Proponent of Senate bill No. 388

Dear Mr Chairman and Committee Members,

My name is Joshua J. Aberle. I am writing as a citizen voter who is concerned with the integrity of our election systems. Along with many thousands of other Kansans, I have lost faith in the process of elections in Kansas, and am very concerned that fraud is not just a possibility, but a likelihood.

I write in full support of SB 388 as it is written by Senator Hilderbrand, as it effectively addresses a few of the very obvious shortfalls related to handling of mail ballots. I believe that this bill is a step in the right direction in restoring faith in the electoral process and I look forward to other legislation addressing even more significant election integrity concerns with voter rolls, public access to election data, and security of machines.

Thank you all for the opportunity to express my concerns about our electoral process and my support for this bill. I urge all committee members to support SB 388.

Sincerely,

Joshua J. Aberle
