**TESTIMONY BEFORE THE  
SENATE TRANSPORTATION COMMITTEE**

**REGARDING HOUSE BILL 2014  
RELATING TO REGISTRATION AND REGULATION  
OF MILITARY SURPLUS VEHICLES**

**March 16, 2021**

Mr. Chairman and Committee Members:

The Kansas Department of Transportation (KDOT) is providing written testimony in support of House Bill 2014 relating to registration and regulation of military surplus vehicles.

HB 2014 includes technical language to meet vehicle weight requirements based on HB 2420 from the 2020 Legislative Session. KDOT worked with the bill sponsor and agreed to the language that is contained in HB 2014. We are supportive of the bill as currently worded. If this bill becomes state law, the estimated revenue to the State Highway Fund collected from registration fees of these vehicles would be approximately \$9,200.00 annually.

Thank you for the opportunity to provide proponent testimony on House Bill 2014.
