Jill O'Connor

Proponent of SB 489, written testimony only

Respected Chairman Hilderbrand and respected Committee Members,

I am a proponent of SB 489, especially the Section 4 K.S.A.65-129B revisions. We can't allow anyone to authorize a sheriff, deputy sheriff or other law enforcement officer of the state to come in and remove our children.

Thank you for making these much-needed revisions.

Again, I support this bill.

Most sincerely,

Jill O'Connor
