

TESTIMONY
HOUSE BILL 2569

House Committee on Financial Institutions and Rural Development
February 14, 2022
Tony Krsnich

Chairman Kelly and members of the committee, I am writing in support of House Bill 2569 to expand the historic tax credit program. My company, Flint Hills Holdings Group, has successfully developed historic properties in Lawrence, Parsons, Fort Scott, and Kansas City.

The state historic tax credit has proven to save historic structures, create jobs, and is one of the most impactful catalysts for spurring private investment.

Before COVID 19, in many cases it was impossible to preserve historic properties in small towns. With the expansion of the program, many buildings would be economically feasible for redevelopment.

Thank you,

Tony Krsnich
