

Journal of the Senate

SIXTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, April 5, 2024, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 39 senators present.
Senator Ryckman was excused.
Invocation by Reverend Cecil T. Washington:

God Bless America (Irving Berlin)
Matthew 5-6

Heavenly Father, Lord God of Heaven and earth; in the Gospel of Matthew 5-6, Your Word says God blesses those who are humble, for they will inherit the whole earth. God blesses those who hunger and thirst for justice, for they will be satisfied.

Shortly after becoming an American citizen, Irving Berlin wrote a prayer asking You to bless us. The prayer was set to music and became a national anthem. Please hear this prayer today:

God bless America, land that I love.
Stand beside her, and guide her,
Thru the night with a light from above.
From the mountains, to the prairies,
To the oceans, white with foam,
God bless America, my home sweet home. Amen!

The Pledge of Allegiance was led by President Masterson.

Provided, That expenditures shall be made by the above agency from such account during fiscal year 2025 to establish the mental health intervention team program: *Provided further*; That such program shall be a continuation of the mental health intervention team pilot program first established pursuant to section 1 of chapter 57 of the 2018 Session Laws of Kansas and K.S.A. 72-9943, and amendments thereto, and continued and expanded through subsequent appropriation acts of the legislature: *And provided further*; That the purposes of the mental health intervention team program are to: Provide greater access to behavioral health services for students enrolled in kindergarten or any of the grades one through 12 and establish a coherent structure between school districts and mental health intervention team providers to optimize scarce behavioral health resources and workforce; identify students, communicate with families and link students and their families to the statewide behavioral health systems and resources within the network of mental health intervention team providers; alleviate the shortage of staff with specialized degrees or training such as school counselors, psychologists and social workers and reduce the competition for such staff between school districts and other private and governmental service providers to provide broader-based and collaborative services to students, especially in rural districts that do not have enough students to justify a full-time staff position; provide and coordinate mental health services to students throughout the calendar year, not only during school hours over nine months of the school year; and reduce barriers that families experience

to access mental health services and maintain consistency for a child to attend recurring sessions and coordination between the child's classroom schedule and the provision of such services: *And provided further*; That the program shall focus on the following students: Any student who has been adjudicated as a child in need of care and is in the custody of the secretary for children and families or has been referred for a families first program or family preservation program; and any other student who is in need of mental health support services: *And provided further*; That the secretary for aging and disability services shall appoint a mental health intervention team program manager and, within the limits of appropriations therefor, such additional staff as necessary to support such manager: *And provided further*; That the above agency shall oversee and implement the mental health intervention team program in accordance with the requirements of this proviso and the policies and procedures established by the above agency pursuant to this proviso: *And provided further*; That during fiscal year 2025, the board of education of a school district may apply to the above agency to establish or maintain a mental health intervention team program within such school district: *And provided further*; That the application shall be in such form and manner as the above agency requires and submitted at a time determined and specified by such agency: *And provided further*; That each application submitted by a school district shall specify the mental health intervention team provider that the school intends to coordinate with to provide school-based services to students who need assistance during the applicable school year: *And provided further*; That the school district shall provide notice to the mental health intervention team provider as soon as they are able of their intent to partner for the following school year: *And provided further*; That the above agency shall establish an application review committee that shall include representatives from mental health intervention team providers and the department of education: *And provided further*; That if a school district and mental health intervention team provider are approved to establish or maintain a mental health intervention team program, the school district shall enter into a memorandum of understanding with a partnering mental health intervention team provider: *And provided further*; That if the school district chooses to partner with more than one mental health intervention team provider, the school district shall enter into a separate memorandum of understanding with each such mental health intervention team provider: *And provided further*; That the above agency may establish requirements for a memorandum of understanding, including contractual provisions that are required to be included in each memorandum of understanding and that are optional and subject to agreement between the school district and the mental health intervention team provider: *And provided further*; That each memorandum of understanding shall be submitted to the above agency for final approval: *And provided further*; That the above agency may authorize another category of provider other than a mental health intervention team provider to serve as a partnering provider under the mental health intervention team program pursuant to this proviso: *And provided further*; That such category of provider shall provide the required services and otherwise meet the requirements of a partnering mental health intervention team provider under this proviso: *And provided further*; That if the above agency authorizes another category of provider other than a mental health intervention team provider, such agency shall provide notification of this decision to the mental health intervention team provider that provides services in that county: *And provided further*; That, subject to appropriations therefor, a school district and mental health intervention team provider that have been

Upon the showing of five hands a Call of the Senate was requested.

On roll call, the vote was: Yeas 26; Nays 12; Present and Passing 1; Absent or Not Voting 1.

Yeas: Alley, Billinger, Blasi, Bowers, Claeys, Corson, Dietrich, Doll, Fagg, Faust-Goudeau, Gossage, Haley, Holscher, Kerschen, Kloos, Longbine, Masterson, McGinn, Petersen, Pettey, Pittman, Reddi, Thompson, Ware, Warren, Wilborn.

Nays: Baumgardner, Erickson, Francisco, Holland, O'Shea, Olson, Peck, Pyle, Shallenburger, Steffen, Straub, Tyson.

Present and Passing: Sykes.

Absent or Not Voting: Ryckman.

The call was lifted.

Without objection, Senator Sykes passed on **SB 28**.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

The true test of fiscal responsibility is not how the legislature manages the people's budget in a deficit, but how the budget is managed when there is a surplus. Times of surplus require added restraint, the ability to not frivolously spend surplus dollars on pet projects for the chosen few, but to instead wisely invest the taxpayers' dollars in needs that have been fully vetted by this chamber, savings for a rainy day and meaningful tax relief. For example, it is disappointing to see last-minute favors granted to pay for an

opera house and trees when I think about how the money could be spent on our foster care children and social workers. Our constituents deserve to know that their taxes are being squandered, and they deserve better than this. I hope this body can continue to refine the budget process to be just. —KRISTEN O'SHEA

One reason I vote no on the CCR for **SB 28** is because the committee took out the language of my amendment requiring a vote of the legislature accepting the 93% pay increase. —DENNIS PYLE

I voted NO on **SB 28** because I believe and live the Republican Party Platform tenet of small government. Disappointingly, from 2020 to 2024, this super-majority Republican legislature has grown the state general fund expenditures by 25%. Our promotion of a tax system full of tax credits and abatements, preventing a level playing field fair to all Kansans, is very disappointing as well. We are better than this!—MARK STEFFEN

EXPLANATION OF VOTE

Growing government, growing the AG office and growing litigation against the state. That's what this bill does. It needs to be pointed out the Senate chamber was invited to a "briefing," a closed door caucus under the auspices of "security" - all for a bill that is unconstitutional on many fronts. Because this bill requires forced divestiture, without rights to seek appeal or redress, we will likely force small businesses into lengthy, expensive court proceedings and that's not just JoCo, but all across the state. This bill assumes all people and companies covered under this bill are guilty, without even a chance to prove innocence, absent a long and expensive court battle. This is not the AMERICAN way. I vote "no."—CINDY HOLSCHER

Any county or city levying a retailers' sales tax is hereby prohibited from administering or collecting such tax locally, but shall utilize the services of the state department of revenue to administer, enforce and collect such tax. Except as otherwise specifically provided in K.S.A. 12-189a, and amendments thereto, such tax shall be identical in its application, and exemptions therefrom, to the Kansas retailers' sales tax act and all laws and administrative rules and regulations of the state department of revenue relating to the Kansas retailers' sales tax shall apply to such local sales tax insofar as such laws and rules and regulations may be made applicable. The state director of taxation is hereby authorized to administer, enforce and collect such local sales taxes and to adopt such rules and regulations as may be necessary for the efficient and effective administration and enforcement thereof.

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers' sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers' sales tax. The director of taxation shall confirm that all provisions of law applicable to the authorization of local sales tax have been followed prior to causing the collection. If the director of taxation discovers that a city or county did not comply with any provision of law applicable to the authorization of a local sales tax after collection has commenced, the director shall immediately notify the city or county and cease collection of such sales tax until such noncompliance is remedied. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury, except that all moneys collected by the director of taxation pursuant to the authority granted in K.S.A. 12-187(b)(22), and amendments thereto, shall be credited to the Wilson county capital improvements fund. Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Except for local retailers' sales tax revenue required to be deposited in the redevelopment bond fund established under K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax revenue collected within any county or city pursuant to this act shall be apportioned and remitted at least quarterly by the state treasurer, on instruction from the director of taxation, to the treasurer of such county or city.

(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner:

(1) $\frac{1}{2}$ of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and

(2) $\frac{1}{2}$ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner:

(A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and

(B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows:

(ii) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and

(iii) $\frac{1}{2}$ shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31), (32), (33), (34) ~~and~~, (35), ~~(36), (37) and (38)~~, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(26), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by K.S.A. 12-187(b)(26), and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the 20 mills levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from the 20 mills is the only reason the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only the 20 mills.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall

make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

- (1) A list of taxing subdivisions by county;
- (2) whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;
- (3) the revenue neutral rate of each taxing subdivision;
- (4) the tax rate resulting from the adopted budget of each taxing subdivision; and
- (5) the percent change between the revenue neutral rate and the tax rate for each taxing subdivision.

(i) Notwithstanding any provisions to the contrary, in the event any governing body does not comply with the provisions of subsection (b) because such governing body did not intend to exceed its revenue neutral rate but the final taxable assessed valuation of such taxing subdivision used to calculate the actual tax levy is less than the estimated assessed valuation used to calculate the revenue neutral rate, such governing body shall be permitted to levy a tax rate that generates the same amount of property tax revenue as levied the previous year or less.

Sec. 16. K.S.A. 2023 Supp. 79-2989 is hereby amended to read as follows: 79-2989. (a) For calendar years ~~2022 and 2023~~ and 2024, if a county clerk has printing or postage costs pursuant to K.S.A. 2023 Supp. 79-2988, and amendments thereto, the county clerk shall notify and provide documentation of such costs to the secretary of revenue. The secretary of revenue shall certify the amount of moneys attributable to such costs and shall transmit a copy of such certification to the director of accounts and reports. Upon such receipt of such certification, the director of accounts and reports shall transfer an amount of moneys equal to such certified amount from the state general fund to the taxpayer notification costs fund of the department of revenue. The secretary of revenue shall transmit a copy of each such certification to the director of legislative research and the director of the budget.

(b) There is hereby established in the state treasury the taxpayer notification costs fund that shall be administered by the secretary of revenue. All expenditures from such fund shall be made in accordance with appropriations acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of revenue or the secretary's designee.

Sec. 17. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-3228, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by ~~subsection (b) of~~ K.S.A. 79-2968**(b)**, and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due

until the same is paid or until the 15th day of the fourth month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed \$1. For purposes of this subsection, the amount of underpayment of estimated tax shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 90% of the tax shown on the return for the taxable year or, if no return was filed, 90% of the tax for such year, over the amount, if any, of the installment paid on or before the last date prescribed for payment. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, "underpayment of tax" means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).

(b) No penalty or interest shall be imposed upon any individual with respect to any underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year;

(2) zero if no return was required to be filed or if the tax liability on the individual's return was less than \$200 for the preceding taxable year;

(3) an amount equal to $66\frac{2}{3}\%$, in the case of individuals referred to in ~~subsection (b) of~~ K.S.A. 79-32,102(b), and amendments thereto, and 90%, in the case of all other individuals, of the tax for the taxable year computed by placing on an annualized basis, pursuant to rules and regulations adopted by the secretary of revenue, the taxable income for the months in the taxable year ending before the month in which the installment is required to be made.

(c) No penalty or interest shall be imposed upon any corporation with respect to any underpayment of any installment of estimated tax if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year, or zero if no return was required to be filed, or if the tax liability on the corporation's return was less than \$500 for the preceding taxable year; or

(2) (A) an amount equal to 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month;

(ii) for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month;

(iii) for the first six months or for the first eight months of the taxable year in the

case of the installment required to be paid in the ninth month; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(B) For purposes of this ~~subsection~~ paragraph (2), the taxable income shall be placed on an annualized basis by:

(i) Multiplying by 12 the taxable income referred to in ~~subsection (2)(A)~~, ~~subparagraph (A)~~; and

(ii) dividing the resulting amount by the number of months in the taxable year (three, five, six, eight, nine, or 11, as the case may be) referred to in ~~subsection (2)(A)~~ ~~subparagraph (A)~~.

(d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer. This subsection shall in no case relieve the employer from liability for any penalties or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.

(e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. § 6672.

(f) (1) In case of failure by any employer required by ~~subsection (b)~~ of K.S.A. 79-3298(b), and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of ~~15%~~ ~~of the amount of the underpayment~~;

(A) 2% of the amount of the underpayment if remitted within one to five days;

(B) 5% of the amount of the underpayment if remitted within six to 15 days;

(C) 10% of the amount of the underpayment if remitted after 15 days; and

(D) 15% of the amount of the underpayment if remitted after 15 days and the department has issued a notice to the person regarding the underpayment but the amount of the underpayment was not remitted within 10 days of issuance of the notice.

(2) For purposes of this subsection, the term "underpayment" means the excess of the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by ~~subsection (d)~~ of K.S.A. 79-3298(d), and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) ~~of this section~~ on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.

(g) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e); or (f) ~~of this section~~ was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of ~~said such~~ penalties and may reduce the interest rate to the underpayment

rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

Sec. 18. K.S.A. 2023 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

(E) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

(F) the appraised value and assessed value of the taxpayer's property for the current year;

(G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

(H) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph (G) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

(I) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue

neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the ~~20-mills tax~~ levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from ~~the 20-mills such tax levied~~ is the only reason ~~that~~ the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from ~~only the 20-mills such tax levied~~.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad

valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

(1) A list of taxing subdivisions by county;

(2) whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;

(3) the revenue neutral rate of each taxing subdivision;

(4) the tax rate resulting from the adopted budget of each taxing subdivision; and

(5) the percent change between the revenue neutral rate and the tax rate for each taxing subdivision.

Sec. 16. On and after July 1, 2024, K.S.A. 2023 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income

below zero.

Sec. 5. K.S.A. 79-503a is hereby amended to read as follows: 79-503a. "Fair market value" means the amount in terms of money that a well informed buyer is justified in paying and a well informed seller is justified in accepting for property in an open and competitive market, assuming that the parties are acting without undue compulsion. In the determination of fair market value of any real property which is subject to any special assessment, such value shall not be determined by adding the present value of the special assessment to the sales price. For the purposes of this definition it will be assumed that consummation of a sale occurs as of January 1.

Sales in and of themselves shall not be the sole criteria of fair market value but shall be used in connection with cost, income and other factors including but not by way of exclusion:

- (a) The proper classification of lands and improvements;
- (b) the size thereof;
- (c) the effect of location on value;
- (d) depreciation, including physical deterioration or functional, economic or social obsolescence;
- (e) cost of reproduction of improvements;
- (f) productivity taking into account all restrictions imposed by the state or federal government and local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families as authorized by section 42 of the federal internal revenue code of 1986, as amended;

(g) earning capacity as indicated by lease price, by capitalization of net income or by absorption or sell-out period;

(h) rental or reasonable rental values or rental values restricted by the state or federal government or local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended;

(i) sale value on open market with due allowance to abnormal inflationary factors influencing such values;

(j) restrictions or requirements imposed upon the use of real estate by the state or federal government or local governing bodies, including zoning and planning boards or commissions, and including, but not limited to, restrictions or requirements imposed upon the use of real estate rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended; and

(k) comparison with values of other property of known or recognized value. The assessment-sales ratio study shall not be used as an appraisal for appraisal purposes.

The appraisal process utilized in the valuation of all real and tangible personal property for ad valorem tax purposes shall conform to generally accepted appraisal procedures and standards which are consistent with the definition of fair market value unless otherwise specified by law.

The sale price or value at which a property sells or transfers ownership in a federal internal revenue code section 1031 exchange, a build-to-suit transaction or any sale-leaseback arrangement shall not be considered an indicator of fair market value nor as a factor in arriving at fair market value. Federal internal revenue code section 1031 exchange, build-to-suit and sale-leaseback arrangement transactions shall not be used as comparable sales for valuation purposes nor as valid sales for purposes of sales ratio studies conducted pursuant to K.S.A. 79-1485 et seq., and amendments thereto.

Sec. 6. K.S.A. 2023 Supp. 79-1460 is hereby amended to read as follows: 79-1460.

(a) The county appraiser shall notify each taxpayer in the county annually on or before March 1 for real property and May 1 for personal property, by mail directed to the taxpayer's last known address, of the classification and appraised valuation of the taxpayer's property, except that, the valuation for all real property shall not be increased unless the record of the latest physical inspection was reviewed by the county or district appraiser, and documentation exists to support such increase in valuation in compliance with the directives and specifications of the director of property valuation, and such record and documentation is available to the affected taxpayer. Alternatively, the county appraiser may transmit the classification and appraised valuation to the taxpayer by electronic means if such taxpayer consented to service by electronic means.

(b) The valuation for all real property also shall not be increased solely as the result of normal repair, replacement or maintenance of existing structures, equipment or improvements on the property. For the next two taxable years following the taxable year that the valuation for commercial real property has been reduced due to a final determination made pursuant to the valuation appeals process, the county appraiser shall review the computer-assisted mass-appraisal of the property and if, the valuation in either of those two years exceeds the value of the previous year by more than 5%, excluding new construction, change in use or change in classification, the county appraiser shall either:

(1) Adjust the valuation of the property based on the information provided in the

previous appeal; or

(2) order an independent fee simple appraisal of the property to be performed by a Kansas certified real property appraiser.

(c) When the valuation for real property has been reduced due to a final determination made pursuant to the valuation appeals process for the prior year, and the county appraiser has already certified the appraisal rolls for the current year to the county clerk pursuant to K.S.A. 79-1466, and amendments thereto, the county appraiser may amend the appraisal rolls and certify the changes to the county clerk to implement the provisions of this subsection and reduce the valuation of the real property to the prior year's final determination, except that such changes shall not be made after October 31 of the current year.

(d) (1) The notice provided under subsection (a) shall specify:

(A) Separately for the previous tax year and the current tax year, the appraised and assessed values for each property class identified on the parcel;

(B) the uniform parcel identification number prescribed by the director of property valuation; ~~and~~

(C) a statement of the taxpayer's right to appeal, the procedure to be followed in making such appeal and the availability without charge of the guide devised pursuant to subsection (g); ~~and~~

(D) a valuation history of the parcel that includes, at a minimum, a statement or display of the total appraised values of the parcel for the current tax year and the previous four tax years.

(2) Such notice may, and if the board of county commissioners so require, shall provide the parcel identification number, address and the sale date and amount of any or all sales utilized in the determination of appraised value of residential real property.

(e) In any year in which no change in appraised valuation of any real property from its appraised valuation in the next preceding year is determined, an alternative form of notification which has been approved by the director of property valuation may be utilized by a county.

(f) Failure to timely mail or receive such notice shall in no way invalidate the classification or appraised valuation as changed. The secretary of revenue shall adopt rules and regulations necessary to implement the provisions of this section.

(g) There shall be provided to each taxpayer, upon request, a guide to the property tax appeals process. The director of the division of property valuation shall devise and publish such guide and shall provide sufficient copies thereof to all county appraisers. Such guide shall include, but not be limited to:

(1) A restatement of the law which pertains to the process and practice of property appraisal methodology, including the contents of K.S.A. 79-503a and 79-1460, and amendments thereto;

(2) the procedures of the appeals process, including the order and burden of proof of each party and time frames required by law; and

(3) such other information deemed necessary to educate and enable a taxpayer to properly and competently pursue an appraisal appeal.

(h) As used in this section:

(1) "New construction" means the construction of any new structure or improvements or the remodeling or renovation of any existing structures or improvements on real property.

(2) "Normal repair, replacement or maintenance" does not include new construction.

(3) "Taxpayer" means the person in ownership of the property as indicated on the records of the office of register of deeds or county clerk and includes the lessee of such property if the lease agreement has been recorded or filed in the office of the register of deeds and the real property or improvement thereon is subject of a lease agreement.

Sec. 7. K.S.A. 2023 Supp. 79-2005 is hereby amended to read as follows: 79-2005. (a) Any taxpayer, before protesting the payment of such taxpayer's taxes, shall be required, either at the time of paying such taxes, or, if the whole or part of the taxes are paid prior to December 20, no later than December 20, or, with respect to taxes paid in whole or in part in an amount equal to at least $\frac{1}{2}$ of such taxes on or before December 20 by an escrow or tax service agent, no later than January 31 of the next year, to file a written statement with the county treasurer, on forms approved by the state board of tax appeals and provided by the county treasurer, clearly stating the grounds on which the whole or any part of such taxes are protested and citing any law, statute or facts on which such taxpayer relies in protesting the whole or any part of such taxes. When the grounds of such protest is an assessment of taxes made pursuant to K.S.A. 79-332a and 79-1427a, and amendments thereto, the county treasurer may not distribute the taxes paid under protest until such time as the appeal is final. When the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the county treasurer shall forward a copy of the written statement of protest to the county appraiser who shall within 15 days of the receipt thereof, schedule an informal meeting with the taxpayer or such taxpayer's agent or attorney with reference to the property in question. At the informal meeting, it shall be the duty of the county appraiser or the county appraiser's designee to initiate production of evidence to substantiate the valuation of such property, including a summary of the reasons that the valuation of the property has been increased over the preceding year, any assumptions used by the county appraiser to determine the value of the property and a description of the individual property characteristics, property specific valuation records and conclusions. The taxpayer shall be provided with the opportunity to review the data sheets applicable to the valuation approach utilized for the subject property. The county appraiser shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation of the property. The county appraiser shall review the appraisal of the taxpayer's property with the taxpayer or such taxpayer's agent or attorney and may change the valuation of the taxpayer's property, if in the county appraiser's opinion a change in the valuation of the taxpayer's property is required to assure that the taxpayer's property is valued according to law, and shall, within 15 business days thereof, notify the taxpayer in the event the valuation of the taxpayer's property is changed, in writing of the results of the meeting. The county appraiser shall not increase the appraised valuation of the property as a result of the informal meeting. In the event the valuation of the taxpayer's property is changed and such change requires a refund of taxes and interest thereon, the county treasurer shall process the refund in the manner provided by subsection (l).

(b) No protest appealing the valuation or assessment of property shall be filed pertaining to any year's valuation or assessment when an appeal of such valuation or assessment was commenced pursuant to K.S.A. 79-1448, and amendments thereto, nor shall the second half payment of taxes be protested when the first half payment of taxes

has been protested. Notwithstanding the foregoing, this provision shall not prevent any subsequent owner from protesting taxes levied for the year in which such property was acquired, nor shall it prevent any taxpayer from protesting taxes when:

(1) The valuation or assessment of such taxpayer's property has been changed pursuant to an order of the director of property valuation;

(2) the taxpayer withdrew such taxpayer's appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto; or

(3) the taxpayer wishes to present new evidence relating to the valuation or assessment of such property.

(c) A protest shall not be necessary to protect the right to a refund of taxes in the event a refund is required because the final resolution of an appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto, occurs after the final date prescribed for the protest of taxes.

(d) If the grounds of such protest shall be that the valuation or assessment of the property upon which the taxes so protested are levied is illegal or void, such statement shall further state the exact amount of valuation or assessment which the taxpayer admits to be valid and the exact portion of such taxes which is being protested.

(e) If the grounds of such protest shall be that any tax levy, or any part thereof, is illegal, such statement shall further state the exact portion of such tax which is being protested.

(f) Upon the filing of a written statement of protest, the grounds of which shall be that any tax levied, or any part thereof, is illegal, the county treasurer shall mail a copy of such written statement of protest to the state board of tax appeals and the governing body of the taxing district making the levy being protested.

(g) Within 30 days after notification of the results of the informal meeting with the county appraiser pursuant to subsection (a), the protesting taxpayer may, if aggrieved by the results of the informal meeting with the county appraiser, appeal such results to the state board of tax appeals.

(h) After examination of the copy of the written statement of protest and a copy of the written notification of the results of the informal meeting with the county appraiser in cases where the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the board shall conduct a hearing in accordance with the provisions of the Kansas administrative procedure act, unless waived by the interested parties in writing. If the grounds of such protest is that the valuation or assessment of the property is illegal or void the board shall notify the county appraiser thereof.

(i) In the event of a hearing, the same shall be originally set not later than 90 days after the filing of the copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board. With regard to any matter properly submitted to the board relating to the determination of valuation of residential property or real property used for commercial and industrial purposes for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination except that no such duty shall accrue to the county or district appraiser with regard to leased commercial and industrial property unless the property owner has furnished to the county or district appraiser a complete income and expense statement for the

property for the three years next preceding the year of appeal. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. In all instances where the board sets a request for hearing and requires the representation of the county by its attorney or counselor at such hearing, the county shall be represented by its county attorney or counselor. The board shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation for the property. In any appeal from the reclassification of property that was classified as land devoted to agricultural use for the preceding year, the taxpayer's classification of the property as land devoted to agricultural use shall be presumed to be valid and correct if the taxpayer provides an executed lease agreement or other documentation demonstrating a commitment to use the property for agricultural use, if no other actual use is evident. With regard to any matter properly submitted to the board relating to the determination of valuation of property for taxation purposes, the board shall not increase the appraised valuation of the property to an amount greater than the appraised value reflected in the notification of the results of the informal meeting with the county appraiser from which the taxpayer appealed.

(j) When a determination is made as to the merits of the tax protest, the board shall render and serve its order thereon. The county treasurer shall notify all affected taxing districts of the amount by which tax revenues will be reduced as a result of a refund.

(k) If a protesting taxpayer fails to file a copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board within the time limit prescribed, such protest shall become null and void and of no effect whatsoever.

(l) (1) In the event the board orders that a refund be made pursuant to this section or the provisions of K.S.A. 79-1609, and amendments thereto, or a court of competent jurisdiction orders that a refund be made, and no appeal is taken from such order, or in the event a change in valuation which results in a refund pursuant to subsection (a), the county treasurer shall, as soon thereafter as reasonably practicable, refund to the taxpayer such protested taxes and, with respect to protests or appeals commenced after the effective date of this act, interest computed at the rate prescribed by K.S.A. 79-2968, and amendments thereto, minus two percentage points, per annum from the date of payment of such taxes from tax moneys collected but not distributed. Upon making such refund, the county treasurer shall charge the fund or funds having received such protested taxes, except that, with respect to that portion of any such refund attributable to interest the county treasurer shall charge the county general fund. In the event that the state board of tax appeals or a court of competent jurisdiction finds that any time delay in making its decision is unreasonable and is attributable to the taxpayer, it may order that no interest or only a portion thereof be added to such refund of taxes.

(2) No interest shall be allowed pursuant to paragraph (1) in any case where the tax paid under protest was inclusive of delinquent taxes.

(m) Whenever, by reason of the refund of taxes previously received or the reduction of taxes levied but not received as a result of decreases in assessed valuation, it will be impossible to pay for imperative functions for the current budget year, the governing body of the taxing district affected may issue no-fund warrants in the amount necessary. Such warrants shall conform to the requirements prescribed by K.S.A. 79-2940, and amendments thereto, except they shall not bear the notation required by such section and may be issued without the approval of the state board of tax appeals. The

governing body of such taxing district shall make a tax levy at the time fixed for the certification of tax levies to the county clerk next following the issuance of such warrants sufficient to pay such warrants and the interest thereon. All such tax levies shall be in addition to all other levies authorized by law.

(n) Whenever a taxpayer appeals to the board of tax appeals pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, or pays taxes under protest related to one property whereby the assessed valuation of such property exceeds 5% of the total county assessed valuation of all property located within such county and the taxpayer receives a refund of such taxes paid under protest or a refund made pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, the county treasurer or the governing body of any taxing subdivision within a county may request the pooled money investment board to make a loan to such county or taxing subdivision as provided in this section. The pooled money investment board is authorized and directed to loan to such county or taxing subdivision sufficient funds to enable the county or taxing subdivision to refund such taxes to the taxpayer. The pooled money investment board is authorized and directed to use any moneys in the operating accounts, investment accounts or other investments of the state of Kansas to provide the funds for such loan. Each loan shall bear interest at a rate equal to the net earnings rate of the pooled money investment portfolio at the time of the making of such loan. The total aggregate amount of loans under this program shall not exceed \$50,000,000 of unencumbered funds pursuant to article 42 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto. Such loan shall not be deemed to be an indebtedness or debt of the state of Kansas within the meaning of section 6 of article 11 of the constitution of the state of Kansas. Upon certification to the pooled money investment board by the county treasurer or governing body of the amount of each loan authorized pursuant to this subsection, the pooled money investment board shall transfer each such amount certified by the county treasurer or governing body from the state bank account or accounts prescribed in this subsection to the county treasurer who shall deposit such amount in the county treasury. Any such loan authorized pursuant to this subsection shall be repaid within four years. The county or taxing subdivision shall make not more than four equal annual tax levies at the time fixed for the certification of tax levies to the county clerk following the making of such loan sufficient to pay such loan within the time period required under such loan. All such tax levies shall be in addition to all other levies authorized by law.

(o) The county treasurer shall disburse to the proper funds all portions of taxes paid under protest and shall maintain a record of all portions of such taxes which are so protested and shall notify the governing body of the taxing district levying such taxes thereof and the director of accounts and reports if any tax protested was levied by the state.

(p) This statute shall not apply to the valuation and assessment of property assessed by the director of property valuation and it shall not be necessary for any owner of state assessed property, who has an appeal pending before the state board of tax appeals, to protest the payment of taxes under this statute solely for the purpose of protecting the right to a refund of taxes paid under protest should that owner be successful in that appeal.

Sec. 8. K.S.A. 2023 Supp. 79-4508a is hereby amended to read as follows: 79-4508a. (a) For tax year 2022, and all tax years thereafter, the amount of any claim

(2) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was: (A) A person who is 65 years of age or older; or (B) a disabled veteran. (2) the appraised value of the claimant's homestead for the base year is ~~\$350,000~~ \$500,000 or less.

The provisions of K.S.A. 79-4522, and amendments thereto, shall not apply to a claim pursuant to this section. In the case of all tax years commencing after December 31, 2022, the upper limit household income threshold amount prescribed in this subsection shall be increased by an amount equal to such threshold amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the federal internal revenue code for the calendar year in which the taxable year commences.

(d) A taxpayer shall not be eligible for a homestead property tax refund claim pursuant to this section if such taxpayer has received for such property for such tax year either: (1) A homestead property tax refund pursuant to K.S.A. 79-4508, and amendments thereto; or (2) the selective assistance for effective senior relief (SAFESR) credit pursuant to K.S.A. 79-32,263, and amendments thereto.

(b) As used in this section, the term "watercraft" means any watercraft designed to be propelled by machinery, oars, paddles or wind action upon a sail for navigation on the water which, if not for the provisions of this section, would be properly classified under subclass 5 or 6 of class 2 of section 1 of article 11 of the Kansas constitution. This section shall not be construed as taxing any watercraft which otherwise would be exempt from property taxation under the laws of the state of Kansas. Each watercraft may include one trailer which is designed to launch, retrieve, transport and store such watercraft and any nonelectric motor or motors which are necessary to operate such watercraft on the water.

"New Section 1. (a) On and after July 1, 2026, notwithstanding any provision of law to the contrary, all sales of tangible personal property or services, except sales of

motor vehicles, alcoholic beverages, tobacco, electronic cigarettes as defined by K.S.A. 79-3301, and amendments thereto, and consumable material as defined by K.S.A. 79-3399, and amendments thereto, for such electronic cigarettes, to persons who are residents of this state and have been honorably discharged from active service in any branch of the armed forces of the United States and who are certified by the United States department of veterans affairs or its successor to have a 100% disability or be deemed totally disabled or unemployable, provided that the disability is permanent and was sustained through military action or accident or resulted from disease contracted while in such active service, shall be exempt from the tax imposed by the Kansas retailers' sales tax act. Sales of items or services for the benefit of the eligible person, as provided by this section, that are purchased on behalf of such eligible person by a spouse or by a member of the household in which the eligible person resides and who is authorized to make purchases on the eligible person's behalf shall also be exempt for purposes of this section. The surviving spouse of an eligible person who was receiving an exemption pursuant to this section at the time of such person's death shall be eligible to continue to receive such exemption until the surviving spouse remarries. This exemption shall apply only to such property and services that are used or will be used for the personal use of the eligible person or such person's spouse or surviving spouse and not used for the production of income.

(b) Sales qualifying for the exemption authorized by this section shall not exceed \$24,000 per year per eligible person.

(c) Prior to claiming any such exemption, an eligible person claiming an exemption pursuant to this section shall apply to and obtain from the secretary of revenue a veteran exemption identification number. The secretary shall prescribe the application form for such number, and such eligible person shall provide with the application information sufficient to establish that such eligible person qualifies for the sales tax exemption. The department of revenue shall also provide to each qualifying eligible person an exemption certificate in the form of a driver's-license-size card that includes the veteran exemption identification number of such eligible person and any other information necessary to prove eligibility to any retailer. Such eligible person shall present the exemption certificate card or enter the issued identification number on any exemption certificate presented to any retailer when claiming the sales tax exemption on any qualifying purchases.

(d) Upon request of the secretary, an eligible person asserting or claiming the exemption authorized by this section shall provide a statement, executed under oath, that the total sales amounts for which the exemption is applicable have not exceeded the individual taxpayer's yearly limit prescribed by this section. If the amount of such exempt sales exceeds such prescribed limit, the sales tax in excess of the authorized amount shall be treated as a direct sales tax liability and may be recovered by the department of revenue in the same manner as provided by the Kansas retailers' sales tax act.

(e) This section shall be a part of and supplemental to the Kansas retailers' sales tax act.

New Sec. 2. (a) When a used motor vehicle is sold on or after January 1, 2025, by an individual instead of being traded in as partial payment on the sale of a new or used motor vehicle, and the individual purchases a new or used vehicle of greater value within 120 days before or after such sale, the tax imposed by the Kansas retailers' sales

tax act pursuant to K.S.A. 79-3601 et seq., and amendments thereto, or the Kansas compensating tax pursuant to K.S.A. 79-3701 et seq., and amendments thereto, shall be paid on the amount of total consideration paid for the new or used vehicle purchased by such individual that exceeds the amount received by such individual from such sale of the used motor vehicle. In the event that the consideration paid for the purchased vehicle is equal to or less than the amount received from the sale of the used motor vehicle, then the individual shall not owe any sales or compensating use tax.

(b) For purposes of subsection (a), the individual may either:

(1) Provide to the county treasurer the completed bills of sale for the vehicle sold and the vehicle purchased at the time that the purchased vehicle is registered. The county treasurer shall collect the tax on the amount prescribed under subsection (a); or

(2) apply to the department of revenue if taxes have already been paid on the purchased vehicle for a refund of the amount of tax paid by the individual that exceeds the tax amount owed pursuant to subsection (a) by providing both the completed bills of sale for the vehicle sold and the vehicle purchased.

(c) (1) The deduction provided by this section shall not be allowed unless the taxpayer claiming the deduction provides a copy of the bills of sale required pursuant to subsection (b), and such bills of sale are on department of revenue form TR-312 or, at a minimum, include information necessary to tie the specific purchase transaction to the related sale transaction including, but not limited to, the:

- (A) Seller's printed name and address;
- (B) buyer's printed name and address;
- (C) year, make and vehicle identification number of the vehicle;
- (D) sale price and date of sale of the vehicle; and
- (E) signatures of the seller and the buyer and the date signed.

(2) The sale price, date of sale and the name of at least one buyer and seller listed on the bill of sale must match the information entered in the assignment of title on the back of the certificate of title.

(3) If the taxpayer claiming such deduction fails to provide such signed bills of sale, the tax shall be due on the total consideration paid for the new or used vehicle.

(d) The department of revenue shall issue a refund pursuant to subsection (b)(2) from the sales tax refund fund for any valid claims filed within three years from the date of the purchase of the replacement vehicle.

(e) The director of vehicles shall prescribe forms for compliance with this section.

"Sec. 12. K.S.A. 44-706 is hereby amended to read as follows: 44-706. The secretary shall examine whether an individual has separated from employment for each week claimed. The secretary shall apply the provisions of this section to the individual's most recent employment prior to the week claimed. An individual shall be disqualified for benefits:

(a) If the individual left work voluntarily without good cause attributable to the work or the employer, subject to the other provisions of this subsection. For purposes of this subsection, "good cause" is cause of such gravity that would impel a reasonable, not supersensitive, individual exercising ordinary common sense to leave employment. Good cause requires a showing of good faith of the individual leaving work, including the presence of a genuine desire to work. Failure to return to work after expiration of approved personal or medical leave, or both, shall be considered a voluntary resignation. After a temporary job assignment, failure of an individual to affirmatively request an additional assignment on the next succeeding workday, if required by the employment agreement, after completion of a given work assignment, shall constitute leaving work voluntarily. The disqualification shall begin the day following the separation and shall continue until after the individual has become reemployed and has had earnings from insured work of at least three times the individual's weekly benefit

amount. An individual shall not be disqualified under this subsection if:

(1) The individual was forced to leave work because of illness or injury upon the advice of a licensed and practicing healthcare provider and, upon learning of the necessity for absence, immediately notified the employer thereof, or the employer consented to the absence, and after recovery from the illness or injury, when recovery was certified by a practicing health care provider, the individual returned to the employer and offered to perform services and the individual's regular work or comparable and suitable work was not available. As used in this paragraph "healthcare provider" means any person licensed by the proper licensing authority of any state to engage in the practice of medicine and surgery, osteopathy, chiropractic, dentistry, optometry, podiatry or psychology;

(2) the individual left temporary work to return to the regular employer;

(3) the individual left work to ~~enlist~~ enter active service in the armed forces of the United States; but was rejected or delayed from entry;

(4) The spouse of an individual who is a member of the armed forces of the United States who left work because of the voluntary or involuntary transfer of the individual's spouse from one job to another job, ~~which that~~ is for the same employer or for a different employer, at a geographic location ~~which that~~ makes it unreasonable for the individual to continue work at the individual's job. For the purposes of this provision ~~the term~~ "member of the armed forces" means ~~active duty~~ a person performing active service in the army, navy, marine corps, air force, space force, coast guard or any ~~branch component~~ of the military reserves of the United States;

(5) the individual left work because of hazardous working conditions; in determining whether or not working conditions are hazardous for an individual, the degree of risk involved to the individual's health, safety and morals, the individual's physical fitness and prior training and the working conditions of workers engaged in the same or similar work for the same and other employers in the locality shall be considered; as used in this paragraph, "hazardous working conditions" means working conditions that could result in a danger to the physical or mental well-being of the individual; each determination as to whether hazardous working conditions exist shall include, but shall not be limited to, a consideration of: (A) The safety measures used or the lack thereof; and (B) the condition of equipment or lack of proper equipment; no work shall be considered hazardous if the working conditions surrounding the individual's work are the same or substantially the same as the working conditions generally prevailing among individuals performing the same or similar work for other employers engaged in the same or similar type of activity;

(6) the individual left work to enter training approved under section 236(a)(1) of the federal trade act of 1974, provided the work left is not of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the federal trade act of 1974, and wages for such work are not less than 80% of the individual's average weekly wage as determined for the purposes of the federal trade act of 1974;

(7) the individual left work because of unwelcome harassment of the individual by the employer or another employee of which the employing unit had knowledge and that would impel the average worker to give up such worker's employment;

(8) the individual left work to accept better work; each determination as to whether or not the work accepted is better work shall include, but shall not be limited to,

consideration of: (A) The rate of pay, the hours of work and the probable permanency of the work left as compared to the work accepted; (B) the cost to the individual of getting to the work left in comparison to the cost of getting to the work accepted; and (C) the distance from the individual's place of residence to the work accepted in comparison to the distance from the individual's residence to the work left;

(9) the individual left work as a result of being instructed or requested by the employer, a supervisor or a fellow employee to perform a service or commit an act in the scope of official job duties ~~which that~~ is in violation of an ordinance or statute;

(10) the individual left work because of a substantial violation of the work agreement by the employing unit and, before the individual left, the individual had exhausted all remedies provided in such agreement for the settlement of disputes before terminating. (C) No evidence of domestic violence experienced by an individual, including the

individual's statement and corroborating evidence, shall be disclosed by the department of labor unless consent for disclosure is given by the individual.
