Greetings from the Heartland Wichita Black Chamber of Commerce, to whom it may concern, as President of the Heartland Wichita Black Chamber of Commerce, I am in support of Senate Bill 100 passing, because I know how important it is for Kansans to get their driver's license so they can be responsible productive citizens, I pray that you give this Bill a strong consideration. This pandemic has created a water fall of problems and passing this bill should allow Kansas citizens the opportunity to provide resources for their families with this opportunity to drive legally.

(316) 393-7252 or via email at heartlandbccwichita@gmail.com.

Kindest Regards,

Kevin Andrews

Kevin Andrews
