The Honorable Richard Proehl, Chairperson
House Committee on Transportation
Statehouse, Room 581B-W
Topeka, Kansas 66612

Dear Representative Proehl:

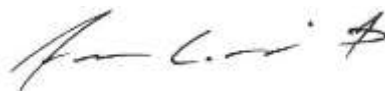

SUBJECT: Fiscal Note for HB 2168 by House Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2168 is respectfully submitted to your committee.

HB 2168 would amend existing law concerning distinctive license plate production to reduce the requirement for a guaranteed plate order from 500 to 250 for a minimum guarantee of the initial issuance. Enactment of the bill would require only 250 prepaid orders before manufacture of plates could begin, and the amount the committed organization would need to pay before development begins would be \$10,000 rather than \$40,000.

The Department of Revenue indicates that enactment of HB 2168 would have no fiscal effect.

Sincerely,

Adam Proffitt
Director of the Budget
