Dear Committee Members,

My name is Griff Martin, and I am honored to serve as a City Commissioner for the great city of Leavenworth, KS. Please consider for approval, House Bill No. 2569. As a resident of the oldest city in Kansas, doing everything we can to encourage the repair and maintenance of our old and beautiful buildings, is extremely important. Keeping alive the great and memorable history of our city, through our infrastructure, is paramount to our heritage. I urge you to consider this bill for approval, as it is a key and foundational element to preserving the great history of not only Leavenworth, but every city in Kansas.

Yours respectfully,
