February 17, 2022

PROPONENT of HB 2498

Madam Chair Landwehr and the House Committee on Health and Human Services:

Thank you for having a hearing on HB 2498. I encourage you to vote for it, as it will allow leave the choice of whether children need the covid 19 vaccination with parents. As a parent, I believe this is very important, as each child and their situation are unique.

Sincerely,

Konrad Mast

Lawrence, Douglas, Kansas

House District 45
