

**Kansas House of Representatives  
State and Federal Affairs Committee**

**Testimony in support of HB 2251**

**I support this legislation that would improve law enforcement's ability to reduce gun violence using a bipartisan law already on the books. It will reduce the risk that domestic violence poses to all involved, especially women and children.**

**Carl Reed  
1418 Leavenworth St  
Manhattan, KS  
House district 66, senate district 22**
