Almighty God,
We come before You today in awe
of Your mercies and the blessings You give to us each day.
As our leaders continue in the responsibilities before them,
may they commit the work of their hands and their minds to You.
We ask for Your guidance and strength for them.
Establish their plans, that in everything they do,
they would reflect and effect Your purpose.
And may all that is said and accomplished
bring glory and honor to You alone.
In Christ's Name I pray, Amen.

Be it further resolved: That we honor pregnancy maintenance resource centers in Kansas and across the United States; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Kansans for Life and Representative Lynn.

There being no objection the following remarks of Rep. Lynn are spread upon the Journal.

House Resolution 6022 honors the work and support that pregnancy maintenance centers offer to women, men, children and their families throughout Kansas. Pregnancy is a life changing moment for a woman: from that first feeling of excitement and anxiety and trying to understand what one pink line, or 2 blue lines mean on a home pregnancy test, to the shock of disbelief, and then realization that is often joined by laughter or tears, and then the overwhelming sense of, well now what? A feeling many of us in this chamber know first-hand. Personally, I researched embryonic development for years, and even I was afraid about how my child could ever be born healthy, and how in the world could I ever do this right. It is easy for women to struggle to find resources and support to help them know where to turn, what to do, what to expect. Pregnancy maintenance centers provide that network of support.

We know how important maternal health is for both mother and child. Pregnancy maintenance centers aim to help women, men, family and friends who find themselves with an unplanned pregnancy. Not only do they include pregnancy testing and medical referrals, they also provide STI testing and treatment, ultrasounds, information regarding adoption, infant loss support, referrals for rape and domestic abuse, emotional support, men's peer support. They provide pregnancy education services, including childbirth, and parenting classes, as well as community resource referrals, and maternity and infant clothing.

As a mother to three wonderful children, I had help and supports that many Kansas women do not. I can't imagine going through a pregnancy without that. Our communities are best served when we have access to these complete supports, honoring both the dignity of women and pregnancy, and understanding how it impacts our lives.

So, in honor of these centers and the help they provide, I hope you will stand with me and support this resolution.

On motion of Rep. Hawkins, the House resolved into the Committee of the Whole, with Rep. Barker in the chair.
