HB 2036

Kansas Association of Counties
Proponent Testimony – Written Only

Chairman Smith and members of the Committee:

Thank you for allowing the Kansas Association of Counties to offer proponent testimony on HB 2036, which would give tiered property tax relief for the homesteads of disabled veterans and their surviving spouse.

The Kansas Association of Counties and its member counties support the military and our veterans. KAC also supports the specifically targeted relief that is contemplated within this bill for disabled veterans and their surviving spouse. KAC supports this legislation, as it gives the exemption for homestead properties of the disabled veteran and their surviving spouse, targeting that relief directly to them.

The Kansas Association of Counties and its members support the passage of HB 2036. Thank you for your time and consideration.
