41 month in which the exemption period established in this section  
42 commences.

43 (d) The following procedures are to be used in administering the

1 exemption as provided in this section:

2 (1) A sale of eligible property under a layaway sale qualifies for the  
3 exemption if:

4 (A) Final payment on a layaway order is made by, and the property is  
5 given to, the purchaser during the exemption period; or

6 (B) the purchaser selects the property and the retailer accepts the  
7 order for the item during the exemption period for immediate delivery  
8 upon full payment, even if delivery is made after the exemption period;

9 (2) there shall be no change during the period of exemption for the  
10 handling of a bundled sale as treated for sales tax purposes at times other  
11 than the exemption period;

12 (3) a discount by the seller reduces the sales price of the property. A  
13 coupon that reduces the sales price is treated as a discount if the seller is  
14 not reimbursed for the coupon amount by a third party. If a discount  
15 applies to the total amount paid by a purchaser rather than to the sales  
16 price of a particular item and the purchaser has purchased both eligible  
17 property and taxable property, the seller shall allocate the discount based  
18 on the total sales prices of the taxable property compared to the total sales  
19 prices of all property sold in that same transaction;

20 (4) articles that are normally sold as a single unit shall continue to be  
21 sold in that manner. Such articles cannot be priced separately and sold as  
22 individual items in order to obtain the exemption;

23 (5) a rain check allows a customer to purchase an item at a certain  
24 price at a later time because the particular item was out of stock. Eligible  
25 property that customers purchase during the exemption period with use of  
26 a rain check will qualify for the exemption regardless of when the rain  
27 check was issued. Issuance of a rain check during the exemption period  
28 shall not qualify eligible property for the exemption if the property is  
29 actually purchased after the exemption period;

30 (6) the procedure for an exchange in regards to an exemption is as  
31 follows:

32 (A) If a customer purchases an item of eligible property during the  
33 exemption period, but later exchanges the item for a similar eligible item,  
34 even if a different size, different color or other feature, no additional tax is  
35 due even if the exchange is made after the exemption period;

36 (B) if a customer purchases an item of eligible property during the  
37 exemption period, but after the exemption period has ended, the customer  
38 returns the item and receives credit on the purchase of a different item, the  
39 appropriate sales tax is due on the sale of the new item; and

40 (C) if a customer purchases an item of eligible property before the  
41 exemption period, but during the exemption period the customer returns  
42 the item and receives credit on the purchase of a different item of eligible  
43 property, no sales tax is due on the sale of the new item if the new item is

1 purchased during the exemption period;

2 (7) for the purpose of an exemption, eligible property qualifies for the  
3 exemption if:

4 (A) The item is both delivered to and paid for by the customer during  
5 the exemption period; or

6 (B) the customer orders and pays for the item and the seller accepts  
7 the order during the exemption period for immediate shipment, even if  
8 delivery is made after the exemption period. The seller accepts an order  
9 when the seller has taken action to fill the order for immediate shipment.  
10 Actions to fill an order include placement of an in date stamp on a mail  
11 order or assignment of an order number to a telephone order. An order is  
12 for immediate shipment when the customer does not request delayed  
13 shipment. An order is for immediate shipment, notwithstanding that the  
14 shipment may be delayed because of a backlog of orders or because stock  
15 is currently unavailable to, or on back order by, the seller;

16 (8) for a 60-day period immediately after the exemption period, when  
17 a customer returns an item that would qualify for the exemption, no credit  
18 for or refund of sales tax shall be given unless the customer provides a  
19 receipt or invoice that shows tax was paid or the seller has sufficient  
20 documentation to show that tax was paid on the specific item. This 60-day  
21 period is set solely for the purpose of designating a time period during  
22 which the customer must provide documentation that shows that sales tax  
23 was paid on returned merchandise. The 60-day period is not intended to  
24 change a seller's policy on the time period during which the seller will  
25 accept returns; and

26 (9) the time zone of the seller's location determines the authorized  
27 time period for a sales tax holiday when the purchaser is located in one  
28 time zone and a seller is located in another.

29 (e) The provisions of this section shall be a part of and supplemental  
30 to the Kansas retailers' sales tax act.

31 Sec. 2. This act shall take effect and be in force from and after its  
32 publication in the Kansas register.
