

## **House Bill 2272 – Bill Explainer**

- **What it Does.** House Bill 2619 requires local governments to post on their government website the annual compensation, including all salaries from county, state or other political subdivision of the state.
  
- **Details.**
  - Including benefits of health care or other county health insurance
  
  - Cafeteria plan administered by Secretary of Administration or plan established by county.
  
  - Retirement, insured or other benefits under Kansas Public Employees Retirement System.
  
  - Paid leave
  
- **Why is it Necessary.** This bill is necessary for transparency on elected officials. The information will eliminate false information about compensation.
  
- **Proponent** – Dave Baker
  
- There has been no opposition expressed.
