5 model regulation; amending K.S.A. 2020 Supp. 40-221a, 40-3302, 40-
6 3304 and 40-3306 and repealing the existing sections.

7
8 *Be it enacted by the Legislature of the State of Kansas:*

9 New Section 1. (a) *Purpose.* The actions and information required by
10 this section are declared to be necessary and appropriate in the public
11 interest and for the protection of the ceding insurers in this state.

12 (b) *Severability.* If any provision of this section, or the application of
13 the provision to any person or circumstance, is held invalid, the remainder
14 of the act, and the application of the provision to persons or circumstances
15 other than those to which it is held invalid, shall not be affected.

16 (c) *Credit for reinsurance – reinsurer licensed in this state.* Pursuant
17 to K.S.A. 40-221a(a), and amendments thereto, the commissioner shall
18 allow credit for reinsurance ceded by a domestic insurer to an assuming
19 insurer that was licensed in this state as of any date on which statutory
20 financial statement credit for reinsurance is claimed.

21 (d) *Credit for reinsurance – accredited reinsurers.* (1) Pursuant to
22 K.S.A. 40-221a(a)(2), and amendments thereto, the commissioner shall
23 allow credit for reinsurance ceded by a domestic insurer to an assuming
24 insurer that is accredited as a reinsurer in this state as of the date on which
25 statutory financial statement credit for reinsurance is claimed. An
26 accredited reinsurer shall:

27 (A) File a properly executed form ar-1 in accordance with the
28 instructions and as prescribed and adopted by the national association of
29 insurance commissioners and the commissioner of insurance as evidence
30 of its submission to this state's jurisdiction and to this state's authority to
31 examine its books and records;

32 (B) file with the commissioner a certified copy of a certificate of
33 authority or other acceptable evidence that it is licensed to transact
34 insurance or reinsurance in at least one state, or, in the case of a United
35 States branch of an alien assuming insurer, is entered through and licensed
36 to transact insurance or reinsurance in at least one state;

1 (C) file annually with the commissioner a copy of its annual
2 statement filed with the insurance department of its state of domicile or, in
3 the case of an alien assuming insurer, with the state through which it is
4 entered and in which it is licensed to transact insurance or reinsurance, and
5 a copy of its most recent audited financial statement; and

6 (D) maintain a surplus as regards policyholders in an amount not less
7 than \$20,000,000, or obtain the affirmative approval of the commissioner
8 upon a finding that it has adequate financial capacity to meet its
9 reinsurance obligations and is otherwise qualified to assume reinsurance
10 from domestic insurers.

11 (2) If the commissioner determines that the assuming insurer has
12 failed to meet or maintain any of these qualifications, the commissioner
13 may, upon written notice and opportunity for hearing, suspend or revoke
14 the accreditation. Credit shall not be allowed a domestic ceding insurer
15 under this section if the assuming insurer's accreditation has been revoked
16 by the commissioner, or if the reinsurance was ceded while the assuming
17 insurer's accreditation was under suspension by the commissioner.

18 (e) *Credit for reinsurance – reinsurer domiciled in another state.* (1)
19 Pursuant to K.S.A. 40-221a(a)(3), and amendments thereto, the
20 commissioner shall allow credit for reinsurance ceded by a domestic
21 insurer to an assuming insurer that, as of any date on which statutory
22 financial statement credit for reinsurance is claimed:

23 (A) Is domiciled in or, in the case of a United States branch of an
24 alien assuming insurer, is entered through, a state that employs standards
25 regarding credit for reinsurance substantially similar to those applicable
26 under K.S.A. 40-221a, and amendments thereto, and this section;

27 (B) maintains a surplus as regards policyholders in an amount not less
28 than \$20,000,000; and

29 (C) files a properly executed form ar-1, in accordance with the
30 instructions and as prescribed and adopted by the national association of
31 insurance commissioners and the commissioner of insurance, with the
32 commissioner as evidence of its submission to this state's authority to
33 examine its books and records.

34 (2) The provisions of this section relating to surplus as regards
35 policyholders shall not apply to reinsurance ceded and assumed pursuant
36 to pooling arrangements among insurers in the same holding company
37 system. As used in this section, "substantially similar" standards means
38 credit for reinsurance standards that the commissioner determines are
39 equal to or exceed the standards of K.S.A. 40-221a, and amendments
40 thereto, and this section.

41 (f) *Credit for reinsurance – reinsurers maintaining trust funds.* (1)
42 Pursuant to K.S.A. 40-221a(a)(4), and amendments thereto, the
43 commissioner shall allow credit for reinsurance ceded by a domestic

1 insurer to an assuming insurer that, as of any date on which statutory
2 financial statement credit for reinsurance is claimed, and thereafter for so
3 long as credit for reinsurance is claimed, maintains a trust fund in an
4 amount prescribed below in a qualified United States financial institution,
5 as defined in K.S.A. 40-221a(c)(2), and amendments thereto, for the
6 payment of the valid claims of its United States-domiciled ceding insurers,
7 their assigns and successors in interest. The assuming insurer shall report
8 annually to the commissioner substantially the same information as that
9 required to be reported on the national association of insurance
10 commissioners annual statement form by licensed insurers, to enable the
11 commissioner to determine the sufficiency of the trust fund.

12 (2) The following requirements apply to the following categories of
13 assuming insurer:

14 (A) The trust fund for a single assuming insurer shall consist of funds
15 in trust in an amount not less than the assuming insurer's liabilities
16 attributable to reinsurance ceded by United States-domiciled insurers and,
17 in addition, the assuming insurer shall maintain a trustee surplus of not
18 less than \$20,000,000, except as provided in subparagraph (B).

19 (B) At any time after the assuming insurer has permanently
20 discontinued underwriting new business secured by the trust for at least
21 three full years, the commissioner with principal regulatory oversight of
22 the trust may authorize a reduction in the required trustee surplus, but
23 only after a finding, based on an assessment of the risk, that the new
24 required surplus level is adequate for the protection of United States
25 ceding insurers, policyholders and claimants in light of reasonably
26 foreseeable adverse loss development. The risk assessment may involve an
27 actuarial review, including an independent analysis of reserves and cash
28 flows, and shall consider all material risk factors, including, when
29 applicable, the lines of business involved, the stability of the incurred loss
30 estimates and the effect of the surplus requirements on the assuming
31 insurer's liquidity or solvency. The minimum required trustee surplus may
32 not be reduced to an amount less than 30% of the assuming insurer's
33 liabilities attributable to reinsurance ceded by United States ceding
34 insurers covered by the trust.

35 (C) (i) The trust fund for a group including incorporated and
36 individual unincorporated underwriters shall consist of:

37 (a) For reinsurance ceded under reinsurance agreements with an
38 inception date, amendment or renewal date on or after January 1, 1993,
39 funds in trust in an amount not less than the respective underwriters'
40 several liabilities attributable to business ceded by United States-domiciled
41 ceding insurers to any underwriter of the group;

42 (b) for reinsurance ceded under reinsurance agreements with an
43 inception date on or before December 31, 1992, and not amended or

1 renewed after that date, notwithstanding the other provisions of this
2 section, funds in trust in an amount not less than the respective
3 underwriters' several insurance and reinsurance liabilities attributable to
4 business written in the United States; and

5 (c) in addition to these trusts, the group shall maintain a trustee
6 surplus of which \$100,000,000 shall be held jointly for the benefit of the
7 United States-domiciled ceding insurers of any member of the group for
8 all the years of account.

9 (ii) The incorporated members of the group shall not be engaged in
10 any business other than underwriting as a member of the group and shall
11 be subject to the same level of regulation and solvency control by the
12 group's domiciliary regulator as are the unincorporated members. The
13 group shall, within 90 days after its financial statements are due to be filed
14 with the group's domiciliary regulator, provide to the commissioner:

15 (a) An annual certification by the group's domiciliary regulator of the
16 solvency of each underwriter member of the group; or

17 (b) if a certification is unavailable, a financial statement, prepared by
18 independent public accountants, of each underwriter member of the group.

19 (D) (i) The trust fund for a group of incorporated insurers under
20 common administration, whose members possess aggregate policyholders
21 surplus of \$10,000,000,000 as calculated and reported in substantially the
22 same manner as prescribed by the annual statement instructions and
23 accounting practices and procedures manual of the national association of
24 insurance commissioners and that has continuously transacted an
25 insurance business outside the United States for at least three years
26 immediately prior to making application for accreditation, shall:

27 (a) Consist of funds in trust in an amount not less than the assuming
28 insurers' several liabilities attributable to business ceded by United States-
29 domiciled ceding insurers to any members of the group pursuant to
30 reinsurance contracts issued in the name of such group;

31 (b) maintain a joint trustee surplus of which \$100,000,000 shall be
32 held jointly for the benefit of United States-domiciled ceding insurers of
33 any member of the group; and

34 (c) file a properly executed form ar-1, in accordance with the
35 instructions and as prescribed and adopted by the national association of
36 insurance commissioners and the commissioner of insurance, as evidence
37 of the submission to this state's authority to examine the books and records
38 of any of its members and shall certify that any member examined will
39 bear the expense of any such examination.

40 (ii) Within 90 days after the statements are due to be filed with the
41 group's domiciliary regulator, the group shall file with the commissioner
42 an annual certification of each underwriter member's solvency by the
43 member's domiciliary regulators and financial statements, prepared by

1 independent public accountants, of each underwriter member of the group.

2 (3) (A) Credit for reinsurance shall not be granted unless the form of
3 the trust and any amendments to the trust have been approved by either the
4 commissioner of the state where the trust is domiciled or the commissioner
5 of another state who, pursuant to the terms of the trust instrument, has
6 accepted responsibility for regulatory oversight of the trust. The form of
7 the trust and any trust amendments also shall be filed with the
8 commissioner of every state in which the ceding insurer beneficiaries of
9 the trust are domiciled. The trust instrument shall provide that:

10 (i) Contested claims shall be valid and enforceable out of funds in
11 trust to the extent remaining unsatisfied 30 days after entry of the final
12 order of any court of competent jurisdiction in the United States;

13 (ii) legal title to the assets of the trust shall be vested in the trustee for
14 the benefit of the grantor's United States ceding insurers, their assigns and
15 successors in interest;

16 (iii) the trust shall be subject to examination as determined by the
17 commissioner;

18 (iv) the trust shall remain in effect for as long as the assuming insurer,
19 or any member or former member of a group of insurers, shall have
20 outstanding obligations under reinsurance agreements subject to the trust;
21 and

22 (v) not later than February 28 of each year, the trustee of the trust
23 shall report to the commissioner in writing setting forth the balance in the
24 trust and listing the trust's investments at the preceding year-end, and shall
25 certify the date of termination of the trust, if so planned, or certify that the
26 trust shall not expire prior to the following December 31.

27 (B) (i) Notwithstanding any other provisions in the trust instrument, if
28 the trust fund is inadequate because it contains an amount less than the
29 amount required by this subsection or if the grantor of the trust has been
30 declared insolvent or placed into receivership, rehabilitation, liquidation or
31 similar proceedings under the laws of its state or country of domicile, the
32 trustee shall comply with an order of the commissioner with regulatory
33 oversight over the trust or with an order of a court of competent
34 jurisdiction directing the trustee to transfer to the commissioner with
35 regulatory oversight over the trust or other designated receiver all of the
36 assets of the trust fund.

37 (ii) The assets shall be distributed by and claims shall be filed with
38 and valued by the commissioner with regulatory oversight over the trust in
39 accordance with the laws of the state in which the trust is domiciled
40 applicable to the liquidation of domestic insurance companies.

41 (iii) If the commissioner with regulatory oversight over the trust
42 determines that the assets of the trust fund or any part thereof are not
43 necessary to satisfy the claims of the United States beneficiaries of the

1 trust, the commissioner with regulatory oversight over the trust shall return
2 the assets, or any part thereof, to the trustee for distribution in accordance
3 with the trust agreement.

4 (iv) The grantor shall waive any right otherwise available to it under
5 United States law that is inconsistent with this provision.

6 (4) For purposes of this section, the term "liabilities" means the
7 assuming insurer's gross liabilities attributable to reinsurance ceded by
8 United States-domiciled insurers, excluding liabilities that are otherwise
9 secured by acceptable means, and includes:

10 (A) For business ceded by domestic insurers authorized to write
11 accident and health and property and casualty insurance:

12 (i) Losses and allocated loss expenses paid by the ceding insurer,
13 recoverable from the assuming insurer;

29 in United States dollars, certificates of deposit issued by a United States
30 financial institution, as defined in K.S.A. 40-221a(c), and amendments

35 entity controlling, controlled by or under common control with either the
36 grantor or beneficiary of the trust shall not exceed 5% of total investments.
37 Not more than 20% of the total of the investments in the trust may be
38 foreign investments authorized under subparagraph (A)(v), (C), (F)(ii) or
39 (G), and not more than 10% of the total of the investments in the trust may
40 be securities denominated in foreign currencies. For purposes of applying
41 the preceding sentence, a depository receipt denominated in United States
42 dollars and representing rights conferred by a foreign security shall be
43 classified as a foreign investment denominated in a foreign currency. The

26 the trust if the letter of credit will otherwise expire without being renewed
27 or replaced; and

28 (ii) the trust agreement shall provide that the trustee shall be liable for
29 its negligence, willful misconduct or lack of good faith. The failure of the

32 misconduct.

34 insurer pursuant to subsection (k) shall be applied, until exhausted, to the
35 payment of liabilities of the assuming insurer to the ceding insurer holding

42 insurer that has been certified as a reinsurer in this state at all times for
43 which statutory financial statement credit for reinsurance is claimed under

1 this section. The credit allowed shall be based upon the security held by or
2 on behalf of the ceding insurer in accordance with a rating assigned to the
3 certified reinsurer by the commissioner. The security shall be in a form
4 consistent with the provisions of K.S.A. 40-221a(a)(5) and 40-221a(b),
5 and amendments thereto, and subsection (k), (l) or (m). The amount of

15 (B) Affiliated reinsurance transactions shall receive the same
16 opportunity for reduced security requirements as all other reinsurance
17 transactions.

18 (C) The commissioner shall require the certified reinsurer to post for
19 the benefit of the ceding insurer or its estate, 100% security upon the entry

23 reinsurer shall not be required to post security for catastrophe recoverables
24 for a period of one year from the date of the first instance of a liability
25 reserve entry by the ceding company as a result of a loss from a
26 catastrophic occurrence as recognized by the commissioner. The one-year
27 deferral period shall be contingent upon the certified reinsurer continuing
28 to pay claims in a timely manner. Reinsurance recoverables for only the
29 following lines of business as reported on the national association of
30 insurance commissioners annual financial statement related specifically to
31 the catastrophic occurrence shall be included in the deferral:

- 37 (vi) Line 9: Inland marine.

40 (E) Credit for reinsurance under this section shall apply only to
41 reinsurance contracts entered into or renewed on or after the effective date
42 of the certification of the assuming insurer. Any reinsurance contract
43 entered into prior to the effective date of the certification of the assuming

1 insurer that is subsequently amended after the effective date of the
2 certification of the assuming insurer, or a new reinsurance contract,
3 covering any risk for which collateral was provided previously, shall only
4 be subject to this section with respect to losses incurred and reserves
5 reported from and after the effective date of the amendment or new
6 contract.

7 (F) Nothing in this section shall prohibit the parties to a reinsurance
8 agreement from agreeing to provisions establishing security requirements
9 that exceed the minimum security requirements established for certified
10 reinsurers under this section.

11 (2) *Certification procedure.* (A) The commissioner shall post notice
12 on the insurance department's website promptly upon receipt of any
13 application for certification, including instructions on how members of the
14 public may respond to the application. The commissioner shall not take
15 final action on the application until at least 30 days after posting the notice
16 required by this paragraph.

17 (B) The commissioner shall issue written notice to an assuming
18 insurer that has made application and been approved as a certified
19 reinsurer. Included in such notice shall be the rating assigned the certified
20 reinsurer in accordance with subsection (g)(2)(A). The commissioner shall
21 publish a list of all certified reinsurers and their ratings.

22 (C) In order to be eligible for certification, the assuming insurer shall
23 meet the following requirements:

24 (i) The assuming insurer must be domiciled and licensed to transact
25 insurance or reinsurance in a qualified jurisdiction, as determined by the
26 commissioner pursuant to subsection (g)(3);

27 (ii) the assuming insurer shall maintain capital and surplus, or its
28 equivalent, of no less than \$250,000,000 calculated in accordance with
29 subsection (g)(2)(D)(viii). This requirement may also be satisfied by an
30 association including incorporated and individual unincorporated
31 underwriters having minimum capital and surplus equivalents, net of
32 liabilities, of at least \$250,000,000 and a central fund containing a balance
33 of at least \$250,000,000;

34 (iii) the assuming insurer shall maintain financial strength ratings
35 from two or more rating agencies deemed acceptable by the commissioner.
36 These ratings shall be based on interactive communication between the
37 rating agency and the assuming insurer and shall not be based solely on
38 publicly available information. These financial strength ratings shall be
39 one factor used by the commissioner in determining the rating that is
40 assigned to the assuming insurer. Acceptable rating agencies include the
41 following:

42 (a) Standard & poor's;

43 (b) Moody's investors service;

- 1 (c) Fitch ratings;
- 2 (d) a.m. best company; or
- 3 (e) any other nationally recognized statistical rating organization; and
- 4 (iv) the certified reinsurer shall comply with any other requirements
- 5 reasonably imposed by the commissioner.

6 (D) Each certified reinsurer shall be rated on a legal entity basis, with
 7 due consideration being given to the group rating where appropriate,
 8 except that an association including incorporated and individual
 9 unincorporated underwriters that has been approved to do business as a
 10 single certified reinsurer may be evaluated on the basis of its group rating.
 11 Factors that may be considered as part of the evaluation process include,
 12 but are not limited to, the following:

13 (i) The certified reinsurer's financial strength rating from an
 14 acceptable rating agency. The maximum rating that a certified reinsurer
 15 may be assigned shall correspond to its financial strength rating as outlined
 16 in the table below. The commissioner shall use the lowest financial
 17 strength rating received from an approved rating agency in establishing the
 18 maximum rating of a certified reinsurer. A failure to obtain or maintain at
 19 least two financial strength ratings from acceptable rating agencies shall
 20 result in loss of eligibility for certification;

21 (ii) the business practices of the certified reinsurer in dealing with its
 22 ceding insurers, including its record of compliance with reinsurance
 23 contractual terms and obligations;

39 (iii) for certified reinsurers domiciled in the United States, a review of
 40 the most recent applicable national association of insurance commissioners
 41 annual statement blank, either schedule f, for property and casualty
 42 reinsurers, or schedule s, for life and health reinsurers, in accordance with
 43 the instructions and as prescribed and adopted by the national association

1 of insurance commissioners and the commissioner of insurance;

2 (iv) for certified reinsurers not domiciled in the United States, a
3 review annually of form cr-f, for property and casualty reinsurers, in
4 accordance with the instructions and as prescribed and adopted by the
5 national association of insurance commissioners and the commissioner of
6 insurance or form cr-s, for life and health reinsurers, in accordance with
7 the instructions and as prescribed and adopted by the national association
8 of insurance commissioners and the commissioner of insurance;

9 (v) the reputation of the certified reinsurer for prompt payment of
10 claims under reinsurance agreements, based on an analysis of ceding
11 insurers' schedule f reporting of overdue reinsurance recoverables,
12 including the proportion of obligations that are more than 90 days past due
13 or are in dispute, with specific attention given to obligations payable to
14 companies that are in administrative supervision or receivership;

15 (vi) regulatory actions against the certified reinsurer;

16 (vii) the report of the independent auditor on the financial statements
17 of the insurance enterprise, on the basis described in clause (viii);

18 (viii) for certified reinsurers not domiciled in the United States,
19 audited financial statements, regulatory filings, and actuarial opinion, as
20 filed with the non-U.S. jurisdiction supervisor, with a translation into
21 English. Upon the initial application for certification, the commissioner
22 will consider audited financial statements for the last two years filed with
23 its non-U.S. jurisdiction supervisor;

24 (ix) the liquidation priority of obligations to a ceding insurer in the
25 certified reinsurer's domiciliary jurisdiction in the context of an insolvency
26 proceeding;

27 (x) a certified reinsurer's participation in any solvent scheme of
28 arrangement, or similar procedure, that involves United States ceding
29 insurers. The commissioner shall receive prior notice from a certified
30 reinsurer that proposes participation by the certified reinsurer in a solvent
31 scheme of arrangement; and

32 (xi) any other information deemed relevant by the commissioner.

33 (E) Based on the analysis conducted under subparagraph (D)(v) of a
34 certified reinsurer's reputation for prompt payment of claims, the
35 commissioner may make appropriate adjustments in the security the
36 certified reinsurer is required to post to protect its liabilities to United
37 States ceding insurers, provided that the commissioner shall, at a
38 minimum, increase the security the certified reinsurer is required to post
39 by one rating level under subparagraph (D)(i) if the commissioner finds
40 that:

41 (i) More than 15% of the certified reinsurer's ceding insurance clients
42 have overdue reinsurance recoverables on paid losses of 90 days or more
43 that are not in dispute and that exceed \$100,000 for each cedent; or

1 (ii) the aggregate amount of reinsurance recoverables on paid losses
2 that are not in dispute that are overdue by 90 days or more exceeds
3 \$50,000,000.

4 (F) The assuming insurer shall submit a properly executed form cr-1
5 in accordance with the instructions and as prescribed and adopted by the
6 national association of insurance commissioners and the commissioner of
7 insurance as evidence of its submission to the jurisdiction of this state,
8 appointment of the commissioner as an agent for service of process in this
9 state, and agreement to provide security for 100% of the assuming
10 insurer's liabilities attributable to reinsurance ceded by United States
11 ceding insurers if it resists enforcement of a final United States judgment.
12 The commissioner shall not certify any assuming insurer that is domiciled
13 in a jurisdiction that the commissioner has determined does not adequately
14 and promptly enforce final United States judgments or arbitration awards.

15 (G) The certified reinsurer shall agree to meet applicable information
16 filing requirements as determined by the commissioner, both with respect
17 to an initial application for certification and on an ongoing basis. All
18 information submitted by certified reinsurers that is not otherwise public
19 information subject to disclosure shall be exempted from disclosure under
20 the open records act, K.S.A. 45-215, et seq., and amendments thereto, and
21 shall be withheld from public disclosure. The provisions of this
22 subparagraph providing for the confidentiality of public records shall
23 expire on July 1, ~~2025~~ **2026**, unless the legislature reviews and continues
24 such provisions in accordance with K.S.A. 45-229, and amendments
25 thereto. The applicable information filing requirements are, as follows:

26 (i) Notification within 10 days of any regulatory actions taken against
27 the certified reinsurer, any change in the provisions of its domiciliary
28 license or any change in rating by an approved rating agency, including a
29 statement describing such changes and the reasons therefor;

30 (ii) annually, form cr-f or cr-s, in accordance with the instructions and
31 as prescribed and adopted by the national association of insurance
32 commissioners and the commissioner of insurance as applicable;

33 (iii) annually, the report of the independent auditor on the financial
34 statements of the insurance enterprise, on the basis described in clause
35 (iv);

36 (iv) annually, the most recent audited financial statements, regulatory
37 filings and actuarial opinion, as filed with the certified reinsurer's
38 supervisor, with a translation into English. Upon the initial certification,
39 audited financial statements for the last two years filed with the certified
40 reinsurer's supervisor;

41 (v) at least annually, an updated list of all disputed and overdue
42 reinsurance claims regarding reinsurance assumed from United States
43 domestic ceding insurers;

1 (vi) a certification from the certified reinsurer's domestic regulator
2 that the certified reinsurer is in good standing and maintains capital in
3 excess of the jurisdiction's highest regulatory action level; and

4 (vii) any other information that the commissioner may reasonably
5 require.

6 (H) *Change in rating or revocation of certification.* (i) In the case of a
7 downgrade by a rating agency or other disqualifying circumstance, the
8 commissioner upon written notice shall assign a new rating to the certified
9 reinsurer in accordance with the requirements of subsection (g)(2)(D)(i).

10 (ii) The commissioner shall have the authority to suspend, revoke or
11 otherwise modify a certified reinsurer's certification at any time if the
12 certified reinsurer fails to meet its obligations or security requirements
13 under this section, or if other financial or operating results of the certified
14 reinsurer, or documented significant delays in payment by the certified
15 reinsurer lead the commissioner to reconsider the certified reinsurer's
16 ability or willingness to meet its contractual obligations.

17 (iii) If the rating of a certified reinsurer is upgraded by the
18 commissioner, the certified reinsurer may meet the security requirements
19 applicable to its new rating on a prospective basis, but the commissioner
20 shall require the certified reinsurer to post security under the previously
21 applicable security requirements as to all contracts in force on or before
22 the effective date of the upgraded rating. If the rating of a certified
23 reinsurer is downgraded by the commissioner, the commissioner shall
24 require the certified reinsurer to meet the security requirements applicable
25 to its new rating for all business it has assumed as a certified reinsurer.

26 (iv) Upon revocation of the certification of a certified reinsurer by the
27 commissioner, the assuming insurer shall be required to post security in
28 accordance with subsection (k) in order for the ceding insurer to continue
29 to take credit for reinsurance ceded to the assuming insurer. If funds
30 continue to be held in trust in accordance with subsection (f), the
31 commissioner may allow additional credit equal to the ceding insurer's pro
32 rata share of such funds, discounted to reflect the risk of uncollectibility
33 and anticipated expenses of trust administration. Notwithstanding the
34 change of a certified reinsurer's rating or revocation of its certification, a
35 domestic insurer that has ceded reinsurance to that certified reinsurer may
36 not be denied credit for reinsurance for a period of three months for all
37 reinsurance ceded to that certified reinsurer, unless the reinsurance is
38 found by the commissioner to be at high risk of uncollectibility.

39 (3) *Qualified jurisdictions.* (A) If, upon conducting an evaluation
40 under this section with respect to the reinsurance supervisory system of
41 any non-U.S. assuming insurer, the commissioner determines that the
42 jurisdiction qualifies to be recognized as a qualified jurisdiction, the
43 commissioner shall publish notice and evidence of such recognition in an

1 appropriate manner. The commissioner may establish a procedure to
2 withdraw recognition of those jurisdictions that are no longer qualified.

3 (B) In order to determine whether the domiciliary jurisdiction of a
4 non-U.S. assuming insurer is eligible to be recognized as a qualified
5 jurisdiction, the commissioner shall evaluate the reinsurance supervisory
6 system of the non-U.S. jurisdiction, both initially and on an ongoing basis,
7 and consider the rights, benefits and the extent of reciprocal recognition
8 afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled
9 in the United States. The commissioner shall determine the appropriate
10 approach for evaluating the qualifications of such jurisdictions, and create
11 and publish a list of jurisdictions whose reinsurers may be approved by the
12 commissioner as eligible for certification. A qualified jurisdiction shall
13 agree to share information and cooperate with the commissioner with
14 respect to all certified reinsurers domiciled within that jurisdiction.
15 Additional factors to be considered in determining whether to recognize a
16 qualified jurisdiction, in the discretion of the commissioner, include, but
17 are not limited to, the following:

- 18 (i) The framework under which the assuming insurer is regulated;
- 19 (ii) the structure and authority of the domiciliary regulator with
20 regard to solvency regulation requirements and financial surveillance;
- 21 (iii) the substance of financial and operating standards for assuming
22 insurers in the domiciliary jurisdiction;
- 23 (iv) the form and substance of financial reports required to be filed or
24 made publicly available by reinsurers in the domiciliary jurisdiction and
25 the accounting principles used;
- 26 (v) the domiciliary regulator's willingness to cooperate with United
27 States regulators in general and the commissioner in particular;
- 28 (vi) the history of performance by assuming insurers in the
29 domiciliary jurisdiction;
- 30 (vii) any documented evidence of substantial problems with the
31 enforcement of final judgments in the domiciliary jurisdiction. A
32 jurisdiction shall not be considered to be a qualified jurisdiction if the
33 commissioner has determined that it does not adequately and promptly
34 enforce final United States judgments or arbitration awards;
- 35 (viii) any relevant international standards or guidance with respect to
36 mutual recognition of reinsurance supervision adopted by the international
37 association of insurance supervisors or successor organization; and
- 38 (ix) any other matters deemed relevant by the commissioner.

39 (C) A list of qualified jurisdictions shall be published through the
40 national association of insurance commissioners committee process. The
41 commissioner shall consider this list in determining qualified jurisdictions.
42 If the commissioner approves a jurisdiction as qualified that does not
43 appear on the list of qualified jurisdictions, the commissioner shall provide

1 thoroughly documented justification with respect to the criteria provided
2 under paragraphs (3)(B)(i) through (ix).

3 (D) United States jurisdictions that meet the requirements for
4 accreditation under the national association of insurance commissioners
5 financial standards and accreditation program shall be recognized as
6 qualified jurisdictions.

7 (4) *Recognition of certification issued by a national association of*
8 *insurance commissioners accredited jurisdiction.* (A) If an applicant for
9 certification has been certified as a reinsurer in a national association of
10 insurance commissioners-accredited jurisdiction, the commissioner has the
11 discretion to defer to that jurisdiction's certification and to defer to the
12 rating assigned by that jurisdiction, if the assuming insurer submits a
13 properly executed form cr-1 in accordance with the instructions and as
14 prescribed and adopted by the national association of insurance
15 commissioners and the commissioner of insurance and such additional
16 information as the commissioner requires. The assuming insurer shall be
17 considered to be a certified reinsurer in this state.

18 (B) Any change in the certified reinsurer's status or rating in the other
19 jurisdiction shall apply automatically in this state as of the date it takes
20 effect in the other jurisdiction. The certified reinsurer shall notify the
21 commissioner of any change in its status or rating within 10 days after
22 receiving notice of the change.

23 (C) The commissioner may withdraw recognition of the other
24 jurisdiction's rating at any time and assign a new rating in accordance with
25 subsection (g)(2)(H).

26 (D) The commissioner may withdraw recognition of the other
27 jurisdiction's certification at any time, with written notice to the certified
28 reinsurer. Unless the commissioner suspends or revokes the certified
29 reinsurer's certification in accordance with subsection (g)(2)(H), the
30 certified reinsurer's certification shall remain in good standing in this state
31 for a period of three months, and such period shall be extended if
32 additional time is necessary to consider the assuming insurer's application
33 for certification in this state.

34 (5) *Mandatory funding clause.* In addition to the clauses required
35 under subsection (n) reinsurance contracts entered into or renewed under
36 this section shall include a proper funding clause, that requires the certified
37 reinsurer to provide and maintain security in an amount sufficient to avoid
38 the imposition of any financial statement penalty on the ceding insurer
39 under this section for reinsurance ceded to the certified reinsurer.

40 (6) The commissioner shall comply with all reporting and notification
41 requirements that may be established by the national association of
42 insurance commissioners with respect to certified reinsurers and qualified
43 jurisdictions.

1 (h) *Credit for reinsurance – reciprocal jurisdictions.* (1) Pursuant to
2 K.S.A. 40-221a(a)(6), and amendments thereto, the commissioner shall
3 allow credit for reinsurance ceded by a domestic insurer to an assuming
4 insurer that is licensed to write reinsurance by, and has its head office or is
5 domiciled in, a reciprocal jurisdiction, and that meets the other
6 requirements of this section.

7 (2) A "reciprocal jurisdiction" is a jurisdiction, as designated by the
8 commissioner pursuant to subsection (h)(4), that meets one of the
9 following:

10 (A) A non-U.S. jurisdiction that is subject to an in-force covered
11 agreement with the United States, each within its legal authority, or, in the
12 case of a covered agreement between the United States and the European
13 union, is a member state of the European union. For purposes of this
14 subsection, a "covered agreement" is an agreement entered into pursuant to
15 the Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C.
16 §§ 313 and 314, that is currently in effect or in a period of provisional
17 application and addresses the elimination, under specified conditions, of
18 collateral requirements as a condition for entering into any reinsurance
19 agreement with a ceding insurer domiciled in this state or for allowing the
20 ceding insurer to recognize credit for reinsurance;

21 (B) a United States jurisdiction that meets the requirements for
22 accreditation under the national association of insurance commissioners
23 financial standards and accreditation program; or

24 (C) a qualified jurisdiction, as determined by the commissioner
25 pursuant to K.S.A. 40-221a(a)(5)(C), and amendments thereto, and
26 subsection (g)(3), that is not otherwise described in subparagraph (A) or
27 (B) and that the commissioner determines meets all of the following
28 additional requirements:

29 (i) Provides that an insurer that has its head office or is domiciled in
30 such qualified jurisdiction shall receive credit for reinsurance ceded to a
31 United States-domiciled assuming insurer in the same manner as credit for
32 reinsurance is received for reinsurance assumed by insurers domiciled in
33 such qualified jurisdiction;

34 (ii) does not require a United States-domiciled assuming insurer to
35 establish or maintain a local presence as a condition for entering into a
36 reinsurance agreement with any ceding insurer subject to regulation by the
37 non-U.S. jurisdiction or as a condition for allowing the ceding insurer to
38 recognize credit for such reinsurance;

39 (iii) recognizes the United States state regulatory approach to group
40 supervision and group capital, by providing written confirmation by a
41 competent regulatory authority, in such qualified jurisdiction, that insurers
42 and insurance groups that are domiciled or maintain their headquarters in
43 this state or another jurisdiction accredited by the national association of

1 insurance commissioners shall be subject only to worldwide prudential
2 insurance group supervision including worldwide group governance,
3 solvency and capital and reporting, as applicable, by the commissioner or
4 the commissioner of the domiciliary state and shall not be subject to group
5 supervision at the level of the worldwide parent undertaking of the
6 insurance or reinsurance group by the qualified jurisdiction; and

7 (iv) provides written confirmation by a competent regulatory
8 authority in such qualified jurisdiction that information regarding insurers
9 and their parent, subsidiary or affiliated entities, if applicable, shall be
10 provided to the commissioner in accordance with a memorandum of
11 understanding or similar document between the commissioner and such
12 qualified jurisdiction, including, but not limited to, the international
13 association of insurance supervisors multilateral memorandum of
14 understanding or other multilateral memoranda of understanding
15 coordinated by the national association of insurance commissioners.

16 (3) Credit shall be allowed when the reinsurance is ceded from an
17 insurer domiciled in this state to an assuming insurer meeting each of the
18 conditions set forth below.

19 (A) The assuming insurer shall be licensed to transact reinsurance by,
20 and have its head office or be domiciled in, a reciprocal jurisdiction.

21 (B) The assuming insurer shall have and maintain on an ongoing
22 basis minimum capital and surplus, or its equivalent, calculated on at least
23 an annual basis as of the preceding December 31 or at the annual date
24 otherwise statutorily required to be reported to the reciprocal jurisdiction,
25 and confirmed as set forth in paragraph (3)(G) according to the
26 methodology of its domiciliary jurisdiction, in the following amounts:

27 (i) Not less than \$250,000,000; or

28 (ii) if the assuming insurer is an association, including incorporated
29 and individual unincorporated underwriters:

30 (a) Minimum capital and surplus equivalent, net of liabilities, or own
31 funds of the equivalent of at least \$250,000,000; and

32 (b) a central fund containing a balance of the equivalent of at least
33 \$250,000,000.

34 (C) The assuming insurer shall have and maintain on an ongoing
35 basis a minimum solvency or capital ratio, as applicable, as follows:

36 (i) If the assuming insurer has its head office or is domiciled in a
37 reciprocal jurisdiction, as defined in subsection (h)(2)(A), the ratio
38 specified in the applicable covered agreement;

39 (ii) if the assuming insurer is domiciled in a reciprocal jurisdiction, as
40 defined in subsection (h)(2)(B), a risk-based capital ratio of 300% of the
41 authorized control level, calculated in accordance with the formula
42 developed by the national association of insurance commissioners; or

43 (iii) if the assuming insurer is domiciled in a reciprocal jurisdiction,

1 as defined in subsection (h)(2)(C), after consultation with the reciprocal
2 jurisdiction and considering any recommendations published through the
3 national association of insurance commissioners committee process, such
4 solvency or capital ratio as the commissioner determines to be an effective
5 measure of solvency.

6 (D) The assuming insurer shall agree to and provide adequate
7 assurance, in the form of a properly executed form rj-1 in accordance with
8 the instructions and as prescribed and adopted by the national association
9 of insurance commissioners and the commissioner of insurance, of its
10 agreement to the following:

11 (i) The assuming insurer shall agree to provide prompt written notice
12 and explanation to the commissioner if it falls below the minimum
13 requirements set forth in subparagraph (B) or (C) or if any regulatory
14 action is taken against it for serious noncompliance with applicable law;
15 and

16 (ii) the assuming insurer shall consent in writing to the jurisdiction of
17 the courts of this state and to the appointment of the commissioner as
18 agent for service of process.

19 (a) The commissioner may also require that such consent be provided
20 and included in each reinsurance agreement under the commissioner's
21 jurisdiction.

22 (b) Nothing in this provision shall limit or in any way alter the
23 capacity of parties to a reinsurance agreement to agree to alternative
24 dispute resolution mechanisms, except to the extent such agreements are
25 unenforceable under applicable insolvency or delinquency laws.

26 (iii) The assuming insurer shall consent in writing to pay all final
27 judgments, wherever enforcement is sought, obtained by a ceding insurer,
28 that have been declared enforceable in the territory where the judgment
29 was obtained.

30 (iv) Each reinsurance agreement shall include a provision requiring
31 the assuming insurer to provide security in an amount equal to 100% of the
32 assuming insurer's liabilities attributable to reinsurance ceded pursuant to
33 that agreement if the assuming insurer resists enforcement of a final
34 judgment that is enforceable under the law of the jurisdiction in which it
35 was obtained or a properly enforceable arbitration award, whether
36 obtained by the ceding insurer or by its legal successor on behalf of its
37 estate, if applicable, assuming insurer resists enforcement of a final
38 judgment that is enforceable under the law of the jurisdiction in which it
39 was obtained or a properly enforceable arbitration award, whether
40 obtained by the ceding insurer or by its legal successor on behalf of its
41 estate, if applicable.

42 (v) The assuming insurer shall confirm that it is not presently
43 participating in any solvent scheme of arrangement that involves this

1 state's ceding insurers and agree to notify the ceding insurer and the
2 commissioner and to provide 100% security to the ceding insurer
3 consistent with the terms of the scheme, if the assuming insurer enters into
4 such a solvent scheme of arrangement. Such security shall be in a form
5 consistent with the provisions of K.S.A. 40-221a(a)(5) and (b), and
6 amendments thereto, and subsections (k), (l) and (m). For purposes of this
7 section, the term "solvent scheme of arrangement" means a foreign or alien
8 statutory or regulatory compromise procedure subject to requisite majority
9 creditor approval and judicial sanction in the assuming insurer's home
10 jurisdiction either to finally commute liabilities of duly noticed classed
11 members or creditors of a solvent debtor, or to reorganize or restructure the
12 debts and obligations of a solvent debtor on a final basis, and that may be
13 subject to judicial recognition and enforcement of the arrangement by a
14 governing authority outside the ceding insurer's home jurisdiction.

15 (vi) The assuming insurer shall agree in writing to meet the
16 applicable information filing requirements as set forth in subparagraph (E).

17 (E) The assuming insurer or its legal successor shall provide, if
18 requested by the commissioner, on behalf of itself and any legal
19 predecessors, the following documentation to the commissioner:

20 (i) For the two years preceding entry into the reinsurance agreement
21 and annually thereafter, the assuming insurer's annual audited financial
22 statements, in accordance with the applicable law of the jurisdiction of its
23 head office or domiciliary jurisdiction, as applicable, including the
24 external audit report;

25 (ii) for the two years preceding entry into the reinsurance agreement,
26 the solvency and financial condition report or actuarial opinion, if filed
27 with the assuming insurer's supervisor;

28 (iii) prior to entry into the reinsurance agreement and not more than
29 semi-annually thereafter, an updated list of all disputed and overdue
30 reinsurance claims outstanding for 90 days or more, regarding reinsurance
31 assumed from ceding insurers domiciled in the United States; and

32 (iv) prior to entry into the reinsurance agreement and not more than
33 semi-annually thereafter, information regarding the assuming insurer's
34 assumed reinsurance by the ceding insurer, ceded reinsurance by the
35 assuming insurer, and reinsurance recoverable on paid and unpaid losses
36 by the assuming insurer to allow for the evaluation of the criteria set forth
37 in subparagraph (F).

38 (F) The assuming insurer shall maintain a practice of prompt payment
39 of claims under reinsurance agreements. The lack of prompt payment will
40 be evidenced if any of the following criteria is met:

41 (i) More than 15% of the reinsurance recoverables from the assuming
42 insurer are overdue and in dispute as reported to the commissioner;

43 (ii) more than 15% of the assuming insurer's ceding insurers or

1 reinsurers have overdue reinsurance recoverable on paid losses of 90 days
2 or more that are not in dispute and that exceed \$100,000 for each ceding
3 insurer, or as otherwise specified in a covered agreement; or

4 (iii) the aggregate amount of reinsurance recoverable on paid losses
5 that are not in dispute, but are overdue by 90 days or more, exceeds
6 \$50,000,000, or as otherwise specified in a covered agreement.

7 (G) The assuming insurer's supervisory authority shall confirm to the
8 commissioner on an annual basis that the assuming insurer complies with
9 the requirements set forth in subparagraphs (B) and (C).

10 (H) Nothing in this provision precludes an assuming insurer from
11 providing the commissioner with information on a voluntary basis.

12 (4) The commissioner shall timely create and publish a list of
13 reciprocal jurisdictions.

14 (A) A list of reciprocal jurisdictions is published through the national
15 association of insurance commissioners' committee process. The
16 commissioner's list shall include any reciprocal jurisdiction, as defined
17 under subsections (h)(2)(A) and (B), and shall consider any other
18 reciprocal jurisdiction included on the NAIC list. The commissioner may
19 approve a jurisdiction that does not appear on the national association of
20 insurance commissioners' list of reciprocal jurisdictions as provided by
21 applicable law, regulation, or in accordance with criteria published through
22 the national association of insurance commissioner committee process.

23 (B) The commissioner may remove a jurisdiction from the list of
24 reciprocal jurisdictions upon a determination that the jurisdiction no longer
25 meets one or more of the requirements of a reciprocal jurisdiction, as
26 provided by applicable law, regulation, or in accordance with a process
27 published through the national association of insurance commissioner
28 committee process, except that the commissioner shall not remove from
29 the list a reciprocal jurisdiction, as defined under subsections (h)(2)(A) and
30 (B). Upon removal of a reciprocal jurisdiction from this list credit for
31 reinsurance ceded to an assuming insurer domiciled in that jurisdiction
32 shall be allowed, if otherwise allowed pursuant to K.S.A. 40-221a, and
33 amendments thereto, or this section.

34 (5) The commissioner shall timely create and publish a list of
35 assuming insurers that have satisfied the conditions set forth in this section
36 and to which cessions shall be granted credit in accordance with this
37 section.

38 (A) If a national association of insurance commissioners accredited
39 jurisdiction has determined that the conditions set forth in paragraph (3)
40 have been met, the commissioner has the discretion to defer to that
41 jurisdiction's determination, and add such assuming insurer to the list of
42 assuming insurers to which cessions shall be granted credit in accordance
43 with this subsection. The commissioner may accept financial

1 documentation filed with another national association of insurance
2 commissioners accredited jurisdiction or with the national association of
3 insurance commissioners in satisfaction of the requirements of paragraph
4 (3).

5 (B) When requesting that the commissioner defer to another national
6 association of insurance commissioners accredited jurisdiction's
7 determination, an assuming insurer shall submit a properly executed form
8 rj-1 in accordance with the instructions and as prescribed and adopted by
9 the national association of insurance commissioners and the commissioner
10 of insurance and additional information as the commissioner may require.
11 A state that has received such a request shall notify other states through the
12 national association of insurance commissioners committee process and
13 provide relevant information with respect to the determination of
14 eligibility.

15 (6) If the commissioner determines that an assuming insurer no
16 longer meets one or more of the requirements under this section, the
17 commissioner may revoke or suspend the eligibility of the assuming
18 insurer for recognition under this section.

19 (A) While an assuming insurer's eligibility is suspended, no
20 reinsurance agreement issued, amended or renewed after the effective date
21 of the suspension qualifies for credit except to the extent that the assuming
22 insurer's obligations under the contract are secured in accordance with
23 subsection (j).

24 (B) If an assuming insurer's eligibility is revoked, no credit for
25 reinsurance may be granted after the effective date of the revocation with
26 respect to any reinsurance agreements entered into by the assuming
27 insurer, including reinsurance agreements entered into prior to the date of
28 revocation, except to the extent that the assuming insurer's obligations
29 under the contract are secured in a form acceptable to the commissioner
30 and consistent with the provisions of subsection (j).

31 (7) Before denying statement credit or imposing a requirement to post
32 security with respect to subsection (h)(6) or adopting any similar
33 requirement that will have substantially the same regulatory impact as
34 security, the commissioner shall:

35 (A) Communicate with the ceding insurer, the assuming insurer, and
36 the assuming insurer's supervisory authority that the assuming insurer no
37 longer satisfies one of the conditions listed in paragraph (3);

38 (B) provide the assuming insurer with 30 days from the initial
39 communication to submit a plan to remedy the defect, and 90 days from
40 the initial communication to remedy the defect, except in exceptional
41 circumstances in which a shorter period is necessary for policyholder and
42 other consumer protection;

43 (C) after the expiration of 90 days or less, as set out in subparagraph

1 (B), if the commissioner determines that no or insufficient action was
2 taken by the assuming insurer, the commissioner may impose any of the
3 requirements as set out in this subsection; and

4 (D) provide a written explanation to the assuming insurer of any of
5 the requirements set out in this subsection.

6 (8) If subject to a legal process of rehabilitation, liquidation or
7 conservation, as applicable, the ceding insurer, or its representative, may
8 seek and, if determined appropriate by the court in which the proceedings
9 are pending, may obtain an order requiring that the assuming insurer post
10 security for all outstanding liabilities.

11 (i) *Credit for reinsurance required by law.* Pursuant to K.S.A. 40-
12 221a(a)(7), and amendments thereto, the commissioner shall allow credit
13 for reinsurance ceded by a domestic insurer to an assuming insurer not
14 meeting the requirements of K.S.A. 40-221a(a)(1) through (6), and
15 amendments thereto, but only as to the insurance of risks located in
16 jurisdictions where the reinsurance is required by the applicable law or
17 regulation of that jurisdiction. As used in this section, "jurisdiction" means
18 state, district or territory of the United States and any lawful national
19 government.

20 (j) Asset or reduction from liability for reinsurance ceded to an
21 unauthorized assuming insurer not meeting the requirements of
22 subsections (c) through (i).

23 (1) Pursuant to K.S.A. 40-221a(b), and amendments thereto, the
24 commissioner shall allow a reduction from liability for reinsurance ceded
25 by a domestic insurer to an assuming insurer not meeting the requirements
26 of K.S.A. 40-221a(a), and amendments thereto, in an amount not
27 exceeding the liabilities carried by the ceding insurer. The reduction shall
28 be in the amount of funds held by or on behalf of the ceding insurer,
29 including funds held in trust for the exclusive benefit of the ceding insurer,
30 under a reinsurance contract with such assuming insurer as security for the
31 payment of obligations under the reinsurance contract. The security shall
32 be held in the United States subject to withdrawal solely by, and under the
33 exclusive control of, the ceding insurer or, in the case of a trust, held in a
34 qualified United States financial institution, as defined in K.S.A. 40-
35 221a(c)(2), and amendments thereto. This security may be in the form of
36 any of the following:

37 (A) Cash;

38 (B) securities listed by the securities valuation office of the national
39 association of insurance commissioners, including those deemed exempt
40 from filing, as defined by the purposes and procedures manual of the
41 securities valuation office and qualifying as admitted assets;

42 (C) clean, irrevocable, unconditional and "evergreen" letters of credit
43 issued or confirmed by a qualified United States institution, as defined in

1 K.S.A. 40-221a(c), and amendments thereto, effective no later than
2 December 31 of the year for which filing is being made, and in the
3 possession of, or in trust for, the ceding insurer on or before the filing date
4 of its annual statement. Letters of credit meeting applicable standards of
5 issuer acceptability as of the dates of their issuance, or confirmation, shall,
6 notwithstanding the issuing, or confirming, institution's subsequent failure
7 to meet applicable standards of issuer acceptability, continue to be
8 acceptable as security until their expiration, extension, renewal,
9 modification or amendment, whichever occurs first; or

10 (D) any other form of security acceptable to the commissioner.

11 (2) An admitted asset or a reduction from liability for reinsurance
12 ceded to an unauthorized assuming insurer pursuant to this section shall be
13 allowed only when the requirements of subsection (n) and the applicable
14 portions of subsection (k), (l) or (m) have been satisfied.

15 (k) Trust agreements qualified under subsection (j).

16 (1) As used in this subsection:

17 (A) "Beneficiary" means the entity for whose sole benefit the trust
18 has been established and any successor of the beneficiary by operation of
19 law. If a court of law appoints a successor in interest to the named
20 beneficiary, then the named beneficiary includes and is limited to the court
21 appointed domiciliary receiver, including conservator, rehabilitator or
22 liquidator.

23 (B) "Grantor" means the entity that has established a trust for the sole
24 benefit of the beneficiary. When established in conjunction with a
25 reinsurance agreement, the grantor is the unlicensed, unaccredited
26 assuming insurer.

27 (C) "Obligations" means:

28 (i) Reinsured losses and allocated loss expenses paid by the ceding
29 company, but not recovered from the assuming insurer;

30 (ii) reserves for reinsured losses reported and outstanding;

31 (iii) reserves for reinsured losses incurred but not reported; and

32 (iv) reserves for allocated reinsured loss expenses and unearned
33 premiums.

34 (2) *Required conditions.* (A) The trust agreement shall be entered into
35 between the beneficiary, the grantor and a trustee, that shall be a qualified
36 United States financial institution, as defined in K.S.A. 40-221a(c)(2), and
37 amendments thereto.

38 (B) The trust agreement shall create a trust account into which assets
39 shall be deposited.

40 (C) All assets in the trust account shall be held by the trustee at the
41 trustee's office in the United States.

42 (D) The trust agreement shall provide that:

43 (i) The beneficiary shall have the right to withdraw assets from the

1 trust account at any time, without notice to the grantor, subject only to
2 written notice from the beneficiary to the trustee;

3 (ii) no other statement or document shall be required to be presented
4 to withdraw assets, except that the beneficiary may be required to
5 acknowledge receipt of withdrawn assets;

6 (iii) it is not subject to any conditions or qualifications outside of the
7 trust agreement; and

8 (iv) it shall not contain references to any other agreements or
9 documents except as provided for in subparagraphs (K) and (L).

10 (E) The trust agreement shall be established for the sole benefit of the
11 beneficiary.

12 (F) The trust agreement shall require the trustee to:

13 (i) Receive assets and hold all assets in a safe place;

14 (ii) determine that all assets are in such form that the beneficiary, or
15 the trustee upon direction by the beneficiary, may whenever necessary
16 negotiate any such assets, without consent or signature from the grantor or
17 any other person or entity;

18 (iii) furnish to the grantor and the beneficiary a statement of all assets
19 in the trust account upon its inception and at intervals no less frequent than
20 the end of each calendar quarter;

21 (iv) notify the grantor and the beneficiary within 10 days, of any
22 deposits to or withdrawals from the trust account;

23 (v) upon written demand of the beneficiary, immediately take any and
24 all steps necessary to transfer absolutely and unequivocally all right, title
25 and interest in the assets held in the trust account to the beneficiary and
26 deliver physical custody of the assets to the beneficiary; and

27 (vi) allow no substitutions or withdrawals of assets from the trust
28 account, except on written instructions from the beneficiary, except that
29 the trustee may, without the consent of but with notice to the beneficiary,
30 upon call or maturity of any trust asset, withdraw such asset upon
31 condition that the proceeds are paid into the trust account.

32 (G) The trust agreement shall provide that at least 30 days, but not
33 more than 45 days, prior to termination of the trust account, written
34 notification of termination shall be delivered by the trustee to the
35 beneficiary.

36 (H) The trust agreement shall be made subject to, and governed by,
37 the laws of the state in which the trust is domiciled.

38 (I) The trust agreement shall prohibit invasion of the trust corpus for
39 the purpose of paying a commission to, or reimbursing the expenses of, the
40 trustee. In order for a letter of credit to qualify as an asset of the trust, the
41 trustee shall have the right and the obligation pursuant to the deed of trust
42 or some other binding agreement, as duly approved by the commissioner,
43 to immediately draw down the full amount of the letter of credit and hold

1 the proceeds in trust for the beneficiaries of the trust if the letter of credit
2 will otherwise expire without being renewed or replaced.

3 (J) The trust agreement shall provide that the trustee shall be liable
4 for its negligence, willful misconduct or lack of good faith. The failure of
5 the trustee to draw against the letter of credit in circumstances where such
6 draw would be required shall be deemed to be negligence or willful
7 misconduct.

8 (K) Notwithstanding other provisions of this section, when a trust
9 agreement is established in conjunction with a reinsurance agreement
10 covering risks other than life, annuities and accident and health, where it is
11 customary practice to provide a trust agreement for a specific purpose, the
12 trust agreement may provide that the ceding insurer shall undertake to use
13 and apply amounts drawn upon the trust account, without diminution
14 because of the insolvency of the ceding insurer or the assuming insurer,
15 only for the following purposes:

16 (i) To pay or reimburse the ceding insurer for the assuming insurer's
17 share under the specific reinsurance agreement regarding any losses and
18 allocated loss expenses paid by the ceding insurer, but not recovered from
19 the assuming insurer, or for unearned premiums due to the ceding insurer
20 if not otherwise paid by the assuming insurer;

21 (ii) to make payment to the assuming insurer of any amounts held in
22 the trust account that exceed 102% of the actual amount required to fund
23 the assuming insurer's obligations under the specific reinsurance
24 agreement; or

25 (iii) where the ceding insurer has received notification of termination
26 of the trust account and where the assuming insurer's entire obligations
27 under the specific reinsurance agreement remain unliquidated and
28 undischarged 10 days prior to the termination date, to withdraw amounts
29 equal to the obligations and deposit those amounts in a separate account, in
30 the name of the ceding insurer in any qualified United States financial
31 institution, as defined in K.S.A. 40-221a(c)(2), and amendments thereto,
32 apart from its general assets, in trust for such uses and purposes specified
33 in clauses (i) and (ii) as may remain executory after such withdrawal and
34 for any period after the termination date.

35 (L) Notwithstanding other provisions of this subsection, when a trust
36 agreement is established to meet the requirements of subsection (j) in
37 conjunction with a reinsurance agreement covering life, annuities or
38 accident and health risks, where it is customary to provide a trust
39 agreement for a specific purpose, the trust agreement may provide that the
40 ceding insurer shall undertake to use and apply amounts drawn upon the
41 trust account, without diminution because of the insolvency of the ceding
42 insurer or the assuming insurer, only for the following purposes:

43 (i) To pay or reimburse the ceding insurer for:

1 (a) The assuming insurer's share under the specific reinsurance
2 agreement of premiums returned, but not yet recovered from the assuming
3 insurer, to the owners of policies reinsured under the reinsurance
4 agreement on account of cancellations of the policies; and

5 (b) the assuming insurer's share under the specific reinsurance
6 agreement of surrenders and benefits or losses paid by the ceding insurer,
7 but not yet recovered from the assuming insurer, under the terms and
8 provisions of the policies reinsured under the reinsurance agreement;

9 (ii) to pay to the assuming insurer amounts held in the trust account in
10 excess of the amount necessary to secure the credit or reduction from
11 liability for reinsurance taken by the ceding insurer; or

12 (iii) where the ceding insurer has received notification of termination
13 of the trust and where the assuming insurer's entire obligations under the
14 specific reinsurance agreement remain unliquidated and undischarged 10
15 days prior to the termination date, to withdraw amounts equal to the
16 assuming insurer's share of liabilities, to the extent that the liabilities have
17 not yet been funded by the assuming insurer, and deposit those amounts in
18 a separate account, in the name of the ceding insurer in any qualified
19 United States financial institution apart from its general assets, in trust for
20 the uses and purposes specified in clauses (i) and (ii) as may remain
21 executory after withdrawal and for any period after the termination date.

22 (M) Either the reinsurance agreement or the trust agreement shall
23 stipulate that assets deposited in the trust account shall be valued
24 according to their current fair market value and shall consist only of cash
25 in United States dollars, certificates of deposit issued by a United States
26 bank and payable in United States dollars, and investments permitted by
27 the insurance code or any combination of the above, provided investments
28 in or issued by an entity controlling, controlled by or under common
29 control with either the grantor or the beneficiary of the trust shall not
30 exceed 5% of total investments. The agreement may further specify the
31 types of investments to be deposited. If the reinsurance agreement covers
32 life, annuities or accident and health risks, then the provisions required by
33 this paragraph shall be included in the reinsurance agreement.

34 (3) *Permitted conditions.* (A) The trust agreement may provide that
35 the trustee may resign upon delivery of a written notice of resignation,
36 effective not less than 90 days after the beneficiary and grantor receive the
37 notice and that the trustee may be removed by the grantor by delivery to
38 the trustee and the beneficiary of a written notice of removal, effective not
39 less than 90 days after the trustee and the beneficiary receive the notice,
40 provided that no such resignation or removal shall be effective until a
41 successor trustee has been duly appointed and approved by the beneficiary
42 and the grantor and all assets in the trust have been duly transferred to the
43 new trustee.

1 (B) The grantor may have the full and unqualified right to vote any
2 shares of stock in the trust account and to receive from time to time
3 payments of any dividends or interest upon any shares of stock or
4 obligations included in the trust account. Any interest or dividends shall be
5 either forwarded promptly upon receipt to the grantor or deposited in a
6 separate account established in the grantor's name.

7 (C) The trustee may be given authority to invest, and accept
8 substitutions of, any funds in the account, provided that no investment or
9 substitution shall be made without prior approval of the beneficiary, unless
10 the trust agreement specifies categories of investments acceptable to the
11 beneficiary and authorizes the trustee to invest funds and to accept
12 substitutions that the trustee determines are at least equal in current fair
13 market value to the assets withdrawn and that are consistent with the
14 restrictions in paragraph (4)(A)(ii).

15 (D) The trust agreement may provide that the beneficiary may at any
16 time designate a party to which all or part of the trust assets are to be
17 transferred. Transfer may be conditioned upon the trustee receiving, prior
18 to or simultaneously, other specified assets.

19 (E) The trust agreement may provide that, upon termination of the
20 trust account, all assets not previously withdrawn by the beneficiary shall,
21 with written approval by the beneficiary, be delivered over to the grantor.

22 (4) *Additional conditions applicable to reinsurance agreements.* (A)
23 A reinsurance agreement may contain provisions that:

24 (i) Require the assuming insurer to enter into a trust agreement and to
25 establish a trust account for the benefit of the ceding insurer, and
26 specifying what the agreement is to cover;

27 (ii) require the assuming insurer, prior to depositing assets with the
28 trustee, to execute assignments or endorsements in blank, or to transfer
29 legal title to the trustee of all shares, obligations or any other assets
30 requiring assignments, in order that the ceding insurer, or the trustee upon
31 the direction of the ceding insurer, may whenever necessary negotiate
32 these assets without consent or signature from the assuming insurer or any
33 other entity;

34 (iii) require that all settlements of account between the ceding insurer
35 and the assuming insurer be made in cash or its equivalent; and

36 (iv) stipulate that the assuming insurer and the ceding insurer agree
37 that the assets in the trust account, established pursuant to the provisions of
38 the reinsurance agreement, may be withdrawn by the ceding insurer at any
39 time, notwithstanding any other provisions in the reinsurance agreement,
40 and shall be utilized and applied by the ceding insurer or its successors in
41 interest by operation of law, including without limitation any liquidator,
42 rehabilitator, receiver or conservator of such company, without diminution
43 because of insolvency on the part of the ceding insurer or the assuming

1 insurer, only for the following purposes:

2 (a) To pay or reimburse the ceding insurer for:

3 (1) The assuming insurer's share under the specific reinsurance
4 agreement of premiums returned, but not yet recovered from the assuming
5 insurer, to the owners of policies reinsured under the reinsurance
6 agreement because of cancellations of such policies;

7 (2) the assuming insurer's share of surrenders and benefits or losses
8 paid by the ceding insurer pursuant to the provisions of the policies
9 reinsured under the reinsurance agreement; and

10 (3) any other amounts necessary to secure the credit or reduction
11 from liability for reinsurance taken by the ceding insurer;

12 (b) to make payment to the assuming insurer of amounts held in the
13 trust account in excess of the amount necessary to secure the credit or
14 reduction from liability for reinsurance taken by the ceding insurer.

15 (B) The reinsurance agreement also may contain provisions that:

16 (i) Give the assuming insurer the right to seek approval from the
17 ceding insurer, which shall not be unreasonably or arbitrarily withheld, to
18 withdraw from the trust account all or any part of the trust assets and
19 transfer those assets to the assuming insurer, provided:

20 (a) The assuming insurer shall, at the time of withdrawal, replace the
21 withdrawn assets with other qualified assets having a current fair market
22 value equal to the market value of the assets withdrawn so as to maintain
23 at all times the deposit in the required amount; or

24 (b) after withdrawal and transfer, the current fair market value of the
25 trust account is no less than 102% of the required amount;

26 (ii) provide for the return of any amount withdrawn in excess of the
27 actual amounts required for subsection (k)(4)(A)(iv), and for interest
28 payments at a rate not in excess of the prime rate of interest on such
29 amounts;

30 (iii) permit the award by any arbitration panel or court of competent
31 jurisdiction of:

32 (a) Interest at a rate different from that provided in subparagraph (ii)
33 of this paragraph;

34 (b) court or arbitration costs;

35 (c) attorney's fees; and

36 (d) any other reasonable expenses.

37 (5) *Financial reporting.* A trust agreement may be used to reduce any
38 liability for reinsurance ceded to an unauthorized assuming insurer in
39 financial statements required to be filed with this department in
40 compliance with the provisions of this section when established on or
41 before the date of filing of the financial statement of the ceding insurer.
42 Further, the reduction for the existence of an acceptable trust account may
43 be up to the current fair market value of acceptable assets available to be

1 withdrawn from the trust account at that time, but such reduction shall be
2 no greater than the specific obligations under the reinsurance agreement
3 that the trust account was established to secure.

4 (6) The failure of any trust agreement to specifically identify the
5 beneficiary, as defined in paragraph (1), shall not be construed to affect
6 any actions or rights that the commissioner may take or possess pursuant
7 to the provisions of the laws of this state.

8 (1) *Letters of credit qualified under subsection (j)(1).* (1) The letter of
9 credit shall be clean, irrevocable, unconditional and issued or confirmed
10 by a qualified United States financial institution, as defined in K.S.A. 40-
11 221a(c)(1), and amendments thereto. The letter of credit shall contain an
12 issue date and expiration date and shall stipulate that the beneficiary need
13 only draw a sight draft under the letter of credit and present it to obtain
14 funds and that no other document need be presented. The letter of credit
15 also shall indicate that it is not subject to any condition or qualifications
16 outside of the letter of credit. In addition, the letter of credit itself shall not
17 contain reference to any other agreements, documents or entities, except as
18 provided in subsection (m)(8)(A). As used in this subsection, "beneficiary"
19 means the domestic insurer for whose benefit the letter of credit has been
20 established and any successor of the beneficiary by operation of law. If a
21 court of law appoints a successor in interest to the named beneficiary, then
22 the named beneficiary includes and is limited to the court appointed
23 domiciliary receiver, including conservator, rehabilitator or liquidator.

24 (2) The heading of the letter of credit may include a boxed section
25 containing the name of the applicant and other appropriate notations to
26 provide a reference for the letter of credit. The boxed section shall be
27 clearly marked to indicate that such information is for internal
28 identification purposes only.

29 (3) The letter of credit shall contain a statement to the effect that the
30 obligation of the qualified United States financial institution under the
31 letter of credit is in no way contingent upon reimbursement with respect
32 thereto.

33 (4) The term of the letter of credit shall be for at least one year and
34 shall contain an "evergreen clause" that prevents the expiration of the letter
35 of credit without due notice from the issuer. The "evergreen clause" shall
36 provide for a period of no less than 30 days notice prior to expiration date
37 or nonrenewal.

38 (5) The letter of credit shall state whether it is subject to and
39 governed by the laws of this state or the uniform customs and practice for
40 documentary credits of the international chamber of commerce publication
41 600, UCP 600, or international standby practices of the international
42 chamber of commerce publication 590, ISP98, or any successor
43 publication, and all drafts drawn thereunder shall be presentable at an

1 office in the United States of a qualified United States financial institution.

2 (6) If the letter of credit is made subject to the uniform customs and
3 practice for documentary credits of the international chamber of commerce
4 publication 600, UCP 600, or international standby practices of the
5 international chamber of commerce publication 590, ISP98, or any
6 successor publication, then the letter of credit shall specifically address
7 and provide for an extension of time to draw against the letter of credit in
8 the event that one or more of the occurrences specified in article 36 of
9 publication 600 or any other successor publication, occur.

10 (7) If the letter of credit is issued by a financial institution authorized
11 to issue letters of credit, other than a qualified United States financial
12 institution as described in subsection (m)(1), then the following additional
13 requirements shall be met:

14 (A) The issuing financial institution shall formally designate the
15 confirming qualified United States financial institution as its agent for the
16 receipt and payment of the drafts; and

17 (B) the "evergreen clause" shall provide for 30 days' notice prior to
18 the expiration date for nonrenewal.

19 (8) *Reinsurance agreement provisions.* (A) The reinsurance
20 agreement in conjunction with which the letter of credit is obtained may
21 contain provisions that:

22 (i) Require the assuming insurer to provide letters of credit to the
23 ceding insurer and specify what they are to cover;

24 (ii) stipulate that the assuming insurer and ceding insurer agree that
25 the letter of credit provided by the assuming insurer pursuant to the
26 provisions of the reinsurance agreement may be drawn upon at any time,
27 notwithstanding any other provisions in the agreement, and shall be
28 utilized by the ceding insurer or its successors in interest only for one or
29 more of the following reasons:

30 (a) To pay or reimburse the ceding insurer for:

31 (1) The assuming insurer's share under the specific reinsurance
32 agreement of premiums returned, but not yet recovered from the assuming
33 insurers, to the owners of policies reinsured under the reinsurance
34 agreement on account of cancellations of such policies;

35 (2) the assuming insurer's share, under the specific reinsurance
36 agreement, of surrenders and benefits or losses paid by the ceding insurer,
37 but not yet recovered from the assuming insurers, under the terms and
38 provisions of the policies reinsured under the reinsurance agreement; and

39 (3) any other amounts necessary to secure the credit or reduction
40 from liability for reinsurance taken by the ceding insurer;

41 (b) where the letter of credit will expire without renewal or be
42 reduced or replaced by a letter of credit for a reduced amount and where
43 the assuming insurer's entire obligations under the reinsurance agreement

1 remain unliquidated and undischarged 10 days prior to the termination
2 date, to withdraw amounts equal to the assuming insurer's share of the
3 liabilities, to the extent that the liabilities have not yet been funded by the
4 assuming insurer and exceed the amount of any reduced or replacement
5 letter of credit, and deposit those amounts in a separate account in the
6 name of the ceding insurer in a qualified United States financial institution
7 apart from its general assets, in trust for such uses and purposes specified
8 in paragraph (8)(A)(ii)(a) as may remain after withdrawal and for any
9 period after the termination date; and

10 (iii) all of the provisions of subparagraph (A) shall be applied without
11 diminution because of insolvency on the part of the ceding insurer or
12 assuming insurer.

13 (B) Nothing contained in subparagraph (A) shall preclude the ceding
14 insurer and assuming insurer from providing for:

15 (i) An interest payment, at a rate not in excess of the prime rate of
16 interest, on the amounts held pursuant to paragraph (8)(A)(ii); or

17 (ii) the return of any amounts drawn down on the letters of credit in
18 excess of the actual amounts required for the above or any amounts that
19 are subsequently determined not to be due.

20 (m) *Other security.* A ceding insurer may take credit for
21 unencumbered funds withheld by the ceding insurer in the United States
22 subject to withdrawal solely by the ceding insurer and under its exclusive
23 control.

24 (n) *Reinsurance contract.* Credit will not be granted, nor an asset or
25 reduction from liability allowed, to a ceding insurer for reinsurance
26 effected with assuming insurers meeting the requirements of subsection
27 (c), (d), (e), (f), (g), (h), or (j) or otherwise in compliance with K.S.A. 40-
28 221a(a), and amendments thereto, after the adoption of this section unless
29 the reinsurance agreement:

30 (1) Includes a proper insolvency clause, that stipulates that
31 reinsurance is payable directly to the liquidator or successor without
32 diminution regardless of the status of the ceding company;

33 (2) includes a provision pursuant to K.S.A. 40-221a(a), and
34 amendments thereto, whereby the assuming insurer, if an unauthorized
35 assuming insurer, has submitted to the jurisdiction of an alternative dispute
36 resolution panel or court of competent jurisdiction within the United
37 States, has agreed to comply with all requirements necessary to give the
38 court or panel jurisdiction, has designated an agent upon whom service of
39 process may be effected, and has agreed to abide by the final decision of
40 the court or panel; and

41 (3) includes a proper reinsurance intermediary clause, if applicable,
42 that stipulates that the credit risk for the intermediary is carried by the
43 assuming insurer.

1 Sec. 2. K.S.A. 2020 Supp. 40-221a is hereby amended to read as
2 follows: 40-221a. (a) Credit for reinsurance shall be allowed a domestic
3 ceding insurer as either an asset or a reduction from liability on account of
4 reinsurance ceded only when the reinsurer meets the requirements of
5 ~~paragraphs~~ *paragraph* (1), (2), (3), (4), (5) ~~or~~, (6) *or* (7). Credit shall be
6 allowed under ~~paragraphs~~ *paragraph* (1), (2) or (3) ~~of this subsection~~ only
7 as respects cessions of those kinds or classes of business that the assuming
8 insurer is licensed or otherwise permitted to write or assume in its state of
9 domicile or, in the case of a United States branch of an alien assuming
10 insurer, in the state through which it is entered and licensed to transact
11 insurance or reinsurance. Credit shall be allowed only under ~~paragraphs~~
12 *paragraph* (3) or (4) ~~of this subsection~~ if the applicable requirements of
13 *paragraph* (7) have been satisfied.

14 (1) Credit shall be allowed when the reinsurance is ceded to an
15 assuming insurer that is licensed to transact insurance or reinsurance in
16 this state.

17 (2) Credit shall be allowed when the reinsurance is ceded to an
18 assuming insurer that is accredited by the commissioner as a reinsurer in
19 this state. In order to be eligible for accreditation, an assuming insurer
20 must:

21 (A) File with the commissioner evidence of the assuming insurer's
22 submission to this state's jurisdiction;

23 (B) submit to this state's authority to examine the assuming insurer's
24 books and records;

25 (C) be licensed to transact insurance or reinsurance in at least one
26 state, or in the case of a United States branch of an alien assuming insurer,
27 be entered through and licensed to transact insurance or reinsurance in at
28 least one state;

29 (D) file annually with the commissioner a copy of the assuming
30 insurer's annual statement filed with the insurance department of the
31 assuming insurer's state of domicile and a copy of the assuming insurer's
32 most recent audited financial statement; and

33 (E) demonstrate to the satisfaction of the commissioner that it has
34 adequate financial capacity to meet the assuming insurer's reinsurance
35 obligations and is otherwise qualified to assume reinsurance from
36 domestic insurers. An assuming insurer is deemed to meet this requirement
37 as of the time of the assuming insurer's application if it maintains a surplus
38 as regards policyholders in an amount not less than \$20,000,000 and its
39 accreditation has not been denied by the commissioner within 90 days
40 after submission of its application.

41 (3) (A) Credit shall be allowed when the reinsurance is ceded to an
42 assuming insurer that is domiciled in, or in the case of a United States
43 branch of an alien assuming insurer is entered through, a state that

1 employs standards regarding credit for reinsurance substantially similar to
2 those applicable under this statute and the assuming insurer or United
3 States branch of an alien assuming insurer:

4 (i) Maintains a surplus as regards policyholders in an amount not less
5 than \$20,000,000; and

6 (ii) submits to the authority of this state to examine the assuming
7 insurer's books and records.

8 (B) The requirement of subsection (a)(3)(A)(i) does not apply to
9 reinsurance ceded and assumed pursuant to pooling arrangements among
10 insurers in the same holding company system.

11 (4) (A) Credit shall be allowed when the reinsurance is ceded to an
12 assuming insurer that maintains a trust fund in a qualified United States
13 financial institution, as defined in subsection (c)(2), for the payment of the
14 valid claims of the assuming insurer's United States ceding insurers, their
15 assigns and successors in interest. To enable the commissioner to
16 determine the sufficiency of the trust fund, the assuming insurer shall
17 report annually to the commissioner information substantially the same as
18 that required to be reported on the national association of insurance
19 commissioners annual statement form by licensed insurers. The assuming
20 insurer shall submit to examination of its books and records by the
21 commissioner and bear the expense of examination;

22 (B) (i) credit for reinsurance shall not be granted under this
23 subsection unless the form of the trust and any amendments to the trust
24 have been approved by either of the following:

25 (a) The commissioner of the state where the trust is domiciled; or

26 (b) the commissioner of another state who, pursuant to the terms of
27 the trust instrument, has accepted principal regulatory oversight of the
28 trust.

29 (ii) The form of the trust and any trust amendments also shall be filed
30 with the commissioner of every state in which the ceding insurer's
31 beneficiaries of the trust are domiciled. The trust instrument shall provide
32 that contested claims shall be valid and enforceable upon the final order of
33 any court of competent jurisdiction in the United States. The trust shall
34 vest legal title to the trust's assets in its trustees for the benefit of the
35 assuming insurer's United States ceding insurers, their assigns and
36 successors in interest. The trust and the assuming insurer shall be subject
37 to examination as determined by the commissioner.

38 (iii) The trust shall remain in effect for as long as the assuming
39 insurer has outstanding obligations due under the reinsurance agreements
40 subject to the trust. No later than February 28 of each year, the trustee of
41 the trust shall report to the commissioner in writing the balance of the trust
42 and the listing of the trust's investments at the preceding year-end and shall
43 certify the date of termination of the trust, if so planned, or certify that the

1 trust will not expire prior to the following December 31.

2 (C) The following requirements apply to the following categories of
3 the assuming insurer:

4 (i) The trust fund for a single assuming insurer shall consist of funds
5 in trust in an amount not less than the assuming insurer's liabilities
6 attributable to reinsurance ceded by United States ceding insurers, and, in
7 addition, the assuming insurer shall maintain a trustee surplus of not less
8 than \$20,000,000, except as provided in subsection (a)(4)(C)(ii).

9 (ii) At any time after the assuming insurer has permanently
10 discontinued underwriting new business secured by the trust for at least
11 three full years, the commissioner with principal regulatory oversight of
12 the trust may authorize a reduction in the required trustee surplus, but
13 only after a finding, based on an assessment of the risk, that the new
14 required surplus level is adequate for the protection of United States
15 ceding insurers, policyholders and claimants in light of reasonably
16 foreseeable adverse loss development. The risk assessment may involve an
17 actuarial review, including an independent analysis of reserves and cash
18 flows, and shall consider all material risk factors, including, when
19 applicable, the lines of business involved, the stability of the incurred loss
20 estimates and the effect of the surplus requirements on the assuming
21 insurer's liquidity or solvency. The minimum required trustee surplus
22 shall not be reduced to an amount less than 30% of the assuming insurer's
23 liabilities attributable to reinsurance ceded by United States ceding
24 insurers covered by the trust;

25 (iii) (a) in the case of a group including incorporated and individual
26 unincorporated underwriters, all of the following requirements are met:

27 (1) For reinsurance ceded under reinsurance agreements with an
28 inception, amendment or renewal date on or after January 1, 1993, the trust
29 shall consist of a trustee account in an amount not less than the respective
30 underwriters' several liabilities attributable to business ceded by United
31 States domiciled ceding insurers to any underwriter of the group;

32 (2) for reinsurance ceded under reinsurance agreements with an
33 inception date on or before December 31, 1992, and not amended or
34 renewed after that date, notwithstanding the other provisions of this act,
35 the trust shall consist of a trustee account in an amount not less than the
36 respective underwriters' several insurance and reinsurance liabilities
37 attributable to business written in the United States; and

38 (3) in addition to the trusts described in subsections (a)(4)(B)(iii)(a)
39 (1) and (a)(4)(B)(iii)(a)(2), the group shall maintain in trust a trustee
40 surplus of which \$100,000,000 shall be held jointly for the benefit of the
41 United States domiciled ceding insurers of any member of the group for all
42 years of account.

43 (b) The incorporated members of the group shall not be engaged in

1 any business other than underwriting as a member of the group and shall
2 be subject to the same level of regulation and solvency control by the
3 group's domiciliary regulator as are the unincorporated members of the
4 group; and

5 (c) within 90 days after its financial statements are due to be filed
6 with the group's domiciliary regulator, the group shall provide to the
7 commissioner an annual certification by the group's domiciliary regulator
8 of the solvency of each underwriter member, or if a certification is
9 unavailable, financial statements prepared by independent public
10 accountants of each underwriter member of the group.

11 (iv) In the case of a group of incorporated underwriters under
12 common administration, the group shall meet all of the following
13 requirements:

14 (a) Have continuously transacted an insurance business outside the
15 United States for at least three years immediately prior to making
16 application for accreditation;

17 (b) maintain an aggregate policyholders' surplus of at least
18 \$10,000,000,000;

19 (c) maintain a trust fund in an amount not less than the group's
20 several liabilities attributable to business ceded by United States domiciled
21 ceding insurers to any member of the group pursuant to reinsurance
22 contracts issued in the name of the group;

23 (d) in addition, maintain a joint trusteed surplus of which
24 \$100,000,000 shall be held jointly for the benefit of United States
25 domiciled ceding insurers of any member of the group as additional
26 security for these liabilities; and

27 (e) within 90 days after the group's financial statements are due to be
28 filed with the group's domiciliary regulator, make available to the
29 commissioner an annual certification of each underwriter member's
30 solvency by the member's domiciliary regulator and financial statements of
31 each underwriter member of the group prepared by its independent public
32 accountant.

33 (5) Credit shall be allowed when the reinsurance is ceded to an
34 assuming insurer that has been certified by the commissioner as a reinsurer
35 in this state and the reinsurer secures its obligations in accordance with the
36 following requirements:

37 (A) In order to be eligible for certification, the assuming insurer shall
38 meet all of the following requirements:

39 (i) Be domiciled and licensed to transact insurance or reinsurance in a
40 qualified jurisdiction, as determined by the commissioner pursuant to
41 subsection (a)(5)(C);

42 (ii) maintain minimum capital and surplus, or its equivalent, in an
43 amount to be determined by the commissioner pursuant to regulation;

1 (iii) maintain financial strength ratings from two or more rating
2 agencies deemed acceptable by the commissioner pursuant to regulation;

3 (iv) agree to submit to the jurisdiction of this state, appoint the
4 commissioner as the assuming insurer's agent for service of process in this
5 state, and agree to provide security for 100% of the assuming insurer's
6 liabilities attributable to reinsurance ceded by United States ceding
7 insurers if the assuming insurer resists enforcement of a final United States
8 judgment;

9 (v) agree to meet applicable information filing requirements as
10 determined by the commissioner, both with respect to an initial application
11 for certification and on an ongoing basis; and

12 (vi) satisfy any other requirements for certification deemed relevant
13 by the commissioner.

14 (B) An association including incorporated and individual
15 unincorporated underwriters may be a certified reinsurer. In order to be
16 eligible for certification, in addition to satisfying the requirements of
17 subsection (a)(5)(A) and all of the following requirements:

18 (i) The association shall satisfy its minimum capital and surplus
19 requirements through the capital and surplus equivalents, net of liabilities,
20 of the association and its members, ~~which~~ that shall include a joint central
21 fund that may be applied to any unsatisfied obligation of the association or
22 any of its members, in an amount determined by the commissioner to
23 provide adequate protection;

24 (ii) the incorporated members of the association shall not be engaged
25 in any business other than underwriting as a member of the association and
26 shall be subject to the same level of regulation and solvency control by the
27 association's domiciliary regulator as are the unincorporated members of
28 the association; and

29 (iii) within 90 days after the association's financial statements are due
30 to be filed with the association's domiciliary regulator, the association shall
31 provide to the commissioner an annual certification by the association's
32 domiciliary regulator of the solvency of each underwriter member. If a
33 certification is unavailable, financial statements prepared by independent
34 public accountants of each underwriter member of the association shall be
35 provided instead.

36 (C) The commissioner shall create and publish a list of qualified
37 jurisdictions under which an assuming insurer licensed and domiciled in
38 such jurisdiction is eligible to be considered for certification by the
39 commissioner as a certified reinsurer.

40 (i) In order to determine whether the domiciliary jurisdiction of a
41 ~~non-United States~~ *non-U.S.* assuming insurer is eligible to be recognized
42 as a qualified jurisdiction, the commissioner shall evaluate the
43 appropriateness and effectiveness of the reinsurance supervisory system of

1 the jurisdiction, both initially and on an ongoing basis, and consider the
2 rights, benefits and the extent of reciprocal recognition afforded by the
3 ~~non-United States~~ *non-U.S.* jurisdiction to reinsurers licensed and
4 domiciled in the United States. In order to be recognized as a qualified
5 jurisdiction, a jurisdiction must agree to share information and cooperate
6 with the commissioner with respect to all certified reinsurers domiciled
7 within that jurisdiction. A jurisdiction shall not be recognized as a
8 qualified jurisdiction if the commissioner has determined that the
9 jurisdiction does not adequately and promptly enforce final United States
10 judgments and arbitration awards. Additional factors may be considered in
11 the discretion of the commissioner.

12 (ii) A list of qualified jurisdictions shall be published through the
13 national association of insurance commissioners' process. The
14 commissioner shall consider this list in determining qualified jurisdictions.
15 If the commissioner recognizes a jurisdiction as qualified that does not
16 appear on the list of qualified jurisdictions, the commissioner shall provide
17 thoroughly documented justification in accordance with criteria to be
18 developed under rules and regulations.

19 (iii) United States jurisdictions that meet the requirement for
20 accreditation under the national association of insurance commissioners'
21 financial standards and accreditation program shall be recognized as
22 qualified jurisdictions.

23 (iv) If a certified reinsurer's domiciliary jurisdiction ceases to be a
24 qualified jurisdiction, the commissioner has the discretion to suspend the
25 reinsurer's certification indefinitely, in lieu of revocation.

26 (D) The commissioner shall assign a rating to each certified reinsurer,
27 giving due consideration to the financial strength ratings that have been
28 assigned by rating agencies deemed acceptable to the commissioner
29 pursuant to rules and regulations. The commissioner shall publish a list of
30 all certified reinsurers and their ratings.

31 (E) A certified reinsurer shall secure obligations assumed from
32 United States ceding insurers under this subsection at a level consistent
33 with the certified reinsurer's rating, as specified in rules and regulations
34 promulgated by the commissioner.

35 (i) In order for a domestic ceding insurer to qualify for full financial
36 statement credit for reinsurance ceded to a certified reinsurer, the certified
37 reinsurer shall maintain security in a form acceptable to the commissioner
38 and consistent with the provisions of subsection (b), or in a multi-
39 beneficiary trust in accordance with subsection (a)(4), except as otherwise
40 provided in this subsection.

41 (ii) If a certified reinsurer maintains a trust to fully secure its
42 obligations subject to subsection (a)(4), and chooses to secure its
43 obligations incurred as a certified reinsurer in the form of a multi-

1 beneficiary trust, the certified reinsurer shall maintain separate trust
2 accounts for its obligations incurred under reinsurance agreements issued
3 or renewed as a certified reinsurer with reduced security as permitted by
4 this subsection or comparable laws of other United States jurisdictions and
5 for its obligations subject to subsection (a)(4). It shall be a condition to the
6 grant of certification under subsection (a)(5) that the certified reinsurer
7 shall have bound itself, by the language of the trust and agreement with the
8 commissioner who has principal regulatory oversight of each such trust
9 account, to fund, upon termination of any such trust account, any
10 deficiency of any other such trust account out of the remaining surplus of
11 the terminated trust account.

12 (iii) The minimum trustee surplus requirements provided in
13 subsection (a)(4) are not applicable with respect to a multi-beneficiary
14 trust maintained by a certified reinsurer for the purpose of securing
15 obligations incurred under this subsection, except that such trust shall
16 maintain a minimum trustee surplus of \$10,000,000.

17 (iv) With respect to obligations incurred by a certified reinsurer under
18 this subsection, if the security is insufficient, the commissioner shall
19 reduce the allowable credit by an amount proportionate to the deficiency,
20 and the commissioner has the discretion to impose further reductions in
21 allowable credit upon finding there is a material risk that the certified
22 reinsurer's obligations will not be paid in full when due.

23 (v) For purposes of this subsection, a certified reinsurer whose
24 certification has been terminated for any reason shall be treated as a
25 certified reinsurer required to secure 100% of its obligations.

26 (a) As used in this paragraph, the term "terminated" includes
27 revocation, suspension, voluntary surrender and inactive status.

28 (b) If the commissioner continues to assign a higher rating as
29 permitted by other provisions of this subsection, this requirement does not
30 apply to a certified reinsurer in inactive status or to a reinsurer whose
31 certification has been suspended.

32 (F) If an assuming insurer applying for certification as a reinsurer in
33 this state has been certified as a reinsurer in an another jurisdiction
34 accredited by the national association of insurance commissioners, the
35 commissioner has the discretion to defer to that jurisdiction's certification,
36 and has the discretion to defer to the rating assigned by that jurisdiction,
37 and such assuming insurer shall be considered to be a certified reinsurer in
38 this state.

39 (G) A certified reinsurer that ceases to assume new business in this
40 state may request to maintain the reinsurer's certification in inactive status
41 in order to continue to qualify for a reduction in amount of security
42 required for the reinsurer's in force business. An inactive certified reinsurer
43 shall continue to comply with all applicable requirements of this

1 subsection, and the commissioner shall assign a rating that takes into
2 account, if relevant, the reasons why the reinsurer is not assuming new
3 business.

4 (6) (A) *Credit shall be allowed when the reinsurance is ceded to an*
5 *assuming insurer meeting each of the conditions set forth below.*

6 (i) *The assuming insurer must have its head office or be domiciled in,*
7 *as applicable, and be licensed in a reciprocal jurisdiction. A "reciprocal*
8 *jurisdiction" is a jurisdiction that meets one of the following:*

9 (a) *A non-U.S. jurisdiction that is subject to an in-force covered*
10 *agreement with the United States, each within its legal authority, or, in the*
11 *case of a covered agreement between the United States and the European*
12 *Union, is a member state of the European Union. For purposes of this*
13 *subsection, a "covered agreement" is an agreement entered into pursuant*
14 *to Dodd-Frank wall street reform and consumer protection act, 31 U.S.C.*
15 *§§ 313 and 314, that is currently in effect or in a period of provisional*
16 *application and addresses the elimination, under specified conditions, of*
17 *collateral requirements as a condition for entering into any reinsurance*
18 *agreement with a ceding insurer domiciled in this state or for allowing the*
19 *ceding insurer to recognize credit for reinsurance;*

20 (b) *a United States jurisdiction that meets the requirements for*
21 *accreditation under the national association of insurance commissioners*
22 *financial standards and accreditation program; or*

23 (c) *a qualified jurisdiction, as determined by the commissioner*
24 *pursuant to subsection (a)(5)(C), that is not otherwise described in*
25 *subsection (a)(6)(A)(i)(a) or (b) and that meets certain additional*
26 *requirements, consistent with the terms and conditions of in-force covered*
27 *agreements, as specified by the commissioner.*

28 (ii) *The assuming insurer shall have and maintain, on an ongoing*
29 *basis, minimum capital and surplus, or its equivalent, calculated*
30 *according to the methodology of its domiciliary jurisdiction, in an amount*
31 *to be set forth by the commissioner. If the assuming insurer is an*
32 *association, including incorporated and individual unincorporated*
33 *underwriters, it shall have and maintain, on an ongoing basis, minimum*
34 *capital and surplus equivalents, net of liabilities, calculated according to*
35 *the methodology applicable in its domiciliary jurisdiction, and a central*
36 *fund containing a balance in amounts to be set forth by the commissioner.*

37 (iii) *The assuming insurer shall have and maintain, on an ongoing*
38 *basis, a minimum solvency or capital ratio, as applicable, to be set forth*
39 *by the commissioner. If the assuming insurer is an association, including*
40 *incorporated and individual unincorporated underwriters, it shall have*
41 *and maintain, on an ongoing basis, a minimum solvency or capital ratio in*
42 *the reciprocal jurisdiction where the assuming insurer has its head office*
43 *or is domiciled, as applicable, and is also licensed.*

1 (iv) *The assuming insurer shall agree and provide adequate*
2 *assurance to the commissioner, in a form specified by the commissioner, as*
3 *follows:*

4 (a) *The assuming insurer shall provide prompt written notice and*
5 *explanation to the commissioner if it falls below the minimum*
6 *requirements set forth in subsection (a)(6)(A)(ii) or (iii), or if any*
7 *regulatory action is taken against the assuming insurer for serious*
8 *noncompliance with applicable law;*

9 (b) *the assuming insurer shall consent in writing to the jurisdiction of*
10 *the courts of this state and to the appointment of the commissioner as the*
11 *assuming insurer's agent for service of process. The commissioner may*
12 *require that consent for service of process be provided to the*
13 *commissioner and included in each reinsurance agreement. Nothing in*
14 *this provision shall limit, or in any way alter, the capacity of parties to a*
15 *reinsurance agreement to agree to alternative dispute resolution*
16 *mechanisms, except to the extent such agreements are unenforceable*
17 *under applicable insolvency or delinquency laws;*

18 (c) *the assuming insurer shall consent in writing to pay all final*
19 *judgments, wherever enforcement is sought, obtained by a ceding insurer*
20 *or its legal successor, that have been declared enforceable in the*
21 *jurisdiction where the judgment was obtained;*

22 (d) *each reinsurance agreement shall include a provision requiring*
23 *the assuming insurer to provide security in an amount equal to 100% of*
24 *the assuming insurer's liabilities attributable to reinsurance ceded*
25 *pursuant to that agreement if the assuming insurer resists enforcement of a*
26 *final judgment that is enforceable under the law of the jurisdiction in*
27 *which it was obtained or a properly enforceable arbitration award,*
28 *whether obtained by the ceding insurer or by its legal successor on behalf*
29 *of its resolution estate; and*

30 (e) *the assuming insurer shall confirm that it is not presently*
31 *participating in any solvent scheme of arrangement that involves this*
32 *state's ceding insurers, agree to notify the ceding insurer and the*
33 *commissioner and to provide security in an amount equal to 100% of the*
34 *assuming insurer's liabilities to the ceding insurer, should the assuming*
35 *insurer enter into such a solvent scheme of arrangement. Such security*
36 *shall be in a form consistent with the provisions of subsections (a)(5) and*
37 *(b) and as specified by the commissioner.*

38 (v) *The assuming insurer or its legal successor shall provide, if*
39 *requested by the commissioner, on behalf of itself and any legal*
40 *predecessors, certain documentation to the commissioner, as specified by*
41 *the commissioner.*

42 (vi) *The assuming insurer shall maintain a practice of prompt*
43 *payment of claims under reinsurance agreements.*

1 (vii) *The assuming insurer's supervisory authority must confirm to*
2 *the commissioner on an annual basis, as of the preceding December 31 or*
3 *at the annual date otherwise statutorily reported to the reciprocal*
4 *jurisdiction, that the assuming insurer complies with the requirements set*
5 *forth in subsection (a)(6)(A)(ii) or (iii).*

6 (viii) *Nothing in this provision precludes an assuming insurer from*
7 *providing the commissioner with information on a voluntary basis.*

8 (B) *The commissioner shall timely create and publish a list of*
9 *reciprocal jurisdictions.*

10 (i) *A list of reciprocal jurisdictions is published through the national*
11 *association of insurance commissioners committee process. The*
12 *commissioner's list shall include any reciprocal jurisdiction, as defined*
13 *under subsections (a)(6)(A)(i)(a) and (b), and shall consider any other*
14 *reciprocal jurisdiction included on the national association of insurance*

17 *list of reciprocal jurisdictions in accordance with criteria to be developed*
18 *by the commissioner.*

19 (ii) *The commissioner may remove a jurisdiction from the list of*
20 *reciprocal jurisdictions upon a determination that the jurisdiction no*
21 *longer meets the requirements of a reciprocal jurisdiction, in accordance*
22 *with a process set forth by the commissioner, except that the commissioner*
23 *shall not remove from the list a reciprocal jurisdiction, as defined under*
24 *subsections (a)(6)(A)(i)(a) and (b). Upon removal of a reciprocal*

31 *with this subsection. The commissioner may add an assuming insurer to*
32 *such list if a national association of insurance commissioners accredited*

38 *covered agreement.*

39 (D) *If the commissioner determines that an assuming insurer no*
40 *longer meets one or more of the requirements under this subsection, the*
41 *commissioner may revoke or suspend the eligibility of the assuming*
42 *insurer for recognition under this subsection.*

43 (i) *While an assuming insurer's eligibility is suspended, no*

1 *reinsurance agreement issued, amended or renewed after the effective date*
2 *of the suspension qualifies for credit except to the extent that the assuming*
3 *insurer's obligations under the contract are secured in accordance with*
4 *subsection (b).*

5 *(ii) If an assuming insurer's eligibility is revoked, no credit for*
6 *reinsurance may be granted after the effective date of the revocation with*

9 *revocation, except to the extent that the assuming insurer's obligations*
10 *under the contract are secured in a form acceptable to the commissioner*
11 *and consistent with the provisions of subsection (b).*

12 *(E) If subject to a legal process of rehabilitation, liquidation or*
13 *conservation, as applicable, the ceding insurer, or its representative, may*

15 *are pending, may obtain an order requiring that the assuming insurer post*
16 *security for all outstanding ceded liabilities.*

17 *(F) Nothing in this subsection shall limit or in any way alter the*
18 *capacity of parties to a reinsurance agreement to agree on requirements*
19 *for security or other terms in that reinsurance agreement, except as*
20 *expressly prohibited by this section or other applicable law or regulation.*

21 *(G) Credit may be taken under this subsection only for reinsurance*
22 *agreements entered into, amended or renewed on or after July 1, 2021,*

25 *requirements pursuant to subsection (a)(6)(A), or the effective date of the*
26 *new reinsurance agreement, amendment or renewal.*

27 *(H) This paragraph does not alter or impair a ceding insurer's right*
28 *to take credit for reinsurance, to the extent that credit is not available*
29 *under this subsection, as long as the reinsurance qualifies for credit under*
30 *any other applicable provision of this section.*

31 *(I) Nothing in this subsection shall:*

32 *(i) Authorize an assuming insurer to withdraw or reduce the security*
33 *provided under any reinsurance agreement except as permitted by the*
34 *terms of the agreement; or*

35 *(ii) limit, or in any way alter, the capacity of parties to any*
36 *reinsurance agreement to renegotiate the agreement.*

37 *(7) Credit shall be allowed when the reinsurance is ceded to an*
38 *assuming insurer that does not meet the requirements of subsections (a)(1)*
39 *through (a)(~~5~~)(6), but only as to the insurance of risks located in*
40 *jurisdictions where the reinsurance is required by applicable law or*
41 *regulation of that jurisdiction.*

42 *(~~7~~)(8) If the assuming insurer is not licensed, accredited or certified to*
43 *transact insurance or reinsurance in this state, the credit permitted by*

1 subsections (a)(3) and (a)(4) of this section shall not be allowed, unless the
2 assuming insurer agrees in the reinsurance agreement to do all of the
3 following:

4 (A) (i) In the event of the failure of the assuming insurer to perform
5 its obligations under the terms of the reinsurance agreement, the assuming
6 insurer, at the request of the ceding insurer, will: Submit to the jurisdiction
7 of any court of competent jurisdiction in any state of the United States;
8 comply with all requirements necessary to give the court jurisdiction; and
9 abide by the final decision of the court or of any appellate court in the
10 event of an appeal; and

11 (ii) the assuming insurer will designate the commissioner or a
12 designated attorney as its true and lawful attorney to receive lawful
13 process in any action, suit or proceeding instituted by or on behalf of the
14 ceding insurer.

15 (B) This subsection is not intended to conflict with or override the
16 obligation of the parties to a reinsurance agreement to arbitrate their
17 disputes, if the obligation is created in the agreement.

18 ~~(8)(9)~~ If the assuming insurer does not meet the requirements of
19 subsection (a)(1), (a)(2)~~–(8)~~, (a)(3) or (a)(6), the credit permitted by
20 subsection (a)(4) or (a)(5) shall not be allowed unless the assuming insurer
21 agrees in a trust agreement to the following conditions:

22 (A) Notwithstanding any other provisions in the trust instrument, if
23 the trust fund is inadequate because the trust fund contains an amount less
24 than the amount required by subsection (a)(4)(C), or if the grantor of the
25 trust has been declared insolvent or has been placed into receivership,
26 rehabilitation, liquidation or similar proceedings under the laws of the
27 trust's state or country of domicile, the trustee shall comply with an order
28 of the commissioner with regulatory oversight over the trust or with an
29 order of a court of competent jurisdiction directing the trustee to transfer
30 all of the assets of the trust fund to the commissioner with regulatory
31 oversight over the trust.

32 (B) The assets shall be distributed and claims shall be filed with and
33 valued by the commissioner with regulatory oversight in accordance with
34 the laws of the state in which the trust is domiciled that are applicable to
35 the liquidation of domestic insurance companies.

36 (C) If the commissioner with regulatory oversight over the trust
37 determines that the assets of the trust fund or any part of the trust fund are
38 not necessary to satisfy the claims of the United States ceding insurers of
39 the grantor of the trust, the assets of the trust or part of those assets shall be
40 returned by the commissioner with regulatory oversight over the trust to
41 the trustee for distribution in accordance with the trust agreement.

42 (D) The grantor shall waive any right otherwise available to it under
43 United States law that is inconsistent with the provisions of this

1 subsection.

2 ~~(9)~~(10) Credit for reinsurance ceded to a certified reinsurer is limited
3 to reinsurance contracts entered or renewed on or after the effective date of
4 the certification of the assuming insurer by the commissioner.

5 ~~(10)~~(11) If an accredited or certified reinsurer ceases to meet the
6 requirements of this section for accreditation or certification, the
7 commissioner may suspend or revoke the reinsurer's accreditation or
8 certification.

9 (A) The commissioner shall give the reinsurer notice and opportunity
10 for a hearing prior to such suspension or revocation. The suspension or
11 revocation shall not take effect until after the commissioner's order on
12 hearing, unless one of the following applies:

13 (i) The reinsurer waives its right to a hearing;

14 (ii) the commissioner's order is based on regulatory action by the
15 reinsurer's domiciliary jurisdiction or by the voluntary surrender or
16 termination of the reinsurer's eligibility to transact insurance or reinsurance
17 business in its domiciliary jurisdiction or in the primary certifying state of
18 the reinsurer under subsection (a)(5)(F); or

19 (iii) the commissioner finds that an emergency requires immediate
20 action and a court of competent jurisdiction has not stayed the
21 commissioner's action.

22 (B) While a reinsurer's accreditation or certification is suspended, a
23 reinsurance contract issued or renewed after the effective date of the
24 suspension does not qualify for credit, except to the extent that the
25 reinsurer's obligations under the reinsurance contract are secured in
26 accordance with subsection (b). If a reinsurer's accreditation or
27 certification is revoked, credit for reinsurance shall not be granted after the
28 effective date of the revocation, except to the extent that the reinsurer's

38 affiliated assuming insurers, is likely to exceed this limit. The notification
39 shall demonstrate that the exposure is safely managed by the domestic
40 ceding insurer.

41 (B) A domestic ceding insurer shall take steps to diversify its
42 reinsurance program. A domestic ceding insurer shall notify the
43 commissioner within 30 days after ceding to any single assuming insurer,

2 insurer's gross written premium in the prior calendar year, or after the
3 domestic ceding insurer has determined that the reinsurance ceded to any
4 single assuming insurer, or group of affiliated assuming insurers, is likely
5 to exceed this limit. The notification shall demonstrate that the exposure is
6 safely managed by the domestic ceding insurer.

7 (b) An asset or a reduction from liability for the reinsurance ceded by
8 a domestic insurer to an assuming insurer not meeting the requirements of
9 subsection (a) shall be allowed in an amount not exceeding the liabilities

26 If any material change occurs in the facts set forth in the statement filed

28 this section, an amendment setting forth such change, together with copies
29 of all documents and other material relevant to such change, shall be filed
30 with the commissioner of insurance and sent to such insurer within two
31 business days after the person learns of such change.

32 (c) If any offer, request, invitation, agreement or acquisition referred
33 to in subsection (a) is proposed to be made by means of a registration
34 statement under the securities act of 1933 or in circumstances requiring the

41 other acquisition of control referred to in subsection (a) unless, after a
42 public hearing thereon conducted in accordance with the provisions of the
43 Kansas administrative procedure act, the commissioner of insurance finds

2 (A) After the change of control the domestic insurer referred to in
3 subsection (a) would not be able to satisfy the requirements for the
4 issuance of a license to write the line or lines of insurance for which it is
5 presently licensed;

6 (B) the financial condition of any acquiring party is such as might
7 jeopardize the financial stability of the insurer or prejudice the interest of
8 its policyholders;

9 (C) the plans or proposals which the acquiring party has to liquidate
10 the insurer, sell its assets, consolidate or merge it with any person, or to

13 are not in the public interest;~~or~~

14 (D) the competence, experience and integrity of those persons who

18 (E) the acquisition is likely to be hazardous or prejudicial to the
19 insurance-buying public.

20 (2) The public hearing referred to in ~~paragraph (1)~~ of subsection (d)
21 (1) shall be held as soon as practical after the statement required by this
22 subsection (a) is filed, and at least 20 days' notice thereof shall be given by

33 accordance with ~~subsection (e)~~ of K.S.A. 77-523(c), and amendments
34 thereto.

35 (3) If the proposed acquisition of control will require the approval of
36 more than one commissioner of insurance, the public hearing referred to in
37 paragraph (2) may be held on a consolidated basis upon request of the
38 person filing the statement referred to in subsection (a). Such person shall
39 file the statement referred to in subsection (a) with the national association
40 of insurance commissioners within five days of making the request for a
41 public hearing. A commissioner of insurance may opt out of a consolidated
42 hearing; and shall provide notice to the applicant of the opt-out within 10
43 days of the receipt of the statement referred to in subsection (a). A hearing

1 conducted on a consolidated basis shall be public and shall be held within
2 the United States before the commissioners of insurance of the states in
3 which the insurers are domiciled. Such commissioners of insurance shall
4 hear and receive evidence. A commissioner of insurance may attend such
5 hearing in person or by telecommunication.

6 (4) As a condition of a change of control of a domestic insurer, any

8 control of the insurer shall be required to maintain or restore the capital of
9 the insurer to the level required by the laws and regulations of this state
10 shall be made not later than 60 days after the date of notification of the
11 change in control submitted pursuant to subsection (a).

12 (5) The commissioner of insurance may retain at the acquiring
13 person's expense any attorneys, actuaries, accountants and other experts

24 (2) as otherwise not comprehended within the purposes of this
25 section.

26 (f) The following shall be violations of this section:

27 (1) The failure to file any statement, amendment or other material
28 required to be filed pursuant to subsection (a) or (b); or

29 (2) the effectuation or any attempt to effectuate an acquisition of
30 control of, or merger with, a domestic insurer unless the commissioner of
31 insurance has given the requisite approval thereto.

32 (g) The courts of this state are hereby vested with jurisdiction over
33 every securityholder of a domestic insurer and every person not resident,
34 domiciled or authorized to do business in this state who files a statement
35 with the commissioner of insurance under this section and over all actions
36 involving such person arising out of violations of this section. Each such
37 person shall be deemed to have performed acts equivalent to and
38 constituting an appointment by such a person of the commissioner of
39 insurance to be such person's true and lawful attorney upon whom may be
40 served all lawful process in any action, suit or proceeding arising out of
41 violations of this section. Copies of all such lawful process shall be served
42 on the commissioner of insurance and transmitted by registered or certified
43 mail by the commissioner of insurance to such person at such person's last

1 known address.

2 Sec. 5. K.S.A. 2020 Supp. 40-3306 is hereby amended to read as
3 follows: 40-3306. (a) Material transactions by registered insurers with
4 their affiliates shall be subject to the following standards:

6 (2) agreements for cost-sharing services and management shall
7 include such provisions as required by rules and regulations adopted by the
8 commissioner of insurance;

9 (3) the charges or fees for services performed shall be reasonable;

10 (4) expenses incurred and payment received with respect to such
11 transactions shall be allocated to the insurer in conformity with the
12 requirements of K.S.A. 40-225, and amendments thereto;

13 (5) the books, accounts and records of each party to all such
14 transactions shall be so maintained as to clearly and accurately disclose the
15 nature and details of the transactions including such accounting
16 information necessary to support the reasonableness of the charges or fees
17 to the respective parties; and

18 (6) the insurer's surplus as regards policyholders following any
19 transactions, dividends or distributions to shareholder affiliates shall be
20 reasonable in relation to the insurer's outstanding liabilities and adequate
21 to its financial needs.

22 (b) The following transactions involving a domestic insurer and any
23 person in such insurer's insurance holding company system, *including*
24 *amendments or modifications of affiliate agreements previously filed*
25 *pursuant to this section*, may not be entered into unless the insurer has
26 notified the commissioner of insurance in writing of such insurer's
27 intention to enter into such transaction at least 30 days prior thereto, or
28 such shorter period as the commissioner of insurance may permit, and the
29 commissioner of insurance has not disapproved such transaction within
30 such period.

31 (1) Sales, purchases, exchanges, loans or extensions of credit,
32 guarantees or investments provided such transactions are equal to or
33 exceed:

34 (A) With respect to nonlife insurers, the lesser of 3% of the insurer's
35 admitted assets or 25% of surplus as regards policyholders; or

36 (B) with respect to life insurers, 3% of the insurer's admitted assets,
37 each as of December 31 immediately preceding.

38 (2) Loans or extensions of credit to any person who is not an affiliate,
39 where the insurer makes such loans or extensions of credit with the
40 agreement or understanding that the proceeds of such transactions, in
41 whole or in substantial part, are to be used to make loans or extensions of
42 credit to, purchase assets of, or make investments in, any affiliate of the
43 insurer making such loans or extensions of credit provided such

1 transactions are equal to or exceed:

2 (A) With respect to nonlife insurers, the lesser of 3% of the insurer's
3 admitted assets or 25% of surplus as regards policyholders;

4 (B) with respect to life insurers, 3% of the insurer's admitted assets,
5 each as of December 31 immediately preceding.

6 (3) Reinsurance agreements or modifications thereto, including:

7 (A) All reinsurance pooling agreements; and

8 (B) agreements in which the reinsurance premium or a change in the
9 insurer's liabilities, or the projected reinsurance premium or a projected
10 change in the insurer's liabilities in any of the next three consecutive years
11 equals or exceeds 5% of the insurer's surplus as regards policyholders, as
12 of December 31 immediately preceding, including those agreements which
13 may require as consideration the transfer of assets from an insurer to a
14 nonaffiliate, if an agreement or understanding exists between the insurer
15 and nonaffiliate that any portion of such assets will be transferred to one or
16 more affiliates of the insurer;

17 (4) all management agreements, service contracts, tax allocation
18 agreements and all cost-sharing arrangements; and

19 (5) any material transactions, specified by rules and regulations,
20 which the commissioner of insurance determines may adversely affect the
21 interests of an insurer's policyholders.

22 Nothing herein contained shall be deemed to authorize or permit any
23 transactions which, in the case of an insurer not a member of the same
24 insurance holding company system, would be otherwise contrary to law.

25 (c) A domestic insurer may not enter into transactions which are part
26 of a plan or series of like transactions with persons within the insurance
27 holding company system if the purpose of those separate transactions is to
28 avoid the threshold amount required under this section and thus avoid the
29 review that would occur otherwise. If the commissioner of insurance
30 determines that such separate transactions were entered into over any 12-
31 month period for such purpose, the commissioner of insurance may
32 exercise authority under K.S.A. 40-3311, and amendments thereto.

33 (d) The commissioner of insurance, in reviewing transactions
34 pursuant to subsection (b), shall consider whether the transactions comply
35 with the standards set forth in subsection (a), and whether such
36 transactions may adversely affect the interests of policyholders.

37 (e) The commissioner of insurance shall be notified within 30 days of
38 any investment of the domestic insurer in any one corporation if the total
39 investment in such corporation by the insurance holding company system
40 exceeds 10% of such corporation's voting securities.

41 (f) A transaction subject to approval by the commissioner of
42 insurance pursuant to K.S.A. 40-3304, and amendments thereto, shall not
43 be subject to the requirements of this section.

1 (g) (1) No insurer subject to registration under K.S.A. 40-3305, and
2 amendments thereto, shall pay any extraordinary dividend or make any
3 other extraordinary distribution to such insurer's shareholders until:

4 (A) ~~Thirty~~30 days after the commissioner of insurance has received
5 notice of the declaration thereof and has not within such period
6 disapproved such payment; or

7 (B) the commissioner of insurance has approved such payment within
8 such 30-day period.

9 (2) (A) For purposes of this section, an extraordinary dividend or
10 distribution includes any dividend or distribution of cash or other property,
11 the fair market value of which, together with that of other dividends or
12 distributions made within the preceding 12 months exceeds the greater of:

13 (i) ~~Ten percent~~10% of such insurer's surplus as regards policyholders
14 as of December 31 immediately preceding; or

15 (ii) the net gain from operations of such insurer, if such insurer is a
16 life insurer, or the net income, if such insurer is not a life insurer, not
17 including realized capital gains for the 12-month period ending December
18 31 immediately preceding, but shall not include pro rata distributions of
19 any class of the insurer's own securities.

20 (B) In determining whether a dividend or distribution is
21 extraordinary, an insurer, other than a life insurer, may carry forward net
22 income from the previous two calendar years that has not already been
23 paid out as dividends. This carry-forward shall be computed by taking the
24 net income from the second and third preceding calendar years, not
25 including realized capital gains, less dividends paid in the second and
26 ~~immediate~~ immediately preceding calendar years.

27 (C) An extraordinary dividend or distribution shall also include any
28 dividend or distribution made or paid out of any funds other than earned
29 surplus arising from the insurer's business, as defined in K.S.A. 40-233,
30 and amendments thereto. The provisions of K.S.A. 40-233, and
31 amendments thereto, shall not be construed so as to prohibit an insurer,
32 subject to registration under K.S.A. 40-3305, and amendments thereto,
33 from making or paying an extraordinary dividend or distribution in
34 accordance with this section.

35 (3) Notwithstanding any other provisions of law, an insurer may
36 declare an extraordinary dividend or distribution which is conditional upon
37 the approval of the commissioner of insurance. No declaration shall confer
38 any rights upon shareholders until:

39 (A) The commissioner of insurance has approved the payment of
40 such dividend or distribution; or

41 (B) the commissioner of insurance has not disapproved such payment
42 within the 30-day period referred to above.

43 (h) (1) Notwithstanding the control of a domestic insurer by any

1 person, the officers and directors of the insurer shall not thereby be
2 relieved of any obligation or liability to which they would otherwise be
3 subject by law, and the insurer shall be managed so as to assure its separate
4 operating identity consistent with this act.

5 (2) Nothing herein shall preclude a domestic insurer from having or
6 sharing a common management or cooperative or joint use of personnel,
7 property or services with one or more other persons under arrangements
8 meeting the standards of K.S.A. 40-3306, and amendments thereto.

9 (i) For purposes of this act, in determining whether an insurer's
10 surplus as regards policyholders is reasonable in relation to the insurer's
11 outstanding liabilities and adequate to such insurer's financial needs, the
12 following factors, among others, shall be considered:

13 (1) The size of the insurer as measured by such insurer's assets,
14 capital and surplus, reserves, premium writings, insurance in force and
15 other appropriate criteria;

16 (2) the extent to which the insurer's business is diversified among the
17 several lines of insurance;

18 (3) the number and size of risks insured in each line of business;

19 (4) the extent of the geographical dispersion of the insurer's insured
20 risks;

21 (5) the nature and extent of the insurer's reinsurance program;

22 (6) the quality, diversification; and liquidity of the insurer's
23 investment portfolio;

24 (7) the recent past and projected future trend in the size and
25 performance of the insurer's surplus as regards policyholders;

26 (8) the surplus as regards policyholders maintained by other
27 comparable insurers;

28 (9) the adequacy of the insurer's reserves;

29 (10) the quality and liquidity of investments in affiliates. The
30 commissioner of insurance may treat any such investment as a disallowed
31 asset for purposes of determining the adequacy of surplus as regards
32 policyholders whenever in the judgment of the commissioner of insurance
33 such investment so warrants; and

34 (11) the quality of the insurer's earnings and the extent to which the
35 reported earnings include extraordinary items.

36 Sec. 6. K.S.A. 2020 Supp. 40-221a, 40-3302, 40-3304 and 40-3306
37 are hereby repealed.

38 Sec. 7. This act shall take effect and be in force from and after its
39 publication in the statute book.
