

TESTIMONY IN FAVOR OF AD ASTRA MAP

John Anderson, Prairie Village

Good day. My name is John Anderson and I live in Prairie Village.

I am a strong proponent of the proposed Ad Astra map. It is important for Johnson County to remain completely in the 3rd Congressional District, and not be split into separate districts. To my knowledge, it has never been split before.

The map also wisely includes the areas just to the south and southwest of Johnson County in the 3rd District – residents of those communities frequently work and shop in Johnson County.

Of course, keeping JOCO whole means WYCO has to get split. The Ad Astra map creates a fair split by using a geographic barrier as the line.

Lastly, the new map is politically fair. It maintains all four members of Congress within their districts.

I simply see no faults.

Thank you.
