House Committee on Federal and State Affairs

Representative Will Carpenter
Capitol Building
Topeka,KS

Dear Committee,

I am writing to offer my support for HB 2044, otherwise known as The Crown Act. I support this bill because hairstyles shouldn't cost people important opportunities. I don't think people should be losing their jobs or job opportunities and housing for the way they style their hair.

I am a student at Wyandotte High School. I believe that all people should be treated equally no matter what type of hairstyle they have.

Sincerely,

Peter Aguilar-Perez
