Senate Bill 33, Exempting all social security benefits from Kansas income tax

Proponent

Jim Cain on behalf of myself

Chairwoman Tyson and members of the Senate committee on assessment and taxation,

My expenses are increasing for communications, food, housing, taxes(income, property, and sales), transportation, and utilities. Having no Kansas income tax on my Social Security benefits would help me to pay for ever increasing living costs.

I ask that you support Senate bill 33. Thank you.

Sincerely,

Jim Cain
Topeka, Kansas
