

Kansas Energy Choice Act; SB 24

SB 24 creates the Kansas Energy Choice Act.

The bill defines the terms “municipality” and “utility service” for the purpose of prohibiting a municipality from imposing any ordinance, resolution, code, rule, provision, standard, permit, plan, or any other binding action that prohibits, discriminates against, restricts, limits, impairs, or has a similar effect on an end-use customer’s use of a utility service, defined as the retail provision of natural gas or propane.

The bill states it should not be construed in its interpretation to restrict the ability of a municipality, as defined in the bill, to limit an end use customer’s use of a utility service if that end use customer is the municipality.

The bill will be in effect upon publication in the *Kansas Register*.
