Opponent

House Judiciary

Chairman: Rep. Fred Patton

Members of the House Judiciary Committee. My name is Coleson Reinecker, I am a sophomore at Inman High School, and I am opposed to the State of Emergency proclamation. Why you may ask? Well it's because no one is enforcing it. Countless times have I gone into restaurants and other businesses without wearing a mask. Plus, when I go into a restaurant and sit down, I take my mask off to eat, thus spreading the germs all over my table. This is just pointless. That is why I ask of you not to pass this bill. Thank you for your time.
