To Whom It May Concern:

I would like to express my thoughts on the current state of representation for the citizens of Jefferson County, KS. We are a largely rural, largely conservative county. However, we are represented in the State Senate by Marci Francisco. Marci does not share our values, nor does she hear our voices. She is a die-hard Lawrence liberal who has no interest in her constituents outside of Lawrence.

If at all possible, I would like to see Jefferson County redistricted with Jackson County or perhaps Leavenworth County. Either could give us a large enough population block for a district and a grouping of individuals whose values more closely resemble those of Jefferson County.

Thank you for your consideration.

Sincerely,
Sharon S. Sweeney
