sumner county. I think it would overload Sedgwick even more then what they are now. I think we owe it to our victims that reside in Sumner County to have these cases remain in our county. In addition, we already transfer supervision around the state. — BILL RHILEY

EXPLANATIONS OF VOTE

MR. SPEAKER: I voted NO today on **HB 2212**. I disagree with the removal of language in this bill that allows out of state residency. I agree with the language to allow across county line owning of licenses but not across state lines, this would allow large businesses from Texas, California, and New York to own a business instead of local family owned business. – BILL RHILEY

Mr. Speaker: I vote aye on HB 2212 to assure that our Liquor Control Act is constitutional. It is important that all changes to this Act carefully provide for reasonable regulation, for public health and safety and protect our state's authority to regulate under the 21st amendment of the United States Constitution. – Tom Kessler

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote “No” today on **HB 2259** for two reasons: First we have been told this would only apply to patients with chlamydia, but nowhere in the bill does the word “chlamydia” appear and quite to the contrary, the bill specifies this would apply to any sexually transmitted disease.

Second, we have all been taught from a very young age that we should never share drugs prescribed to us with other people. This bill would allow and indeed encourage patients to do just the opposite of that longstanding principle and would set a dangerous precedent going forward. – CLARKE SANDERS

MR. SPEAKER: I vote No on **HB 2259**. When government continues to push sexual perversion and indoctrinates children in schools what other outcome does the state have to expect? This legislation does not stop the spread of sexually transmitted diseases in our society. On the contrary, it encourages more sexual promiscuity with little cure for personal responsibility. The prevention of sexual diseases is a more prudent standard to live by and would drastically reduce or eliminate sexual diseases if we the people returned to the moral absolutes that God has given us to live by. “An ounce of prevention is worth a pound of cure.” – TREVOR JACOBS, TIMOTHY JOHNSON, RANDY GARBER, RON ELLIS

MR. SPEAKER: I vote YES on **HB 2259**. This bill is overdue and allows Kansas to make strides in decreasing the incidence of Chlamydia STDs with its many complications. Kansas will be the 47th state to provide Expedited Partner Therapy (E.P.T.) for eligible patients and their partner(s). This bill appropriately aligns E.P.T., with C.I.N.C. Statutes (Child in Need of Care.) Younger patients can be treated timely when a parent or guardian is not present. As all providers of healthcare are mandatory reporters of sexual abuse, we will have an opportunity to reduce sex trafficking in the state. This bill is an important step forward in combating STDs in Kansas. – JOHN R. EPLEE, JIM KELLY, MARK

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote YES on **House Bill 2264**, which makes long overdue changes to put our student athletes in charge of the value of their own name, image, and likeness, rather than the athletic corporations. This is where collegiate athletics are headed, and this bill will keep us ahead of changes coming from the Federal government. It also empowers athletes to decide whether to accept a contract, their compensation, and provides the freedom to make their own decisions. It is time to pay the players. – BRANDON WOODARD

MR. SPEAKER: I voted NO today on **HB 2264**. It is not fair and equitable for students that are able to get a scholarship based on academics and are not rewarded when typically an athlete can receive a full scholarship and keep it and also receive a multimillion dollar advertising check. I am against post secondary athletes receiving professional compensation until after they enter a professional sport. – BILL RHILEY
