The Honorable Brenda Landwehr, Chairperson  
House Committee on Health and Human Services  
Statehouse, Room 112-N  
Topeka, Kansas 66612

Dear Representative Landwehr:

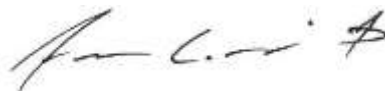

**SUBJECT:** Fiscal Note for HB 2587 by House Committee on Health and Human Services

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2587 is respectfully submitted to your committee.

HB 2587 would require school districts to establish policies and concussion management teams to prevent and manage concussions at schools and school activities. Concussion management teams would be required to establish a return-to-play protocol, based on scientific evidence-based practices, as well as for a student's return to the classroom.

The enactment of HB 2587 would have no fiscal effect on state aid to school districts or the Department of Education. The Department notes that school districts would incur administrative and training costs with the enactment of the bill; however, a fiscal effect cannot be estimated.

Sincerely,

Adam Proffitt  
Director of the Budget
