

I appreciate this opportunity to speak on behalf of HB 2458.
Honoring my 2nd born son Shane.
Shane was born New Years eve 1986.

Shane loved life... lived it to the fullest.
Shane definitely had the fear factor personality.
He never turned down a dare.
Shane had a diverse group of friends.
But, I would have to say his best friends were his brothers Justin, Kyle and his Dad Terry.
Sadly, his Dad is not here to join us in this humbling opportunity. I know they are watching and smiling with us today.
It is important for our family to continue his legacy.
I will continue to say Shane's name as long as I am this earth.
For My Grandkids, Shane's niece and nephews.
Mackenzie, Declan, Ryker, Camden and Keegan.
This bill will become a piece of their family history. One that will live on for generations.
