### **Background**

The bill was introduced by the Joint Committee on Special Claims Against the State (Joint Committee) on February 5, 2021.

The bill includes six claims recommended by the Joint Committee to the 2020 Legislature. These claims were not approved for payment by an act of appropriation due to the early departure of the Legislature as a result of the COVID-19 pandemic. These claims were reconsidered by the Joint Committee during the 2020 Interim and again recommended for payment.

During the 2020 Interim, the Joint Committee met three times and, excluding motor vehicle fuel tax refunds, heard 84 claims, of which 72 claims, or 85.7 percent, were filed against the Department of Corrections or specific correctional facilities. Of the 84 claims heard, the Joint Committee recommended payment for an additional 5 claims.
