VFW Post 846 represents the veterans that reside in Overland Park, KS. Many of them are disabled as a result of their military service. And many of them are 65 years or much older. As the leading supporter of veterans, our VFW post receives many requests for support and there is a lot of need out there. HB2036 would be a huge help for many of them.

Please pass this bill!

Thank you for what you do for veterans.
