Re: Fair & Equitable Representation in Kansas Congressional Maps
Position: Opponent

Chairman and Members of the Committee:

Thank you for the opportunity to supply testimony in support of transparent and fair redistricting.

I am hoping that you respect and listen to the many Kansans who have asked you to be reasonable and fair in setting up our state's districts.

All Kansas voters should be fairly represented.

District 2

Current Congressional maps were created by the courts and should be altered as little as necessary to accommodate population shifts.

Be sensible and reasonable ...or we end up in court..again.

Respectfully,

Jane George
