

Jennifer Hurley/Speech Pathologist
Proponent HB 2108
In writing only

To: Chairperson: Representative Adam Smith
Vice Chair: Representative Brian Bergkamp
Ranking Minority: Representative Tom Sawyer and and to all the members of this committee,
thank you for holding this hearing on [HB 2108](#) (Providing a four day back-to-school sales tax
holiday for sales of certain school supplies, computers and clothing.)

This bill would directly impact me as a single mom. This would be a financial relief during the
season of back to school. This would help all Kansans feel some financial relief and quite
possibly lead to them investing in the economy in other ways. I hope you listen to the words of
your constituents when it comes to making our lives just a little easier through legislation like
this.

Thank you for your time.
